Runaway Oct 28 2020 When sixteen-year-old Emerson Watts learns the truth about Nikki, the teen supermodel into whose body Emerson's brain was transplanted, she finds that there is only one person to turn to for help--especially since her loved ones seem to be furious wi

The Restoration of Rome Jun 04 2021 "First published in 2013 in Great Britain by Macmillan."--Title page verso.

More Courageous Conversations About Race Feb 18 2020 In this companion to his best-selling book, Singleton presents first-person vignettes and a detailed case study showing educators how to usher in courageous conversations to ignite systemic transformation.

A noiva é tamanho 42 - Heather Wells Jul 25 2020 Orquídeas ou pistolas? Bem-casados ou estrangulamentos? Quando o casamento é de Heather Wells, as opções são um tantinho mais complicadas. Afinal, a ex-musa-pop/detetive-amadora/diretora-assistente-do-Alojamento-da-Morte (ops! Conjunto Residencial Fisher, Faculdade de Nova York) parece mais familiarizada com pistolas e esboços do que com convites, madrinhas e marchas nupciais. Mas nem por isso ela vai deixar o mais importante dia de sua vida passar em branco. Aliás... para o vestido... branco, offwhite, pérola? Humm... Isso vai ter que esperar um pouco. Jasmine, uma das novas assistentes de residentes, bateu as botas. Causa mortis? Asma! Só Heather tem a nítida impressão de que há mais por trás desse caso. Agora, em meio aos preparativos do casamento, madrinhas bem-intencionadas e sem noção, Heather precisa solucionar mais esse mistério.

Big Boned Jan 23 2023 Life is reasonably rosy for plus-size ex-pop star turned Assistant Dormitory Director and sometime sleuth Heather Wells. Her freeloading ex-con dad is finally moving out. She still yearns for her hot landlord, Cooper Cartwright, but her relationship with "rebound beau," vigorous vegan math professor Tad Tocco, is more than satisfactory. Best of all, nobody has died lately in "Death Dorm," the aptly nicknamed student residence that Heather assistant-directs. Of course every silver lining ultimately has some black cloud attached. And when the latest murdered corpse to clutter up her jurisdiction turns out to be her exceedingly unlovable boss, Heather finds herself on the shortlist of prime suspects—along with the rabble-rousing boyfriend of her high-strung student assistant and an indecently handsome young campus minister who's been accused of taking liberties with certain girls' choir members. With fame beckoning her back into show business (as the star of a new kids' show!) it's a really bad time to get wrapped up in another homicide. Plus Tad's been working himself up to ask her a Big Question, which Heather's not sure she has an answer for . . .

The Sum of Us Mar 21 2020 NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD • One of today's most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal “This is the book I’ve been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of How to Be an Antiracist Look for the author's new podcast, The Sum of Us, based on this book! Heather McGhee's specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our

most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world’s advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can’t do on our own. *The Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game. **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL**

The Lathe Of Heaven May 03 2021 A classic science fiction novel by Ursula K. Le Guin, one of the greatest writers of the genre, set in a future world where one man’s dreams control the fate of humanity. In a future world racked by violence and environmental catastrophes, George Orr wakes up one day to discover that his dreams have the ability to alter reality. He seeks help from Dr. William Haber, a psychiatrist who immediately grasps the power George wields. Soon George must preserve reality itself as Dr. Haber becomes adept at manipulating George’s dreams for his own purposes. *The Lathe of Heaven* is an eerily prescient novel from award-winning author Ursula K. Le Guin that masterfully addresses the dangers of power and humanity’s self-destructiveness, questioning the nature of reality itself. It is a classic of the science fiction genre.

The New Shingled House Jun 16 2022 The architectural style of the classic American summer, the shingled house can suggest the beach, the countryside, the mountains, and even the city. AD100 architects like Kligerman Barkley, one of the most successful firms practicing in a traditional style today, presents 14 houses that celebrate the simple wood shingle’s infinite flexibility—ranging from richly historic to sculptural and experimental. *The New Shingled House* includes examples throughout the famed seaside resorts of New England—Martha’s Vineyard, Block Island, and the Hamptons—as well as houses in California’s Bay Area and Point Loma, on a pristine mountain lake in South Carolina, and a Scandinavian influenced family residence in Connecticut. All are characterized by a sense of graciousness and generosity that makes them unique spaces for the owners and enviable spaces for readers. The versatility of the shingle style allows the designers to explore formal ideas and to respond to client preferences and taste. The houses thus achieve the architects’ fundamental goal: when their clients enter their new house for the first time, they should feel as though they have always lived there. This stunning visual presentation features new photography by noted interiors photographer William Waldron, who has captured the graciousness and generosity of the elegant interiors and welcoming porches and terraces that make these houses so inviting and timeless.

Are You There God? It's Me, Margaret Sep 26 2020 The beloved coming-of-age novel from the author whose “name has long been synonymous with young adult fiction” (Los Angeles Times). “Are You There God? It’s Me Margaret is very special.” —Amy Poehler (Vulture) “Generations of teenage girls have grown up reading the tales of teenage angst told by beloved author Judy Blume.” —Mashable Margaret Simon, almost twelve, has just moved from New York City to the suburbs, and she’s anxious to fit in with her new friends. When she’s asked to join a secret club she jumps at the chance. But when the girls start talking about boys, bras, and getting their first periods, Margaret starts to wonder if she’s normal. There are some things about growing up that are hard for her to talk about, even with her friends. Lucky for Margaret, she’s got someone else to confide in . . . someone who always listens. “The first Judy Blume books I read. . . served as a kind of introduction to myself.” —John Green quoted in *The New York Times* “Mention Judy Blume to almost any woman under a certain age and you’re likely to get this reaction: Her face lights up, and she’s transported back to her childhood self — curled up with a book she knows will speak directly to her anxieties about relationships, self-image and measuring up.” —NPR “Fans, readers, booksellers — even other authors and celebrities — often dissolve into tears upon meeting [Judy Blume], confessing that books like “Forever ... ” and “Are You There, God? It’s Me, Margaret” got them through adolescence; taught them about sex, love and friendship; and provided their first glimpse of adulthood.” —*The New York Times* “Blume wasn’t the first writer to legitimize and celebrate the interior life of young girls. . . . But Blume’s work feels significantly more influential than that of her predecessors and peers.” —*The New Yorker* “These stories belong to young women. Real young women.” —Diablo Cody, *Entertainment Weekly*

The Bride Wore Size 12 Oct 20 2022 Heather Wells is used to having her cake and eating it too, but this time her cake just might be cooked. Her wedding cake, that is. With her upcoming nuptials to PI Cooper Cartwright only weeks away, Heather’s already stressed. And when a pretty junior turns up dead, Heather’s sure things

can't get worse—until every student in the dorm where she works is a possible suspect, and Heather's long-lost mother shows up. Heather has no time for a tearful mother and bride reunion. She has a wedding to pull off and a murder to solve. Instead of wedding bells, she might be hearing wedding bullets, but she's determined to bring the bad guys to justice if it's the last thing she does . . . and this time, it just might be.

Overbite Nov 09 2021 “She is a master at entertaining and amusing readers.” —Booklist Nobody does vampires like Meg Cabot, #1 New York Times bestselling author of *The Princess Diaries* and *Queen of Babble* novels. *Overbite* is Meg's sexy and hip sequel to her bestselling *Insatiable*, the story of a soap opera writer with precognitive powers who is recruited into the Vatican's war against demons and the undead. Unfortunately Meena Harper has a major Achilles Heel—namely her lingering affection for her ex-boyfriend, Lucien Antonescu, son of Dracula, the prince of darkness. Anyone who loves *Twilight*, *True Blood*, and *Lynsay Sands*, not to mention the singleton fiction of *Sophie Kinsella*, *Jennifer Weiner*, and *Jane Green*, is going to want to sink their teeth into *Overbite*.

The War of the Worlds Jul 05 2021 When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

The Abandon Trilogy: Abandon, Underworld, Awaken Aug 26 2020 The first three books in Meg Cabot's *Abandon* series. *Abandon*: Last year, Pierce died - just for a moment. And when she was in the space between life and death, she met John: tall dark and terrifying, it's his job to usher souls from one realm to the next. There's a fierce attraction between them, but Pierce knows that if she allows herself to fall for John she will be doomed to a life of shadows and loneliness in the underworld. But now things are getting dangerous for her, and her only hope is to do exactly what John says ... *Underworld*: Pierce Oliviera isn't dead. Not this time. But she's been taken by John Hayden, Lord of the Underworld, to the place between heaven and hell where spirits gather before their final journey. John claims it's to protect her from the Furies, who are hell-bent on vengeance against him. But could he have other reasons for keeping Pierce close? When she learns that the people she loves are under threat from the Furies, can she convince John to release her to save them- or will the price he asks for her freedom be too high? *Awaken*: Seventeen-year-old Pierce Oliviera knew that by accepting the undying love of John Hayden she'd be forced to live forever in the one place she's always dreaded most: the Underworld. The sacrifice seemed worth it, but now her happiness and safety in the realm are threatened. The Furies have discovered that John has broken one of their strictest rules and revived a dead soul. If the balance of life and death isn't restored, both the Underworld and Pierce's home on Earth will be wiped out by the Furies' wrath. Pierce has already cheated death once ... can she do it again?

Misrule Apr 21 2020 Does true love break curses or begin them? The dark sorceress of “*Sleeping Beauty*” reclaims her story in this sequel to *Malice*. “Fans of reimagined fairy tales and LGBTQ+ themes will be delighted with the conclusion of this fantasy duology.”—Booklist (starred review) *The Dark Grace* is dead. Feared and despised for the sinister power in her veins, Alyce wreaks her revenge on the kingdom that made her an outcast. Once a realm of decadence and beauty, Briar is now wholly Alyce's wicked domain. And no one will escape the consequences of her wrath. Not even the one person who holds her heart. Princess Aurora saw through Alyce's thorny facade, earning a love that promised the dawn of a new age. But it is a love that came with a heavy price: Aurora now sleeps under a curse that even Alyce's vast power cannot seem to break. And the dream of the world they would have built together is nothing but ash. Alyce vows to do anything to wake the woman she loves, even if it means turning into the monster Briar believes her to be. But could Aurora love the villain Alyce has become? Or is true love only for fairy tales? Book Two of the *Malice Duology*

Malice Sep 07 2021 A princess isn't supposed to fall for an evil sorceress. But in this “bewitching and fascinating” (Tamora Pierce) retelling of “*Sleeping Beauty*,” true love is more than a simple fairy tale. “Walter's spellbinding debut is for all the queer girls and women who've been told to keep their gifts hidden and for those yearning to defy gravity.”—O: *The Oprah Magazine* Once upon a time, there was a wicked fairy who, in an act of vengeance, cursed a line of princesses to die. A curse that could only be broken by true love's kiss. You've heard this before, haven't you? The handsome prince. The happily ever after. Utter nonsense. Let me tell you, no one in Briar actually cares about what happens to its princesses. Not the way they care about their jewels and elaborate parties and charm-granting elixirs. I thought I didn't care, either. Until I met her. Princess Aurora. The last heir to Briar's throne. Kind. Gracious. The future queen her realm needs. One who isn't bothered that I am Alyce, the *Dark Grace*, abhorred and feared for the mysterious dark magic that runs in my veins. Humiliated and shamed by the same nobles who pay me to bottle hexes and then brand me a monster. Aurora says I should be proud of my gifts. That she . . . cares for me. Even though a power like mine was responsible for her curse. But with

less than a year until that curse will kill her, any future I might see with Aurora is swiftly disintegrating—and she can't stand to kiss yet another insipid prince. I want to help her. If my power began her curse, perhaps it's what can lift it. Perhaps together we could forge a new world. Nonsense again. Because we all know how this story ends, don't we? Aurora is the beautiful princess. And I— I am the villain. Book One of the Malice Duology

Heather, The Totality Dec 18 2019 The Breakstone family arrange themselves around their daughter Heather, and the world seems to follow: beautiful, compassionate, entrancing, she is the greatest blessing in their lives of Manhattan luxury. But as Heather grows - and her empathy sharpens to a point, and her radiance attracts more and more dark interest - their perfect existence starts to fracture. Meanwhile a very different life, one raised in poverty and in violence, is beginning its own malign orbit around Heather. Matthew Weiner - the creator of Mad Men - has crafted an extraordinary first novel of incredible pull and menace. Heather, The Totality demonstrates perfectly his forensic eye for the human qualities that hold modern society together, and pull it apart.

Big Boned Aug 18 2022 Life is reasonably rosy for plus-size ex-pop star turned Assistant Dormitory Director and sometime sleuth Heather Wells. Her freeloading ex-con dad is finally moving out. She still yearns for her hot landlord, Cooper Cartwright, but her relationship with "rebound beau," vigorous vegan math professor Tad Tocco, is more than satisfactory. Best of all, nobody has died lately in "Death Dorm," the aptly nicknamed student residence that Heather assistant-directs. Of course every silver lining ultimately has some black cloud attached. And when the latest murdered corpse to clutter up her jurisdiction turns out to be her exceedingly unlovable boss, Heather finds herself on the shortlist of prime suspects—along with the rabble-rousing boyfriend of her high-strung student assistant and an indecently handsome young campus minister who's been accused of taking liberties with certain girls' choir members. With fame beckoning her back into show business (as the star of a new kids' show!) it's a really bad time to get wrapped up in another homicide. Plus Tad's been working himself up to ask her a Big Question, which Heather's not sure she has an answer for . . .

Airhead: Oct 08 2021 Meg Cabot expands her huge fan base with this slightly darker, more mysterious novel - without losing any of her signature heart and humor. EM WATTS IS GONE. Emerson Watts didn't even want to go to the new SoHo Stark Megastore grand opening. But someone needed to look out for her sister, Frida, whose crush, British heartthrob Gabriel Luna, would be singing and signing autographs there—along with the newly appointed Face of Stark, teen supermodel sensation Nikki Howard. How was Em to know that disaster would strike, changing her, and life as she'd known it, forever?

The War on Cops Feb 12 2022 Violent crime has been rising sharply in many American cities after two decades of decline. Homicides jumped nearly 17 percent in 2015 in the largest 50 cities, the biggest one-year increase since 1993. The reason is what Heather Mac Donald first identified nationally as the "Ferguson effect": Since the 2014 police shooting death of Michael Brown in Ferguson, Missouri, officers have been backing off of proactive policing, and criminals are becoming emboldened. This book expands on Mac Donald's groundbreaking and controversial reporting on the Ferguson effect and the criminal-justice system. It deconstructs the central narrative of the Black Lives Matter movement: that racist cops are the greatest threat to young black males. On the contrary, it is criminals and gangbangers who are responsible for the high black homicide death rate. The War on Cops exposes the truth about officer use of force and explodes the conceit of "mass incarceration." A rigorous analysis of data shows that crime, not race, drives police actions and prison rates. The growth of proactive policing in the 1990s, along with lengthened sentences for violent crime, saved thousands of minority lives. In fact, Mac Donald argues, no government agency is more dedicated to the proposition that "black lives matter" than today's data-driven, accountable police department. Mac Donald gives voice to the many residents of high-crime neighborhoods who want proactive policing. She warns that race-based attacks on the criminal-justice system, from the White House on down, are eroding the authority of law and putting lives at risk. This book is a call for a more honest and informed debate about policing, crime, and race.

Size 14 Is Not Fat Either Dec 22 2022 Former pop star Heather Wells has settled nicely into her new life as assistant dorm director at New York College—a career that does not require her to drape her size 12 body in embarrassingly skimpy outfits. She can even cope (sort of) with her rocker ex-boyfriend's upcoming nuptials, which the press has dubbed The Celebrity Wedding of the Decade. But she's definitely having a hard time dealing with the situation in the dormitory kitchen—where a cheerleader has lost her head on the first day of the semester. (Actually, her head is accounted for—it's her torso that's AWOL.) Surrounded by hysterical students—with her ex-con father on her doorstep and her ex-love bombarding her with unwanted phone calls—Heather welcomes the opportunity to play detective . . . again. If it gets her mind off her personal problems—and teams her up again with the gorgeous P.I. who owns the brownstone where she lives—it's all good. But the murder trail is leading the average-sized amateur investigator into a shadowy world. And if she doesn't watch her step, Heather will soon be singing her swan song!

Avalon High: Coronation #1: The Merlin Prophecy Jan 31 2021 Being a new student at Avalon High has been exciting for Ellie, to say the least—she's an honor student, a star on the track team, and, oh yeah, dating the super-hot class president, Will. Who also happens to be the alleged reincarnation of King Arthur. Ellie

couldn't be happier to have Will in her life, but she's also worried that his estrangement from his parents is tearing him apart. To make matters worse, Will's doubt that he really is King Arthur could prevent the Merlin Prophecy—an age of enlightenment—from occurring. Can Ellie convince Will to believe in something that even she isn't sure about? And more importantly, can she get him to give his parents another chance? With all the mythology and mysticism of *avalon high*, Meg Cabot's very first manga is indeed a tale for the ages.

No Offense Nov 28 2020 New York Times-bestselling author Meg Cabot returns with a charming romance between a children's librarian and the town sheriff in the second book in the Little Bridge Island series. Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas, and stunning sunsets—a place where nothing goes under the radar and love has a way of sneaking up when least expected... A broken engagement only gave Molly Montgomery additional incentive to follow her dream job from the Colorado Rockies to the Florida Keys. Now, as Little Bridge Island Public Library's head of children's services, Molly hopes the messiest thing in her life will be her sticky-note covered desk. But fate—in the form of a newborn left in the restroom—has other ideas. So does the sheriff who comes to investigate the “abandonment”. When John Hartwell folds all six-feet-three of himself into a tiny chair and insists that whoever left the baby is a criminal, Molly begs to differ and asks what he's doing about the Island's real crime wave (if thefts of items from homes that have been left unlocked could be called that). Not the best of starts, but the man's arrogance is almost as distracting as his blue eyes. Almost... John would be pretty irritated if one of his deputies had a desk as disorderly as Molly's. Good thing she doesn't work for him, considering how attracted he is to her. Molly's lilting librarian voice makes even the saltiest remarks go down sweeter, which is bad as long as she's a witness but might be good once the case is solved—provided he hasn't gotten on her last nerve by then. Recently divorced, John has been having trouble adjusting to single life as well as single parenthood. But something in Molly's beautiful smile gives John hope that his old life on Little Bridge might suddenly hold new promise—if only they can get over their differences. Clever, hilarious, and fun, *No Offense* will tug at readers' heartstrings and make them fall in love with Little Bridge Island and its unique characters once again.

Here in St. Cloud's Oct 16 2019 *The Cider House Rules* is a two-part stage adaptation of the John Irving novel. Spanning eight decades of American life, it tells the story of Dr. Wilbur Larch, founder of the St. Cloud's, Maine orphanage and hospital, and of the complex father-son relationship he develops with the young orphan Homer Wells. Homer's growth into adulthood begins first at St. Cloud's, and then out in the wide world, where he learns about life and love and must ultimately decide whether to return to St. Cloud's and fulfill the destiny his "father" has always believed in for him.

Tamanho 44 também não é gorda - Heather Wells Jan 19 2020 A ex-estrela pop Heather Wells está de volta, e como de costume vai se envolver em uma perigosa investigação. Ela é inspetora de um dormitório feminino da universidade de Nova York, e está acostumada com festas e brincadeiras estranhas das estudantes. Quando jovens começam a aparecer mortas no dormitório, Heather acha que pode ajudar, como já fez no passado. Mas quem está por trás desses assassinatos fará de tudo para se proteger e uma inspetora gordinha não ficará em seu caminho.

Certain Girls Mar 01 2021 *Cannie Shapiro* returns in the acclaimed novel from the author of *Good in Bed*, *All Fall Down* and the forthcoming *Who Do You Love!* It's been almost thirteen years since we last saw *Cannie Shapiro*, the heroine of *Good in Bed*, whose journey towards happy-ever-after made millions of women the world over laugh, cry and recognise themselves. The last decade of *Cannie's* life has brought some surprises. Her life story, in fictional form, became an unexpected bestseller, and *Cannie* has since retreated from fame's fallout, writing science-fiction under a pen name and praying that all her daughter inherited from her father, *Cannie's* ex-boyfriend *Bruce Guberman*, are her curls and her eye-colour, and not his predilection for smoking pot. Meanwhile *Cannie's* best friend, *Samantha*, is looking for love in all the wrong places, and *Cannie's* husband, *Peter*, has decided that he'd like to have a baby, and the family's first choice for a surrogate is none other than *Cannie's* flamboyant kid sister ...

To Obama Dec 10 2021 One of the most important politics books of the year, *To Obama* is a record of a time when politics intersected with empathy. 'The real story of Obama's America' *Sunday Times* Every day, President Obama received ten thousand letters from ordinary American citizens. Every night, he read ten of them before going to bed. In *To Obama*, *Jeanne Marie Laskas* interviews President Obama, the letter-writers themselves and the White House staff in the Office of Presidential Correspondence who were witness to the millions of pleas, rants, thank-yous and apologies that landed in the mailroom during the Obama years. At once desperate, joyful, hateful and despairing, they form an intimate portrait of one man's relationship with the American people, and of a time when empathy intersected with politics in the White House.

Queen of Babble in the Big City Jun 23 2020 *Lizzie Nichols* is back, pounding the New York City pavement and looking for a job, a place to live, and her proper place in the universe (not necessarily in that order). "Summer Fling" Luke's use of the "L" (Living Together) word has her happily abandoning plans to share a one-room

walk-up with best friend Shari in exchange for cohabitation with the love of her life in his mom's ritzy Fifth Avenue pied-à-terre. Lizzie's landed a non-paying gig in her chosen field—vintage wedding gown rehab—and a paying one as a receptionist at Shari's boyfriend's father's posh law firm. So life is good . . . for the moment. But almost immediately her notoriously big mouth is getting her into trouble. At work she's becoming too chummy with society bride-to-be Jill Higgins, inflaming the ire of Jill's troublesome future mother-in-law. At home she's made the grievous error of bringing up the "M" (Marriage) word to commitment-shy Luke. Once again joblessness and homelessness are looming large for hapless blabbermouth Liz—unless she can figure out some way to babble her way to a happily ever after.

The Well of Loneliness Aug 06 2021 This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

Size Doesn't Matter May 15 2022 Heather should be happy. She's finally got a boyfriend and although he was only supposed to be her 'rebound guy', things have gotten serious fast . . . She's also actually passing her first college course, and better yet her dad's moving out. On the down side, her boss, Dr. Veatch, may well be the most boring man on the face of the planet . . . But that hardly seems reason enough to put a bullet through his head. Can Heather find her boss's murderer, answer Tad's question, and get her landlord Cooper to realize that by letting her go, he's making the biggest mistake of his life, all while maintaining a fifteen hundred calorie per day diet? *Size Doesn't Matter* is the third Heather Wells mystery from the incredibly successful author of *The Princess Diaries*, Meg Cabot. *Size Doesn't Matter* is preceded by *Size 12 is Not Fat* and *Size 14 is Not Fat Either*.

Insatiable Apr 02 2021 When it comes to devouring her delightfully outrageous, phenomenally fun fiction, Meg Cabot's fans are *Insatiable*! And now the #1 New York Times bestselling author of *The Princess Diaries*—not to mention a host of wonderfully winning grown-up novels like *Queen of Babble*, *Big Boned*, and *Every Boy's Got One*—has a subject she can really sink her teeth into: vampires! A deliciously twisted modern-day sequel to Bram Stoker's classic *Dracula*, Cabot's *Insatiable* will leave you laughing...and hungry for more!

Virals Jan 11 2022 Adventure is in Tory Brennan's blood. After all, she's the grandniece of world-famous forensic anthropologist Temperance Brennan. Always up for a challenge, Tory and her science-geek friends spend their time exploring the marshlands of Loggerhead Island, home to the very off-limits Loggerhead Island Research Institute, where something strange is going on. After rescuing a stray wolfdog pup from a top-secret lab, Tory and her friends are exposed to a rare strain of canine parvovirus, changing them--and their DNA--forever. Now they are more than friends. They are a pack. They are Virals. And they're dangerous to the core. But are they unstoppable enough to catch a cold-blooded murderer?

Clueless: A Totally Classic Picture Book May 23 2020 This illustrated storybook captures the unforgettable fashions, vocabulary, and characters of the iconic 1995 film *Clueless* with an adorable kid-friendly adaptation about making friends. Cher and Dionne are the coolest kids at Bronson Alcott Elementary School in Beverly Hills. When a new -- very unique, grunge-chic, and possibly clueless -- girl named Tai comes along, Cher and Dionne take her under their wings. They tell her how to dress and what hobbies to take up to be a part of their friend group. But Tai really likes skateboarding, baggy clothes, and wants to hang out more with the group of skateboarders. Cher and Dionne try a variety of ways to change Tai, alongside a cast of characters including Murray, Amber, Travis, Summer, Elton, and Miss Geist. But in the end, they realize that people are different and that's what makes them so cool!

Size 12 and Ready to Rock Nov 21 2022 After dallying with sexy vampires and ingeniously reinterpreting the *Dracula* legend (*Insatiable*, *Overbite*), #1 New York Times bestseller Meg Cabot is ready to rock 'n' roll once more with Heather Wells. The un-petite assistant New York City college dorm director and sometime sleuth is back in *Size 12 and Ready to Rock*—a delectable comedy mystery that proves once more that the much beloved author of *The Princess Diaries* rules in the realm of grown-up women's fiction as well. Heather's got her hands full when a pop star and her reality TV camera crew invade the dorm—bringing with them a summer camp-full of adoring teen admirers—only to have an inconvenient homicide spoil the fun. There's romance, treachery, merry mayhem and music—just the ticket for readers who like to rock out on the hip contemporary singleton fiction of Sophie Kinsella, Jennifer Weiner, and Jane Green.

Phantom Evil Dec 30 2020 OGraham expertly blends a chilling history of the mansion's former residents with eerie phenomena, once again demonstrating why she stands at the top of the romantic suspense category."--"Publisher's Weekly, " Starred Review.

Prom Nights from Hell Sep 19 2022 Five amazing authors. Five unforgettable stories. In this exciting collection of paranormal tales, best-selling authors Stephenie Meyer (Twilight), Kim Harrison (Once Dead, Twice Shy), Meg Cabot (How to Be Popular), Lauren Myracle (ttyl), and Michele Jaffe (Bad Kitty) take prom mishaps to a whole new level—a truly hellish level. Wardrobe malfunctions and two left feet don't hold a candle to discovering your date is the Grim Reaper—and he isn't here to tell you how hot you look. From angels fighting demons to a twisted take on getting what you wish for, these five stories will entertain better than any DJ in a bad tux can. No corsage or limo rental necessary. Just good, creepy fun.

Educating the Student Body Mar 13 2022 Physical inactivity is a key determinant of health across the lifespan. A lack of activity increases the risk of heart disease, colon and breast cancer, diabetes mellitus, hypertension, osteoporosis, anxiety and depression and others diseases. Emerging literature has suggested that in terms of mortality, the global population health burden of physical inactivity approaches that of cigarette smoking. The prevalence and substantial disease risk associated with physical inactivity has been described as a pandemic. The prevalence, health impact, and evidence of changeability all have resulted in calls for action to increase physical activity across the lifespan. In response to the need to find ways to make physical activity a health priority for youth, the Institute of Medicine's Committee on Physical Activity and Physical Education in the School Environment was formed. Its purpose was to review the current status of physical activity and physical education in the school environment, including before, during, and after school, and examine the influences of physical activity and physical education on the short and long term physical, cognitive and brain, and psychosocial health and development of children and adolescents. Educating the Student Body makes recommendations about approaches for strengthening and improving programs and policies for physical activity and physical education in the school environment. This report lays out a set of guiding principles to guide its work on these tasks. These included: recognizing the benefits of instilling life-long physical activity habits in children; the value of using systems thinking in improving physical activity and physical education in the school environment; the recognition of current disparities in opportunities and the need to achieve equity in physical activity and physical education; the importance of considering all types of school environments; the need to take into consideration the diversity of students as recommendations are developed. This report will be of interest to local and national policymakers, school officials, teachers, and the education community, researchers, professional organizations, and parents interested in physical activity, physical education, and health for school-aged children and adolescents.

Size 12 Is Not Fat with Bonus Material Feb 24 2023 Now includes a bonus excerpt from Meg Cabot's new Heather Wells novel, Size 12 and Ready to Rock, available wherever books are sold July 10. Heather Wells Rocks! Or, at least, she did. That was before she left the pop-idol life behind after she gained a dress size or two—and lost a boyfriend, a recording contract, and her life savings (when Mom took the money and ran off to Argentina). Now that the glamour and glory days of endless mall appearances are in the past, Heather's perfectly happy with her new size 12 shape (the average for the American woman!) and her new job as an assistant dorm director at one of New York's top colleges. That is, until the dead body of a female student from Heather's residence hall is discovered at the bottom of an elevator shaft. The cops and the college president are ready to chalk the death off as an accident, the result of reckless youthful mischief. But Heather knows teenage girls . . . and girls do not elevator surf. Yet no one wants to listen—not the police, her colleagues, or the P.I. who owns the brownstone where she lives—even when more students start turning up dead in equally ordinary and subtly sinister ways. So Heather makes the decision to take on yet another new career: as spunky girl detective! But her new job comes with few benefits, no cheering crowds, and lots of liabilities, some of them potentially fatal. And nothing ticks off a killer more than a portly ex-pop star who's sticking her nose where it doesn't belong . . .

Books Promiscuously Read Nov 16 2019 Heather Cass White's Books Promiscuously Read is about the pleasures of reading and its power in shaping our internal lives. It advocates for a life of constant, disorderly, time-consuming reading, and encourages readers to trust in the value of the exhilaration and fascination such reading entails. Rather than arguing for the moral value of reading or the preeminence of literature as an aesthetic form, Books Promiscuously Read illustrates the irreplaceable experience of the self that reading provides for those inclined to do it. Through three sections--Play, Transgression, and Insight--which focus on three ways of thinking about reading, Books Promiscuously Read moves among and considers many poems, novels, stories, and works of nonfiction. The prose is shot through with quotations reflecting the way readers think through the words of others. Books Promiscuously Read is a tribute to the whole lives readers live in their books, and aims to recommit people to those lives. As White writes, "What matters is staying attuned to an ordinary, unflashy, mutely persistent miracle; that all the books to be read, and all the selves to be because we have read them, are still there, still waiting, still undiminished in their power. It is an astonishing joy."

A Sense of Place Jul 17 2022 Thirteen exquisite houses create a portrait of life in one of America's most exclusive coastal destinations, along the beaches of Martha's Vineyard and Cape Cod. Hutker Architects, led by founding principal Mark A. Hutker, has designed more than three hundred houses along the New England

shore. A member of the close community on Martha's Vineyard since his arrival in 1985, Hutker has become an expert at interpreting the ideal lifestyles of his clients within the respected traditions and restrictive codes of the beautiful but fragile environment. In their design and construction, these houses honor the vernacular traditions of craft and indigenous materials, are deeply respectful of the cherished landscape, and demonstrate a lively range of solutions to building on the bluffs and dunes that line the shores of the Vineyard and Cape Cod. A working organic farm fulfills a family's dream of simpler values; a luxurious renovation saves the best of an antique shingle cottage while transforming it for contemporary family life and a raised structure clad in naturally weathered boards combines the legacy of midcentury regional modern architecture with Cape Cod's maritime tradition. The firm is committed to the principle "Build once, well," looking to the historic architecture of the region and the inherited experience of its carpenters and craftspeople as inspiration for contemporary design. The result is an architecture that is at once adaptable and livable, yet enduring, efficient, inevitable, and appropriate. The houses sit lightly on the land, deferring to their surroundings, often built as a series of modest pavilions linked by passages or grouped to enclose an outdoor space. Creative design solutions—a light-filled gallery running the full length of a house, a continuous wall of sliding glass doors—make houses both open to views, but protective in a storm. Specially commissioned photography captures the craftsmanship and the settings of the houses, from dramatic bluffs overlooking the sea to secluded coves and rolling meadows filled with wildflowers, creating a unique portrait of Cape Cod and Martha's Vineyard.
