"If you loved Liane Moriarty's Big Little Lies, put this thriller on the top of your list...you won't be sure "whodunit" until the very (shocking) end." —Today \*Named one of "50 Best Books for the Beach" by Coastal Living \*Named one of "7 Books You Won't Be Able to Put Down This Month" by InStyle \*Named one of "6 Books to Cure Your Little Big Lies Withdrawal" by Elle.com \*Named one of "20 Must-Read Books for Spring 2017" by Redbook \*Named one of "8 Thrillers You Will Devour This Summer" by BuzzFeed Kate, Aubrey, and Jenny first met as college roommates and soon became inseparable, despite being as different as three women can be. Kate was beautiful, wild, wealthy, and damaged. Aubrey, on financial aid, came from a broken home, and wanted more than anything to distance herself from her past.

And Jenny was a striver—brilliant, ambitious, and determined to succeed. As an unlikely friendship formed, the three of them swore they would always be there for each other. But twenty years later, one of them is standing at the edge of a bridge, and someone is urging her to jump. How did it come to this? Kate married the gorgeous party boy, Aubrey married up, and Jenny married the boy next door. But how can these three women love and hate each other? Can feelings this strong lead to murder? When one of them dies under mysterious circumstances, will everyone assume, as is often the case, that it's always the husband? A suspenseful, absorbing novel that examines the complexities of friendship, It's Always the Husband will keep readers guessing right up to its shocking conclusion. Praise for It's Always the Husband: "A page-turning whodunnit that will speak to anyone who's ever had a frenemy." —Ruth Ware, bestselling author of The Woman in Cabin Ten "This book is perfect for fans of Liane Moriarty's Big Little Lies." —Redbook Magazine "Fans of Ruth Ware and Gillian Flynn meet your next obsession." —BuzzFeed "In the tradition of Big Little Lies comes the excellently titled It's Always the Husband, a thriller about three friends-frenemies, really—who met as college roommates." —New York Post When Lester's mysterious cousin Clara comes to stay with his family she insists on knitting him ugly sweaters and Lester must figure out how to accept the unwanted gifts without hurting his cousin's feelings. Imagine a world without time. Imagine a world without money. Imagine a world without memories. Vera lives in this world, and she has always sensed something amiss. Little did she know the hunches and strange feelings she had as a teenager would one day be fully explained. Campbell's world is entirely different, endless numbers and paperwork in his accounting job. He longs for a retreat like the beach house he sees in a magazine - a place to which he has an unexpected connection. Campbell isn't the only

new face in town. An influx of visitors will force the past and present to be revealed and the future to be forever altered. Unlike conventional single daily observations, time lapse technology provides hundreds of images, which allows pinpointing of key events in the embryo's in vitro development as well as the detection of brief but significant critical changes. This information is beneficial in selecting the most viable embryos from a cohort and increases the chances

Download books 1-3 in the bestselling Detective Kay Hunter series in one box set of gripping crime thrillers! "If you like your novels fast-paced and twisted with a tension that leaves you weak at the knees... you will love the whole series!" - Chapter In My Life Here's what you get in the box set: Scared to Death A serial killer murdering for kicks. A detective seeking revenge. When the body of a snatched schoolgirl is found in an abandoned biosciences building, the case is first treated as a kidnapping gone wrong. But Detective Kay Hunter isn't convinced, especially when a man is found dead with the ransom money still in his possession. When a second schoolgirl is taken, Kay's worst fears are realised. With her career in jeopardy and desperate to conceal a disturbing secret, Kay's hunt for the killer becomes a race against time before he claims another life. For the killer, the game has only just begun... Will to Live Your next journey could be your last... When a packed commuter train runs over a body on a stretch of track known to locals as 'Suicide Mile', it soon transpires that the man was a victim of a calculated murder. As the investigation evolves and a pattern of murders is uncovered, Detective Sergeant Kay Hunter realises the railway's recent reputation may be the work of a brutal serial killer. With a backlog of cold cases to investigate and attempting to uncover who is behind a professional vendetta against her, Kay must keep one step ahead of both the killer and her own adversaries. When a second murder takes place within a week of the first, she realises the killer's timetable has changed, and she's running out of time to stop him... One to Watch Sophie Whittaker shared a terrifying secret. Hours later, she was dead. Detective Kay Hunter and her colleagues are shocked by the vicious murder of a teenage girl at a private party in the Kentish countryside. A tangled web

of dark secrets is exposed as twisted motives point to a history of greed and corruption within the tight-knit community. Confronted by a growing number of suspects and her own enemies who are waging a vendetta against her, Kay makes a shocking discovery that will make her question her trust in everyone she knows.

One to Watch is a gripping murder mystery thriller, and the third in the Detective Kay Hunter series: 1. SCARED TO DEATH 2. WILL TO LIVE 3. ONE TO WATCH 4. HELL TO PAY 5. CALL TO ARMS 6. GONE TO GROUND 7. BRIDGE TO BURN (2019) Books 4-6 are available in a second box set collection. But how are the human rights of prisoners and prison employees affected when prisons are run for profit? An accomplished group of human rights writers and activists explores the historical, political and economic context of private prisons: \* How are prisoners' lives affected by privatization? \* How does it impact prison labor and prison employees? \* How and why are private prisons becoming transnational? \* Are women, children, and African and Native Americans affected differently from other populations? \* How is privatization connected to the war on drugs, the criminalization of poverty and 'tough on crime' politics? The preface is by Sir Nigel Rodley, Professor of Law at the University of Essex; former United Nations Special Rapporteur for Torture; and knighted in 1999 for recognition of services to human rights and international law. CLEVERLY REVEALING PSYCHOLOGICAL

THRILLER... "An edgy page-turner that pulls the reader into a world where image is everything and murder is all about image. Great start to a new series" - Erika Chase, Author of The Ashton Corners Book Club Mysteries As Philadelphia's premier image consultant, Allison Campbell helps others reinvent themselves, but her most successful transformation was her own after a scandal nearly ruined her. Now she moves in a world of powerful executives, wealthy, eccentric ex-wives and twisted ethics. When Allison's latest Main Line client, the fifteen-year-old Goth daughter of a White House hopeful, is accused of the ritualistic murder of a local divorce attorney, Allison fights to prove her client's innocence when no one else will. But unraveling the truth brings specters from her own past. And in a place where image is everything, the ability to distinguish what's real from the facade may be the only thing that keeps Allison alive. Praise for KILLER IMAGE: "Wit, charm, and deliciously clever plot twists abound in Wendy Tyson's Killer Image, first in her new series of mysteries featuring intrepid image consultant Allison Campbell. The author has a knack for creating characters with heart, while keeping us guessing as to their secrets until the end. Readers will eagerly await her next book in the series." - Mary Hart Perry, Author of Seducing the Princess "This cleverly revealing psychological thriller will keep you guessing...as the smart and savvy Allison Campbell (love her ) delves into the deadly motives, twisted emotions and secret intrigues of Philadelphia's Main Line." - Hank Phillippi Ryan, Mary Higgins Clark, Agatha, Anthony and Macavity Award-Winning Author of The Wrong Girl "Nancy Drew gets a fierce makeover in Wendy Tyson's daringly dark, yet ever fashion-conscious mystery series, beginning with Killer Image. Tyson imbues her characters with emotional depth amidst wit, ever maintaining the pulse rate." - Deborah Cloyed, Author of What Tears Us Apart and The Summer We Came to Life "An intriguing psychological thriller. The book reminded me of Jonathan Kellerman's Alex Delaware series...I loved the book, it's dark and hopeful at the same time. Five stars out of five." Lynn Farris, Mystery Books Examiner for Examiner.com "This is hands down, the best mystery I have read so far this year. If you are fans of writers like Sara

Paretsky, Patricia Cornwall or Sue Grafton, you are going to love new author Wendy Tyson. I can't wait for her next book." - Kate Shannon, Rantin' Ravin' and Reading. Books in the Allison Campbell Mystery Series: KILLER IMAGE (#1) DEADLY ASSETS (#2) July 2014 DYING BRAND (#3) May 2015 Part of the Henery Press Mystery Series Collection, if you like one, you'll probably like them all... So you want to write speculative fiction? It's time to get that fantastic world that's been stuck inside your head for years, complete with dragons and androids, onto paper! Whether you're starting your first or tenth novel, Making Myths and Magic was written for you. Fantasy author Shelly Campbell and executive editor Allison Alexander have teamed up to provide a comprehensive resource, distilling the information they've learned from years in the publishing industry. To keep you inspired and engaged as you grow in your craft, they take a deep dive through science fiction and fantasy novels, movies, and TV shows. Within these pages, you'll learn how to tackle structure, hooks, dialogue, tropes, character arcs, diversity, creation stories, mythology, poetry, riddles, prophecies, fantastic creatures, weapons, technology, magic systems, languages, and more! Open sorting tasks that include multiple face images of the same person require participants to make identity judgments in order to group images of the same person. When participants are unfamiliar with the identity, natural variation in the images due to changes in lighting, expression, pose, and age lead participants to divide images of the same person into different "identity" piles. Although this task is being increasingly used in current research to assess unfamiliar face perception, no previous work has examined whether there is systematicity across participants in how identity groups are composed. A cluster analysis was performed using two variations of the original face sorting task. Results identify groups of images that tend to be grouped across participants and even across changes in task format. These findings suggest that participants responded to similar signals such as tolerable change and similarity across images when ascribing identity to unfamiliar faces. "Encyclopédie of the Common and Encompassing is an illustrated collection of

encyclopedic prose poems with a structure that is, from the Greek roots of encyclopedia, enkyklios, or circular. The collection operates as a hypertext in which poems and images are cross-referenced to create an interactive text rather than a front-to-back book. The structure is intended to dynamize the reading experience and contest closed readings of poetry"-- DARK AND EDGY WITH LAYERS OF INTRIGUE...

"Tyson creates a tense, engrossing tale by weaving vivid descriptions with thrilling threads of family secrets, greed and the shadow of an unknown threat. The Allison Campbell mystery series is not to be missed " - Laura Morrigan, Author of the Call of the Wilde Mysteries An eccentric Italian heiress from the Finger Lakes. An eighteen-year-old pop star from Scranton, Pennsylvania. Allison Campbell's latest clients seem worlds apart in every respect, except one: Both women disappear on the same day. And Allison's colleague Vaughn is the last to have seen each. Allison's search for a connection uncovers an intricate web of family secrets, corporate transgressions and an age-old rivalry that crosses continents. The closer Allison gets to the truth, the deadlier her quest becomes. All paths lead back to a sinister Finger Lakes estate and the suicide of a woman thirty years earlier. Allison soon realizes the lives of her clients and the safety of those closest to her aren't the only things at stake. Praise for DEADLY ASSETS: "The mystery is firm and well-explained, and great fun to follow, but it's the rich relationships Tyson has created that this reader will carry away from the book...I will be following Allison Campbell and her cohorts with a great deal of interest in all the books to come. There had better be a lot more." - Stephanie Jaye Evans, Author of the Sugar Land Mystery Series "A mystery is only as good as its characters, and Deadly Assets is filled with vivid people who will keep readers turning the pages to find out what happens to them...Allison herself is savvy and likable, with an unusual job that promises many satisfying installments in this well-written series. Highly recommended " - Sandra Parshall, Agatha Award-Winning Author of the Rachel Goddard Mysteries "The book is well-crafted and hard to put down...The descriptions are beautiful, I found myself re-reading certain passages, often, just savouring the setting and closing my eyes to

envision the scene...The characters leap out of the pages and wring your emotions as you follow them through the intricate web of family secrets, corporate transgressions, and rivalries that have lasted generations...Take a trip to the bookstore and pick this one up. You won't regret it." - The Big Thrill, International Thriller Writers "No sophomore slump for Wendy Tyson. Two totally different clients, two mysterious disappearances, two sets of suspects, and lots of possibilities all make for a tightly woven mystery with lots of twists and turns." - Fiction Addiction Books "Dark and edgy with multiple layers of intrigue, the Allison Campbell series keep me up late trying to piece together Tyson's intricate puzzles. I love the complexity of this mystery." - Larissa Reinhart, Author of the Cherry Tucker Mystery Series "Tyson crafts characters who are real and we can believe in which makes us willing to follow them anywhere. Excellent page turner. Can't wait for the next installment." - Shannyn Schroeder, Author of the O'Leary Series Contemporary Romances Books in the Allison Campbell Mystery Series: KILLER IMAGE (#1) DEADLY ASSETS (#2) DYING BRAND (#3) May 2015 Part of the Henery Press Mystery Series Collection, if you like one, you'll probably like them all... Can Delilah Percy Powers figure out who killed Miriam Cross before she becomes the killer's next target? Miriam Cross, author, feminist and philanthropist, disappears from her Philadelphia home. A year later, a lonely recluse named Emily Cray is brutally murdered in her bed in a small Pennsylvania town. Miriam and Emily are one and the same. As Delilah and her staff of female detectives - a militant homemaker, an ex-headmistress and a former stripper - delve into Miriam's life, they become submerged in an underworld of unfathomable cruelty and greed with implications that go far beyond the gruesome death of one woman or the boundaries of one country. Eventually Miriam's fight for justice becomes Delilah's own...until Delilah's obsession with finding the truth may prove just as deadly. Donald has trouble getting to sleep at bedtime because he needs to keep checking on the rabbit he has brought in from outside. When Megan Sawyer gives up her big-city law career to care for her grandmother and run the family's organic farm and café, she expects to find peace

and tranquility. Instead she's almost broke, the town denies her business permits, and then she and the hunky veterinarian discover the local zoning commissioner's battered body in her barn. "When twin sisters Rose and Bel Enright enroll in The Odell School, a prestigious New Hampshire boarding school, it seems like the opportunity of a lifetime. But the sisters could not be more different. The school brings out a rivalry between them that few ever knew existed. And the school itself has a dark underbelly of privileged kids running unchecked and uninhibited, of rituals and traditions that are more sinister than they seem, of wealth and entitlement that can only lead to disaster"-- For a nation that often optimistically claims to be post-racial, we are still mired in the practices of racial inequality that plays out in law, policy, and in our local communities. One of two explanations is often given for this persistent phenomenon: On the one hand, we might be hypocritical—saying one thing, and doing or believing another; on the other, it might have little to do with us individually but rather be inherent to the structure of American society. *More Beautiful and More Terrible* compels us to think beyond this insufficient dichotomy in order to see how racial inequality is perpetuated. Imani Perry asserts that the U.S. is in a new and distinct phase of racism that is "post-intentional": neither based on the intentional discrimination of the past, nor drawing upon biological concepts of race. Drawing upon the insights and tools of critical race theory, social policy, law, sociology and cultural studies, she demonstrates how post-intentional racism works and maintains that it cannot be addressed solely through the kinds of structural solutions of the Left or the values arguments of the Right. Rather, the author identifies a place in the middle—a space of "righteous hope"—and articulates a notion of ethics and human agency that will allow us to expand and amplify that hope. To paraphrase James Baldwin, when talking about race, it is both more terrible than most think, but also more beautiful than most can imagine, with limitless and open-ended possibility. Perry leads readers down the path of imagining the possible and points to the way forward. **THE MOST TRUSTED GUIDE TO GETTING PUBLISHED** Want to get published

and paid for your writing? Let *Writer's Market 2016* guide you through the process with thousands of publishing opportunities for writers, including listings for book publishers, consumer and trade magazines, contests and awards, and literary agents. These listings include contact and submission information to help writers get their work published. Beyond the listings, you'll find all-new material devoted to the business and promotion of writing. Discover the secrets of six-figure freelancers, how to create a productive home office, and apps that make freelancing easier. Plus, you'll learn how to build relationships in the publishing business, use video to promote your work, and remove obstacles from your path to freelance writing success. This edition includes the ever-popular pay-rate chart and the return of the much-requested book publisher subject index! You also gain access to: • Lists of professional writing organizations • Sample query letters • A free digital download of *Writer's Yearbook* featuring the 100 Best Markets: [WritersDigest.com/WritersDigest-Yearbook-15](http://WritersDigest.com/WritersDigest-Yearbook-15) + Includes exclusive access to the webinar "How to Build an Audience and Business With Your Writing" from Robert Lee Brewer, editor of *Writer's Market* "As a young writer, I couldn't wait to get my hands on the newest *Writer's Market*. No other annual has provided such a shot-in-the-arm to my dreams--nor such priceless guidance in making them come true. To read *Writer's Market* is to surround yourself with friends, teammates, teachers, experts, coaches, and cheerleaders--all of whom return season after season with entirely new voices but the same mission: to help you get from writer to published writer." --Tim Johnston, *New York Times* best-selling author of *Descent* This book shows principals how they can accelerate their impact and make a difference from day one. Speaker and author Dr. Brad Johnson offers new and experienced principals authoritative advice on how to succeed in key areas: understanding the best leadership traits; developing positive relationships with staff; building a dynamic team culture; and creating a unified vision. Each chapter includes inspiring stories and practical examples for leaders in all types of school districts. Using these strategies, you will learn how to immediately maximize your influence

over yourself, your staff, and the entire school culture. Describes what life was like, especially for children, in coal mines and mining towns in the nineteenth and early twentieth centuries. In the City everything has a price. At the age of twenty-eight, Dubliner Geri Molloy has put her troubled past behind her to become a major player at Steiner's investment bank in London, earning £850k a year doing business with a reclusive hedge fund manager in Hong Kong who, in return for his patronage, likes to ask her about Kant and watch while she eats exotic Asian delicacies. For five years Geri has had it all, but in the months leading up to the outbreak of the Gulf War in 1991, her life starts to unravel. Abandoned by her corporate financier boyfriend, in the grip of a debilitating insomnia, and drinking far too much, Geri becomes entangled in a hostile takeover involving her boss, her client and her ex. With her career on the line as a consequence, and no one to turn to, she is close to losing it, in every sense. Taut and fast-paced, *On the Floor* is about making money and taking risks; it's about getting away with it, and what happens when you're no longer one step ahead; ultimately, though, it's a reminder to never, ever underestimate the personal cost of success. From Michele Campbell, the bestselling author of *It's Always the Husband* comes a new blockbuster thriller in *The Wife Who Knew Too Much*. Meet the first Mrs. Ford Beautiful. Accomplished. Wealthy beyond imagination. Married to a much younger man. And now, she's dead. Meet the second Mrs. Ford. Waitress. Small-town girl. Married to a man she never forgot, *From a Summer Romance* ten years before. And now, she's wealthy beyond imagination. Who is Connor Ford? Two women loved him. And knew him as only wives can know. Set amongst the glittering mansions of the Hamptons, *The Wife Who Knew Too Much* is a decadent summer thriller about the lives of those who will do anything for love and money. Who is the victim? Who is the villain? And who will be next to die? Allison and Nick have been together for a while, but the relationship is strained, as the self-absorbed Allison feels her man is changing. He invites her to spend a weekend at his family's horse farm in the wilds of Maine, and as a former equestrian in college, Allison is excited to get back in the saddle again.

On the drive up they play an erotic game of dominance that makes Allison wonder about her man and herself, but in the end she orgasms after playing the game. When they arrive at the farm, things are not as Allison thought they would be, as she is seized and disrobed by the strong farmhands and Nick doesn't lift a finger to stop them. What lies in store for flaxen-haired Allison at Laughlin Farm, and can she find the inner strength to survive it. Joseph Campbell's collected writings on dance and art, edited and introduced by Nancy Allison, CMA, the founder of Jean Erdman Dance, and including Campbell's unpublished manuscript "Mythology and Form in the Performing and Visual Arts," the book he was working on when he died. Dance was one of mythologist Joseph Campbell's wide-ranging passions. His wife, Jean Erdman, was a leading figure in modern dance who worked with Martha Graham and had Merce Cunningham in her first company. When Campbell retired from teaching in 1972, he and Erdman formed the Theater of the Open Eye, where for nearly fifteen years they presented a wide array of dance and theater productions, lectures, and performance pieces. *The Ecstasy of Being* brings together seven of Campbell's previously uncollected articles on dance, along with "Mythology and Form in the Performing and Visual Arts," the treatise that he was working on when he died, published here for the first time. In this new collection Campbell explores the rise of modern art and dance in the twentieth century; delves into the work and philosophy of Isadora Duncan, Martha Graham, and others; and, as always, probes the idea of art as "the funnel through which spirit is poured into life." This book offers the reader an accessible, yet profound and provocative, insight into Campbell's lifelong fascination with the relationship of myth to aesthetic form and human psychology. Reviews: "Unusual insights . . . with a great deal of new information. [Campbell's] writing reveals deep knowledge of dance and aesthetics, and clarity of thought. There are also excellent notes related to both Parts I and II at the end of the book, and these add to the reader's understanding of the various issues and artists under discussion. Readers will find a great deal to think about in this small collection of Campbell's work, and the book will also serve as

an introduction to the thoughts of an important American writer — one who influenced many with his teaching, ideas, and books.” — Journal of Dance Education Among the many recent advances in assisted reproduction therapies (ART), improved technologies for identifying viable oocytes, sperm, and embryos are of primary importance. Paradoxically, the latest advances presented at conferences and symposia are often slow to become part of the daily routine in IVF laboratories. Detailing established and developing techniques, *A Practical Guide to Selecting Gametes and Embryos* provides a user-friendly text of ready-to-use ARTs that can be utilized effectively in the lab. In this volume, renowned embryologist and educator Markus Montag and his expert panel highlight sophisticated and proven selection strategies and emphasize the importance of proper lab practice in handling gametes and embryos. Topics include: Steps undertaken for the analysis of a semen sample Quality control and prevention of exposure to toxins in oocyte collection and embryo culture Morphological selection of gametes and embryos Both commonly used and innovative techniques for gamete and embryo selection, such as oxygen respiration and time-lapse imaging Invasive techniques, including polar body, embryo, and blastocyst biopsies as well as aneuploidy testing by FISH and array-CGH Accompanied by numerous figures and descriptions, this guide to selecting gametes and embryos brings the insight of international authors with knowledge and expertise, highlighting practical tips and key points. The book offers a starting point for applying successful selection strategies for reducing the rate of high-risk multiple gestations while maintaining or increasing viable pregnancy rates. Twenty years isn't enough to erase the sins of the past—but the future is even more terrifying in this thrilling read perfect for fans of Megan Collins and Julia Heaberlin. In 1997, Eve Foster's daughter, Kelsey, runs away to New Mexico and vanishes without a trace. Eve is convinced that she's the victim of a serial killer who's been hunting women in the region—but Kelsey's body is never found. Years later, Eve dies, leaving everything to her adopted twin daughters. The majority of the wealthy estate in Vermont goes to Lisa, the

“good daughter,” while Connie inherits only a small stipend and a property in New Mexico. Connie, often the target of Eve's cruelty, suspects this was another of her mother's vindictive games. Connie arrives in New Mexico to find a small, dilapidated red house in the desert, and the home's mysterious caretaker, Jet Montgomery, living in a shack on the property. She learns there's been a string of women murdered in the area—murders that no one will talk about. Before Connie can get to the truth, her mother's sadistic mind games come creeping back from the grave—and now the danger becomes all too real. With a serial killer on the loose and a trove of deadly secrets coming to the surface, Connie is in a desperate race to save herself and what little is left of her shattered family. "When image consultant Allison Campbell attends an award ceremony to honor a designer friend, she's thrust into a murder investigation. Only this time, it's personal. A former boyfriend is dead, slain on the streets of Philadelphia. His widow claims he was meeting with Allison, yet Allison hadn't spoken to him in years. Nothing about his death--or life--makes sense. When compromising photos from their past arrive at Allison's office, they raise more questions than they answer. Driven to find justice, Allison deconstructs the image her ex had created for himself, looking for clues about the man he'd become. As her hunt for the truth unveils secrets, Allison's past and present collide--with deadly results."--Provided by publisher. A new, fully restored edition of the essential Canadian classic. An unflinchingly honest memoir of her experience as a Métis woman in Canada, Maria Campbell's *Halfbreed* depicts the realities that she endured and, above all, overcame. Maria was born in Northern Saskatchewan, her father the grandson of a Scottish businessman and Métis woman--a niece of Gabriel Dumont whose family fought alongside Riel and Dumont in the 1885 Rebellion; her mother the daughter of a Cree woman and French-American man. This extraordinary account, originally published in 1973, bravely explores the poverty, oppression, alcoholism, addiction, and tragedy Maria endured throughout her childhood and into her early adult life, underscored by living in the margins of a country pervaded by hatred,

discrimination, and mistrust. Laced with spare moments of love and joy, this is a memoir of family ties and finding an identity in a heritage that is neither wholly Indigenous or Anglo; of strength and resilience; of indomitable spirit. This edition of *Halfbreed* includes a new introduction written by Indigenous (Métis) scholar Dr. Kim Anderson detailing the extraordinary work that Maria has been doing since its original publication 46 years ago, and an afterword by the author looking at what has changed, and also what has not, for Indigenous people in Canada today. Restored are the recently discovered missing pages from the original text of this groundbreaking and significant work.

*-World War I and American Art* provides an unprecedented look at the ways in which American artists reacted to the war. Artists took a leading role in chronicling the war, crafting images that influenced public opinion, supported mobilization efforts, and helped to shape how the war's appalling human toll was memorialized. The book brings together paintings, drawings, prints, photographs, posters, and ephemera, spanning the diverse visual culture of the period to tell the story of a crucial turning point in the history of American art--

Susan, Esther, and Daisy started at university three weeks ago and became fast friends because their dorm rooms were next to each other. Now, away from home for the first time, all three want to reinvent themselves. But in the face of hand-wringing boys, "personal experimentation," influenza, mystery-mold, nu-chauvinism, and the willful, unwanted intrusion of "academia," they may be lucky just to make it to spring alive.

Foreword: Sir Nigel Rodley  
"These walls between the classes have been developed over hundreds of years. It's going to take an army to shatter the bricks that built them." Asterin Hale has been betrayed. There are few left at The Coalesce Academy she can trust. She will lose everything she has grown to care for if something doesn't change. Asterin must stand tall and fight for what is right. But she can't do it alone. Who can she turn to? What readers are saying about *The Coalesce Academy*:  
★★★★ "Fantastic Series!" ★★★★★ "Great read!"  
★★★★ "Fast paced with a WOW ending!" ★★★★★  
"Love a good academy read." ★★★★★ "This prequel is a beautiful companion to the Coalesce

Academy." ★★★★★ "Forbidden Child is probably the most beautiful opening to a fully realized world that I could not put down." ★★★★★ "I am in absolute awe of Harriet James and how she has managed to create such a vivid world in just a short amount of pages. This book had me hooked from the very beginning and each page left me wanting more." ★★★★★ "I screamed. I have no shame in admitting that I screamed when I read the first chapter of this book." ★★★★★ "Forgotten Blood is the final book in The Coalesce Academy series and what a page-turner this epic conclusion is. I have enjoyed watching Asterin forge her own path and finally accept who she truly is. I loved how this series ended and in my opinion it was absolutely perfect. A huge kudos to Harriet for creating such an amazing series that I definitely won't be forgetting any time soon. I can't wait to see what this author does next." A sordid sex tape. A venture capital firm. A secret society of women. A Catholic nun. All have one connection in common: Miriam Cross. Miriam Cross, author, feminist and philanthropist, disappears from her Philadelphia home. A year later, a lonely recluse named Emily Cray is brutally murdered in her bed in a small Pennsylvania town. The police discover that Emily Cray and Miriam Cross were one and the same, but if they know who killed Miriam, they're not sharing. Miriam's niece Lucinda wants answers. She turns to the one woman she knows she can trust—private investigator Delilah Percy Powers. As Delilah and her team of female detectives—a militant homemaker, an ex-headmistress, and a former stripper—investigate Miriam's death, they uncover more questions than solutions. Why had the famous author been living under a new identity? Who were the women seen coming out of Emily Cray's home at all hours of the night? Did Miriam have a mysterious lover? What was Miriam's allegiance to an international secret society of high-powered women? What was the famous author doing with a New York venture capital firm? As Delilah and her staff get closer to the truth, they become submerged in a criminal underworld of unfathomable cruelty and greed with implications that go far beyond the gruesome death of one woman or the boundaries of one country. Eventually Miriam's fight for justice becomes Delilah's own...until Delilah's obsession

with finding the truth proves just as deadly.

Praise for *A DARK HOMAGE*: "A Dark Homage is masterful. Wendy Tyson's novel is more than a compelling mystery, it's a detailed, honest examination of tough-as-nails women who refuse to be intimidated, no matter how dark the story turns. Tyson skillfully turns from humor to tension in the span of a single sentence, and readers will be left wanting to know what happens next with Delilah and her team. A must read." —E.A. Aymar, author of *The Unrepentant Robin* hides to avoid bedtime and the reader can help Kermit look for him by lifting the flaps on each page. "This is a story about two young people who met, fell in love, and chased a dream which lead to disaster by following horoscopes. However, God had a plan bigger than we could ever have imagined. These events are about God's dramatic intervention. It's His testimony about His incredible love and faithfulness where He revealed Himself through answers to prayer and supernatural miracles. We know the story is true. We were there. Please read each chapter carefully. We are sharing these incredible events with the prayer that others may be inspired and strengthened in their faith. The cover photo depicts our journey in an amazing way"--Back cover. Allison Campbell accepted a dream assignment: a visit to the Italian Dolomites to help Hollywood socialite Elle Rose reinvent herself. A guest cottage on the grounds of Elle's historic castle promises to be a much-needed respite from Allison's harried life on the Philadelphia Main Line, and the picturesque region, with its sharp peaks, rolling pastures, and medieval churches, is the perfect spot from which to plan her upcoming wedding. Only this idyllic retreat is anything but peaceful. There are the other visitors--an entourage of back-biting expats and Hollywood VIPs. There's Elle's famous rock star father, now a shadowy recluse hovering behind the castle's closed doors. And then there's Elle's erratic behavior. Nothing is as it seems. After a guest plummets to her death from a cliff on the castle grounds, Allison's trip of a lifetime turns nightmarish--but before she can journey home, Allison must catch a killer. A classic in the making, this heartwarming story about empathy and imagination is one that families will treasure for years to come. Adrian Simcox tells anyone who will listen that he has a

horse--the best and most beautiful horse anywhere. But Chloe does NOT believe him. Adrian Simcox lives in a tiny house. Where would he keep a horse? He has holes in his shoes. How would he pay for a horse? The more Adrian talks about his horse, the angrier Chloe gets. But when she calls him out at school and even complains about him to her mom, Chloe doesn't get the vindication she craves. She gets something far more important. Written with tenderness and poignancy and gorgeously illustrated, this book will show readers that kindness is always rewarding, understanding is sweeter than judgment, and friendship is the best gift one can give. This manual will provide embryologists and clinicians with a clear, informative overview of the tools to assist in embryo selection. Memories of a music legend You know the voice, you know the songs: from "Rhinestone Cowboy," "Gentle on My Mind," "Wichita Lineman," "By the Time I Get to Phoenix" and more, the music of Glen Campbell touched so many American lives. The extraordinary musician and showman sold more than 45 million records over a six-decade career that included a stint as a Beach Boy. He inspired us with his courageous battle with Alzheimer's, selling out arena after arena even as he fought off the disease. Now you can remember the star and hitmaker with a new special edition from PEOPLE, *Glen Campbell: A Life in Song*. This beautiful tribute is packed with photographs and rich storytelling from throughout Campbell's life and little-known personal history, as well as great stories and highlights from his Grammy-studded career and wild relationship with country star Tanya Tucker. Beloved as a guitarist, singer, TV star and actor, Campbell overcame drug and alcohol addiction to triumph musically and personally again and again. "Intriguing...A thoughtful, intelligent work...The novel traces the year from the '50s to the '80s, from Eisenhower to George Bush....She writes with simple eloquence about small-town life in the South, right after the start of the great social upheaval of the civil rights movement....Campbell has a strong creative voice." THE WASHINGTON POST BOOK WORLD Chicago-born Amrstrong Tood is fifteen, black, and unused to the ways of the segregated Deep South, when his mother sends him to spend the

summer with relatives in rural Mississippi. For speaking a few innocuous words in French to a white woman, Armstrong is killed. And the precariously balanced world and its determined people--white and black--are changed, then and forever, by the horror of poverty, the legacy of justice, and the singular gift of love's power to heal. Poetry. Fiction. Asian & Asian American Studies. African & African American Studies. Latino/Latina Studies. Jewish Studies. Art. In this, its premiere publication, Acre Books presents an array of established writers and talented newcomers to bring you...babies. These swaddled sacks of boy and girl are not your average infants, however. They are seething teethingers, diapered devils, brawling bundles, newborns gone nuclear. Not all are human. Not all are small. Not all are even young. What they are, in a word, is angry. The special promotional volume was put together specifically for Acre Books by head editor Nicola Mason, whose aim is to show the kind and caliber of work Acre is interested in acquiring. All of the pieces in A VERY ANGRY BABY are previously unpublished, save one (which appeared in Wales). Contributors include: Ricardo Almonte, Julianna Baggott, Stephen Baily, Aaron Bauer, Beverly Burch, Allison Campbell, Brock Clarke, Chelsea Dingman, Allen Forrest, Rebecca Hazelton, Tania Hershman, Andrew Hudgins, Kipro Kimutai, Margaret Luongo, John William McConnell, Craig McDaniel, Erin McGraw, Jamie Quatro, Josh Russell, Changming Yuan, Nicola Mason.
