Certain and Impossible Events Feb 19 2020 "CERTAIN AND IMPOSSIBLE EVENTS begins in April 1994, with the suicide of a fourteen-year-old boy in a small New England town. The boy left behind no trail of warning signs and no suicide note, only a series of rumors that connected his actions to the suicide of Kurt Cobain, whose death had become international front-page news a week earlier. Drawn to the hazy circumstances of her classmate's death, author Candace Jane Opper embarks on an unsentimental investigation into the personal and cultural echo an individual suicide can produce. Fusing memoir with history and science, she gradually reveals the shape of suicide as it is handed down to us—from literature to YouTube, from middle school health class to sociological study, from the immutability of objects to the fluidity of oral history. In this candid epistolary essay, Opper invites readers into her decades-long obsession with a boy she barely knew, creating space for herself and her readers to embrace a radical kind of unforgetting"--

Pink Jan 24 2023 Celebrate the fifth anniversary of the Women's March with this delightful multigenerational picture book about female empowerment. Lina notices her grandmother knitting with pink yarn and soon learns that she's making special hats to wear at an important march to celebrate women and their rights. Even though she sometimes feels small, Lina learns how to knit her own pink hat, and her confidence begins to build. When Lina and her family join the Women's March in Washington, DC, she is energized by the crowd and the sea of pink hats. It's amazing to see so many people all knitted together! And as Lina marches, she feels much bigger than she ever has before. Celebrate the importance of the Women's March with young children in Virginia Zimmerman's and Mary Newell DePalma's remarkable and empowering

story about one girl's journey from knitting a hat to making a difference.
