When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.** A tour de force of life on a journey with Jesus. By all means, take this journey if you can.—Chuck Colson, Founder, Prison Fellowship With our society's sometimes unfavorable view of Christians, it is all the more important that believers display what Dr. David Jeremiah calls signs of life — signs that Jesus has transformed us and that we are committed to Him and His kingdom. They are signs that ought to be detected from across the street, over the fence, down the hall, throughout the office, or in the pews, for it's not enough to just talk about Jesus. It's also not enough to serve Him in secret with our acts of private devotion. We have to display the lifestyle of the Nazarene in the midst of a corrupt and darkened culture. In a world starved for love, joy, peace, patience, kindness, faithfulness, honesty, relevance, and compassion, Christians should specialize in exactly those things through public expressions of private faith. It's by our smile, our compassion in the face of misfortune, our friendliness, our simple lifestyle, our willingness to commit random acts of kindness, our social ministries, our tears, and our words that unbelievers recognize Who we represent. Signs of Life will lead you on a journey to a fuller understanding of the marks that identify you as a Christian. Signs that will advertise your faith. Personal imprints that can impact souls for eternity and help you become a person of influence who radiates relevancy, authenticity, generosity, and compassion every day — just like Jesus did. Driving is a privilege and not a right. Drivers must drive responsibly and safely, obey traffic laws, and never drink and drive. Finally, make sure that you and your passengers are properly buckled up - it's the law! Today's vehicles are loaded with technology that was unheard of even a decade ago. Systems that warn when you are drifting from your lane, assist you in parallel parking, automatically brake in emergency situations and provide 360 degrees of

vision around the vehicle via a camera are becoming standard, even on moderately priced vehicles. As remarkable as these leaps in automotive technology are, the truth is that the most important safety feature in any vehicle remains you as the driver. Therefore, it is to your benefit to continue improving and expanding your knowledge of traffic laws and safe driving practices. Driving is a privilege. Once you have been issued a driver's license, you have the responsibility to continually demonstrate the skill and knowledge to drive safely. Whether you have been behind the wheel for decades or are just starting to venture out, driving is a discipline that requires judgment, knowledge, physical and mental self-awareness, and practice. "What Every Driver Must Know" is an excellent resource for assisting you on this lifelong journey. The remarkable truth about angels, the agents of Heaven, unveiled through Scripture—from the New York Times best-selling author of Everything You Need “Outstanding! As one would expect from David Jeremiah, this book reflects a theologian’s concern, a pastor’s heart, and a Biblicist’s accuracy.”—Dr. Bruce Wilkinson

People have long been fascinated by stories of angel sightings, yet many contemporary beliefs about angels are based on misconception and myth rather than solid, biblical truth. As he’s done so brilliantly for decades, respected Bible teacher Dr. David Jeremiah of Turning Point Ministries uses Scripture to unveil the remarkable truth about these agents of heaven and their role in our world and our lives. What are angels? What is their role in God’s plan? Are they present? Do they appear? Do they give us personal insight about our work and our worship? In this broad and thorough survey of Scripture, Dr. Jeremiah clearly and simply separates fact from fiction as it relates to angels. His enlightening findings are supported with illustrations and insights from prominent teachers, such as Billy Graham, Corrie ten Boom, C. S. Lewis, and more. Dr. Jeremiah’s down-to-earth style guides readers around the hype about angels and directly into everything you need to know about the “substance of things unseen!” Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers’ Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, New Kid is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of

survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey.
