Future Politics Aug 24 2020 Future Politics confronts one of the most important questions of our time: how will digital technology transform politics and society? The great political debate of the last century was about how much of our collective life should be determined by the state and what should be left to the market and civil society. In the future, the question will be how far our lives should be directed and controlled by powerful digital systems - and on what terms? Jamie Susskind argues that rapid and relentless innovation in a range of technologies - from artificial intelligence to virtual reality - will transform the way we live together. Calling for a fundamental change in the way we think about politics, he describes a world in which certain technologies and platforms, and those who control them, come to hold great power over us. Some will gather data about our lives, causing us to avoid conduct perceived as shameful, sinful, or wrong. Others will filter our perception of the world, choosing what we know, shaping what we think, affecting how we feel, and guiding how we act. Still others will force us to behave certain ways, like self-driving cars that refuse to drive over the speed limit. Those who control these technologies - usually big tech firms and the state - will increasingly control us. They will set the limits of our liberty, decreeing what we may do and what is forbidden. Their algorithms will resolve vital questions of social justice, allocating social goods and sorting us into hierarchies of status and esteem. They will decide the future of democracy, causing it to flourish or decay. A groundbreaking work of political analysis, Future Politics challenges readers to rethink what it means to be free or equal, what it means to have power or property, what it means for a political system to be just or democratic, and proposes ways in which we can - and must - regain control.

*Keeping Your Kids on God's Side* Feb 27 2021 Empower Your Kids to Respond Wellto the Hard Questions That Threaten Their Faith It's no secret that children of all ages are being exposed to negative criticism of Christianity as they spend time at school, with friends, or online. When the watch saves Thaniel's life in a blast that destroys Scotland Yard, he goes in search of its maker, Keita Mori - a kind, lonely Japanese immigrant. Meanwhile, Grace Carrow is sneaking into an Oxford library, desperate to prove the existence of the luminiferous ether before her mother can force her to marry.As the lives of these three characters become entwined, events spiral out of control until Thaniel is torn between loyalties, futures and opposing geniuses.

*BWWM Romance* Oct 06 2021 READ FOR FREE ON KINDLE UNLIMITEDAndrew Bernholz was ready to play the game of his life, when Natasha Green captivated his attention. With one throw, Andrew failed to get his perfect game. If his eyes hadn't been so focused on Natasha, he was sure that he would've won. Andrew spends days trying to get Natasha out of his mind. He finds it hard, since she not only was the reason that he lost the biggest game of his life, but she was also the most beautiful woman that he has ever seen. After Andrew rants about what had just happened on a national new station, everyone sees it but her. Andrew is forced to take less than ordinary tactics to find the woman that stole his heart and his perfect game. Will Andrew get the biggest catch of his life, or will he lose everything all over again?WARNING - This content is not suitable for all ages.GET YOUR COPY RIGHT NOW

**Introduction to Contemporary Print Culture** Jan 09 2022 Introduction to Contemporary Print Culture examines the role of the book in the modern world. It considers the book's deeply intertwined relationships with other media through ownership structures, copyright and adaptation, the constantly shifting roles of authors, publishers and readers in the digital ecosystem and the merging of print and digital technologies in contemporary understandings of the book object. Divided into three parts, the book first introduces students to various theories and methods for understanding print culture, demonstrating how the study of the book has grown out of longstanding academic disciplines. The second part surveys key sectors of the contemporary book world – from independent and alternative publishers to editors, booksellers, readers and libraries – focusing on topical debates. In the final part, digital technologies take centre stage as eBook regimes and mass-digitisation projects are examined for what they reveal about information power and access in the twenty-first century. This book provides a fascinating and informative introduction for students of all levels in publishing studies, book history, literature and English, media, communication and cultural studies, cultural sociology, librarianship and archival studies and digital humanities.

**Natasha, the Story of a Russian Woman** Oct 26 2020

*Broken Silence* Jan 21 2023 It has been four years since Oakley, her mum, and brother fled to Australia. With the trials looming, she makes the decision to return to England. Oakley is desperate for closure so she can put the past behind her and move on with her life. How will she cope when she comes face to face with the two people that hurt her the most, and the one person that she hurt the most? Her love for Cole never faded, but how will he react to her return after so long? Will they be able to put everything behind them in order to have a happy ending?

The Perilous Road To Her Jul 23 2020 A gripping tale of fear, longing and determination as one woman tries to survive the world of those who also kidnapped her sister. In *The Perilous Road to Her*, N.L Blandford takes us on a woman's harrowing journey to find her missing sister. Olivia Beaumont, a Detective in the Toronto Police Service, finds herself dreading calls from her older sister Claire. Olivia's attempts to help Claire fight her drug addiction have only been met with refusals. Ready to walk away, and let Claire hit 'rock bottom', Olivia is drawn back when she learns Claire is missing. Determined to find Claire, Olivia goes on the hunt for those who have taken her. However, the perpetrators have other plans. Suddenly, Olivia feels the prick of a needle in her neck and her world goes black. When she wakes up she has been transported into the underworld of human trafficking. Greed and sex surround her as she is forced to work for the monsters who have built an empire on the desperate and unlucky.

**Global Issues 2022 Edition** Apr 19 2020 Written by award-winning CQ Researcher journalists, this collection of non-partisan reports offers an in-depth examination of today's most pressing global issues.

**Bounce** Jul 15 2022 Thirteen-year-old Evyn's world is turned upside-down when her father, widowed since she was a toddler, suddenly decides to marry a woman with six children, move with Ev and her brother from Maine to Boston, and enroll her in private school.

*Wishing On A Star* Jan 29 2021 It's a writer's dream come true! Best-selling romance author Natasha Logan is on her way to Hollywood to pen the screenplay of one of her books. And her co-writer is none other than celebrated triple-star threat comedian/writer/director Woody Hollister. Once there, Natasha's life begins to rival her fiction when Woody takes her to Las Vegas to celebrate their movie deal. Something is definitely sizzling between them, but Natasha's determined to keep it on the back burner until the screenplay is finished. Then Natasha meets sexy pop superstar Ric Weaver, and her perfect scenario falls apart. Ric was the inspiration for her latest bestseller--the champagne pouring; sweet talking heartthrob who now sweeps her off her feet with sensuous kisses and promises of love. Suddenly she's the real life heroine of her own novel--melting in the arms of this dashing playboy, who has just been cast to star in her film. But finding out where her true heart lies follows no rule of romance Natasha has ever known. Choosing between two men she really cares for can be as scary, exhilarating and seemingly impossible as *Wishing On A Star...* (expanded and updated from vintage paperback format)

**PARAPSYCHOLOGY & MIND POWER MAGAZINE, September 2013, ECONOMY EDITION,** Feb 10 2022

The Cellar Mar 11 2022 For months, Summer is trapped in a cellar with the man who took her and three other girls: Rose, Poppy, and Violet.

*The Little Big Book of Life, Revised Edition* May 21 2020 A collection of poems, essays, advice, and wisdom about how to value oneself and the things that matter most in life.

*Queering the Family in The Walking Dead* Mar 31 2021 This book traces how *The Walking Dead* franchise narratively, visually, and rhetorically represents transgressions against heteronormativity and the nuclear family. The introduction argues that *The Walking Dead* reflects cultural anxiety over threats to the family. Chapter 1 examines the destructive competition created by heteronormativity, such as the conflict between Rick and Shane. Chapter 2 focuses on the actual or attempted participation of characters such as Carol and Negan in queer relationships. Chapter 3 interprets zombies as queer antagonists to heteronormativity, while Chapter 4 explores the incorporation of zombies into the lives of characters such as the Governor and the Whisperers. The conclusion asserts that *The Walking Dead* presents both queer alternatives to and damaging contradictions within the traditional heterosexual family model, helping to question this model and to consider the struggle of queer American families. Overall, this study holds special interest for students and scholars of queerness, zombies, and the family.

Intent: In A Coma Feb 16 2020 Everyone at school has turned against me. I don't know why. And no one will tell me. I have been Royal High School's most-liked girl for the past four years, but a lot can happen in two days. Suddenly, I'm the school's most-hated girl, but before I can figure out why, a ten-story fall off a water tower plunges me into a coma. Rumors fly that it was attempted suicide. Unfortunately, I have no memory of those final seconds before the fall. Through a strange barrage of dreams, flashbacks, an out-of-body journey, and my faith in God, I start to search for answers. But the more I learn, the more I realize that my life is in mortal danger. Soon someone is leaving threatening notes, waiting expectantly for me to emerge from my coma. Who wants to hurt me? And why? Only my trust in God can get me through this nightmare. But will I be able to handle the truth? Book #5 is a clean psychological mystery suspense appropriate for young adult and up.

The Rhetorical Construction of Vegetarianism Apr 12 2022 This book explores themes in the rhetoric of vegetarian discourse. A vegan practice may help mitigate crises such as climate change, global health challenges, and sharpening socioeconomic disparities, by ensuring both fairness in the treatment of animals and food justice for marginalized populations. How the message is spread is crucial for these aims. Vegan practices thus uncover tensions between individual dietary choices and social justice activism, between ego and eco, between human and animal, between capitalism and environmentalism, and within the larger universe of theoretical and practical ethics. The chapters apply rhetorical methodologies to understand vegan/vegetarian discourse, emphasizing, for example, vegan/vegetarian rhetoric through the lens of polyphony, the role of intersectional rhetoric in becoming vegan, as well as ecofeminist, semiotic, and discourse theory approaches to veganism. The book aims to show that a rhetorical understanding of vegetarian and vegan discourse is crucial for the goals of movements promoting veganism. The book is intended for a wide interdisciplinary audience of scholars, researchers, and individuals interested in veganism, food and media studies, rhetorical studies, human-animal studies, cultural studies and related disciplines. It urges readers to examine vegan discourses seriously, not just as a matter of personal choice or taste but as one vital for intersectional justice and our planetary survival.

**Captured by Evil** Jun 21 2020 One of the most powerful words in the English language, corruption is also one of the most troubled concepts in law. According to Laura Underkuffler, it is a concept based on religiously revealed ideas of good and evil. But the notion of corruption defies the ordinary categories by which law defines crimes -- categories that punish acts, not character, and that eschew punishment on the basis of religion and emotion. Drawing on contemporary examples, including former assembly woman Diane Gordon and former governor Rod Blagojevich, this book explores the implications and dangers of maintaining such an archaic concept at the heart of criminal law.

*A Kiss for You* Sep 05 2021 It's more than a kiss. More than a touch. More than a book. ? A Kiss for You is a collection of four romances, you'll be glad you devoured. *The Twin* Jun 14 2022 The instant New York Times bestseller! In this twisty psychological thriller from the #1 New York Times bestselling author of *THE CELLAR*, Ivy wants to share everything with her twin sister . . . until her twin starts to push her out of her own life. Ivy and Iris haven't lived together for years—when their mother and father divorced, each parent got custody of one twin. But after a tragic accident takes their mom's life, the devastated sisters are reunited, and Iris moves in with Ivy and their dad. Iris takes their mom's death especially hard. She barely talks, spending hours alone in her room. Ivy can't stand to see Iris so sad. She promised Iris that she can share her life now. After all, they're sisters. Twins. It's a promise that Iris takes seriously. And before long, Ivy's friends, her teachers, and even her boyfriend fall under Iris's spell. Soon Ivy begins to think there's something wrong with her twin. It's almost like Iris is out to get her. Ivy tells herself she's being paranoid. It's not like she's in any danger from her twin. . . . The Twin is an unputdownable read that will keep you on the edge of your seat until the very end.

**Gordon Ramsay** Sep 17 2022 Although he started his life wanting to be a professional soccer player, Ramsay's competitive streak gave him a head start in a career as a chef and as the host of several television shows. But the Scottish-born chef is much more than a tough-as-nails television personality. Readers will learn about Ramsay's culinary career, rise to celebrity status, and personal life. They will also discover how to become a chef and get the chance to try some recipes inspired by him.

*Not Seeing Snow: Mus? Soseki and Medieval Japanese Zen* Aug 16 2022 Not Seeing Snow examines the life, thought, poetry, and garden design of influential Zen monk Mus? Soseki.

**Assembly** Feb 22 2023 I don't want to be a part of it. I want to grab it, grab its face and pull open its mouth, prize its jaws apart and reach down, in, deeper. Touch what's inside. Set over the course of 48 hours, Natasha Brown's staggering debut follows an unnamed narrator as she prepares to attend a garden party at the posh estate of her

boyfriend's parents. She is aware that she is heading into a space where she will be appraised and tokenized, but she is used to that. After all, she spends most of her time accommodating the needs, projections, and prejudices of others -- at the investment bank where she works, in her relationship with a man who has political aspirations, in a country where she is treated as an exploitable resource. All her life, she has worked twice as hard, mastered the art of "assimilation," and swallowed microaggressions with a smile. Now she's got it all: the glistening City career, a glamorous Lean In feminist for a best friend, and her wealthy boyfriend is about to propose. She's a success story. So why is she suddenly thinking about ending it all? While dismantling the narratives she's been fed (and made complicit in), she transports the reader across centuries, memories, and snatches of conversation, and begins to look hard at those who have spent their lives watching her. Blisteringly intelligent and utterly fearless, Assembly is about one woman daring to take control of her own story, even at the cost of her life.

**Child of the Sword** Mar 19 2020 Praise for Child of the Sword: "...a magical world of witches, wizards and war in this high-energy first installment of an epic-fantasy series...A fine fantasy novel that will provide readers with a good weekend escape from reality" — Kirkus Reviews Kindle Book Review Editor's Pick "This book grabbed from the start. I finished it and had to pick up the 2nd one right away."—A. C. Rat is no ordinary Thief A small feral child, he steals what he can to feed the gnawing hunger in his gut, though nothing can satisfy the hunger in his soul. But he has a special talent that the wizards and witches of the clans covet, so Clan Elhiyne abducts him and gives him the name Morgin. Can he escape the scheming of the clan's calculating and manipulative leader, the matriarchal old witch Olivia? And as he grows into manhood, can he survive the inter-clan rivalries, and the hatred that smolders between Olivia and her arch-enemy Valso, leader of Clan Decoux? A can't-put-it-down read. Pick it up today!

*Bwvm Romance* Sep 24 2020 READ FOR FREE ON KINDLE UNLIMITED "Of course, I'll go." Natasha said as she looked into Andrew's eyes. Andrew sat at the bar as he enjoyed Natasha's conversation and a few virgin drinks. He admired her astonishing body from her beautiful hair to her large breasts, down to her thick hips and her long legs. Andrew was exceptionally drawn in by her thick, plump lips that he loved to make curl into the most beautiful smile that he had ever seen. He realized that just being able to spend these few hours talking to her was worth it to have missed out on throwing a no hitter for his retirement game. When her shift ended, Andrew drove her back to her apartment so that she could..." WARNING - This content is not suitable for all ages. GET YOUR COPY RIGHT NOW

Connected Viewing Dec 28 2020 As patterns of media use become more integrated with mobile technologies and multiple screens, a new mode of viewer engagement has emerged in the form of connected viewing, which allows for an array of new relationships between audiences and media texts in the digital space. This exciting new collection brings together twelve original essays that critically engage with the socially-networked, multi-platform, and cloud-based world of today, examining the connected viewing phenomenon across television, film, video games, and social media. The result is a wide-ranging analysis of shifting business models, policy matters, technological infrastructure, new forms of user engagement, and other key trends affecting screen media in the digital era. Connected Viewing contextualizes the dramatic transformations taking place across both media industries and national contexts, and offers students and scholars alike a diverse set of methods and perspectives for studying this critical moment in media culture.

The Wish Book Christmas Oct 14 2019 From the bestselling author of If I Were You comes a nostalgic and endearing holiday story that reminds us that sometimes the most meaningful gifts are the ones we least expect and dont deserve. Best friends Audrey Barrett and Eve Dawson are looking forward to celebrating Christmas in postwar America, thrilled at the prospect of starting new traditions with their five-year-old sons. But when the 1951 Sears Christmas Wish Book arrives and the boys start obsessing over every toy in it, Audrey and Eve realize they must first teach them the true significance of the holiday. They begin by helping Bobby and Harry plan gifts of encouragement and service for those in their community, starting by walking an elderly neighbors yellow Labsince a dog topped the boys wish list for Santa. In the charming tale that follows, Audrey and Eve are surprised to find their own hearts healing from the tragedies of war and opening to the possibility of forgiveness and new love.

Expanding the Black Film Canon Nov 14 2019 If the sheer diversity of recent hits from Twelve Years a Slave and Moonlight to Get Out, Black Panther, and BlackkKlansman tells us anything, it might be that there's no such thing as "black film" per se. This book is especially timely, then, in expanding our idea of what black films are and, going back to the 1960s, showing us new and interesting ways to understand them. When critics and scholars write about films from the Blaxploitation movement—such as Cotton Comes to Harlem, Shaft, Superfly, and Cleopatra Jones—they emphasize their importance as films made for black audiences. Consequently, Lisa Doris Alexander points out, a film like the highly popular, Oscar-nominated Blazing Saddles—costarring and co-written by Richard Pryor—is generally left out of the discussion because it doesn't fit the profile of what a black film of the period should be. This is the kind of categorical thinking that Alexander seeks to broaden, looking at films from the 60s to the present day in the context of their time. Applying insights from black feminist thought and critical race theory to one film per decade, she analyzes what each can tell us about the status of black people and race relations in the United States at the time of its release. By teasing out the importance of certain films excluded from the black film canon, Alexander hopes to expand that canon to include films typically relegated to the category of popular entertainment—and to show how these offer more nuanced representations of black characters even as they confront, negate, or parody the controlling images that have defined black filmic characters for decades.

*Honestly Healthy Cleanse* Jul 03 2021 'Natasha has a really creative, inventive and forward thinking attitude to food and cooking.' MARCUS WAREING Honestly Healthy Cleanse is a cookbook for food-lovers who want to look and feel fabulous. In a world full of processed and sugar-dense food, gourmet vegetarian chef Natasha Corrett has created 4 cleansing recipe plans suitable for every occasion to help get you back on track. From a nurturing weekend of juices, smoothies and soups to a 6-day slimdown, and from a high protein cleanse if you're exercising hard to a 28-day plan to permanently change the way you eat, the book is packed full of deliciously healthy food. And you don't even need to religiously follow the plans themselves to feel the benefits - simply cook and eat any of the dishes in the book and you'll be nourishing your body naturally. #feelgood - 3 days of smoothies, juices, teas and soups which allows your body to have a rest from digesting over a weekend, to help draw out the toxins naturally. #slimdown - whether it is for a party, holiday or special event this 6-day cleanse will leave you feeling a few pounds lighter and glowing with health. #highenergy - if you want to tone up and cleanse at the same time this 6-day solution you have plenty of energy for high impact workouts like HIIT and cardio. #lifechanging - you can change the way you live your life to feel and look better in just 30 days, with delicious healthy recipes for a lifetime of good eating.

Shocking and Sensational Oct 18 2022 Already part of a genre known for generating controversy, some true crime and scandal books have wielded a particular power to unsettle readers, provoke authorities and renew interest in a case. The reactions to such literature have been as contentious as the books themselves, clouding the "truth" with myths and inaccuracies. From high-profile publishing sensations such as Ten Rillington Place, Fatal Vision and Mommie Dearest to the wealth of writing on the JFK assassination, the death of Marilyn Monroe and the Black Dahlia murder, this book delves into that hard copy era when crime and scandal books had a cultural impact beyond the genre's film and TV documentaries, fueling outcries that sometimes matched the notoriety of the cases they discussed and leaving legacies that still resonate today.

Engineering Dec 08 2021 Focusing on the impact of engineering on society and the world, McCarthy details the development of the discipline, explains what makes an engineering mind, and shows how every aspect of our lives has been engineered: from gadgets to our national infrastructure. Long considered tinkers, problem solvers, and visionaries, engineers hold the keys to our real and virtual future.

**The Routledge Companion to Jane Austen** Jun 02 2021 First published anonymously, as ‘a lady’, Jane Austen is now among the world’s most famous and highly revered authors. The Routledge Companion to Jane Austen provides wide-ranging coverage of Jane Austen’s works, reception, and legacy, with chapters that draw on the latest literary research and theory and represent foundational and authoritative scholarship as well as new approaches to an author whose works provide seemingly endless inspiration for reinterpretation, adaptation, and appropriation. The Companion provides up-to-date work by an international team of established and emerging Austen scholars and includes exciting chapters not just on Austen in her time but on her ongoing afterlife, whether in the academy and the wider world of her fans or in cinema, new media, and the commercial world. Parts within the volume explore Jane Austen in her time and within the literary canon; the literary critical and theoretical study of her novels, unpublished writing, and her correspondence; and the afterlife of her work as exemplified in film, digital humanities, and new media. In addition, the Companion devotes special attention to teaching Jane Austen.

Don't Break This Kiss May 01 2021 Kiss and tell? They say a lady shouldn't, but we'll bet you're dying to know who's between our covers. There are no cliffhangers. These are simply must read novels for readers looking for the best in happily ever afters.

**What We Talk About When We Talk About Books** Jan 17 2020 Reports of the death of reading are greatly exaggerated Do you worry that you've lost patience for anything longer than a tweet? If so, you're not alone. Digital-age pundits warn that as our appetite for books dwindles, so too do the virtues in which printed, bound objects once trained us: the willpower to focus on a sustained argument, the curiosity to look beyond the day's news, the willingness to be alone. The shelves of the world's great libraries, though, tell a more complicated story. Examining the wear and tear on the books that they contain, English professor Leah Price finds scant evidence that a golden age of reading ever existed. From the dawn of mass literacy to the invention of the paperback, most readers already skimmed and multitasked. Print-era doctors even forbade the very same silent absorption now recommended as a cure for electronic addictions. The evidence that books are dying proves even scarcer. In encounters with librarians, booksellers and activists who are reinventing old ways of reading, Price offers fresh hope to bibliophiles and literature lovers alike.

**Challenges of Anglophone Language(s), Literatures and Cultures** Dec 16 2019 This book explores scholarly challenges within the fields of Anglophone language, literature, and culture. The section focusing on language details issues falling within two areas: namely, language contact and the language-culture relationship, and stylistic and syntactic perspectives on the English language. The literature part investigates twentieth-century American, English, and Australian literature, dealing with both poetry and prose and discussing topics of identity, gender, metafiction, postmodern conditions, and other relevant theoretical issues in contemporary literature. The culture part treats theoretical approaches in cultural studies that are vital in today’s cultural context, especially in Central European universities, the Irish language and culture, and contemporary cultural phenomena inspired by the growing ubiquity of technological intrusions into various fields of cultural production.

A Kiss from Mr Fitzgerald Nov 19 2022 Selected by Dymocks as one of the BEST BOOKS OF 2016It's the roaring twenties in the Manhattan of gin, jazz and prosperity. Women wear makeup and hitched hemlines and enjoy a new freedom to vote and work. Not so for Evelyn Lockhart, who is forbidden from pursuing her passion to become one of the first female doctors. Chasing her dream will mean turning her back on her family: her competitive sister, Viola; her conservative parents; and the childhood best friend she is expected to marry, Charlie.In a desperate attempt to support herself through Columbia University's medical school, Evie auditions for the infamous late-night Ziegfeld Follies on Broadway. But if she gets the part, what will it mean for her fledgling relationship with Upper East Side banker Thomas Whitman - a man Evie thinks she could fall in love with, if only she lived a life less scandalous . . .Captivating, romantic and tragic, A KISS FROM MR FITZGERALD follows a young woman ahead of her time amid the fragile hearts and glamour of Jazz Age New York.If you're mad about the roaring twenties and love all things Gatsby, this romance will have you enchanted.' Woman's Day'I loved this book.' Rachael Johns, bestselling author of THE PATTERSON GIRLS'Stunning . . . Will have you captivated . . . Evie's story is one you won't forget.' Liz Byrski, bestselling author'At the novel's heart is the sparkling Evie, an endearing combination of intelligence, determination and naivety.' West Australian'I'm calling it, Natasha Lester is our generation's Louisa May Alcott.' Tess Woods, award-winning author of LOVE AT FIRST FLIGHT'Meticulously researched ... a perfect blend of accessibility and literary prowess.' Good Reading'Remarkable, intelligent and heartfelt' . . . one of the best Australian fiction releases of the year.' J. F. Gibson'I absolutely adored Natasha Lester's book! What a GEM!' Sara Foster, bestselling author'A thoughtful and engaging read, A Kiss from Mr Fitzgerald explores the true meaning of sacrifice and the importance of maintaining one's integrity in the face of adversity.' Books+Publishing'A daring, captivating and tragic story told with charm, wit and more than a touch of Fitzgerald glamour.' MiNDFOOD'The stand-out novel of 2016.' AusRom Today'Wonderful. I love this author. You will not be disappointed.' Sally Hepworth'Exquisite!' Vanessa Carnevale, author and blogger

Big Picture Parents May 13 2022 Being a parent in the modern world is tough. We are often overwhelmed with fear about damaging our children, guilt about our imperfections, and confusion about our role. Harriet Connor knows these feelings well. But hers is not just another parenting book full of "shoulds and shouldn'ts" to make you feel worse. Rather, she invites you to step back and consider the bigger picture: What is the purpose of life and parenthood? What are our human limitations? How can we cope with our guilt and fear? What are our family's values and how do we pass them on? What is our family's structure and place within the wider community? When she was desperate for answers, Harriet Connor turned to the ancient wisdom of her ancestors--the Bible. She went looking for little pieces of grandmotherly advice, but what she found was a grand vision--a big picture--that made sense of both life and parenthood. Whether you are new to the Bible or have read it before, you will not regret taking time to reflect on its message, which has given comfort and guidance to generations of parents just like you.
