What I Tell Myself FIRST:

Children's Real-World

Affirmations of Self Esteem Jun

05 2021 A lot of adults have dark roads. Started from when they were young. The hug they didn't get. The pain they didn't learn to manage because mom and/or dad patched mostly all

of their wounds and fought mostly all their battles.

Travelling through life, hearing "You're fat." "You're slow."

"You're not like us." "You're ugly." "I felt disrespected when

he said..." "No one loves me." "I fell for this person because I

needed love. Who knew that he'd (or she'd) be....." "It's your

job to make me feel like..."

"WHY DON'T YOU WANT ME?"

" If only we'd learn very early on that these things were our

jobs to perform. If only we'd learn to do for self in every

way. Written by a US military veteran, this children's book,

based on Maslow's Hierarchy of Needs, will instill in children

the answer to bullying, body-shaming, hate, and attacks on

the self through daily

affirmations. Author Mike

Brown has learned many life lessons and hopes to convey

some of those lessons acquired from public and private service

in the Army, as a police officer, an anger management

specialist, nonviolent crisis intervention instructor,

educator, as well as the real-world wisdom accumulated so

far, to everyone that reads this book. Teaching a sense of self-love as well as self-acceptance and giving a framework for both parents and children to help build their lives into sturdy and happy homes is his goal. What I Tell Myself FIRST: Children's Real-World Affirmations of Self Esteem is to readers what the AED is to a heart: it instills the defibrillator of self-esteem so powerful for when times are tough and your mind is under attack. Mike hones in on his military past and the methodology behind why servicemembers say creeds in various forms and military occupational specialties. This book will serve its purpose not for when times are good. But for when times are bad, when one is on that dark road and it feels like no one is there. It will serve as the proverbial jump pack to the battery of the mind. Like the hug that you needed but did not get. Like the words you needed to hear but did not hear. This book of reality-based daily affirmations are the "I wish I had this" of books. We

MUST instill in our children the answer to bullying, body-shaming, hate, and attacks on the self through daily affirmations.

Rediscover Jesus Apr 22 2020 How well do you know Jesus? I think about this often, and I always come to the same realization. I don't know Jesus anywhere near as well as I would like to know him. The desire is there, but life gets in the way. There are times when I seem to be making great progress, and other times when

I wonder if I know him at all. But I always arrive back at the same inspiring and haunting idea: If there is one person that we should each get to know in a deeply personal way, it is Jesus the carpenter from Nazareth, the itinerant preacher, the Son of God, the King of Kings and the Lord of Lords, the Lamb of God, the new Adam, the Messiah, the Alpha and the Omega, the Chosen One, the Light of the World, the God-Man who wants good things for us more than we want them for ourselves, the healer of our souls. The best time to rediscover Jesus is right now. You are holding this book in your hand at this very moment for a reason. I don't know what God has in store for you, but I am excited for you. *Create Your Own Wealth* Aug 07 2021 My great purpose in writing this book is to give you concrete and very specific tools for a simple and practical way to begin your success in the stock market. For you to also understand the management of these tools that only a privileged minority use almost

in secret, to earn a lot of money. Are you ready? Prepare yourself, I will take you from the very basics to the most complex so that you may begin your path to economic progress; which is not easy, but is worth knowing. Once you have learned the way, I assure you, you will differ from 90% of the people. You will no longer prefer, like them, to hand your money over to others to obtain average gains without you becoming aware of what is really happening in the financial world.
