Camden Oct 04 2021 Boston Bay Vikings: hot enough to melt the ice. Camden I grew up with only one dream—to become a professional hockey player. My dream came true and now I was a winger for the Boston Bay Vikings. I never gave much thought to having that ‘special’ someone in my life until I saw the young woman who hunkered down like a scared rabbit in the team’s shower room. I went from a carefree bachelor to a fierce protector. Molly Exhausted and scared, I fell asleep in an empty room and came awake to find the gaze of three naked men on me. It turned out I’d found my way into the shower room of the Boston Bay Vikings—I’d never heard of them. However, it was the fourth man to appear who gave me hope. He spoke with confidence and made me feel safe. I didn’t want to leave his side, but I’d learned the hard way that anything good never lasted. Meet Camden Edwards and Molly Lewis in the first book of a new series by NYT and USA Today bestselling author, Lexi Buchanan.

Don't Check Out This Book! Nov 24 2020 From the creators of the award-winning Three-Ring Rascals and 43 Old Cemetery Road series! Is the sweet town of Appleton ripe for

scandal? Consider the facts: Appleton Elementary School has a new librarian named Rita B. Dangerous. (Say it fast.) Principal Noah Memree barely remembers hiring her. Ten-year-old Reid Durr is staying up way too late reading a book from Ms. Dangerous's controversial "green dot" collection. The new school board president has mandated a student dress code that includes white gloves and bow ties available only at her shop. Sound strange? Fret not. Appleton's fifth-grade sleuths are following the money, embracing the punny, and determined to get to the funniest, most rotten core of their town's juiciest scandal. Don't miss this seedy saga!

We Check In with Each Other Apr 29 2021 Help young children understand that it's okay to establish personal boundaries and change their minds. Physical and emotional awareness are key foundations of consent. *We Check In with Each Other* gives children a vocabulary to understand that they can change their minds at any time, develop and communicate personal boundaries, and build their social and emotional skills. The second book in the *We Say What's Okay* series, *We Check In with Each Other* follows Harrison as he checks in with himself and with his classmates throughout the day to see if they're still having fun and feeling safe. Using the book as a read-aloud, educators and families can model the language Harrison's teachers use to support children as they learn to listen to their body signals and respect the personal boundaries of others. The author, who hosts workshops and trainings on teaching

consent for families and early childhood educators around the country, offers additional activities in the back of the book. Digital content includes a song from Peaceful Schools with downloadable audio files and sheet music. We Say What's Okay Series Teach the building blocks of consent in a child-friendly and developmentally appropriate way. Centered on a class of preschoolers, this series helps teach young children the social and emotional skills they need to understand the complexities of consent. Each book covers a consent theme, such as how to recognize the physical sensations that emotions create, look for body language cues, ask for and listen to choices, and know that our bodies have value. With believable, everyday situations and diverse characters, children can see themselves and others reflected in each story—and develop a vocabulary to communicate consent and feelings. Every book in the series is accompanied by a song from Peaceful Schools with downloadable audio files and sheet music.

Handbook of Student Engagement Interventions Jul 21 2020 Handbook of Student Engagement Interventions: Working with Disengaged Students provides an understanding of the factors that contribute to student disengagement, methods for identifying students at risk, and intervention strategies to increase student engagement. With a focus on translating research into best practice, the book pulls together the current research on engagement in schools and empowers readers to craft and implement interventions. Users will find reviews on evidence-based academic, behavioral, social, mental health, and community-based interventions that will help increase all types of engagement. The book looks at ways of reducing suspensions through alternative disciplinary practices, the role resiliency can play in student engagement, strategies for community and school collaborations in addressing barriers to engagement, and what can be learned from students who struggled in school, but succeeded later in life. It is a hands-on resource for educators, school psychologists, researchers, and students looking to gain insight into the research on this topic and the strategies that can be deployed to promote student engagement. Presents practical strategies for engagement intervention and assessment Covers early warning signs of disengagement and how to use these signs to promote engagement Reviews contextual factors (families, peers, teachers) related to engagement Focuses on increasing engagement and school completion for all students Emphasizes multidimensional approaches to disengagement

The Small Book of Hip Checks Mar 09 2022 In *The Small Book of Hip Checks* Erica Rand uses multiple meanings of hip check—including an athlete using their hip to throw an opponent off-balance and the inspection of racialized gender—to consider the workings of queer gender, race, and writing. Explicitly attending to processes of writing and revising, Rand pursues interruption, rethinking, and redirection to challenge standard methods of argumentation and traditional markers of heft and fluff. She writes about topics including a trans shout-out in a Super Bowl ad, the heyday of lavender dildos, ballet dancer Misty Copeland, the criticism received by figure skater Debi Thomas and tennis great Serena Williams for competing in bodysuits while Black, and the gendering involved in identifying the remains of people who die trying to cross into the United States south of Tucson, Arizona. Along the way, Rand encourages making muscle memory of experimentation and developing an openness to being conceptually knocked sideways. In other words, to be hip-checked.
