History of the Van Ness Hotel and its owners: Fred J. Kiesel and Samuel J. Van Ness. File No. 1467 Excerpt from Message of John P. Van Ness, Mayor of the City of Washington: Respecting the Removal of the Collector of the Third and Fourth Wards With the rules just laid down before us, which are of the highest authority of our most profound jurists, (and they are the maxims and principles of reason and common sense as well, as of law) let us look into our laws. Without re curring to those early numerous instances of changes of systems, of laws, and of offices, at the commencement, the middle, and end of the year, which crowd our statute book, I will begin with the law of Oct. 30th, 1810, entitled an act for the appointment of ward Collectors, and for other purposes The Mayor is here authorized to appoint col lectors.to continue in othee untilt/ze 2d Monday in June next, and annually thereafter, to continue in afice for 'one year In this act there is no express provision for the contingency of a vacancy from any cause whatever; yet will it be contended that a vacancy caused by death couldnot have been filled by the Mayor, who had then the Sole appointing power? Was it the intention of, and the prae tice under, that act that the whole collecting machinery should, in case of a vacancy, stand still until the end of the current year, or that the legislature should be assembled to provide for every individual case? Certainly not. By this act the Collectors are to return monthly accounts, and to make monthly payments to the Register and the bank; a provision never repealed or annulled. The Collector, pre vious to his entering on the duties of his ofiice, was to enter into bond diligently, faithfully, and honestly, to execute, perform, and fulfil all the duties required 01 him by this act, or which may be imposed on him by any future act or acts of the said City Council. This provision is still in force. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Sample Book Insights: #1 I had escaped my small town and cornfield notoriety, and was now free to live an authentic gay life in a gorgeous big city. I had become a hairdresser, and was meeting with a magazine about my web series. I was shocked when a woman called me a faggot. #2 I had been going about my life,

just business as usual, when the show came out. People stopped me everywhere I went, and I was shocked by how often they were vulnerable about the show changing their lives. #3 I have learned that life is not neatly packaged up into easily understood boxes. Joy can live beside sorrow. Life is messy, unpredictable, and seldom tied into neat little boxes. #4 I want to be vulnerable with people who deserve it, and I believe that everyone reading this has earned my honesty. I want to help myself heal and remove the shame that I've experienced, in the hopes that this will help others heal as well. Both unflinchingly funny and deeply heartfelt, MEDALLION STATUS is a hilarious, thoughtful examination of status, fame, and identity. It s about the weird trauma that comes with success that feels unseemly to discuss (because who will sympathise with you?); about the addiction to status that sometimes (always) follows success; and about the way we all deal with those moments in public and private life when we realise we don t quite have it anymore. File No. 899 Synopsis coming soon..... Prime Minister Winston Churchill crossed the Rhine River on March 25th, 1945. His presence was calculated to emphasize the British role in the defeat of the Germans and to divert attention away from Patton and the Americans who had crossed the Rhine at Remagen two weeks earlier. Supreme Allied Commander Dwight Eisenhower had warned his commanders that Churchill would seek to steal the limelight. Eisenhower ordered his commanders to refuse any requests to cross the Rhine; "The answer must be NO!" But when Eisenhower and Bradley left, the Prime Minister seized his chance. This photograph caught the moment and was printed on the front page of newspapers around the world. Once again, the wily Prime Minister had captured the world's attention at the expense of the Americans. The joint American, Canadian, and British operation appeared to be primarily a triumph of British arms. Eisenhower, Bradley, and Patton were furious. Eisenhower could do nothing about the Prime Minister, but he never forgave the American generals involved. And General Eisenhower had other things on his mind. It took ten years and an act of Congress for General William Simpson to receive the fourth star due him as Commanding General of the US Ninth Army. Major General John B. Anderson still waits his third star as Commanding General US XVI Corps. In the meantime, General in Command: The Life of Major General John B. Anderson is his triumphant story from the Iowa cornfields to command of the largest combat corps in Europe in the Second World War.
