Frank Baum (1856-1919) was an American author chiefly known for his children's books, particularly *The Wonderful Wizard of Oz* which chronicles the adventures of a young farm girl named Dorothy in the magical Land of Oz, after she and her pet dog Toto are swept away from their Kansas home by a cyclone. The novel is one of the best-known stories in American literature and The Library of Congress has declared it "America's greatest and best-loved homegrown fairytale." An anthology of five erotic stories with mixed themes including ménage, older woman/younger man, exhibitionism and sex outdoors. *Surgical Stockings* by Mikey Jackson The very moment she met the doctor, she knew he was the man for her. The hunk was straight out of a romantic novel. A sparkling pair of grey-blue eyes. A spruce and orderly crop of dark brown hair. The athletic physique of a man who knew how to work himself into a sweat in the gym. Oh, and more importantly, a prominent bulge saying hello to her in the

genital region of his tight black trousers. Ooh, yes. He was just what the doctor ordered! And she was about to swallow her medicine. The More the Merrier by Clarice Clieque Emily is the decadent centre of every party. Everyone from policemen to waiters is attracted by her sexual allure. However, it is only her one-time roommate and long-term girlfriend who retains Emily's attention. But after more than ten years their relationship is coming to an end. Emily is determined that it will not fade away but will explode in a whirl of threesomes and orgies. A short break in Lisbon under the warm caress of the Mediterranean sun is their last chance to act out all their fantasies and say a last apt goodbye to each other. *Night of the Incubus* by Valerie Alexander Ariel's number one fantasy is anonymous sex. But just meeting men in her conservative small town is nearly impossible, let alone arranging a faceless encounter with a stranger. Yet when she bumps into a man in the woods

one night - a young man who seems suspiciously similar in the dark to her neighbour's gorgeous son - Ariel finds herself lost in the hot and wordless sex of her dreams. Icebreaker by A.J. Lyle Abby longs to step beyond the doors of The Vault, and discover all the adult toys that await her within. As she hesitates on the threshold of the shop, she collides with Cade, the sexiest man she's ever seen. He takes her inside, to the welcoming attentions of salesgirl Jami, who gives Abby an unforgettable lesson in pleasure - but that's only the warm-up, as Cade is delighted to get involved too ... The Last Train Home by Carol Anderson When things got hot and steamy in the bathroom and Jake headed off to work, he left me begging for more. So, I really wanted to pull out all the stops when he came home and give him a night to remember - shaved, wet, horny as hell, and dressed to kill, I waited in the dark for the last train home. This artful picture book contains a unique collection of

This collection is trying to uncover who was this incredible charismatic author, what hides behind the adventurous life anecdotes he wrote about, what were his convictions, dreams and what were his darkest hours. Content: "The Road" is London's account of London's experiences as a hobo in the 1890s, during the worst

economic depression the United States had experienced up to that time. "The Cruise of the Snark" chronicles London's sailing adventure in 1907 across the south Pacific in his ketch the Snark. Accompanying London on this voyage was his wife Charmian London and a small crew. "John Barleycorn" is an autobiographical account of Jack London dealing with his enjoyment of drinking and struggles with alcoholism. "The People of the Abyss" describes London's experiences about life in the East End of London in 1902. He wrote this first-hand account after living in the East End for several months, sometimes staying in workhouses or sleeping on the streets. "Martin Eden" is a novel about a young proletarian autodidact, former sailor, struggling to become a writer. Eden is a semi-autobiographical character, based on London himself. "The Mutiny of the Elsinore" - After death of the captain, the crew of a ship split between the two senior surviving mates. The novel is based on London's

voyage around Cape Horn on the Dirigo. Short Stories: Tales of the Fish Patrol - As a 16 year old man, Jack London became a member of the California Fish Patrol. These are the stories drawn from his experiences in catching fish poachers. The Human Drift is a collection of short sketches, stories and essays, mostly concerning sailing and London's love for sea. Essays: Through The Rapids on the Way to the Klondike From Dawson to the Sea Our Adventures in Tampico... New York Times bestselling author Lauren Dane brings you the Chase Brothers: ridiculously hot, notoriously single. Read all four classic Chase Brothers novels in this collection! Giving Chase When landscaper Kyle Chase takes notice of Maggie Wright, all of Petal, Georgia, wonders what the quiet schoolteacher is hiding underneath her tight bun and boring blouses. Even Maggie doesn't quite get it: she's no match against the famous Chase charm, and Kyle has it in spades. Kyle wants Maggie in his life—and in his

bed—and he doesn't mind getting down and dirty to prove it. For years he's avoided the kind of trouble that comes with "good girls" like her, but Maggie's the best trouble he's ever been in. He craves more of it. More of her. But even as their love grows into thoughts of forever, a hidden danger from Maggie's past threatens to tear them apart... Taking Chase Sheriff Shane Chase is drawn to the new girl in town from the moment he lays eyes on her. Not only is she gorgeous, but years on the job have taught him to know when someone is hiding something. And Cassie Gambol is hiding something big. He's willing to take it slow to find out her secrets, no matter how much he burns to make her his. Cassie Gambol needs a fresh start, and she gets it by reinventing herself in the small town of Petal, Georgia. A new romance is the last thing on Cassie's mind, but the impossibly hot town sheriff has her reconsidering her priorities. But when Cassie and Shane come face-to-face with

the reason Cassie's on the run, only her determination and his instincts can keep her safe from the past—and keep their future from ending before it can even begin. Chased Marc Chase is known in the small town of Petal, Georgia, for being the youngest—and some would say wildest—Chase brother. But when longtime family friend Liv Davis signs up for some personal training sessions, Marc realizes the only woman he wants has been right in front of him all along. Mayor's assistant Liv has been hurt too many times to let a Chase brother into her life—or into her bed. She's ready for something more. Something she doesn't think the six-years-younger Marc is ready to give. Knowing he'll need more than pretty words to break through Liv's wall of heartbreak, Marc takes the gamble of his life to prove his love: two days away, full of hot sex and bared souls. But will this bet be enough to win her heart forever? Making Chase All of Petal, Georgia, is waiting for the last Chase brother to fall. At least, that's

how it feels to firefighter Matt Chase, who's getting a little anxious himself. His brothers have all found love—why hasn't he? But fate, in the form of a curvaceous hairdresser, is about to change that. Salon owner Tate Murphy has come a long way from her trailer-park roots. Even though she's put the past behind her, she knows someone like Matt Chase is way out of her league. But that doesn't stop her from getting a good eyeful every chance she gets. When a car accident throws them together, Tate gets more than an eyeful—she gets the whole package. Not that she's complaining. But when small-town bias and her own insecurities get in the way of their relationship, Matt will have to prove he doesn't care where she came from...only where she goes. Let the merry making begin. What's in your stocking? Have you been naughty or nice? Spice up your holiday and warm up next to the second wave of erotically delightful short stories. Prepare yourself to blush, fan, and laugh while snuggled in a blanket and a glass of wine. The holidays have never been so sexy! Ever looked at a woman and marvelled at how beautiful she was? Her make-up? Her perfume? The way she walks? The clothes she wears? Ever wondered what it was like to be as beautiful as her? To wear the same gorgeous

clothes, the same feminine perfume, have the same glossy red lips, wear the same sexy lingerie? Imagine wearing the cool smoothness of satin, the softness of chiffon, feeling the thrill of stockings as they slide up your legs, making you as beautiful as she is. Or maybe a dominant woman forces you to wear them? to make you into a beautiful woman. What about dressing as a sexy French Maid, looking like a wet-dream, to serve your dominant mistress in any way she wishes? Well, look no further! For your delectation in this book I have French Maids, sexy dresses, short skirts, pretty feminine blouses, high stiletto heels, and never ever forget stockings! Included in this, my first collection, are several stories involving Charlotte, a sexy shemale who lives with her gorgeous dominant mistress; the first two parts of Ugly Duckling - where I'm forcibly feminised by two sexy shemales and made to become a cock-sucking sissy; and an excerpt of a story from another series I've started - Sissy

Dreams. These are currently standalone stories that I feel don't fit in with either Charlotte or Ugly Duckling. This particular story forced its way out of my brain rather like that scene in Alien, but in this case wearing something pink and frilly. I really hope you enjoy them. Sommer Marsden, Alison Tyler, and Sophia Valenti are all wearing the prettiest stockings. That is, they've written sexy stories about sultry stockings and fishnets. The trio of stories in this collection is: Fishnet Frenzy by Sophia Valenti Old-Fashioned by Sommer Marsden Not for Sale by Alison Tyler Indulge your fetish for fishnets (and more) with these dreamy confections. Say 'sexy lingerie' and most people will think of black and red lacy peep-hole bras and crotchless panties! However, this concept is such a poor representation of what sexy lingerie is and what it does. It can transform a 'normal' body into one that would befit a model or actress and the physiological effects can make even more of a transformation! Sexy hosiery has been around for a long time. There is nothing more seductive than a black garter belt and thigh highs. Wearing a sexy pair of stockings can make a woman feel sensual no matter what she is wearing them under. A pretty pair of panty hose can add glamour to any outfit. Grab a copy of this ebook today to discover everything you need to know.
