Chinese Link May 02 2021 CHINESE LINK: Zhongwen Tiandi Level 2 provides a practical, learner-centered, and enjoyable language and culture learning experience for intermediate level Chinese learners, as well as an efficient and comprehensive teaching resource for instructors. The intermediate level in the Chinese Link: program, this series systematically emphasizes and integrates the "5Cs" principles of the National Standards for Foreign Language Education—Communication, Cultures, Comparisons, Connections, and Communities—throughout the program. While learners of Chinese at the intermediate level need to continue to build their mastery of commonly used vocabulary and grammatical structures, they also need to begin to train for advanced level language usage: Chinese Link Level 2 supports these two needs. Chinese Link Level 2 continues to systematically build learners' abilities in the four skills of listening, speaking, reading, and writing so that they can reach the intermediate level of competence. The content and exercises in the intermediate level program build upon what has been studied in the introductory level program, gradually adding more sophisticated vocabulary and grammatical structures. Frequent consolidation and review exercises are included. Chinese Link Level 2 also helps learners get ready for advanced Chinese study by introducing formal and written expressions and increasing students' "media literacy." This is accomplished by providing exposure to common Chinese idioms and the stories behind them, and by including texts written in the style of newspaper, magazines, and Internet news articles. Chinese Link Level 2 / Part 2 is comprised of 10 lessons, presenting traditional and simplified character versions side-by-side, allowing

students to focus on one or the other, or to see the variations between the characters. Chinese Link Level 2 Parts 1 and 2 are designed to be completed in an academic year of college-level study.

Creative English Crossing the Bridge 2 Apr 20 2020 Welcome to Creative English Crossing the Bridge 2 Student Workbook. (upper-intermediate) Nowadays Many EFL Students are in search of more conversational ways to pick up the English language. Mainly because of the importance of bringing into practice what they learn. Instead you want to be involved in the classroom, interact with your classmates, as well as practice real life situations. One of the best ways to do that is to create truly personalized Role-playing activities. Role playing has many beneficial characteristics, and especially in the EFL classroom. Many students have great problems to take the step from a Pre-intermediate level of English, to an Upper-intermediate level of English. All too often that step causes trouble because students don't get seriously involved in the classroom. For that reason we have created the "Creative English Crossing the Bridge" series. "Creative English Crossing the Bridge" is a truly personalized and conversational way to pick up the English language, that involves the students. (This book has been created to support EFL / ESL teachers, and is being used by Creative English Institute, this is not a book that can be used for self-study, this book is not for lazy teachers and/or lazy students. Together you create a personalized workbook) Each workbook contains 10 focus topics, to be chosen by the student. Grammar points to practice can be adjusted to the needs of each student. Each chapter contains work pages for: -1 Discussion Questions. -2 Vocabulary. -3 Reading (article or copy). -4 Reading (vocabulary). -5 Reading (make questions). -6 Reading (write a summary). -7 Activity. -8 Sentence blocks. -9 Role-play Activity.
