Each chapter of the book is dedicated to a particular cartridge, including the: •.204 Ruger •.223 Remington •.220 Swift •.243 Winchester •.257 Roberts At the end of each chapter, author C. T. Richards demonstrates how each cartridge and rifle performs through the results of range tests and trajectory tests he conducted himself. A varmint hunter since the 1950s, Richards is more than qualified to grade these products and offer advice on varmint hunting in general. The content of Varmint Rifles and Cartridges will appeal to readers considering varmint hunting for the first time, as well those who have previously acquired some experience in using these tools. How To Be Team Player and Enjoy It is the result of working with pastors, staff members, and ministries across the country and seeing the problems faced in churches and Christian school ministries. Matt takes principles from God's word and applies them to our relationships and working with others as leaders. Christian leaders have encouraged Matt to relate these

principles in printed form. This book reflects Matt's heart for people and the Lord's work. How To Be Team Player and Enjoy It should be required reading for all Christian leaders and workers.
