X-Men meets The Walking Dead in this super-human survival story, fraught with Crazies (not Zombies), beautifully broken characters, and bursting with raw emotion you can feel deep in your bones. The Virus spread. Billions died. The Ending began. A group of orphaned misfits. The wildlands

of the last frontier. Superhuman abilities, harrowing adventures, and heartbreaking secrets. Elle - Haunting shadows are nothing new to Elle St. James, she's been running from them all her life. But since the outbreak spread from the lower forty-eight, new monsters lurk in the darkness. After Elle wakes from the fever, capable of horrific deeds, she fears she's one of them. When she stumbles upon four orphans, Elle's forced to discover what happens when her greatest fear becomes her darkest secret and her only hope of surviving. Jackson - After the world goes mad and takes his family with it, Jackson Mitchell tosses aside his badge and decides a bottle of bourbon and the depths of despair are preferable to any semblance of living. All of that changes, however, when a group of young survivors are in dire need of his help and Jackson sacrifices his blissful oblivion in order to keep them safe. As they trek further away from the collapsing cities, Jackson must rely on his knowledge of the backcountry and the traditions of his people, or succumb to the dangers of the Alaskan wilderness. Brought together under the worst possible circumstances, Elle and Jackson must face the inexplicable realities of the new world. Their past lives are over, and the arctic isn't all that's savage anymore. Over 500 pages of new characters, locations, and adventures — The Darkest Winter can be enjoyed on its own or in conjunction with The Ending Series novels. **Rated R for violence and possible triggers.**

What readers are saying about The Darkest Winter... ? ? ? ? ? "Holy Disasters! This is fabulous! Believable atmosphere of desperation and doom all while balancing it precariously on a ledge of hope." - Tome Tender Book Reviews ? ? ? ? ? "I was obsessively in love!" - Carol Goodreads Addict Reviews ? ? ? ? ? "You can't help but turn the pages. The chemistry between Elle and Jackson smolders. Bring on the next!" - Amazon Reviewer ? ? ? ? ? "I loved the characters becoming a family and discovering their powers." - Amazon Reviewer ? ? ? ? ? "At roughly 3am I knew sleep was not

happening!" -Amazon Reviewer The Savage North Chronicles (An Ending World series) 0. Day Zero: Savage North Beginnings 1. The Darkest Winter 2. The Longest Night, prequel 3. Midnight Sun 4. Nothing Good Can Come from This is her debut--a frank, funny, and feminist essay collection by a keen-eyed observer no longer numbed into complacency. When Kristi stopped drinking, she started noticing things. Like when you give up a debilitating habit, it leaves a space, one that can't easily be filled by mocktails or ice cream or sex or crafting. And when you cancel Rosé Season for yourself, you're left with just Summer, and that's when you notice that the women around you are tanked—that alcohol is the oil in the motors that keeps them purring when they could be making other kinds of noise. In her sharp, incisive debut essay collection, Coulter reveals a portrait of a life in transition. By turns hilarious and heartrending, Nothing Good Can Come from This introduces a fierce new voice to fans of Sloane Crosley, David Sedaris,

and Cheryl Strayed—perfect for anyone who has ever stood in the middle of a so-called perfect life and looked for an escape hatch. A standalone novella from New York Times bestselling author Elle Kennedy! Maid-of-honor Emilia is looking for some stress-busting fun the night before her best friend's wedding. And what's more fun than a no-strings hook-up? Good thing there's an app for that, and she's in luck—the sexy stud she swipes right on is more than happy to fulfill all her needs. Her hot night with “Dirk” is everything she knew it would be. But this morning? He looks a hell of a lot like the groom. Withdrawing from a family party to the solitude of her tree house, 16-year-old Laurel Nicolson witnesses a shocking murder that throughout a subsequent half century shapes her beliefs, her acting career and the lives of three strangers from vastly different cultures. By the best-selling author of *The Distant Hours*. Reprint. 200,000 first printing. An instant New York Times Bestseller Finalist for the Dayton Literary Peace Prize A Read with Jenna Today Show Book Club Pick! "A thrilling debut that deserves your attention." –Ron Charles, the Washington Post

Written with the haunting emotional power of Elizabeth Strout and Barbara Kingsolver, an astonishing debut novel that explores the lingering effects of a brutal crime on the women of one small Texas oil town in the 1970s, longlisted for the Center for Fiction First Novel Prize and the VCU Cabell First Novel Award. *Mercy is hard in a place like this . . .* It's February 1976, and Odessa, Texas, stands on the cusp of the next great oil boom. While the town's men embrace the coming prosperity, its women intimately know and fear the violence that always seems to follow. In the early hours of the morning after Valentine's Day, fourteen-year-old Gloria Ramírez appears on the front porch of Mary Rose Whitehead's ranch house, broken and barely alive. The teenager had been viciously attacked in a nearby oil field—an act of brutality that is tried in the churches and barrooms of Odessa before it can reach a court of law. When

justice is evasive, the stage is set for a showdown with potentially devastating consequences. Valentine is a haunting exploration of the intersections of violence and race, class and region in a story that plumbs the depths of darkness and fear, yet offers a window into beauty and hope. Told through the alternating points of view of indelible characters who burrow deep in the reader's heart, this fierce, unflinching, and surprisingly tender novel illuminates women's strength and vulnerability, and reminds us that it is the stories we tell ourselves that keep us alive. USA Today Bestselling author, W.J. May, brings you the Omega Box Set for a limited time. This YA/NA series covers love, betrayal, coming of age, magic and fantasy. Be prepared to fight, it's the only option. **BOOK 1 - DISCIPLINE** Not every fairytale has a happily ever after... For the first time in hundreds of years, the five kingdoms were at peace. United by the band of young heroes who'd won the Great War, the realm had entered a time of wealth and prosperity unlike anything it had known before. New families. New Beginnings. Old alliances were on the mend. But such a thing can never last. When Katerina and Dylan's teenage daughter finds herself at the center of a strange prediction, she and her friends are swept away on a wild adventure that may very well claim all of their lives. Old evils are lurking the shadows. A secret new darkness is waiting to take hold. Can the new band of heroes stop it in time? Or has their happily ever after finally come to an end? **BOOK 2 - BRAVERY** How long can you outrun your fate? When Evie and her friends set out to fulfill a long-awaited prophecy, they never thought their adventure would turn into a nightmare before their very eyes. Trapped in a cavern beneath the ground, they find themselves going up against a creature so twisted and terrible, they wouldn't have believed it was real. Their strength is tested and friendships are strained. But as they soon discover, the creature was the least of their problems. The world is shifting. Shadows and darkness are entering the land. Rumors are

whispering around the remaining kingdoms. Rumors of a dark and powerful stone. Can the friends find it in time? Or are some prophecies never meant to be? BOOK 3 - COURAGE How time flies... When Evie and her friends find themselves trapped in the sorcerer's cave, they think all is lost. But rescue comes from the most unlikely of people. And with it comes the most terrible truth. With the five kingdoms divided and the realm on the verge of collapse, the prophecy is more urgent than ever. But the road is treacherous and the friends are on the other side of the realm. New alliances must be forged and friendships are tested as they set off to fulfill their destiny, only to find that the fates may have something different in store. Is it possible to pick up the pieces and start again? Can the friends get to the Dunes and find the missing stone in time? More importantly... ..are some sins too terrible to forgive? Be careful who you trust. Even the devil was once an angel. feel at home, and expectation and judgment are country neighbors. Trapped by dead-end work, hostile relatives, and the troubling legacies of their forebears, John Carr Walker's characters are caught in the turmoil of seeking escape, forgiveness, and redemption. "Transcendent." —New York Times Book Review "Magnificent." —Village Voice "Sparkling." —Publishers Weekly Francesca Lia Block's dazzling debut novel, *Weetzie Bat*, is not only a genre-shattering, critically acclaimed gem, it's also widely recognized as a classic of young adult literature, having captivated readers for generations. This coming-of-age novel follows the eponymous Weetzie Bat and her best friend Dirk as they navigate life and love in a timeless, dreamlike version of Los Angeles. When Weetzie is granted three wishes by a genie, she discovers that there are unexpected ramifications.... Winner of the prestigious Phoenix Award, *Weetzie Bat* is a beautiful, poetic work of magical realism that is perfect for fans of Laura Ruby, Neil Gaiman, and Kelly Link. Praise for *Chloe Caldwell*: "I read it a couple of months ago in one can't-put-it-down-even-though-it's-the-middle-of-the-night sitting. It's as intense and interesting and clear-hearted as they come."—Cheryl Strayed "I'll read anything Chloe Caldwell writes. She's a rare bird: fearless, dark, prolific, unpretentious, and truly honest."—Elisa Albert "Nothing's sexier than first love and first intimacies, and Caldwell's brave autobiographical tale twists the trope into a powerful story about unexpectedly falling in love with a woman and the discoveries, sexual and otherwise, that ensue."—Time Out New York "The essays in this collection are as exuberant as they are sad. Her storytelling is as vulnerable as it is bombastic. These essays roll in gangsta, but wear freshly picked daisies in their hair."—Rookie Magazine Flailing in jobs, failing at love, getting addicted and un-addicted to people, food, and drugs—I'll Tell You in Person is a disarmingly frank account of attempts at adulthood and all the less than perfect ways we get there. Caldwell has an

unsparing knack for looking within and reporting back what's really there, rather than what she'd like you to see. Chloe Caldwell is the author of the novella *Women*, and the essay collection *Legs Get Led Astray*. Her work has appeared in the *Sun*, *Salon*, *VICE*, *Hobart*, *Nylon*, the *Rumpus*, *Men's Health*, and *LENNY*, among others. She teaches personal essay and memoir writing in New York City and lives in Hudson.

Chief of Police Kate Burkholder races against the clock to find a missing child in this original short story, "Disappeared," from New York Times bestselling author Linda Castillo. As a violent thunderstorm rages in Painters Mill, Kate Burkholder receives a call from a frantic young Amish woman: her two-year-old son is missing. Kate and her officers brave the downpour to search for the toddler, fearing he may have been swept away in the rising creek waters. But an explosive family secret leads Kate to believe this disappearance may be more complicated than anyone is letting on. Can she find the boy and uncover the truth before darkness falls? Poetry. Fiction. **EVEN THOUGH I DON'T MISS YOU** captures the essence of being part of a species that is prone to spending nights alone looking up photos of Heath Ledger's daughter and contemplating making pasta. Its seemingly arbitrary obsession with human evolution and many allusions to self-contempt make this book not only timeless and deeply moving, but one of those rare books to which you will develop a sickening dependence. "When you think that life cannot get better, Blake Pierce comes up with another masterpiece of thriller and mystery! This book is full of twists, and the end brings a surprising revelation. Strongly recommended for the permanent library of any reader who enjoys a very well-written thriller." --Books and Movie Reviews (re *Almost Gone*)

A MURDER IN PARIS is the debut novel in a charming new cozy mystery series by USA Today bestselling author Blake Pierce, whose #1 bestseller *Once Gone* has received 1,500 five-star reviews. Diana Hope, 55, is still adjusting to her

recent separation when she discovers her ex-husband has just proposed to a woman 30 years younger. Secretly hoping they would reunite, Diana is devastated. She realizes the time has come to reimagine life without him—in fact, to reimagine her life, period. Devoting the last 30 years of her life to being a dutiful wife and mother and to climbing the corporate ladder, Diana has been relentlessly driven, and has not taken a moment to do anything for herself. Now, the time has come. Diana never forgot her first boyfriend, who begged her to join him for a year in Europe after college. She had wanted to go so badly, but it had seemed like a wild, romantic idea, and a gap year, she'd thought, would hinder her resume and career. But now, with her daughters grown, her husband gone, and her career no longer fulfilling, Diana realizes it's time for herself—and to take that romantic year in Europe she'd always dreamed of. Diana prepares to embark on the year of her life, finally turning to her bucket list, hoping to tour the most beautiful sights and sample the most scrumptious cuisines—and maybe, even, to fall in love again. But a year in Europe may have different plans in store for her. Can A-type Diana learn to go with the flow, to be spontaneous, to let down her guard and to learn to truly enjoy life again? In *A MURDER IN PARIS* (Book #1), Diana hopes to kick off her journey, and find new love, with an unforgettable night at the Versailles ball. But when the dramatic night takes a harrowing turn she could never expect, Diana realizes she will have to solve the crime—or else have her trip end in disaster. *A YEAR IN EUROPE* is a charming and laugh-out-loud cozy mystery series, packed with food and travel, with mysteries that will leave you on the edge of your seat, and with experiences that will leave you with a sense of wonder. As Diana embarks on her quixotic quest for love and meaning, you will find yourself falling in love and rooting for her. You will be in shock at the twists and turns her journey takes as she somehow finds herself at the center of a mystery, and must play amateur sleuth to

solve it. Fans of books like *Eat, Pray, Love* and *Under the Tuscan Sun* have finally found the cozy mystery series they've been hoping for! Book #2 (*DEATH IN FLORENCE*) and book #3 (*VENGEANCE IN VIENNA*) in the series are now also available! DigiCat Publishing presents to you this special edition of "*The Autobiography of Parley Parker Pratt*" (One of the Twelve Apostles of the Church of Jesus Christ of Latter-Day Saints, Embracing His Life, Ministry, and Travels) by Parley P. Pratt. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. A novella describing "the narcissism inherent in infatuation, exposing the awkward, disorienting state of passion, and articulating the comic nature that permeates the melodrama of our existence ... chronicl[ing] the struggles of a long-distance relationship, forming a series of unsent musings to the beloved"-- A searching, galvanizing memoir about blood and love: how learning more about her period, PMS, PMDD, and the effects of hormones on moods transformed her relationships—to a new partner, to family, to non-blood kin, and to her own body—from the beloved essayist and author of *Women* Chloe Caldwell's period has often felt inconvenient, uncomfortable, or even painful. It's only once she's in her thirties, as she's falling in love with Tony, a musician and single dad, that its effects on her mood start to dominate her life. Spurred by the intensity and seriousness of her new relationship, it strikes her: her outbursts of anxiety and rage match her hormonal cycle. Compelled to understand the truth of what's happening to her, Chloe documents attitudes toward menstruation among her peers and family, reads Reddit threads about PMS, attends a conference called *Break the Cycle*, and learns about premenstrual dysphoric

disorder, PMDD, which helps her name what she's been going through. For Chloe, healing isn't about finding a single cure. It means reflecting on underlying patterns in her life: her feelings about her queer identity and writing persona in the context of a heterosexual relationship; how her parents' divorce contributed to her issues with trust; and what it means to blend a family. *The Red Zone* is a candid, revelatory memoir for anyone grappling with controversial medical diagnoses and labels of all kinds. It's about coming to terms with the fact that—along with proper treatment—self-acceptance, self-compassion, and transcending shame are the ultimate keys to relief. It's also about love: how challenging it can be, how it reveals your weaknesses and wounds, and how, if you allow it, it will push you to grow and change. A “startlingly original” novel of “recursive loops through the mind of a woman who is breaking down from not making the art she absolutely must make” (Alexander Chee, *Paris Review*). Alma and her family live close to the land, raising chickens and sheep. While her husband works at a nearby college, she stays home with their young children, cleans, searches for secondhand goods online, and reads books by the women writers she adores. Then, one night, she abruptly leaves it all behind—speeding through the darkness, away from their Vermont homestead, bound for New York. In a series of flashbacks, Alma reveals the circumstances and choices that led to this moment: the joys and claustrophobia of their remote life; her fears and uncertainties about motherhood; the painfully awkward faculty dinners; her feelings of loneliness and failure; and her growing fascination with Celeste, a mysterious ceramicist and self-loving doppelgänger who becomes an obsession for Alma. A fable both blistering and surreal, *The Shame* is a propulsive, funny, and thought-provoking debut about a woman in isolation, whose mind—fueled by capitalism, motherhood, and the search for meaningful art—attempts to betray her. A Harvard Review Favorite Book of 2020,

Selected by Miciah Bay Gault As Unified High Priest, Khalid al-Kabul and his UNIFY church gain worldwide acclaim and draw millions to their ranks, Christians fear the emergence of a one-world religion. Krista Coblenz teams with Detective Darnell Simpson, a backslidden Christian, after police discover Krista's best friend savagely murdered and dismembered. Krista's relationship with Simpson disintegrates after she accepts an invitation to one of Khalid's demonic services promoting his perfect one-world church. Meanwhile, in Tennessee, retired Pentecostal minister Walter Caldwell hears from God that it's time to take the message of repentance to the streets, and God wants Caldwell to lead the effort. Could UNIFY truly be the apostasy and the emergence of a one-world religion foretold in the Bible Christians believe it is—merely a counterfeit forged by Satan himself that shall lead even the elect astray? Or could it be the perfect church the Bible predicts, rising up out of the darkness, delivering a new world peace by fusing Christians and Muslims together as one? Ms. Leahz masterfully weaves this end-times thriller with excitement, murder, intrigue, romance and mystery. This fast-paced prophetic classic will leave you breathless and eagerly awaiting the second book in Ms. Leahz's trilogy. Endorsements: "What most Christians forget is that the main purpose of God's plan for us is to fight and expose evil. Lyn Leahz in her fiction *Soul Deceiver* writes an amazing tale and embeds the necessary biblical truth to help us see the quagmire of delusion, deception and apostasy that engulf the church today. The gripping story sifts out the words of a sweet-talking devil that wants to unify Christianity with Islam attempting to seduce us with flattery. The story tells how the prudent spirit-filled Christian can stand firm against the works of darkness. "And such as do wickedly against the covenant shall he corrupt by flatteries: but the people that do know their God shall be strong, and do [exploits]." (Dan 11:32) –Walid Shoebat, International Speaker and Best

Selling Author of God's War on Terror: Islam, Prophecy and the Bible. Shoebat Foundation "Lyn Leahz is a gifted and brilliant author. This fictional thriller is truly a page-turner that will enthrall you from the first to the last word. A highly recommended read!" —Joel Richardson, Best Selling Author of Islamic Antichrist and Mideast Beast. Joel's Trumpet Online "All one needs to do is watch the daily news, or read a newspaper, and compare those words to the Books of Daniel, Ezekiel, or Revelation, to understand the times in which we live. Lyn Leahz does a great job in her book, Soul Deceiver, pulling you into the lives of her characters, to allow you to experience the scenarios of end time prophecy. If you are a lover of end times eschatology, then Soul Deceiver is a must read." –Tim R. Philley, Executive Vice President & Chief Operations Officer, Oral Roberts University "It is with great pleasure I recommend Soul Deceiver. Lyn Leahz is a gifted writer, and a remarkable Christian. Through much prayer and creativity, she has written a captivating and timely book about the end times. You will not be disappointed with this page-turner, guaranteed to keep you absorbed for hours! A must read!" –Juliana Worsham, Author, A Joyful Life Made Simple. SimplyJuliana.com "Soul Deceiver is a well-written, mind-captivating read. This edgy fictional work keeps you enthralled in events that could be taken right out of today's news. Lyn Leahz stays true to God's Word while reminding us of our calling as disciples of Christ. Our primary objective, especially during the end times, is to keep God's Word pure and to proclaim the Word of God as true without compromise. Lyn skillfully weaves these job requirements into a fast-paced exciting read that I highly recommend!" –Greg Holt, Inspirational Christian Blogs

[youtube=<http://www.youtube.com/watch?v=gYIUquYNPKs&w=425&h=300>] Britain on the brink. A forbidden romance few understand. The hunt for survival. In 2024, Great Britain is a cruel place.

Heartache, angst and pain are widespread. Caroline Craness is one of many women detained because of her gender, judged for her behaviour and hopeless, until HE rescues her--the Commander General--the man in charge of Fortorus. Two worlds collide in the heat of their passion. Commander General Harper will save her, but at a price. Caroline must relinquish all control, and if she isn't careful, he might demand her soul. Can she fight to stay alive in his dark world, or will the desire sweep her away? From USA Today bestselling author, Felicity Brandon, comes an edgy new dystopian romance. Hold tight, and let this fast-paced, twisted love affair leave you breathless. 'A beautiful read / a perfect primer for an explosive lesbian affair / an essential truth' Lena Dunham An intimate, impertinent, and incisive collection about race, progress, and hypocrisy from Jill Louise Busby, aka Jillisblack. Jill Louise Busby spent years in the nonprofit sector specializing in Diversity & Inclusion. She spoke at academic institutions, businesses, and detention centers on the topics of Race, Power, and Privilege and delivered over two-hundred workshops to nonprofit organizations all over the California Bay Area. In 2016, fed up with what passed as progressive in the Pacific Northwest, Busby uploaded a one-minute video about race, white institutions, and faux liberalism to Instagram. The video received millions of views across social platforms. As her pithy persona Jillisblack became an "it-voice" weighing in on all things race-based, Jill began to notice parallels between her performance of "diversity" in the white corporate world and her performance of "wokeness" for her followers. Both, she realized, were scripted. Unfollow Me is a memoir-in-essays about these scripts; it's about tokenism, micro-fame, and inhabiting spaces-real and virtual, black and white-where complicity is the price of entry. Busby's social commentary manages to be both wryly funny and achingly open-hearted as she recounts her shape-shifting moves among the subtle hierarchies of progressive communities.

Unfollow Me is a sharply personal and self-questioning critique of white fragility (and other words for racism), respectability politics (and other words for shame), and all the places where fear masquerades as progress. Praise for Chloe Caldwell: "I read it a couple of months ago in one can't-put-it-down-even-though-it's-the-middle-of-the-night sitting. It's as intense and interesting and clear-hearted as they come."—Cheryl Strayed "I'll read anything Chloe Caldwell writes. She's a rare bird: fearless, dark, prolific, unpretentious, and truly honest."—Elisa Albert "Nothing's sexier than first love and first intimacies, and Caldwell's brave autobiographical tale twists the trope into a powerful story about unexpectedly falling in love with a woman and the discoveries, sexual and otherwise, that ensue."—Time Out New York "The essays in this collection are as exuberant as they are sad. Her storytelling is as vulnerable as it is bombastic. These essays roll in gangsta, but wear freshly picked daisies in their hair."—Rookie Magazine Flailing in jobs, failing at love, getting addicted and un-addicted to people, food, and drugs—I'll Tell You in Person is a disarmingly frank account of attempts at adulthood and all the less than perfect ways we get there. Caldwell has an unsparing knack for looking within and reporting back what's really there, rather than what she'd like you to see. Chloe Caldwell is the author of the novella Women, and the essay collection Legs Get Led Astray. Her work has appeared in the Sun, Salon, VICE, Hobart, Nylon, the Rumpus, Men's Health, and LENNY, among others. She teaches personal essay and memoir writing in New York City and lives in Hudson. I will never forgive you. I will never make love with you again. I do not love you anymore. Breakup is the erotically charged chronicle of the tempestuous final months of an eighteen-year romantic and literary partnership, self-destructing in the aftermath of the ultimate betrayal. Fearlessly and courageously, Texier chronicles the end of that love as it is wrecked by infidelity and deceit in a literary tour de force

reminiscent by turns of Marguerite Duras and Henry Miller. Texier writes in harrowing detail about the powerful sexual relationship she shared with her husband even during their breakup, how sex between them became a substitute for real intimacy, and how the fabric of a marriage (a shared cup of café au lait on a yellow table every morning, the memories of giving birth to two glorious daughters, of coediting their own literary magazine) is brutally dissolved. Breakup is unsentimental and unflinching, a journal of love's exquisite torture. Every emotion, including rage, disgust, self-pity, hatred, sympathy, and jealousy, is mined. Heartbreaking, too, is the effect of the breakup on Texier's two children who, sometimes caught in the crossfire of their parents' turmoil, are trapped as the relationship spirals out of control and their once-secure home becomes a battlefield. Ultimately, Breakup is about the risks one great passion involves. It is a journey of the heart in all its wild beating; a courageous diary of a soul laid bare, and the redemptive power of love. Fiction. Women's Studies. The stories in Elizabeth Ellen's third story collection have been published in Harper's Magazine, Joyland, FENCE, and Southwest Review. Elizabeth is the recipient of a Pushcart Prize for fiction. Part memoir, part lies, this imaginative tale is a story about loving a woman made of paper, about the wounds made by first love and sharp objects. "Most of these essays were originally published in Legs get led astray (Future Tense Books, 2012). "Silence," "Mirrors," "Major dramatic question," and "Your adventures change" are new to this edition"--Title page verso. Funeral for Flaca is an exploration of things lost and found--love, identity, family--and the traumas that transcend bodies, borders, cultures, and generations. Emily Prado retraces her experience coming of age as a prep-turned-chola-turned-punk in this collection that is one-part memoir-in-essays, and one-part playlist, zigzagging across genres and decades, much like the rapidly changing and varied tastes of her youth. Emily spends the late 90's and early aughts

looking for acceptance as a young Chicana growing up in the mostly-white suburbs of the San Francisco Bay Area before moving to Portland, Oregon in 2008. Ni de aquí, ni de allá, she tries to find her place in the in between. Growing up, the boys reject her, her father cheats on her mother, then the boys cheat on her and she cheats on them. At 21-years-old, Emilly checks herself into a psychiatric ward after a mental breakdown. One year later, she becomes a survivor of sexual assault. A few years after that, she survives another attempted assault. She searches for the antidote that will cure her, cycling through love, heartbreak, sex, an eating disorder, alcohol, an ever-evolving style, and, of course, music. She captures the painful reality of what it means to lose and find your identity, many times over again. For anyone who has ever lost their way as a child or as an adult, *Funeral for Flaca* unravels the complex layers of an unpredictable life, inviting us into an intimate and honest journey profoundly told with humor and heart by Emilly Prado. "I felt these essays deep in my heart. *Funeral for Flaca* is like a Chicana punk rock ballad in prose. Soulful and brave, these essays of Prado's life made me feel less lonely, less outcasted, and more seen-and isn't that why we come to books in the first place?" -Kali Fajardo-Anstine, author of *Sabrina & Corina* "Once I started reading *Funeral for Flaca*, I could not stop. The series of essays traverses Prado's life and weaves a narrative that is gripping and beautifully told. Each essay is a finely crafted tribute to periods in Prado's labyrinthine path, intersecting trauma, pathology, loss and, ultimately, perseverance and healing." -Lisa Congdon, artist and author of *Find Your Artistic Voice: The Essential Guide to Working Your Creative Magic* "This book is brilliant. It tells the unique stories of what it means to grow up Latina in the U.S. and the universal experiences of love, coming of age and finding your own voice and self. Prado weaves personal stories that make you laugh, cry and give you hope for the future." -Cristina Tzintzún

Ramirez, author and co-editor of *Presente!* "Emilly Prado's *Funeral For Flaca* is fierce, funny, intelligent, and vulnerable. This memoir-in-essays speaks with ease and honesty about the ferociously hard, isolating moments of youth, and Prado's matter-of-fact tone reads like a friend's voice talking us through the worst of it. *Funeral for Flaca* is here to remind us: there is a woman lying dormant inside every girl." -Margaret Malone, author of *People Like You* NATIONAL BESTSELLER *An Atlantic Magazine Best Book of the Year* *A Publishers Weekly Best Book of the Year* "The *Melrose Novels* are a masterwork for the twenty-first century, written by one of the great prose stylists in England." —Alice Sebold, author of *The Lovely Bones* Soon to be a Showtime TV series starring Benedict Cumberbatch and Blythe Danner For more than twenty years, acclaimed author Edward St. Aubyn has chronicled the life of Patrick Melrose, painting an extraordinary portrait of the beleaguered and self-loathing world of privilege. This single volume collects the first four novels—*Never Mind*, *Bad News*, *Some Hope*, and *Mother's Milk*, a Man Booker finalist—to coincide with the publication of *At Last*, the final installment of this unique novel cycle. By turns harrowing and hilarious, these beautifully written novels dissect the English upper class as we follow Patrick Melrose's story from child abuse to heroin addiction and recovery. *Never Mind*, the first novel, unfolds over a day and an evening at the family's chateaux in the south of France, where the sadistic and terrifying figure of David Melrose dominates the lives of his five-year-old son, Patrick, and his rich and unhappy American mother, Eleanor. From abuse to addiction, the second novel, *Bad News* opens as the twenty-two-year-old Patrick sets off to collect his father's ashes from New York, where he will spend a drug-crazed twenty-four hours. And back in England, the third novel, *Some Hope*, offers a sober and clean Patrick the possibility of recovery. The fourth novel, the Booker-shortlisted *Mother's Milk*, returns to the family

chateau, where Patrick, now married and a father himself, struggles with child rearing, adultery, his mother's desire for assisted suicide, and the loss of the family home to a New Age foundation. Edward St. Aubyn offers a window into a world of utter decadence, amorality, greed, snobbery, and cruelty—welcome to the declining British aristocracy. "Hartnett again captures the ineffable fragility of childhood in this keenly observed tale." — Publishers Weekly (starred review) Nine-year-old Adrian watches his world closely, but there is much he cannot understand. He does not, for instance, know why three neighborhood children might set out to buy ice cream one summer's day and never be seen again...In a suburb that is no longer safe and innocent, in a broken family of self-absorbed souls, Sonya Hartnett sets the story of a lone little boy — unwanted, unloved, and intensely curious — a story as achingly beautiful as it is shattering. A Children's Literature Choice List Title Two starred reviews (Publishers Weekly, Kirkus Reviews) "A practical guide to practicing polyamory and open relationships in ways that are ethically and emotionally sustainable"--Provided by publisher. Free First in series novel by YA Urban Fantasy Author Amanda Lynn Petrin. "He's been hunting my family for centuries. Now he's after me." If you like urban fantasy adventures with strong heroines and a touch of history, you'll love this absorbing paranormal read. Discover the Owens Chronicles for FREE! Most Anticipated, Too: The Great 2016 Nonfiction Book Preview The Millions GROUNDBREAKING. A career-defining book. -The New Yorker Sallie Tisdale is the author of seven books on such varied subjects as medical technology, her pioneer ancestors and Buddhist

women teachers. Her many essays have appeared in Harper's, Conjunctions, The New Yorker, Antioch Review, Threepenny Review and many other journals. This first collection of work spans thirty years, and includes an introduction and brief epilogues to each essay. Tisdale's questing curiosity pursues subjects from the biology of flies to the experience of working in an abortion clinic, why it is so difficult to play sports with men, and whether it's possible for writers to tell the truth. She restlessly returns to themes of the body, the family, and how we try to explain ourselves to each other. She is unwilling to settle for easy answers, and finds the ambiguity and wonder underneath ordinary events. The collection includes a recent essay never before published, about the mystery of how we present ourselves to each other and whether it is possible to know even our own inner lives. SpanPublished in 1865 and edited by abolitionist L. Maria Child, The Freedmens Book was intended to be used to teach recently freed African Americans to read and to provide them with inspiration. Thirsting for education, Freedmen were eagerly enrolling in any schools that would accept them. Child saw a need for texts and provided one of collected stories and poems written by former slaves and noted abolitionists, herself included./span This is not your mother's memoir. In The Chronology of Water, Lidia Yuknavitch, a lifelong swimmer and Olympic hopeful escapes her raging father and alcoholic and suicidal mother when she accepts a swimming scholarship which drug and alcohol addiction eventually cause her to lose. What follows is promiscuous sex with both men and women, some of them famous, and some of it S&M, and Lidia discovers the power of her sexuality to help her forget her pain. The forgetting doesn't last, though, and it is her hard-earned career as a writer and a teacher, and the love of her husband and son, that ultimately create the life she needs to survive. Marian Fletcher Blackley, Duchess of Endsmere, is on the run from the English Crown for killing her abusive

husband...no matter that it was self-defense. She has only one safe place to go—the MacKinlay clan in Scotland, where her sister is the laird’s wife. War Chief Cameron MacKinlay has vowed never to marry after witnessing his widowed mother’s grief. He has his lands and his clan, and that’s enough for a good life. When one day a sprite of a lass comes running out of the forest with hounds nipping at her heels, and an English bounty hunter not far behind, he feels compelled to save her by claiming the disheveled duchess is his wife. But he certainly didn’t intend to marry her for real! And now he’ll do anything to protect her... Each book in the Clan MacKinlay series is STANDALONE: * Her Accidental Highlander Husband * Her Reluctant Highlander Husband

An in-depth look at how Machado de Assis affirms his uniqueness through the role of a reflective reader who eventually becomes a self-reflective author, whose text is primarily the written memory of his private library

From the author of Bellefleur: A “psychologically incisive” glimpse into the mind of a deranged predator and the boy he abducts to be his son (Booklist). Robbie Whitcomb is five years old when he’s taken from his mother in a mall parking lot. In her attempt to chase the kidnapper, she’s left badly injured and permanently disfigured. Such are the methods of the man who calls himself Daddy Love—a man known to the rest of the world as charismatic preacher Chester Cash. For the next six years, Robbie is to be Daddy’s son. That means doing whatever Daddy says—and giving him whatever he wants. Soon Robbie learns to accept his new name, Gideon. He also learns that he is not the first of Daddy Love’s sons. And that each of the others, after reaching a certain age, was never seen again. As Robbie’s mother recovers from her wounds, her life and marriage are a daily struggle. But as years go by, she maintains a flicker of hope that her son is still alive. Meanwhile, Robbie approaches the “bittersweet age” with no illusions about his fate. But somewhere within this tortured child lies a

spark of rebellion. And he knows all too well what survival requires. “After all these years, Joyce Carol Oates can still give me the creeps.” —Marilyn Stasio, *The New York Times Book Review* “A lean and disturbing tale that reverberates after its ending.” —*The Columbus Dispatch* “Oates makes us squirm as she forces us to see some of the action through Love’s twisted and warped perspective.” —*Kirkus Reviews* “This unsettling tale showcases Oates’s masterful storytelling.” —*Publishers Weekly*

Clown Girl lives in Baloneytown, a seedy neighborhood where drugs, balloon animals, and even rubber chickens contribute to the local currency. Against a backdrop of petty crime, she struggles to live her dreams, calling on cultural masters Charlie Chaplin, Kafka, and da Vinci for inspiration. In an effort to support herself and her layabout performance-artist boyfriend, Clown Girl finds herself unwittingly transformed into a "corporate clown," trapping herself in a cycle of meaningless, high-paid gigs that veer dangerously close to prostitution. Monica Drake has created a novel that riffs on the high comedy of early film stars — most notably Chaplin and W. C. Fields — to raise questions of class, gender, economics, and prejudice. Resisting easy classification, this debut novel blends the bizarre, the humorous, and the gritty with stunning skill.

As recognized, adventure as with ease as experience more or less lesson, amusement, as well as accord can be gotten by just checking out a book **Legs Get Led Astray** **Chloe Caldwell** furthermore it is not directly done, you could take even more concerning this life, just about the world.

We manage to pay for you this proper as with ease as simple exaggeration to acquire those all. We

provide Legs Get Led Astray Chloe Caldwell and numerous books collections from fictions to scientific research in any way. among them is this Legs Get Led Astray Chloe Caldwell that can be your partner.

Thank you certainly much for downloading **Legs Get Led Astray Chloe Caldwell**. Most likely you have knowledge that, people have look numerous period for their favorite books once this Legs Get Led Astray Chloe Caldwell, but end taking place in harmful downloads.

Rather than enjoying a good PDF similar to a cup of coffee in the afternoon, then again they juggled bearing in mind some harmful virus inside their computer. **Legs Get Led Astray Chloe Caldwell** is to hand in our digital library an online entry to it is set as public for that reason you can download it instantly. Our digital library saves in fused countries, allowing you to get the most less latency era to download any of our books next this one.
