'Funny and Addictive!' Fabulous Magazine Funny, sad and honest, if you loved Sophie Kinsella's Wedding Night and Phaedra Patrick's The Library of Lost and Found, this is the book for you. In this exuberantly praised book - a collection of seven pieces on subjects ranging from television to tennis, from the Illinois State Fair to the films of David Lynch, from postmodern literary theory to the supposed fun of traveling aboard a Caribbean luxury cruiseship - David Foster Wallace brings to nonfiction the same curiosity, hilarity, and exhilarating verbal facility that has delighted readers of his fiction, including the bestselling Infinite Jest. This is a book that should never fall into the hands of children - for it is filled with the darkest truths about life that might unbearably depress the young. However, for the older ones among us, this is a book full of solace, humour and relief. In a charming, naively illustrated tale, we follow the adventures of Bunny - a version of all of us - as he encounters a series of obstacles we are in some ways liable to recognise from our own lives. Watching poor Bunny, we end up delighted we're not alone, and perhaps smiling darkly in sympathy with his sorrows. Children might even have the odd peek inside if they dare. "They leave out a lot of important stuff in Therapy School," Blackstone begins, "like what to do when you're leading group & your skirt falls down." And from there it gets funny.... "The best thing I've read!" (Mary McClure Goulding, MSW, Co-developer of REDECISION THERAPY) "Insightful-delightful!" (Denton Roberts, M.Div., author of ABLE & EQUAL) "This book is a treasure!" (Joan Minninger, Ph.D., author of TOTAL RECALL) "Peg Blackstone has to be the funniest therapist ever to stroke a psyche!" (Patrick McManus, author of A FINE & PLEASANT MISERY). THINGS THEY NEVER TOLD ME IN THERAPY SCHOOL offers a unique, heartwarming look at real psychotherapy. Numerous clinical & personal anecdotes illustrate Blackstone's joy in her work & continuing high regard for clients' strength & resiliency. Her humorous, sensible approach challenges popular myths about therapy & human nature. In this work, Blackstone does for psychotherapy what James Herriott did for veterinary practice in ALL CREATURES GREAT & SMALL. She also prompts readers to examine their fundamental assumptions about human nature. Are people basically "good"? Can they really change in significant ways? Is almost everyone "addicted" or otherwise afflicted without knowing it? Current, entertaining & thought provoking reading. A new YA standalone novel about dark faeries with surefire appeal by Sarah Porter, the critically-acclaimed author of Vassa in the Night and When I Cast Your Shadow. Seductive. Cruel. Bored Be wary of... Never-Contented Things A Novel of Faery Prince and his fairy courtiers are staggeringly beautiful, unrelentingly cruel, and exhausted by the tedium of the centuries—until they meet foster-siblings Josh and Ksenia. Drawn in by their vivid emotions, undying love for each other, and passion for life, Prince will stop at nothing to possess them. First seduced and then entrapped by the fairies, Josh and Ksenia learn that the fairies' otherworldly gifts come at a terrible price—and they must risk everything in order to reclaim their freedom. "Sarah Porter is a genius. Her language is lush and dangerous, and her books burn with the beautiful, ferocious intensity of a bonfire in the darkest night. Read Never-Contented Things with the lights on. Then read it again."—Brittany Cavallaro, New York Times bestselling author of A Study in Charlotte "Sarah Porter's Never-Contented Things creates a creepy new world like none I've seen before. Eerie, edgy, and filled with mystery, Porter takes us to the depths of the magical and psychological."—Danielle Paige, New York Times bestselling author of Dorothy Must Die At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. The acclaimed debut novel by the author of Little Fires Everywhere and Our Missing Hearts "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, Everything I Never Told You is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another. A history of the United States during the 1950s and 1960s including sections on health care, eating habits, family life, environmental issues, and the condition of the elderly. A journey into the what-ifs that haunt us all, The Stuff That Never Happened is an intricate, heartfelt examination of modern marriage that brims with truths about the nature of romantic love. What if you were married to someone for twenty-eight years but in love with another? What if you were in love with them both? Annabelle McKay knows she shouldn't have any complaints. She's been in a stable marriage that's lasted almost three decades and has provided her with two wonderful children, thousands of family dinners around a sturdy oak table, and a husband so devoted that he schedules lovemaking into his calendar every Wednesday morning. Other wives envy the fact that Grant is not the type of man who would ever cheat on her or leave her for a younger woman. The trouble is

Annabelle isn't sure she wants to be married to Grant anymore. The trouble is she's still in love with someone else. In the early tumultuous years of her marriage, Annabelle carried on a clandestine affair with the one person whose betrayal would hurt her husband the most. When it ended, she and Grant found their way back together and made a pact that they would never speak of that time again. But now years later, with her children grown and gone, and an ominous distance opening between them, she can't help but remember those glorious, passionate days and wonder if she chose the right man. Then, when called to New York City to help care for her pregnant daughter, Annabelle bumps into her old lover. Offered a second chance at an unforgettable love, she must decide between the man who possesses her heart and the husband who has stood squarely by her side. to all the young hearts going through a rough and endless time of agony - been there and doing it - join me in relating to the things i've never said aloud but have been screamed repeatedly inside my veins..."—Tamani masterfully bounces and slams two hearts up and down a shrouded court of first love and revelations."—Rita Williams-Garcia, National Book Award Finalist and New York Times-bestselling author "A superb, complex romance full of heart, humor, and unforgettable characters."—Kirkus (starred review) A glance was all it took. That kind of connection, the immediate and raw understanding of another person, just doesn't come along very often. And as rising stars on their Texas high schools' respective basketball teams, destined for bright futures in college and beyond, it seems like a match made in heaven. But Carli and Rex have secrets. As do their families. Liara Tamani, the author of the acclaimed *Calling My Name*, follows two teenagers as they discover how first love, heartbreak, betrayal, and family can shape you—for better or for worse. A novel full of pain, joy, healing, and hope for fans of Elizabeth Acevedo, Jacqueline Woodson, and Jenny Han. "A beautifully poignant love letter: to a first love, to basketball, and to that enigmatic bunch we think we know best, only to discover we don't know at all—family. Tamani's latest is a bright shining star."—David Arnold, New York Times-bestselling author of *Mosquitoland* **EIGHT STARRED REVIEWS!** The reassuring book kids and families need right now. "An absolute original . . . a story that kids will love." --R. J. Palacio, bestselling author of *Wonder* At a time when everything is changing for Bea and her family, the important things will always stay the same. A soon-to-be classic by the Newbery Award-winning author of *When You Reach Me*. After her parents' divorce, Bea's life became different in many ways. But she can always look back at the list she keeps in her green notebook to remember the things that will stay the same. The first and most important: Mom and Dad will always love Bea, and each other. When Dad tells Bea that he and his boyfriend, Jesse, are getting married, Bea is thrilled. Bea loves Jesse, and when he and Dad get married, she'll finally (finally!) have what she's always wanted--a sister. Even though she's never met Jesse's daughter, Sonia, Bea is sure that they'll be "just like sisters anywhere." As the wedding day approaches, Bea will learn that making a new family brings questions, surprises, and joy, and readers will discover why the New York Times called Rebecca Stead a "writer of great feeling." "An undeniably beautiful book." --The New York Times "No author writing today observes young lives with more clarity, tenderness, and grace." --Newbery Medalist Katherine Applegate, author of *The One and Only Ivan* "Stead truly understands the inner life of kids." --Newbery Medalist Erin Entrada Kelly, author of *Hello, Universe* and *You Go First* One of "Esquire's" most popular annual features, "Things a Man Should Never Do Past 30," has now become a full-fledged book. A.J. Jacobs, popular author and *Esquire* editor-at-large, and Dave Katz take a wickedly humorous look at this magical rite of passage, and reveal exactly why no guy should "high five in a business situation" or "experiment with facial hair" anymore. Everyone remembers their first love. Holly certainly remembers Alex. But she decided ten years ago that love wasn't about mix tapes and seizing the moment – though she's not exactly sure it's about secret dates with your boss, either. But what if the feelings never really went away? Alex wants to make every moment of his new job count. It's a fresh start in a big city, and he's almost certain that moving to London has nothing to do with Holly. Almost. How do you know if it was meant to be... or never meant to happen at all? A brilliantly funny, feel-good story of first love, second chances and everything inbetween, perfect for fans of romantic comedies like *Love Actually*, *Notting Hill* and *Bridget Jones*. From the award-winning poet, Fanta Ballo "For All The Things I Never Got to Say" is a collection of poems that tackles topics ranging from family to love and relationships to social injustices. Fanta uses rhymes and metaphors to talk about deep issues as they pertain to her and her experiences. She gives the reader a look into her personal life and takes them on a journey as she is figuring herself out. This book highlights Fanta's journey to loving herself and the heartbreak, the pain and the healing. "Previously published by BIGfib Books in Great Britain in 2017. This edition contains editorial revisions."--Title page verso. Physicians are entrusted within the lives of their patients; lives woven from the threads of spirituality; touched by the mysteries of the universe, and filled with stories to tell. These stories can teach the secrets of a life filled with meaning, of wisdom, and of extraordinary journeys. They are sacred lessons. They are lessons that teach of a miraculous place and shine their light on the path that will take us there. "This book has all of the wisdom one could seek, told in a heart warming way that touched me deeply," writes bestselling author Bernie Siegel, M.D. "When a book leads me to tears and joy, as this book has, I know it contains the essence of life. Read it and reap the benefits of wisdom from the experience of others, rather than your own rude awakening." Wayne Dyer, the #1 New York Times best-selling author affirms the work as "stories to heal your life, beautifully presented." I'm a cat person. He has two BIG dogs. There is no chance this will work. There are three things I said I'd never do— Never move back in with my parents. Thanks to a summer storm, not only am I residing with my parents—temporarily—but a tree falls on their house and traps me in the bathtub. Enter the hottie firefighter who rescues me, bubbles and all. Then my parents have to move in with me. Oh joy. Never let my mom set me up on a blind date. She asks so many times, I finally agree. And the hot firefighter—Adam—is the one who shows up. Because I've always wanted to go on a first date with a guy who has seen me in nothing but bubbles. Not. Never date a guy with a dog. Adam is nearly perfect . . . except he has dogs. The furry beasts frighten me, and no way would Pookie tolerate them. But for a chance at love and to get over my fear, I volunteer to dog sit for the weekend. It doesn't go well. Someone is going to end up in the doghouse. It might be me.

----- Three Things I'd Never Do is a sweet romantic comedy with heartwarming characters and a touch of sizzle that will have you laughing your way to the happily ever after. 'Like all good literature, Harrison's stories are worth reading again and again; the more you read, the more you understand.' Iain M. Banks Over the last thirty years, M. John Harrison has been inspiring readers and writers alike across the world. His return to science fiction in 2002 with the magnificent space opera *LIGHT* was a monumental triumph, shortlisted for every major award in the genre. He combines brilliant storytelling with complex plots and evocative, mesmerising writing. *THINGS THAT NEVER HAPPEN* is M. John Harrison's definitive collection of short fiction, twenty-four dazzling stories of science fiction and fantasy; the perfect introduction to one of Britain's most brilliant writers. For years, the Chicago Tribune's "10 Things You Might Not Know" column has been informing

and entertaining readers on a diverse range of fascinating subjects. *10 Things You Might Not Know About Nearly Everything* is a collection of the best of these columns, presented in a fun and easy-to-read format. This book gives readers well-researched, obscure facts on universal topics—including arts and culture, food and leisure, history, politics, science and technology, sports, holidays and religion, lifestyle, language, and more. *10 Things You Might Not Know About Nearly Everything* contains a plethora of surprising trivia and pertinent tidbits on so many different areas that will appeal to everyone from history buffs to sports fans to foodies, with an especially riveting look into Chicago-area history and facts. For example, in Zion, Illinois it was once not only illegal to gamble, curse, and sell alcohol and tobacco, but also to whistle on Sundays, put on plays, eat pork or oysters, spit, or wear tan-colored shoes. Some facts will make readers laugh and some will make jaws drop. This collection is a kaleidoscope of the absurd, the outrageous, and the sometimes-gruesome, making a highly entertaining mix of people, places, and things. *10 Things You Might Not Know About Nearly Everything* will leave readers brighter, wittier, and curious to learn more about myriad worlds they never encountered before and will never forget. Each story focuses on the main characters internal struggle to balance out personal principles with societal expectations consistent with the realities of living in present day Nigeria. In *The Echoes of Twilight* Bukola, the daughter of Nigerian immigrants flees the UK to Nigeria after losing her beloved father in suspicious circumstances and suffering untold abuse in the hands of her stepfather. Her fatherland however, offers no lasting comfort. *Some Things Never Change* tells the story of Jude Bellema a young medical doctor whose manipulative girlfriend coerces him to go against the ethics of his profession. He ultimately loses everything. *Petals in the Rain* centers around the emotional abuse, which a young girl forced into marriage, suffers in the hands of her ruthless husband. The fourth story *The Lagos Onlooker* delves into the culture shock experienced by a boy on his first visit to Lagos. It explores the seeming dearth of a society's conscience as it pertains to good and evil. The criteria for judging a woman's success in present day Nigeria is the focus of the fourth story *Before the Cock Crows*. In this story, the main character's enviable success in her career fails to provide the much-needed fulfillment in the face of her mother's displeasure at her unmarried status. The last story in this collection *The Lizard Has Grown Hairs* tells the story of a parent's struggle to save their daughter from a seemingly unknown illness. It explores the relationship between African superstitious beliefs as compared to Western ideologies. Richly reported...a thorough and important history." -Tim Padgett, *The New York Times*

A nuanced and deeply-reported account of the collapse of Venezuela, and what it could mean for the rest of the world. Today, Venezuela is a country of perpetual crisis—a country of rolling blackouts, nearly worthless currency, uncertain supply of water and food, and extreme poverty. In the same land where oil—the largest reserve in the world—sits so close to the surface that it bubbles from the ground, where gold and other mineral resources are abundant, and where the government spends billions of dollars on public works projects that go abandoned, the supermarket shelves are bare and the hospitals have no medicine. Twenty percent of the population has fled, creating the largest refugee exodus in the world, rivaling only war-torn Syria's crisis. Venezuela's collapse affects all of Latin America, as well as the United States and the international community. Republicans like to point to Venezuela as the perfect example of the emptiness of socialism, but it is a better model for something else: the destructive potential of charismatic populist leadership. The ascent of Hugo Chávez was a precursor to the emergence of strongmen that can now be seen all over the world, and the success of the corrupt economy he presided over only lasted while oil sold for more than \$100 a barrel. Chávez's regime and policies, which have been reinforced under Nicolás Maduro, squandered abundant resources and ultimately bankrupted the country. *Things Are Never So Bad That They Can't Get Worse* is a fluid combination of journalism, memoir, and history that chronicles Venezuela's tragic journey from petro-riches to poverty. Author William Neuman witnessed it all firsthand while living in Caracas and serving as the *New York Times* Andes Region Bureau Chief. His book paints a clear-eyed, riveting, and highly personal portrait of the crisis unfolding in real time, with all of its tropical surrealism, extremes of wealth and suffering, and gripping drama. It is also a heartfelt reflection of the country's great beauty and vibrancy—and the energy, passion, and humor of its people, even under the most challenging circumstances. #1 NEW YORK TIMES BLOCKBUSTER * REESE WITHERSPOON BOOK CLUB PICK * SOON TO BE AN APPLE TV+ LIMITED SERIES STARRING JENNIFER GARNER * MORE THAN 2 MILLION COPIES SOLD

The "page-turning, exhilarating" (PopSugar) and "heartfelt thriller" (Real Simple) about a woman who thinks she's found the love of her life—until he disappears. Before Owen Michaels disappears, he smuggles a note to his beloved wife of one year: Protect her. Despite her confusion and fear, Hannah Hall knows exactly to whom the note refers—Owen's sixteen-year-old daughter, Bailey. Bailey, who lost her mother tragically as a child. Bailey, who wants absolutely nothing to do with her new stepmother. As Hannah's increasingly desperate calls to Owen go unanswered, as the FBI arrests Owen's boss, as a US marshal and federal agents arrive at her Sausalito home unannounced, Hannah quickly realizes her husband isn't who he said he was. And that Bailey just may hold the key to figuring out Owen's true identity—and why he really disappeared. Hannah and Bailey set out to discover the truth. But as they start putting together the pieces of Owen's past, they soon realize they're also building a new future—one neither of them could have anticipated. With its breakneck pacing, dizzying plot twists, and evocative family drama, *The Last Thing He Told Me* is a "page-turning, exhilarating, and unforgettable" (PopSugar) suspense novel. **THE INSTANT NEW YORK TIMES BESTSELLER** "The Minimalists show you how to disconnect from our conditioned material state and reconnect to our true essence: love people and use things. This is not a book about how to live with less, but about how to live more deeply and more fully." —Jay Shetty, #1 New York Times bestselling author of *Think Like a Monk* AS SEEN ON THE NETFLIX DOCUMENTARIES *MINIMALISM & LESS IS NOW* How might your life be better with less? Imagine a life with less: less stuff, less clutter, less stress and debt and discontent—a life with fewer distractions. Now, imagine a life with more: more time, more meaningful relationships, more growth and contribution and contentment—a life of passion, unencumbered by the trappings of the chaotic world around you. What you're imagining is an intentional life. And to get there, you'll have to let go of some clutter that's in the way. In *Love People, Use Things*, Joshua Fields Millburn and Ryan Nicodemus move past simple decluttering to show how minimalism makes room to reevaluate and heal the seven essential relationships in our lives: stuff, truth, self, money, values, creativity, and people. They use their own experiences—and those of the people they have met along the minimalist journey—to provide a template for how to live a fuller, more meaningful life. Because once you have less, you can make room for the right kind of more. Eight-time Bram Stoker Award-nominated writer Scott Edelman's stories have been called "utterly uncompromising," "smooth and inviting, colorful and vivid," and "horror writing at its best"—and after reading his new collection *Things That Never Happened*, you'll come away agreeing his fiction is "captivating, alarming, astonishing." Stories in this collection include: -"A Judgment Call for Judgment Day" - Journey back to a World War II battlefield where an angel and demon

debate the worth of a soldier's soul-"Survival of the Fittest" - Travel to the Galapagos Islands with a haunted man who tries to exorcise his past-"It's Only a Story" - Celebrate the 200th anniversary of the publication of Frankenstein in a tale that gives a Stranger Things vibe to that long-ago night when Mary Shelley birthed The Creature-And many more!Gathering 13 of Edelman's eeriest tales from a 40-year career, Things That Never Happened truly-as has been said of his writing-"autopsies the mess of the beating human heart." Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime. The book is both earthy and heavenly. It is earthy as it deals with the pain, upheavals, disappointments, sickness, bereavement, challenges, and humanity that confronts a minister in his call to love and care for his congregation/community as well as his own personal challenges in carrying out the mandate of the gospel; the mandate in caring and shepherding the flock God has placed in his care, but also in fulfilling the Divine Commission to "go into all the world and preach the gospel to every creature...." Things I Never Said is a collection of free verse and prose poetry that explores life - specifically after it has been reset several times. Told initially from the perspective of a child, this novel chronicles the upbringing of one girl as her environment, family, and cultural identity changes over the course of eighteen years. Throughout the three sections - Afterbirth, Afterlife, and Rebirth - the speaker details the trials and tribulations of her journey while in foster care, after reuniting with her birth parents, and after severing the ties between herself and her biological family members at fifteen years old. Things I Never Said captures gratifying and gut-wrenching moments in one survivor's life as she is exposed to physical and sexual violence, mental illness, loss, isolation, and neglect. This is an invitation to the severest moments of the speaker's journey; as well as an invitation to everything she has observed from them. The raw, uplifting, and unforgettable memoir from the CEO and president of the National Coalition Against Domestic Violence chronicling her personal battle against abuse, violence, and even a murder attempt. Ruth M. Glenn wasn't surprised the first time her husband beat her. She was hurt and disappointed but after a childhood in a broken and violent home, she was not surprised. After all, this was just the way things were, right? It was only after she lay bleeding in a carwash parking lot, after being shot three times by him, that Glenn resolved—if she managed to survive—to spend the rest of her life standing up to domestic violence. Now, she brings her full story to the forefront with this survivor's tale crossed with a rousing call to action. She reveals her difficult but ultimately rewarding journey from that parking lot to sacrificing everything to obtain her advanced degrees. With her evocative and thoughtful voice, Glenn explores the dynamics of domestic violence, why women and children are seen as lesser in our society, how to stop victim-blaming, and how to demystify domestic violence to stop it once and for all. A memoir of resilience and courage, Everything I Never Dreamed is a necessary book that proves that abuse does not have to define a survivor's entire life. All The Things I Never Said is a collection of poetry and journal-like entries. Throughout the pages you will experience heartbreak, happiness, sadness, and be reminded of what it was like to be a teenager. If you love dinosaurs then you will LOVE this book! On every street in every town, perhaps next door to you, Dinosaurs are doing things you won't believe are true... What do you think dinosaurs get up to in their free time? I'll tell you something, they're not off eating leaves - they're out having fun! Whether it's trampolining, whizzing around on skates, becoming movie stars - or even astronauts - these dinosaurs have the best time ever. And you can join in the fun! From award-winning author Giles Paley-Phillips and award-winning and bestselling author-illustrator Liz Pichon, this new edition of an old favourite is a joy from start to finish. The lives of four high school seniors intersect weeks before a meteor is set to pass through Earth's orbit, with a 66.6% chance of striking and destroying all life on the planet. Simultaneous eBook. Sheila O'Flanagan's unputdownable bestseller THINGS WE NEVER SAY is a must-read for fans of Jamie Beck and Liane Moriarty. The things we never say: A daughter doesn't say how she feels about the past... A husband is afraid to say that selling the house his wife loves is the only option... A woman hasn't said that even though they live thousands of miles apart, this man is always on her mind... If those things were said, the results could be life-changing. As Abbey - and a whole family she knew nothing of - are about to find out in this warm-hearted, thought-provoking and touching novel. 16-year-old Mehreen Miah's anxiety and depression, or 'Chaos', as she calls it, has taken over her life, to the point where she can't bear it any more. So she joins MementoMori, a website that matches people with partners and allocates them a date and method of death, 'the pact'. Mehreen is paired with Cara Saunders and Olivia Castleton, two strangers dealing with their own serious issues. As they secretly meet over the coming days, Mehreen develops a strong bond with Cara and Olivia, the only people who seem to understand what she's going through. But ironically, the thing that brought them together to commit suicide has also created a mutually supportive friendship that makes them realise that, with the right help, life is worth living. It's not long before all three want out of the pact. But in a terrifying twist of fate, the website won't let them stop, and an increasingly sinister game begins, with MementoMori playing the girls off against each other. A pact is a pact, after all. In this powerful debut written in three points of view, Yasmin Rahman has created a moving, poignant novel celebrating life. ALL THE THINGS WE NEVER SAID is about friendship, strength and survival. Faster than a speeding bullet, more useless than ever before. The #1 New York Times bestselling series reaches new heights of irrelevance with this powerfully pointless, all-new collection of the things you never need to know. Do you actually care that... there are three feet of DNA in every cell? Saturn has 47 moons? March is National Frozen Foods Month? In 2010 a traffic jam in China lasted ten days? Would it improve your life to know... which movie star wanted to be a funeral director? which state has the most horses per square mile? which dictator was obsessed with Cheetos? what day of the year the most cars are stolen in the United States? *** From the acclaimed author of The Flight of Cornelia Blackwood *** Everyone can change their life. But what happens when it hides a secret that changes everything? In 1964, Maggie wakes to find herself in a mental asylum, with no idea who she is or how she got there. Remnants of memories swirl in her mind - a familiar song, a storm, a moment of violence. Slowly, she begins to piece together the past and the events which brought her to this point. In the present day, Jonathan is grieving after the loss of his father. A cold, distant man, he was not easy to love, but at least while he lived there was hope for reconciliation. Then a detective turns up on Jonathan's doorstep to question him about crimes he believes Jonathan's father may have committed long ago... As the two stories interweave, the devastating truth long kept hidden must emerge, and both Maggie and Jonathan are forced to come to terms with the consequences of the shocking and tragic events of over forty years ago. 'Passionate, intriguing and beautifully written ... deserves to stand on the shelf next to Maggie O'Farrell's books. A powerful and talented new voice' Rachel Hore, bestselling author of A Gathering Storm 'If you love Maggie O'Farrell, you will love this' Veronica Henry, bestselling author of The Long Weekend 'A brave and moving story about how much can be lost and what happens next' Alison Moore, author of Booker-shortlisted The Lighthouse
