Mikael Blomkvist, editor-in-chief of Millennium magazine, is trying to prove her innocence. Yet Salander is more avenging angel than helpless victim. In *An American Brothel*, Amanda Boczar considers sexual encounters between American servicemen and civilians throughout the Vietnam War, and she places those fraught and sometimes violent meetings in the context of the US military and diplomatic campaigns. In 1966, US Senator J. William Fulbright declared that "Saigon has become an American brothel." Concerned that, as US military involvement in Vietnam increased so, too, had prostitution, black market economies, and a drug trade fueled by American dollars, Fulbright decried an arrogance of power on the part of Americans and the corrosive effects unchecked immorality could have on Vietnam as well as on the war effort. The symbol, at home and abroad, of the sweeping social and cultural changes was often the so-called South

Vietnamese bar girl. As the war progressed, peaking in 1968 with more than half a million troops engaged, the behavior of soldiers off the battlefield started to impact affect the conflict more broadly. Beyond the brothel, shocking revelations of rapes and the increase in marriage applications complicated how the South Vietnamese and American allies cooperated and managed social behavior. Strictures on how soldiers conducted themselves during rest and relaxation time away from battle further eroded morale of disaffected servicemen. The South Vietnamese were loath to loosen moral restrictions and feared deleterious influence of a permissive wWestern culture on their society. From the consensual to the coerced, sexual encounters shaped the Vietnam War. Boczar shows that these encounters—sometimes facilitated and sometimes banned by the US military command—restructured the South Vietnamese economy, captivated international attention, dictated military policies, and hung over diplomatic relations during and after the war. This is the true story of a draftee in the U.S. Army Military Police Corps during the mid-1960s. Chapters 4 and 5 cover duties the 218th MP Company serving a peace-keeping mission in the Dominican Republic, to the 503rd MP Battalion at Fort Bragg, North Carolina. Chapter 6 describes duties as an MP guard with the 22nd MP Platoon (100th MP Battalion) at the Fort Bragg Post Stockade. Brass Buttons, Blue Coats “Remembering All Who Served 1871 to 1971” By: George E. Rutledge As a young police sergeant in 1976, George E. Rutledge met a veteran who told him, “I served 35 years in our police

department and the day I retired was the very last time I ever heard from anyone in the police department. And the same thing will happen to you.” Rutledge has dedicated his life to making sure all who served in the Yonkers Police Department are remembered and honored. Brass Buttons - Blue Coats is a thorough documentation of all individuals who have served from the beginning of the Yonkers Police Department to 1971. Personal profiles and photographs create a lasting memorial of service. In 1866, still suffering from the turmoil of the Civil War, the town of Yonkers voted to hire fourteen Metropolitan Policemen from New York, creating the first Yonkers police force. From this humble beginning, the Yonkers police force has grown to over 600 dedicated men and women. From foot patrols to squad cars, notebooks to computers, the Yonkers police force has grown and adapted with the times. But the purpose has never wavered: to Serve and Protect. Civil War veterans, Vietnam veterans, rescue workers after 9/11, and Special Olympic volunteers - the Yonkers force is filled with people who have dedicated their lives to their country and their community. Rich with details of service and crimes over 100 years, Brass Buttons - Blue Coats is both a fitting tribute to brave men and women as well as a fascinating look at the history of Yonkers and the history of crime. In the roughest precinct in New York, one cop tries to hold back the flood of crime. It's a lovely autumn in the Big Apple, and the weather is perfect for trouble. Over the weekend, a teenage gang rumbled on the playground, leaving a fifteen year-old stabbed and a younger boy beaten half to death; a high-speed chase left one dead and two badly injured; and a fire in a tenement killed two—and the police found the arsonist standing outside, relishing his handiwork. It was a beautiful weekend in the city, and every deadly incident found its way across the police blotter of the Fifty-Second Precinct and into the hands of Lieutenant Clancy. One of the hardest detectives on the force, Clancy will be tested with everything from a recluse's murder to an assassination attempt at

the United Nations this fall. It may be his job, but it is never routine.
