Set Apart Dvd Leader Kit Apr 04 2021 In this six-week Bible study through the Beatitudes, author Jennifer Kennedy Dean examines the promise of blessedness in Christ's Sermon on the Mount. Unlike a circumstance-driven emotion such as happiness, blessedness is eternal and grounded in the reality of Christ in you. You are able to live in the state of blessedness that God has created for you when you discover the key to true holiness—a call to freedom and joy. We were made for holiness and this core concept of the Beatitudes is accessed through a praying life—a life lived in the present-tense power of God. It is only when we continually pursue holiness that blessedness comes and we discover the power and fulfillment of the promise of God.

Not because of your faith, but because of the faithfulness of their God.

Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined.

Crazy Love Feb 26 2023 Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. The Language of Love and Respect Dec 24 2022 Why does communication between couples remain the number one marriage issue? Because most spouses don't know that they speak two different languages. Communication expert Dr. Emerson Eggerich says that the problem is couples are sending each other messages in 'code,' but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect. Dr. Eggerich's best-selling book, Love and Respect, launched a revolution in how couples relate to each other. In The Language of Love and Respect, you will discover: The basic communication differences between men and women A biblical perspective with easy-to-use tips and advice A quick review and summary for each chapter This book offers a practical, step-by-step approach for how husbands and wives can learn to speak each other's distinctly different language -- respect for him, love for her. The result is mutual understanding and a successful, happy marriage. Previously released as Cracking the Communication Code.

Boundaries Jan 13 2022 Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.
