versions of these 87 classic tales exactly as they were first published more than a century ago \* Illustrated with the original block prints by John Batten

*The Story of Geographical Discovery* May 22 2020 Joseph Jacobs (29 August 1854 - 30 January 1916) was an Australian folklorist, literary critic, social scientist, historian and writer of English literature who became a notable collector and publisher of English folklore. His work went on to popularize some of the world's best known versions of English fairy tales including "Jack and the Beanstalk", "Goldilocks and the three bears", "The Three Little Pigs", "Jack the Giant Killer" and "The History of Tom Thumb". He published his English fairy tale collections: *English Fairy Tales* in 1890 and *More English Fairytales* in 1893[a] but also went on after and in between both books to publish fairy tales collected from continental Europe as well as Jewish, Celtic and Indian fairytales which made him one of the most popular writers of fairytales for the English language. Jacobs was also an editor for journals and books on the subject of folklore which included editing the *Fables of Bidpai* and the *Fables of Aesop*, as well as articles on the migration of Jewish folklore. He also edited editions of *The Thousand and One Nights*. He went on to join The Folklore Society in England and became an editor of the society journal *Folklore*. Jacobs was secretary of the Society of Hebrew Literature from 1878 to 1884, and in 1882, came into prominence as the writer of a series of articles in *The Times* on the persecution of Jews in Russia. This led to the formation of the mansion house fund and committee, of which Jacobs was secretary from 1882 to 1900.

**English Fairy Tales** May 14 2022 Classic fairy tales endure from generation to generation. The source of countless adaptations and

reimaginings, this collection is remarkable in its scale and diversity. Featuring familiar tales like "Jack and the Beanstalk," "The History of Tom Thumb," and "The Story of the Three Little Pigs," as well as more obscure gems like "The Old Woman and Her Pig" and "Childe Rowland," this anthology is a treasure trove of outstanding children's literature.

**Celtic Folk and Fairy Tales** Feb 28 2021 "Celtic Folk and Fairy Tales" by Various. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Favorite Celtic Fairy Tales** Nov 08 2021 Contents: The fate of the children of Lir -- The tale of Ivan -- The shephard of Myddvai -- Morraha -- The story of Deirdre -- The Llanfabon changeling -- Beth Gellert -- The sea-maiden.

More English Fairy Tales (Illustrated Edition) Aug 25 2020 Work from the literary and Jewish historian and notable folklorist who created several noteworthy collections of fairy tales.

**English Fairy Tales** Feb 17 2020 English Fairy Tales by Joseph Jacobs is a collection of 43 traditional stories that recount the adventures of giants, witches, princes, princesses, and animals. These are real fairy tales and not watered down tales with a happy ending. Along with the classics like Jack the Giant Killer and Tom Thumb there are lesser-known tales full of real suspense, action, ghosts, magic, really wicked stepmothers, love lost, imps, and fairies. And no guns. English Fairy Tales provides the genuine effect, real anxiety and real relief at the point of resolution. You can never be sure that there will be a wedding at the end of any story. This book also has beautiful word-play and rhythm. Joseph Jacobs was a folklorist, literary critic and historian. Jacobs wrote for journals and books on the subject of folklore and produced a popular series of fairy tales.

**Irish Fairy Tales** Oct 19 2022 The Celtic roots of Irish folklore are enriched with Nordic legend and colour. Here gathered in this collection are tales of giants and warriors, of old hags and fair maidens, and of the boyhood of the great hero Fionn Mac Uail (Finn MacCool).

**More Celtic Fairy Tales Illustrated** Jan 30 2021 A collection of 20 fairy tales. From the Preface: 'FOR the last time, for the present, I give the children of the British Isles a selection of Fairy Tales once or still existing among them. The story store of Great Britain and Ireland is, I hope, now adequately represented in the four volumes which have won me so many little friends, and of which this is the last.'

**Celtic Fairy Tales** Nov 20 2022 Twenty-six characteristic tales, both romantic and comic, from the folklore of the Celts of the British Isles, collected from both Gaelic and English speaking peasants.

Indian Fairy Tales Jun 03 2021 A leading British folklorist presents this now-classic compilation of 29 traditional tales from India. Nine full-page plates and 37 other drawings illustrate "The Lion and the Crane," "Sun, Moon, and Wind Go Out to Dinner," "The Prince and the Fakir," "The Talkative Tortoise," "Why the Fish Laughed," and other fables.

The English Fairy Tales of Joseph Jacobs for Modern Reader (Translated) Sep 06 2021 Joseph Jacobs' fairytales are magical; but how do you get kids excited about the stories when most translations were written over 100 years ago in a dated English? This collection of dozens of fairytales brings the stories to life with a modern English translation! All the classic tales are here (including: Jack and the Beanstalk, Jack the Giant Killer, the Story of the Three Bears, Chicken Little, Rumpelstiltskin, and many more!) KidLit-o is a new publishing house just for kids! From reimagined classics to history books, there's something for everyone here!

**The Most Delectable History of Reynard the Fox** Jul 04 2021

*Irish Fairy Tales* Apr 01 2021 The Celtic roots of Irish folklore are enriched with Nordic legend and colour. Here gathered in this collection are tales of giants and warriors, of old hags and fair maidens, and of the boyhood of the great hero Fionn Mac Uail (Finn MacCool).

*Letters from a Slave Boy* Jun 15 2022 Like his mother and grandmother before him, Joseph Jacobs was born into slavery. Joseph lives with his grandmother and sister in North Carolina, but he has not seen his mother for more than seven years. Unbeknownst to Joseph, his mother, Harriet, has been hiding from her owner in the attic of the house that Joseph lives in. But when Harriet's hiding place is in danger of being revealed, she is forced to flee north to safety only moments after being reunited with her family. Devastated by losing his mother for the second time, Joseph begins to ponder the nature of the world he lives in. Soon Joseph, seeking freedom and a place where he can be himself, follows his mother north. As he searches for answers, Joseph experiences life in Massachusetts, California, Australia, and aboard a whaling ship—but there's no place where Joseph feels that he can truly be free. In this companion novel to *Letters from a Slave Girl*, Joseph's stirring quest for freedom and identity is told through letters imagined by the author. Based on the real-life stories of Harriet and Joseph Jacobs, *Letters from a Slave Boy* is set against the backdrop of some of the most exciting and turbulent times in American history.

English Fairy Tales Mar 12 2022 How to get into this book. Knock at the Knocker on the Door, Pull the Bell at the side, Then, if you are very quiet, you will hear a teeny tiny voice say through the grating "Take down the Key." This you will find at the back: you cannot mistake it, for it has F. F, in the wards. Put the Key in the Keyhole, which it fits exactly, unlock the door and Walk In. -- Half title verso.

Europa's Fairy Book Dec 29 2020 Ever since almost exactly a hundred years ago the Grimms produced their Fairy Tale Book, folk-lorists have been engaged in making similar collections for all the other countries of Europe, outside Germany, till there is scarcely a nook or a corner in the whole continent that has not been ransacked for these products of the popular fancy. The Grimms themselves and most of their followers have pointed out the similarity or, one might even say, the identity of plot and incident of many of these tales throughout the European Folk-Lore field. Von Hahn, when collecting the Greek and Albanian Fairy Tales in 1864, brought together these common formul of the European Folk-Tale. These were supplemented by Mr. S. Baring-Gould in 1868, and I myself in 1892 contributed an even fuller list to the Hand Book of Folk-Lore. Most, if not all of these formul, have been found in all the countries of Europe where folk-tales have been collected. In 1893 Miss M. Roalfe Cox brought together, in a volume of the Folk-Lore Society, no less than 345 variants of Cinderella and kindred stories showing how widespread this particular formula was throughout Europe and how substantially identical the various incidents as reproduced in each particular country. It has occurred to me that it would be of great interest and, for folk-lore purposes, of no little importance, to bring together these common Folk-Tales of Europe, retold in such a way as to bring out the original form from which all the variants were derived. I am, of course, aware of the difficulty and hazardous nature of such a proceeding; yet it is fundamentally the same as that by which scholars are accustomed to restore the Ur-text from the variants of different families of MSS. and still more similar to the process by which Higher Critics attempt to restore the original narratives of Holy Writ. Every one who has had to tell fairy tales to children will appreciate the conservative tendencies of the child mind; every time you vary an incident the children will cry out, That was not the way you told us before.? The Folk-Tale collections can therefore be assumed to retain the original readings with as much fidelity as most MSS. That there was such an original rendering emanating from a single folk artist no serious student of Miss Cox's

volume can well doubt. When one finds practically the same ?tags? of verse in such different dialects as Danish and Romaic, German and Italian, one cannot imagine that these sprang up independently in Denmark, Greece, Germany, and Florence. The same phenomenon is shown in another field of Folk-Lore where, as the late Mr. Newell showed, the same rhymes are used to brighten up the same children?s games in Barcelona and in Boston; one cannot imagine them springing up independently in both places. So, too, when the same incidents of a fairy tale follow in the same artistic concatenation in Scotland, and in Sicily, in Brittany, and in Albania, one cannot but assume that the original form of the story was hit upon by one definite literary artist among the folk. What I have attempted to do in this book is to restore the original form, which by a sort of international selection has spread throughout all the European folks.
