When You're Mine Aug 22 2020 Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and

slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

Beneath the Wreckage Aug 02 2021 It was supposed to be a summer we'd never forget. Instead, everything was stolen from me. The best friend who was more like a sister. The innocent way I looked at life. Leaving me with only unanswered questions. Returning to the island is the second chance I didn't know I needed. And Hunter is the surprise that knocks me sideways. There's a hurt in him that calls to my own. A strength I find in sharing our scars. Igniting a spark that turns to flame. But someone isn't happy about the world I'm building for myself. And nothing will stop them from tearing it all apart...

Targeted Risk May 31 2021 Quentin Joon is hunting a traitor and the best person to help him is the woman he turned his back on three years ago. He is out of resources, leads and friends. He knows Candi Gonzalez hates him, but she's the best person for the job. The only problem is that seeing her brings up all the feelings he'd thought he'd buried. Candi cannot believe her eyes when the golden boy CIA agent shows up on her doorstep begging for help. She knows she should say no. After his part in getting her fired, she owes him nothing. But, they're after the same person. Using him is a means to an end, and has nothing to do with her crush on the man. She'll use him and discard him. Just like he did to her. Teaming up was the best and worst idea they had. Thrown together with nothing to keep them apart, the barriers fall away. Candi remembers all too quickly

what made her fall for him the first time. One wrong kiss leads to two and a touch oh so right. Joon can't rewrite the past, but he can finally do the right thing.

Falling for my Brother's Best Friend Jul 01 2021 Let's say you're an independent, self-sufficient woman who runs the family company and you find yourself falling for your little brother's best friend.

Now, more than ever, you need to count all the reasons why you need to abandon falling. Abandon Falling #1 – He’s a womanizer. Hasn’t had a serious relationship a day in his life and changes women more often than he changes his sheets. Abandon Falling #2 – He’s never serious. He cracks one-liners, mostly at your expense. Abandon Falling #3 – When things go wrong, he seems unfazed and always remains in control. It’s so annoying. Abandon Falling #4 – He has tattoos. Lots of them. Everywhere. Not to mention, he owns a tattoo parlor. (Damn it! Why doesn’t that sound like a bad thing anymore?) Abandon Falling #5 – There’s a growing list of how different you two are. You can’t get along for fifteen minutes—a lifetime together would land one of you in prison. Keep repeating those reasons and drown yourself in work. Pretend you don’t notice his good qualities or how enticing he looks without a shirt, and do not, I repeat, do not agree to live with the man while your place is being repaired from flood damage. Trust me, even the strongest of us can only forego temptation for so long.

Guns in the Hands of Artists Feb 20 2023 In the 1990s, the New Orleans murder rate exploded. In 1996, 350 people were killed—the highest number in the city’s history, and the highest rate in the nation. In response to this crisis, gallery owner and artist Jonathan Ferrara and artist Brian Borrello, launched a powerful project: Guns in the Hands of Artists. Over sixty artists, including painters, glass artists, sculptors, photographers, and poets, used decommissioned guns taken off the city streets via a gun buyback program to express a thought, make a statement, open a discussion, and to stimulate thinking about guns and gun violence in America. As gun violence continues to devastate the nation on a daily basis, Guns in the Hands of Artists reemerged in 2012 as a community-based social activist art project that has since traveled to six cities across the US. Using art as a mirror for life and interweaving the works of thirty diverse artists with the voices of seventeen national thought leaders, this book is an important outgrowth of the exhibition and an extension of

its efforts to employ art as a vehicle for dialogue, as a call to action, and—ultimately—as an agent of change. Essays by: Walter Isaacson, Senator Tim Kaine, Lupe Fiasco, Richard Ford, Joe Nocera, Trymaine Lee, Lolis Eric Elie, John M. Barry, Dan Cameron, Lucia McBath, Harry Shearer, Jonathan Ferrara, Brian Borrello, Maria Cuomo Cole, Michael Waldman, E. Ethelbert Miller, Mayor Mitchell J. Landrieu, Congresswoman Gabrielle Giffords and Captain Mark Kelly.

So the offer the shadowy figure representing an undisclosed organization makes him looks pretty good.
