When a fire leaves twelve-year-old Scarlet in a different foster home than her autistic little brother, she tracks a bird to find her way back to him in this deeply moving illustrated novel from the author of Wild Wings. Scarlet doesn't have an easy life. She's never known her dad, her mom suffers from depression, and her younger brother Red has Asperger's and relies heavily on her to make the world a safe place for him. Scarlet does this by indulging Red's passion for birds, telling him stories about the day they'll go to Trinidad and see all the wonderful birds there (especially his beloved Scarlet Ibis), saving her money to take him to the zoo, helping him collect bird feathers, and even caring for a baby pigeon who is nesting outside his window. But things with her mom are getting harder, and after a dangerous accident, Scarlet and Red are taken into foster care and separated. As Scarlet struggles to cope with the sudden changes in her life and her complex feelings towards her mom, the one thing she won't give up on is finding Red. Nothing is going to get in her way—even if it might destroy the new possibilities offered to her by her foster family. Joe has always loved the moorlands above his home: the wildness, the freedom, the peace. But since his father died, everything has changed, and the moors are no longer a place of refuge. Now the whole community is divided over the fate of the hen harriers that nest up there in the heather - and Joe is stuck right in the middle, with a choice to make, and a huge secret to keep. Joe can't do what's right for everyone. But can he find the strength to fight for what he really believes in? Expert storyteller Gill Lewis presents a beautiful tale of loss, expectation, and change - with an important and thought-provoking

environmental message. Nine-year-old Morgan is the daughter of an explorer, and an adventurer at heart. When her father is lost on an expedition, Morgan and her mother are forced to sell their home and move in with a mysterious family they've never met. Morgan soon discovers that the family is hiding a great secret, and that a world of magic and enchantments might actually be real. Set in Massachusetts at the turn of the last century, *Morgan and the Forty Thieves* is a captivating adventure story that has problem solving and mathematical concepts woven into the narrative. Math is presented as a language of the universe that helps us understand the beautiful patterns and symmetries found in nature. In Book One of the series, children learn a step-by-step process of beginning multiplication. It begins with skip counting or counting by numbers, and then moves to adding equal sized groups, and then multiplication, with several examples of each worked into the story. There are also addition problems, logic puzzles, a pattern puzzle, a smattering of geometry and a simple demonstration of comparing numbers-depicting ratios without using that term. Finally there is an introduction of two mathematical concepts found in nature, the Fibonacci sequence and Fractals. Math found in the natural world will be a repeated theme of the Morgan series. As a Chapter Book series the Morgan tales are designed to fall at the end of the Chapter Book levels, just before Middle Reader books. The sentence structure is simple and straightforward so that the book is accessible to younger readers, while the storyline is complex and intriguing enough to engage older readers. The Morgan series is loosely based upon the collection of tales, *The Thousand and One Nights* or *The Arabian Nights*. These stories were created during the Golden Age of Islam in Persia and the Indian subcontinent. *The Thicket: A Path Begins* is a spellbinding tale about a girl, the Thicket, and the power of magic. Fans of Neil Gaiman will love this thrilling new world. When Kara Westfall was five years old, her mother was convicted of the worst of all crimes: witchcraft. Years later, Kara and her little brother, Taff, are still shunned by the people of their village, who believe that nothing is more evil than magic...except, perhaps, the mysterious forest that covers nearly the entire island. It has many names, this place. Sometimes it is called the Dark Wood, or Sordyr's Realm. But mostly it's called the Thicket. The villagers live in fear of the Thicket and the terrible creatures that live there. But when an unusual bird lures Kara into the forbidden forest, she discovers a strange book with unspeakable powers. A book that might have belonged to her mother. And that is just the beginning of the story. A hilarious, touching and extraordinary fable from David Walliams, number one bestseller and fastest growing children's author across the globe, with EXCLUSIVE audio and video from David Walliams As a group of refugees huddles together in a rubber dinghy, one of them uses his violin to weave their stories together and give them hope for freedom in the future. This "vividly imagined and well-written novel" (Booklist, starred review) tells a gripping story about a boy from Scotland and a girl from West Africa who join together to save a migrating Osprey—and end up saving each other. When Callum spots crazy Iona McNair on his family's sprawling property, she's catching a fish with her bare hands. She won't share the fish, but does share something else: a secret. She's discovered a rare endangered bird, an Osprey, and it's clear to both her and Callum that if anyone finds out about the bird, it, and its species, is likely doomed. Poachers, egg thieves, and wild weather are just some of the threats, so Iona and Callum vow to keep track of the bird and check her migratory progress using the code a preservationist tagged on her ankle, no matter what. But when one of them can no longer keep the promise, it's up to the other to do it for them both. No matter what. Set against the dramatic landscapes of Scotland and West Africa, this is a story of unlikely friendships, the wonders of the wild—and the everyday leaps of faith that set our souls to flight. A teenager discovers his voice in this contemporary love story from "one of young adult literature's greatest living writers" (Booklist). Shy teenager Karl is desperately in love with his girlfriend, Fiorella, a literary enthusiast who's asked him to write her a letter in which he reveals his true self. There's just one problem . . . Karl is dyslexic. Convinced that his attempts to express himself with words will end in disaster, Karl tracks down Fiorella's favorite novelist and begs him to take up the task. The famous writer unexpectedly agrees, but on one condition: Karl must participate in a series of interviews so the author can pen an

authentic portrait of his affections. What follows is a series of misunderstandings, a startling revelation, and an unusual bond that will change all three of their lives. A moving story of love and friendship, *Dying to Know You* is the perfect novel for "that cloudy expanse between older teenager and younger adult, a novel that doesn't pretend to advise, but merely sees its characters for who they really are" (The Guardian). "This quietly understated performance captures the wistfulness of music in a minor key." —Kirkus Reviews In Laos, twelve-year-old Tam must work at a bear farm where bears are cruelly caged and milked for their bile, but when a familiar cub is brought to the farm, Tam will do anything to free both the cub, and himself. 'The white dolphin is a sign that Mum's out there . . .' When they first meet, Kara and Felix can't stand each other. But on discovering an injured dolphin calf on the beach they know they must work together to save it. Now friends, they set out to find the truth behind the disappearance of Kara's mother, and to protect the nearby reef. But powerful people don't want them to succeed. And with the odds stacked against them, how can Kara and Felix make their voices heard? Swim around the world with Shark as he explores ocean forests and coastal reefs, meeting Hammerheads and Great Whites, stingrays and dolphins in a search for the place he calls home. When Martine's home in England burns down, killing her parents, she must go to South Africa to live on a wildlife game preserve, called Sawubona, with the grandmother she didn't know she had. Almost as soon as she arrives, Martine hears stories about a white giraffe living in the preserve. But her grandmother and others working at Sawubona insist that the giraffe is just a myth. Martine is not so sure, until one stormy night when she looks out her window and locks eyes with Jemmy, a young silvery-white giraffe. Why is everyone keeping Jemmy's existence a secret? Does it have anything to do with the rash of poaching going on at Sawubona? Martine needs all of the courage and smarts she has, not to mention a little African magic, to find out. First-time children's author Lauren St. John brings us deep into the African world, where myths become reality and a young girl with a healing gift has the power to save her home and her one true friend. In the wild there is no safety. The otter cub Tarka grows up with his mother and sisters, learning to swim, catch fish - and to fear the cry of the hunter and the flash of the metal trap. Soon he must fend for himself, travelling through rivers, woods, moors, ponds and out to sea, sometimes with the female otters White-tip and Greymuzzle, always on the run. Eventually, chased by a pack of hounds, he meets his nemesis, the fearsome dog Deadlock, and must fight for his life. Finn has always been different, and in the tiny fishing village of Stromhead he sticks out like a sore thumb. Always told to keep away from the water, he's felt that something was missing until one day he dives in and finds that, swimming with the dolphins, he feels completely at home. But his new friends are in danger of being injured by the rubbish that floats out into the water - and now a supermarket is going to release

thousands of balloons that could drift out to sea and cause even more damage. Desperate to help the dolphins, Finn goes to the Lighthouse Crew, a group of kids who have always left Finn out. Will they be able to set aside their differences to save the dolphins? And what will Finn discover about his past along the way? A moving adventure about the impact of plastic pollution on our seas, and the campaigning power of friendship from the award-winning Elizabeth Laird, illustrated by Peter Bailey. With beautiful illustrations and a sweet message, this story is perfect for parents to read to their special little one at story time, bedtime, and any time in between! A scientific journey to study the dolphins of coastal Australia considers the many potential sources of dolphin intelligence and what dolphin behavior can inform the scientific community about human intelligence, captive animals and the future of the oceans. 20,000 first printing. A mother dolphin and her albino calf are in peril in this heart-pounding adventure from the author of the acclaimed ecological novel Wild Wings. Kara is not sorry she punched Jake in the nose—she simply couldn't stand to hear him say one more nasty thing about her missing mother, or her out-of-work father...or her. But it's more than a broken nose to Jake's family: It's fuel for the fire. They've had it with Kara's family and their devotion to protecting marine life and saving the reef. Dredging the reef will mean fisherman can reel in more money. That's what the town needs. But what the town gets is an unexpected new kid, a Paralympics sailing hopeful named Felix. When a baby albino dolphin caught in old fishing netting washes ashore, Felix and Kara work with vets and specialists to save her and reunite her with her mother, setting off a chain of events that might just save the reef. Written

by a veterinarian and brimming with bravery and beauty, this "poignant and satisfying story about acting for the greater good" (Publishers Weekly) taps into the radiance of nature and dives into the important, timely issue of environmental protection and ecology.
