[The Ushers, Protocols And Greeters That Every Church Needs](#) Dec 13 2019 I started writing this book in 1994. That was the year the LORD graciously commissioned me to raise for Him Quality leaders. I started with Ministers' and Pastors' workshop. Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994. But, no book was written by me back then, neither did I come across any specialized book on Ushers, Greeters and Protocols in one volume, 20 years ago. I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years. I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic. Our outfit, Christian Leadership Skills, have been involved in mass training for ushers in churches that counted 120,000 on Sundays with Ushers' workforce of about 4,000. I have written 36 books todate, but none on Ushers, Protocol and Greeters until now. A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church. Their invitation came a bit late I could not be there physically. I didn't have a book on Ushers or crowd control. Only a manual. Churches get confused on the role of ushers as different from protocol officers. I have witnessed ushers and protocols fight for territories in churches. A particular church head usher insists that he must stay side by side with the protocol officer by the altar, very close to the anointed. There was no book to show where each belong. A particular ministry scrapped the word "Ushers" from the list of ministries. The General Overseer banned the entire ushers from officiating in the length and breadth of the church. His reason? Brethren have the Holy Spirit to direct them. No need for Ushers and the church went on "smoothly thereafter". I had no book to give to the man of God. No book I could give, until 20 years later! Who are Ushers? Who are Protocol officers? Who are Greeters? Who are Traffic Controllers? I didn't write any book to explain. I only explain during workshop session. Now the explanation has become handy.

The Church Usher May 10 2022 In my youth I would watch the ushers at church and thought it would be neat to usher. It didn't look hard and I'd get to greet everyone. When I got old enough I volunteered and was hooked. After I was married and moved to the big city, the church I attend was very large, and like most churches they needed ushers. I was promoted very quickly and the responsibility didn't bother me. Then I was drawn to a new daughter church. This was a challenge, a brand new church. I offered what I could. When things got settled I was running one of the services. When the Head ushers spot came open I didn't think I was ready, so I prayed about it. A calmness came over me and I knew then it was what God wanted me to do.' David Foos, Head Usher, Canyon Hills Community Church, Bothell, Washington

How to Empty a Church: The Manual Aug 21 2020 Many have pontificated about church growth, telling church planters and pastors how to increase the number of attendees and members. Most have spoken authentically from inspiring experiences, and what they've recommended has worked . . . at least for some. But what about advice on how to reduce those numbers, how to empty those pews? This "manual" provides just that, and its suggestions don't emanate from an ivory tower; they, too, are based on real-life experiences. The insights and guidelines of How to Empty a Church may be expressed tongue-in-cheek, but they're not fictional; they reflect the history of an actual congregation. Fasten your seatbelt; it's going to be a bumpy--but worthwhile--ride!

Ushering with a Mission Mar 08 2022 As we enter our church, the first person we often see is the usher. While many may look at the position of usher as simply a social one, it can be so much more. In "Ushering with a Mission," author Victor L. Davis presents the first comprehensive guide specifically addressed to the needs of the usher. The traditional approach to ushering focused on the task of meeting, seating, and greeting worshippers. The typical training manual addressed techniques ushers should use in carrying out those duties. Davis's "Ushering with a Mission" goes a step further and emphasizes the importance of disciplining the individual usher. Ushering is viewed as a ministry rather than a committee or board activity. The ministry of ushering is approached from a Christ-centered, biblical perspective. Ushering is not something we simply do because, "It's our Sunday to usher." We do it because it is a lifestyle, resulting from the overflow of the Spirit-filled life. "Ushering with a Mission" stresses the importance of Bible study, prayer, and personal evangelism with nonbelievers. Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior, Jesus Christ.
