Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God."

Alistair Begg, author. Verse-by-verse commentary on the book of Genesis. She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. Bestselling author Pastor Rob Morgan provides ten Bible-based laws for productive people by answering the question: How do I gain control over my life right now? A lifelong student of the Bible, Rob Morgan has spent forty years reading thousands of pages about maximizing each day and becoming purposeful and productive. Now he has found a simple plan that works—featuring ten biblical principles that transcend human wisdom. These life patterns can be implemented today whether you're a student or a senior adult, a novice or an executive. They can help anyone, anytime, anywhere develop a perpetually effective life.

1. Listen to a twelve-year-old: Jesus' first statement was: Be about your Father's business.
2. Redeem the time: Wasted hours can never be regained.
3. Clear the decks: God isn't disorganized; why should we be?
4. Maximize the morning: Schedule a standing appointment with God.
5. Pull off at rest stops: Routinely replenish your inner resources.
6. Operate on yourself: Diagnose and treat yourself spiritually.
7. Live "As If": Act by faith even when your emotions aren't cooperating.
8. Bathe in the Dead Sea: Experience the buoyancy of biblical joy.
9. Practice the power of plodding: Effectively complete major tasks by persistently working in small increments.
10. Remember there are two of you: It's Christ in you Who's achieving significance.

Based on actual Scriptures, this simple, hope-filled plan for mastering life before it's too late will put you on the path toward a lifetime of success.
