Seamanship Nov 04 2021 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to

enjoy.

The Story of Surnames and Genealogy Nov 11 2019 Originally published London 1932, this fascinating book takes an in-depth look at surnames and genealogy, and will prove a fantastic reference book to anyone studying the subjects.

Contents include: Local Names; Address Surnames; Patronymics; Prophets, Martyrs, Warriors; Matronymics; Names from Miracle Plays; Fourteenth Century London; Nicknames; Names from Pastimes; Nicknames from Dispositions; Foreign Names; Craftsmen and Officials; Teutonic Surnames; American Surnames; Index of Surnames. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Fractonia Oct 23 2020 All worlds this side of the Beyond  
Realm face challenges of galactic proportion, but only  
Fractonia is in a race against time. In an effort to find  
the key to survival, Fractonia opens its doors to a select  
few outsiders. To his surprise, Matthew Roberts is invited.  
By most standards, Matthew is an average kid. What makes him  
different is his insatiable appetite for adventure. While  
Matthew grapples with fractions, adventure comes knocking,  
and Matthew finds himself translated into the Fractonian  
Realm - the perfect destination for exploration and

discovery. From silent beasts to the talkative representative of the Royal Service Extraordinaire, there is no shortage of the bizarre and the wonderful. With so much to captivate Matthew's attention, it is easy to fall prey to the passing of the yonkinots. Will Matthew be distracted from discovering the real reason that he was invited to this world? The clock is ticking, and time is running out – for Matthew and for Fractonia.

Local Etymology, Or Names of Places in the British Isles, and in Other Parts of the World Mar 16 2020 Excerpt from Local Etymology, or Names of Places in the British Isles, and in Other Parts of the World: Explained Illustrated With Notices of Surnames and Obsolete Words The prevailing taste for matters of antiquity in the present day is, perhaps, the principal reason for the author's taking up this subject. The fragmental evidence of past times which the names of places afford, is the first step in the inquiry; and since, in all probability, as much is now known of the ancient languages of Europe as ever will be known, the subject can never be in a better state for investition. But etymological speculation has ever been accounted vague and unsatisfactory, and so in some degree it is; nevertheless there are certain general principles belonging to it, which are as capable of being conducted to rational conclusions as those of any other subject.
