Pediatrics Board Review (PBR) was written by Dr. Ashish Goyal to help pediatricians pass the American Board of Pediatrics Initial Certification exam, the MOC recertification exam & the MOCA-Peds exam. The PBR offers a 100% money-back first-time pass guarantee & has had multiple consecutive years of 100% Pass Rates for the MOC exam. PBR has also achieved seemingly unattainable results, such as helping pediatricians finally pass their initial certification exam after up to SEVEN previous failed attempts. It is so hard to juggle work, home, and spiritual life. As working women, we've wrestled with tough questions: · How can I be effective in my work, and stay committed to the Gospel? · How can I be dedicated to my family, when my job is so demanding? · Why am I working so hard, and still so unfulfilled? Sound familiar? Like you, we see a culture that promotes success at all costs, and working women are falling for it. It's happening every day. Priorities are shifting. Things are getting done . . . but are we doing what matters most? And that's why we wrote this book. This is the story of how we traded the lies of the world for the truth of our loving Father--the lessons we learned that challenged culture's "good things" so we could find the greatest thing. The book you're holding in your hands is really a conversation--a conversation that pushes back against our culture with a Gospel-centered approach to work and womanhood, for the glory of God and the good of others. Let's get to work. His way. Michelle + Somer "This is the book for every working woman!"--ALLI WORTHINGTON, bestselling author and business coach In Anonymous, learn to recognize the riches in the uncelebrated seasons of your life. When your potential is unseen and your abilities are unappreciated, use those times as opportunities to develop an unshakable identity and to find rest in God's timing—just as Jesus did. Unsettling spaces are actually the surprising birthplace of true spiritual strength. Most of Jesus' first thirty years went unnoticed by the world, but that season of quiet anonymity prepared Him for true greatness...and made Him unshakable when His time had come. Using Jesus' hidden years as inspiration, Alicia Chole memorably demonstrates how to: Resist resentment when your accomplishments go unnoticed Repurpose your own hidden years and experience deep growth Resolutely live out God's dreams for you with integrity and confidence We all experience times of hiddenness, when our potential is unseen and our abilities remain uncelebrated. This book will encourage you to not rush through those times by reminding you that these anonymous seasons of the soul hold enormous power to cultivate character traits that cannot be developed any other way! Clear the decks: God isn't disorganized; why should we be? 4. Maximize the morning: Schedule a standing appointment with God. 5. Pull off at rest stops: Routinely replenish your inner resources. 6. Operate on yourself: Diagnose and treat yourself spiritually. 7. Live "As If": Act by faith even when your emotions aren't cooperating. 8. Bathe in the Dead Sea: Experience the buoyancy of biblical joy. 9. Practice the power of plodding: Effectively complete major tasks by persistently working in small increments. 10. Remember there are two of you: It's Christ in you Who's achieving significance. Based on actual Scriptures, this simple, hope-filled plan for mastering life before it's too late will put you on the path toward a lifetime of success. From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening – but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, The Book of Signs is an encouraging guide to the Book of Revelation. In The Book of Signs, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, The Book of Signs is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose. The inspiring, instructive, and ultimately triumphant memoir of a man who used hard work and a Master Plan to turn a life sentence into a second chance. Growing up in a tough Washington, D.C., neighborhood, Chris Wilson was so afraid for his life he wouldn't leave the house without a gun. One night, defending himself, he killed a man. At eighteen, he was sentenced to life in prison with no hope of parole. But what should have been the end of his story became the beginning. Deciding to make something of his life, Chris embarked on a journey of self-improvement--reading, working out, learning languages, even starting a business. He wrote his Master Plan: a list of all he expected to accomplish or acquire. He worked his plan every day for years, and in his mid-thirties he did the impossible: he convinced a judge to reduce his sentence and became a free man. Today Chris is a successful social entrepreneur who employs returning citizens; a mentor; and a public speaker. He is the embodiment of second chances, and this is his unforgettable story.
