A national bestseller! Breast cancer surgeon Dr. Kristi Funk offers a comprehensive and encouraging approach to breast care and breast cancer. Empower yourself with facts and strategies to understand your breasts, reduce your cancer risk, and open your eyes to interventions and treatments. Most women don't want to hear about breast cancer unless they have it and need to make some decisions, but these days news about breast cancer—the number one killer of women ages twenty to fifty-nine—is everywhere. Chances are you know someone who has had it. But did you know that choices you make every day bring you closer to breast cancer—or move you farther away? That there are ways to reduce your risk factors? And that many of the things you've heard regarding the causes of breast cancer are flat-out false? Based on Dr. Kristi Funk's experience as a board-certified breast cancer surgeon, she knows for a fact that women have the power to reduce breast cancer risk in dramatic ways. Many women believe that family history and genetics determine who gets breast cancer, but that's not true for most people. In fact, 87 percent of women diagnosed with breast cancer do not have a single first-degree relative with breast cancer. This book will help you: Learn the breast-health basics that every woman should know Reduce your cancer risk and recurrence risk based on food choices and healthy lifestyle changes backed by rigorous scientific research Understand the controllable and uncontrollable risk factors for breast cancer Outline your medical choices if you're at elevated risk for or are

already navigating life with breast cancer There have been few solid guidelines on how to improve your breast health, lower your risk of getting cancer, and make informed medical choices after treatment—until now. With her book available in 10 languages and in more than 30 countries, Dr. Funk is passionate about her mission of educating as many women as possible about what they can do to stop breast cancer before it starts. Praise for *Breasts: The Owner's Manual*: “Dr. Funk writes *Breasts: The Owner's Manual* just like she talks: with conviction, passion, and a laser focus on you.”—Dr. Mehmet Oz, Host of *The Dr. Oz Show* “*Breasts: The Owner's Manual* will become an indispensable and valued guide for women looking to optimize health and minimize breast illness.”—Debu Tripathy, MD, Professor and Chair, Department of Breast Medical Oncology, University of Texas MD Anderson Cancer Center “*Breasts: The Owner's Manual* not only provides a clear path to breast health, but a road that leads straight to your healthiest self. As someone who has faced breast cancer, I suggest you follow it.”—Robin Roberts, Co-anchor, *Good Morning America*

At Last! A Beginner's Guide to Newborn Baby Technology You've programmed your DVR, you've installed a wireless Internet connection, you can even check Facebook on your cell phone. But none of this experience will prepare you for the world's biggest technological marvel: a newborn baby. Through step-by-step instructions and helpful schematic diagrams, *The Baby Owner's Manual* explores hundreds of frequently asked questions: What's the best way

to swaddle a baby? How can I make my newborn sleep through the night? When should I bring the baby to a doctor for servicing? Whatever your concerns, you'll find the answers here—courtesy of celebrated pediatrician Dr. Louis Borgenicht and his son, Joe Borgenicht. Together, they provide plenty of useful advice for anyone who wants to learn the basics of childcare. How to get the best from your vinyl records and kit. The Vinyl Manual is the 21st century companion for anyone who is bringing their vinyl music collection back to life or discovering the joys of vinyl for the first time. With chapters on turntables and audio kit, it is a step-by-step guide to getting the most from your vinyl collection and understanding the technology behind it. We explain how vinyl delivers the unique sound so loved by audio enthusiasts and its evolution over 100 years, from the 78s of the late 19th century to today's advanced electronic formats. As well as expert insight into setting up your system correctly and guides to choosing the right hardware for your music, the Haynes experts take you behind the scenes of the vinyl industry, including the super-clubs of the 1970s, 1980s and 1990s. We tell you the best way to build and curate your collection, from dance to rock to classical, and provide tips from the world's most respected professionals. Whether you are collecting, recording or just playing, the Vinyl Manual is the essential companion for any vinyl enthusiast. Everything you need to know to purchase, maintain, and ride a bike for recreation, commuting, competition, travel, and beyond! From the bike world's most beloved and trusted advocate. Eben Weiss, aka Bike Snob NYC, is the voice of cyclists everywhere. Through his popular blog he has been informing, entertaining, and critiquing the bike-riding community since 2007. With his latest book, *The Ultimate Bicycle Owner's Manual*, Weiss makes his vast experience and practical advice available to bike "newbies" and veterans alike. Chapters cover Obtaining a Bike, Understanding Your Bike, Maintaining Your Bike, Operating Your Bike, Off-Road Riding, Coexisting with Drivers, Competitive Cycling, Bike Travel, Cycling with Kids, and What the Future Holds for Bikes in our Communities. Weiss's humorous, down-to-earth style takes all the mystery and intimidation out of cycling and will inspire even the most hesitant couch potato to get out and ride! Eben Weiss is the blogger behind Bike Snob NYC. He is the author of *Bike Snob*, *Bike Snob Abroad*, and *The Enlightened Cyclist*. He lives in New York City with his family. *Working in the Wild: Land Rover's Manual for Africa* is

designed to equip Land Rover users with the practical know-how it takes to make the most of the vehicle's capacity for hard work in hostile conditions. The aim of the authors has been to produce a no-nonsense guide which can be used by virtually anyone to keep a Land Rover running to maximum efficiency and effect almost anywhere on Earth. It is based upon the in-depth operating experience of Land Rover engineers and users throughout the world over many years. The book looks at every stage of the working life of a Land Rover - the selection and purchasing of the right kind of Land Rover - how to drive it to maximum effect - how to look after it away from conventional workshops - how to avoid problems - how to overcome unavoidable difficulties - and much more. It has been welcomed by international agencies and specialists who themselves have faced the conditions and situations for which it offers advice. The Anarchist Cookbook will shock, it will disturb, it will provoke. It places in historical perspective an era when "Turn on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to survive, they must educate themselves. That is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There i detailed

advice concerning electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows. No-one approaches aging with enthusiasm. Activities we accomplish easily in our 20s and 30s become more difficult as we grow old but, though change is inevitable, recognising and understanding precisely what is happening to our bodies and minds allows us to continue to manage and enjoy our lives. Patrick Rabbitt is a cognitive gerontologist who has researched physical and mental aging for over 50 years and so can interpret his personal daily experiences of the aging process through a comprehensive understanding of what gerontological research has revealed about how our bodies and brains age, and how these changes affect our everyday experiences and lives. Engagingly written, Professor Rabbitt's book is a fascinating account of why our sensory and cognitive experiences change as we get older, and what these developments mean for our overall physical and emotional well-being. Describing the latest research the book covers the mental changes that affect our daily lives such as those in memory, intelligence, attention, sleep, vision and hearing, taste and smell, touch and balance, anxiety, depression and perception of the passage of time. It also discusses how far we can keep and develop the skills we have mastered over our lifetimes. The book debunks unhelpful myths about the aging process and offers

guidance on how we can age better. This is an absorbing account of the aging process from one of the most eminent gerontologists working today. Its warmth and candour make it an engaging and helpful guide for those interested in understanding their own, or their relatives' ageing. Its rigour and comprehensiveness make ideal for students seeking an accessible alternative to standard textbooks on aging and for health professionals working with older people.
