“The queen lives again. You, Rhea, are the key to unlocking the magical artifacts in Cleopatra’s tomb.” Despite having a shaman, a witch, and a muse for sisters, Rhea Spencer feels like a normal teenager—even if she is the reincarnation of Cleopatra, the Egyptian queen. But everything changes on her sixteenth birthday, when visions of a life she lived more than two thousand years ago become real and the queen’s secret world unfolds around her. Declan—a mysterious figure from the Order of Antony—appears at her doorstep to warn Rhea that she is in terrible danger. A sinister cabal known as the Octavians will do anything to obtain her growing powers. Rhea must travel to Egypt, the exotic land where an ancient war began, to stop the Octavians from unleashing a deadly force that could destroy the world. As Darren faces the

final showdown with his archenemy, Steve Leopard, he seeks a way to trick destiny and avoid the requirement that one of them die and the other become Lord of the Shadows, fated to destroy the world. Darren Shan, New York Times bestselling author of the Cirque du Freak and Demonata series, makes his adult fiction debut with this first book in a dark and twisted new series, *The City*. **PROCESSION OF THE DEAD** What had I done before coming to the City? I couldn't remember. It sounded crazy but my past was a blank. I could recall every step since alighting from the train, but not a single one before. Young, quick-witted, and cocksure, Capac Raimi arrives in the City determined to make his mark in a world of sweet, sinister sin. He finds the City is a place of exotic dangers: a legendary assassin with snakes tattooed on his face who moves like smoke, blind Incan priests whom no one seems to see, a kingpin who plays with puppets, and friends who mysteriously disappear as though they never existed. Then Capac crosses paths with The Cardinal, and his life changes forever. The Cardinal is the City, and the City is The Cardinal. They are joined at the soul. Nothing moves on the streets, or below them, without The Cardinal's knowledge. His rule is absolute. When Capac discovers how deeply The Cardinal has influenced his life, he is faced with hard choices that conflict with his soaring ambition. To find his way, Capac must know himself and what he is capable of. But how can you trust yourself when you can't remember your past? Now in paperback--the gut-wrenching first book in The Vampire Mountain trilogy. "Locked inside Dervish's study. Breath coming quickly, raggedly. Trembling wildly. I still feel sick and dizzy, but maybe that's fear. I force myself to breathe normally, evenly. When I'm in control, I study my reflection, looking for telltale signs. Am I turning into a werewolf? I don't know..." Grubbs Grady has so far escaped the family curse, but when he begins to experience alarming symptoms at the onset of the full moon, he is scared that the jaws of fate are opening and about to swallow him whole. He has cheated death, defeated demons, moved on with his life. But Grubbs is torn between the world of magic and his wolfen genes. Can he fight the beast inside or will he fall victim to his tainted blood? An original interpretation of the timelessly fascinating vampire myth, and a story of father and son, by award-winning author Marcus Sedgwick. Winner of the Booktrust Teenage Prize and shortlisted for the

Carnegie Medal. In the bitter cold of an unrelenting winter, Tomas and his son, Peter, arrive in Chust. Despite the villagers' lack of hospitality, they settle there as woodcutters. But there are many things Peter does not understand. Why does Tomas dig a channel of fast-flowing waters around their hut so they live on an isolated island? Why does Tomas carry a long battered box everywhere they go - and refuse to tell Peter of its contents? When a band of gypsies comes to the village, Peter's drab existence is turned upside down. He is infatuated by the beautiful gypsy princess, Sofia, and intoxicated by her community's love of life. He even becomes drawn into their deadly quest - for these travellers are Vampire Slayers, and Chust is a community to which the dead return to wreak revenge on the living. Stylishly written and set in the forbidding and remote landscapes of the 17th century, this is a story of a father and his son, of loss, redemption and resolution.
