A fast-paced teen revenge-thriller from the author of *Dial A for Aunties*, *The Obsession* will keep readers on the edge of their seats until the very end. *Boy Meets Girl*. *Boy Stalks Girl*. *Girl Gets Revenge*. Logan thinks he and Delilah are meant to be. Delilah doesn't know who Logan is. Logan believes no one knows Delilah like him. He makes sure of it by learning everything he can by watching her through a hidden camera. Some might call him a stalker. Logan prefers to be called "romantic". Delilah is keeping secrets though, deadly ones. There's so much more to her than meets the eye. Logan is determined to make Delilah the heroine in his twisted fantasy and he'll do anything to get what he wants. Delilah is done with the men in her life controlling her. If Logan won't let her go...she'll make him. "Sutanto has crafted a page-turning work of suspense that questions the line between romantic 'research' and stalking in the age of the internet, analyzing the roles played by abuse, misogyny, racism, and violence in contemporary relationships."—Booklist "Set against a Northern California private school backdrop, the sensational plot is riddled with twists that come at a furious pace...A suspenseful page-turner."—Kirkus Reviews "This tense, quick-moving thriller is also a thought-provoking story about the different shapes of abuse. Fans of high-

drama fiction with a dark edge, like Karen McManus's *One of Us Is Lying* or Gretchen McNeil's *#murdertrending*, will be hooked."—School Library Journal

After inheriting a grieving fox spirit, a Chinese American boy must learn to embrace his heritage to solve the mystery of his brother's death in Jesse Q Sutanto's magical, action-packed middle grade fantasy, *Theo Tan and the Fox Spirit*. Theo Tan doesn't want a spirit companion. He just wants to be a normal American kid, playing video games, going to conventions, and using cirith pendants to cast his spells like everyone else. But, when his older brother dies, Theo ends up inheriting Jamie's fox spirit, Kai. Kai isn't happy about this either. Theo is nothing like Jamie, and the two of them have never gotten along. But, when they realize the mysterious journal Jamie left Theo is filled with clues and secret codes, it's clear that something strange was going on with Jamie's internship at Reapling Corp. But the only way onto the campus is the highly competitive "Know Your Roots" summer camp program, a celebration of Chinese and Indian cultures designed to help connect students with their heritage. Theo and Kai will have to put aside their differences long enough to honor Jamie's last wishes, or the mystery he died for will remain unsolved forever...

A New Adult Romance Series This complete set contains Books 1 to 3 Jacqui learns about her dead father's secret that changes her life forever. Stay away from Rick's web or he'll have you in a spin! Who was unlucky to

get caught? An abomination came in the middle of the night. Death and destruction followed in his wake. The sun fell from the sky and has yet to return. I am now trapped in a world where the savage and corrupt rule, my life has been compromised. He stole my crown with bloodstained hands and claimed me as his queen. Reyes Straykova is seductively cruel. Volatile and ruthless, a vicious beast. His sinister game has just begun. Bow to the king and watch chaos reign. Beauty & Rage is a prequel for the Broken Crowns series. This is a twisted PNR series not meant for the faint of heart. Contains explicit steam and various dark themes. I'm not a good man. And it turns out I'm an even worse professor. I have sinful thoughts about one of my students. Every night. I picture her in my bed. In my shower. Underneath me. Right up against the chalkboard. I'm especially fond of that one. In my defense, I know her thoughts are as sinful as mine. She's begging me with her beautiful blue eyes. She's daring me to cross the line. No, I'm not a good man. And I'm done pretending to be. I know exactly what I'm going to do to her as soon as she walks into my office hours... She's a romantic at heart, living in the most unromantic of worlds . . . Nicknamed Sweet Abelli for her docile nature, Elena smiles on cue and has a charming response for everything. She's the favored daughter, the perfect mafia principessa . . . or was. Now, all she can see in the mirror's reflection is blood staining her hands like crimson paint. They say first

impressions are everything . . . In the murky waters of New York's underworld, Elena's sister is arranged to marry Nicolas Russo. A Made Man, a boss, a cheat-even measured against mafia standards. His reputation stretches far and wide and is darker than his black suits and ties. After his and Elena's first encounter ends with an accidental glare on her part, she realizes he's just as rude as he is handsome. She doesn't like the man or anything he stands for, though that doesn't stop her heart from pattering like rain against glass when he's near, nor the shiver that ghosts down her spine at the sound of his voice. And he's always near. Telling her what to do. Making her feel hotter than any future brother-in-law should. Elena may be the Sweet Abelli on the outside, but she's beginning to learn she has a taste for the darkness, for rough hands, cigarettes, and whiskey-colored eyes. Having already escaped one scandal, however, she can hardly afford to be swept up in another. Besides, even if he were hers, everyone knows you don't fall in love with a Made Man . . . right? This is a standalone forbidden romance.

From lauded cheesemonger and creator of the popular blog Cheese Sex Death, a bible for everything you need to know about cheese For many people, the world of artisan cheese is an intriguing but intimidating place. There are so many strange smells, unusual textures, exotic names, and rules for serving. Where should a neophyte begin? From evangelist cheesemonger Erika Kubick, this comprehensive book guides readers

to become confident connoisseurs and worshippers of Cheesus. A preacher of the curd word, Kubick provides the Ten Commandments of Cheese, which breaks down this complex world into simplified bites. A welcoming sanctuary devoted to making cheese a daily part of life and gatherings, this book explores the many different styles of cheese by type, profiling commonly found and affordable wedges as well as the more rare and refined of rinds. Kubick offers divine recipes that cover everything from everyday crowd pleasers (think mac and cheese and baked brie) to festive feasts fit for holidays and gatherings. This cheese devotee outlines the perfect cheese plate formula and offers inventive yet easy-to-execute beverage pairings, including wine, beer, spirits, and non-alcoholic drinks. These heavenly spreads and recipes wring maximum indulgence out of minimal effort and expense. Filled with seductive photography and audacious prose, *Cheese Sex Death* is a delightfully approachable guide to artisan cheese that will make just about anyone worship at the altar of Cheesus. *New York Times Book Review* • *Editors' Choice Entertainment Weekly* • *Best Books of the Month BuzzFeed* • *Spring Books We Couldn't Put Down* One of Finland's most dynamic novelists bursts onto the American literary scene with this erotic story of an ambitious therapist's sessions with an unforgettable patient. Natalia cannot stop thinking about sex. With this mesmerizing tale of one woman's potent affliction,

award-winning Finnish writer Laura Lindstedt makes her American debut. Narrated by an unnamed, ungendered therapist who leaps at the chance to employ their most experimental methods, *My Friend Natalia* offers a gripping examination of the power dynamics always present but rarely ever spoken about in therapy. “Something flared within me,” the therapist notes, “and it wasn’t merely sympathy, the emotion I feel for most of my clients. It was more like a sudden experience of harmony, wholly inappropriate given the circumstances.” It is clear from the moment Natalia barges into her new therapist’s office that she has motives beyond simply fixing her sex life. She is quick to mention that the same exact painting hanging on the therapist’s wall—an abstract piece titled *Ear-Mouth*—once hung in her grandmother’s living room. This comment deeply unsettles the therapist, as does the large alarm clock that Natalia brings with her, intent on timing the sessions herself. And the tape recorder. At first, Natalia seems to play along with the rules of therapy. She partakes in the therapist’s pain-displacement exercises, word games, and even produces a few anatomical illustrations. She muses on the art of pornography, and boldly examines seminal figures like Simone de Beauvoir and Jean-Paul Sartre, about whom she poses the question, “Did Jean-Paul consider Simone a woman at all? Or was she nothing but a pencil sharpener?” By combining philosophy and literature, repressed childhood memories

and explicitly unrepressed erotic experiences, the sessions quickly shed all inhibitions. Still, the therapist can't help but wonder: What does Natalia really want? Brilliantly translated by the award-winning David Hackston, *My Friend Natalia* buzzes in prose charged with sharp banter and double entendres as the therapist hurls strange—and hilarious—experimental exercises at Natalia, and their work builds to an explosive climax. In taking a deconstructive yet utterly scintillating approach to the self-help narratives of our time, Laura Lindstedt emerges as a rare and unflinching international literary talent. This is not just a love story, it's an obsession... I can't keep my eyes off the tall, dark, and confident man who stops in the coffee shop every morning. I want this stranger more than I've ever wanted anyone before, even though I only know his first name. As an author, my imagination is my ultimate writing tool, men like Kane my muse. And the minute he leaves, I'm overcome with fantasies I can't control and my fingers fly across the keyboard... until one day, I almost snap. My embarrassing outburst has me running out the door when he catches me and takes me to his home. Though it's risky, I can't resist him. And with one kiss, he now owns me. This man will capture my sanity and trap it forever. He'll steal me one piece at a time until he possesses me completely. He'll ruin me for any other man. But I don't want anyone else, for it'll always be forever him. Note: All books in the Obsessed series are

standalone novellas and can be read in any order. It is intended for audiences over 18 years of age since it includes mature situations, including BDSM. The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY “The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this.” —George R.R. Martin “Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy.” —Joe Hill “A very knowing and wonderful take on the wizard school genre.” —John Green “The Magicians may just be the most subversive, gripping and enchanting fantasy novel I’ve read this century.” —Cory Doctorow “This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story.” —The New Yorker “The best urban fantasy in years.” —A.V. Club

Quentin Coldwater is brilliant but miserable. A high school math genius, he’s secretly fascinated with a series of children’s fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more

dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book *The Magician King* and the #1 bestseller *The Magician's Land*, *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination. Within *Obsession and Lies* is the sexy, action-packed first book in *A Court of Gilt and Shadow Series* by bestselling authors Stacy Jones and Harper Wylde. *Power. Obsession. Lies.* Other people dream of being special. They wouldn't, if they knew what a nightmare it is. Arawyn would give anything to be ordinary and rid herself of the power that lives inside her. Dangerous and alluring, it's caused nothing but pain and horror, making her the dark obsession of anyone who gets too close. After years of barely containing it, Arawyn thought she had control... until the night it bursts free and pulses like a beacon. As threats emerge from the shadows, each one more fixated on her than the last, she finds her life infiltrated by three mysterious men. A mafia boss, a psychopath, and a killer. *Rathe, Viper, and Fear* are much more than they seem. They taste of power and feel impossibly familiar. They call to her soul in a way she's never experienced and might have answers to questions she's been asking her entire life. But darkness and secrets surround them, ones covered in blood and mire. When the monsters stalking her endanger not only her power but her

life, she'll have to make a decision: take a risk and let these dangerous men in, or do what she's always done-walk away and try to survive on her own. Trusting them would be a mistake. Yet, she may not have a choice. The monsters hunting her aren't human and they're out for blood. Rathe, Viper, and Fear might be her only chance of making it through this alive. There's only one problem. They aren't human either... From bestselling authors, Stacy Jones and Harper Wylde, comes a darkly seductive new series that blends romance, danger, and the supernatural into an unforgettable read.

In August 1859 Bernhard Riemann, a little-known 32-year old mathematician, presented a paper to the Berlin Academy titled: "On the Number of Prime Numbers Less Than a Given Quantity." In the middle of that paper, Riemann made an incidental remark "a guess, a hypothesis. What he tossed out to the assembled mathematicians that day has proven to be almost cruelly compelling to countless scholars in the ensuing years. Today, after 150 years of careful research and exhaustive study, the question remains. Is the hypothesis true or false? Riemann's basic inquiry, the primary topic of his paper, concerned a straightforward but nevertheless important matter of arithmetic "defining a precise formula to track and identify the occurrence of prime numbers. But it is that incidental remark "the Riemann Hypothesis" that is the truly astonishing legacy of his 1859 paper. Because Riemann was able to see beyond the pattern of the

primes to discern traces of something mysterious and mathematically elegant shrouded in the shadows — subtle variations in the distribution of those prime numbers. Brilliant for its clarity, astounding for its potential consequences, the Hypothesis took on enormous importance in mathematics. Indeed, the successful solution to this puzzle would herald a revolution in prime number theory. Proving or disproving it became the greatest challenge of the age. It has become clear that the Riemann Hypothesis, whose resolution seems to hang tantalizingly just beyond our grasp, holds the key to a variety of scientific and mathematical investigations. The making and breaking of modern codes, which depend on the properties of the prime numbers, have roots in the Hypothesis. In a series of extraordinary developments during the 1970s, it emerged that even the physics of the atomic nucleus is connected in ways not yet fully understood to this strange conundrum. Hunting down the solution to the Riemann Hypothesis has become an obsession for many — the veritable "great white whale" of mathematical research. Yet despite determined efforts by generations of mathematicians, the Riemann Hypothesis defies resolution. Alternating passages of extraordinarily lucid mathematical exposition with chapters of elegantly composed biography and history, *Prime Obsession* is a fascinating and fluent account of an epic mathematical mystery that continues to challenge and excite the world. Posited a century and a half ago, the

Riemann Hypothesis is an intellectual feast for the cognoscenti and the curious alike. Not just a story of numbers and calculations, *Prime Obsession* is the engrossing tale of a relentless hunt for an elusive proof — and those who have been consumed by it. We live in an age of obsession. Not only are we hopelessly devoted to our work, strangely addicted to our favorite television shows, and desperately impassioned about our cars, we admire obsession in others: we demand that lovers be infatuated with one another in films, we respond to the passion of single-minded musicians, we cheer on driven athletes. To be obsessive is to be American; to be obsessive is to be modern. But obsession is not only a phenomenon of modern existence: it is a medical category—both a pathology and a goal. Behind this paradox lies a fascinating history, which Lennard J. Davis tells in *Obsession*. Beginning with the roots of the disease in demonic possession and its secular successors, Davis traces the evolution of obsessive behavior from a social and religious fact of life into a medical and psychiatric problem. From obsessive aspects of professional specialization to obsessive compulsive disorder and nymphomania, no variety of obsession eludes Davis's graceful analysis. "I LOVE A WOMAN WITH AN APPETITE." If only he knew! The moment powerful Alexandr sees the innocent American student, he knows that he must have her, whatever it takes. He will make her his, teach her for the first time what it means to feel the force of a

Russian man who knows exactly how to take whatever he wants. When Cate first encounters Alexandr, the sight of his huge, gorgeous body makes her fearful, not knowing how to react to the powerful man's insistent demands. She is reluctant to trust him until she learns how passionate and determined he is to protect her and give her everything she needs in the long, blue nights. This hot, insta-love romance has enough pent-up passion and fulfillment of raw, surging need to start a forest fire. I never wanted a mate. Until I was put in chains. Strapped down. And claimed. I always believed I could analyze any situation until I found a solution. Solve any problem if I just applied my brain. I went to university, studied science and told myself my academic cocoon would protect me from the alphas dominating our society. I was wrong. No textbook prepared me for my meeting with test subject 351. The biggest, scariest alpha on death row, hauled into my lab to uncover how to control the beast of a man. How to make him submit. Mold him into a weapon. But there is no controlling the feral alpha, and no logic strong enough to save my mind once he unleashes his fury on my body. Once he claims me. Obsession is the first book in Nora Ash's second suspense-filled Omegaverse serial, Feral. Please note: This series gets dark, and it gets dirty. If you don't enjoy your romance scorching and your alphas rough & dominant, give this book a pass. Perfect for fans of Katy Evans, the first novel in the Dark

Obsession series tells the story of a beautiful wallflower who falls for a chiseled street fighter—and learns just how dangerous love can be. Beatrix Becker spent most of her life under the thumb of her controlling, abusive father. And now that she’s free and attending her dream college, she has no idea how to act like the normal crowd: partying, going on dates, even having a conversation. Then she meets Serge Sorensen. Big and surly with a whole host of riotous tattoos, Serge is supposed to scare the hell out of her. But beneath his harsh exterior, Beatrix discovers a kindred spirit who knows what it’s like to be a misfit. Most exhilarating—and terrifying—is what he does for a living: illegal street fighting. There’s nothing like the rush Serge gets from the intense athleticism and brutal glory of combat—though his chemistry with Beatrix comes close. Slowly at first, he introduces her to his world, where he lives by instinct, passion, and desire. He even helps her out with her equally traumatized brother. But when Serge gets in too deep with the wrong people, he ends up paying in blood. And suddenly, just as Beatrix has been drawn into Serge’s perfectly sculpted arms, she’s thrown once and for all into the fight of his life. Praise for *Never Loved* “Sizzling heat and a unique writing style drew me in immediately and kept me riveted. I could not put this book down!”—USA Today bestselling author Jamie K. Schmidt “*Never Loved* will keep you reading way past your bedtime and leave you tingling in all the right places.

Charlotte Stein delivers a sinfully sexy read. I couldn't put it down.”—Gina Gordon, author of Rush “I really enjoyed this one and I cannot wait until the next book, Never Sweeter. I'm quite intrigued by it and I'm really looking forward to reading it.”—Straight Shootin' Book Reviews “An enjoyable read with a wonderful hero who I will remember every night in my dreams.”—Words of Wisdom from the Scarf Princess Includes an excerpt from another Loveswept title. Book 1 of the Obsessed Bounty Hunter Romance Series A New Adult Romance Story Jacqui learns about her dead father's secret that changes her life forever. ***Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only*** Jacqui Schneider couldn't help it. Everytime the memories of her family's brutal murder haunted her, she had to escape. The only thing that could replace her sorrow was sex... and lots of it. And so Jacqui developed a pattern of self-destruction by sleeping with random men that she picked up at a local hotel bar. She made sure the men were attached and from out of town. That way, there were never any strings attached. Depressed and with no goal in sight, Jacqui continued on with her self-deprecating lifestyle until it all changed one day. Uncle Max, an old family friend, appeared unannounced. He was Jacqui's father's buddy from their former military days and the two have remained close friends since they were discharged. Jacqui was

astonished when Uncle Max revealed a secret to her about her father. From those few words, Jacqui's world turned completely upside down. She really didn't know her own father. In fact, she didn't even know much about Uncle Max, except that he visited them for a few days at a time over the years. Download the story to find out what happens. (woman with a gun, new adult romance with sex, possessive alpha male romance, new adult college romance, United States, coming of age romance, romance and sex series short stories, free ebook) He's the leader of the mountain rescue service. She might just need saving. Lochie For too long, I've been alone. Just me and my daughter. Keeping her safe is everything, so taking a job in the remote Scottish Highlands suits us fine. I shouldn't need anything more. Yet I'm beyond distracted by a lass. Smart, beautiful, and living right next door, Cait McRae makes it clear she's not interested. Every sly glance tells another story. It's all I can do not to throw her over my shoulder and take her home. Cait might claim she only wants to explore the physical, but I know she's wrong. She's mine. If the people pursuing us both don't destroy what we've found. Cait I always knew I was different. No one ever caught my eye. Until a huge, scowling man moves in next door. He's the new head of the mountain rescue service, and a single dad to a sweet little girl. Turns out, I'm a late bloomer, as all I can think about is Lochie. But someone else wants me. A series of strange events point to

one conclusion. I have a stalker, and the danger I'm in is only just starting. -- The Wild Mountain Scots series follows on from the Wild Scots series with more of your favourite McRaes. Meet the brooding, tough, protective men of the mountain rescue and the beautiful women who tame their hearts. Download Obsessed now! A New Adult Romance Story Jacqui learns about her dead father's secret that changes her life forever. ***Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only*** This complete set contains Books 1 to 3 Book 1 - Secrets Revealed Jacqui Schneider couldn't help it. Every time the memories of her family's brutal murder haunted her, she had to escape. The only thing that could replace her sorrow was sex...and lots of it. Jacqui was astonished when Uncle Max revealed a secret to her about her father. From those few words, Jacqui's world turned completely upside down. She really didn't know

her own father. In fact, she didn't even know much about Uncle Max, except that he visited them for a few days at a time over the years. Find out what Jacqui's father's secret was and how it turned her world upside down. Book 2 - Heart Surrendered Jacqui thought the training was tough. But keeping her mind concentrated on her task was even tougher after meeting her new trainer. Adam had a rugged handsome face and ripped abs. She hated that Adam was so demanding. Jacqui's boxing technique was never up to his standards. How can she hate someone so much and yet feel such strong attraction? Was he flirting with her while trying to show her the correct stance? If so, the game of seduction was on. Book 3 - Rapid Pulse Bounty With her new skills fully developed, Jacqui was a confident bounty hunter with a few successful captures under her belt. Things were looking up for her. The only thing missing in her life right now was Adam. She hadn't seen him since before her first successful mission. He had left before she could show off her triumph. Jacqui admitted to herself that she was in love with a man who belonged to someone else. Download the complete set to read the entire series. (romance, alpha, bad boy, new adult romance, military romance, short stories, United States, woman with a gun, college romance, box set romance novels, box set chick lit) In the suburbs of Chicago, Jayceon and Leah were all set to start their new lives together as husband and wife. In Jace, Leah thought she married the perfect

man until she accidentally stumbles across his deleted secret that quickly turns her sanity, and their marriage, upside down. The night before Jayceon marries Leah, he hits the record button on his iPhone when the curvaceous dancer—Jessica Fox—from his bachelor party makes her way back to his hotel suite. Soon after, the nasty recorded mistake comes back to haunt Jace, and the stripper, in the worst way possible. ? The life Leah planned with Jace rapidly spins out of control when she becomes obsessed with the X-rated video, and the girl in it. Leah will do whatever it takes to right her new husband wrong, even if it means getting rid of Jessica Fox for good . . . The large print edition of the riveting new novel from the #1 New York Times bestselling author of *The Liar*. "She stood in the deep, dark woods, breath shallow and cold prickling over her skin despite the hot, heavy air. She took a step back, then two, as the urge to run fell over her." Naomi Bowes lost her innocence the night she followed her father into the woods. In freeing the girl trapped in the root cellar, Naomi revealed the horrible extent of her father's crimes and made him infamous. No matter how close she gets to happiness, she can't outrun the sins of Thomas David Bowes. Now a successful photographer living under the name Naomi Carson, she has found a place that calls to her, a rambling old house in need of repair, thousands of miles away from everything she's ever known. Naomi wants to embrace the solitude, but the kindly residents of

Sunrise Cove keep forcing her to open up--especially the determined Xander Keaton. Naomi can feel her defenses failing, and knows that the connection her new life offers is something she's always secretly craved. But the sins of her father can become an obsession, and, as she's learned time and again, her past is never more than a nightmare away. The gripping first installment in New York Times bestselling author Tahereh Mafi's *Shatter Me* series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series! She fears the dark. He rules it. Her dresses are too tight, her heels too tall. She laughs too loudly, eats without decorum, and mixes up most sayings in the book. Little do most know it's just a sparkly disguise, there to hide one panic attack at a time. Nobody can crack Gianna's facade . . . no one anyway, until he comes along. Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the

heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . . One winter night and their lives intertwine. She hates him--his stone-cold demeanor, his arrogance and too-perceptive eye--but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to live to play with him. Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and married, but none of that can stop his eyes from following her wherever she goes. All along, she doesn't even know that she's his--his frustration, his fascination. His maddest obsession.*Can be read as a standalone After an almost fatal car crash, novelist Paul Sheldon finds himself being nursed by a deranged fan who holds him captive. I wanted him from the moment I laid eyes on him and from that point on, the question wasn't if I'd have him but when...Thirty-five-year-old Matias de la Vega is good at one thing and one thing only. Though he doesn't officially carry the title of killer when it comes to his role in an underground vigilante group, he's got no problem getting his hands dirty if it means getting justice for those who can't get it on their own. Such is the case when single dad Sam Wittier is confronted by a stalker bent on murder. While neutralizing the threat is

all in a day's work for Matias, what comes after is anything but. Although Matias isn't particularly surprised by his attraction to the older Sam, his inability to walk away from the still-grieving widower is a complication. An unexpected and dangerous complication... Nothing about the mysterious Matias makes sense to me. The emotionally distant soldier says what he means and takes what he wants. And for whatever reason, what he wants is me. That should have me running for the hills. It should, but it doesn't... For fifty-something Sam Wittier, life is as good as it's been since he lost the man of his dreams more than two decades earlier. After handing the reins of his successful business over to his older son, Sam is happy to settle into the quiet, simple life of being a full-time single dad to his newly adopted little boy. Unfortunately, life didn't get the message. After nearly losing everything to a deranged stalker, Sam finds himself face to face with a man who is anything but quiet and simple. There's no reason he should want the unpredictable, take-no-prisoners Matias in his life or his bed, but just like life, his body isn't getting the message. One night with Sam is all I need to get him out of my head for good. One night will be enough to end my obsession with him. It has to be... While Sam and Matias share a white-hot chemistry that neither has ever known before, that's about all they have in common. But as one passionate encounter leads to another and the line between obsession and need begins to blur, will

Matias and Sam find that maybe they aren't so different after all? And what will that mean for the ghosts of the past that have haunted each man for so long? The ghosts that are willing to be buried as well as the ones that aren't...***Although not required, it is highly recommend that you read "Protecting Elliot: A Protector's Novella" prior to reading Obsessed. The books feature separate couples but overlap when it comes to timeline/plot. Pulse - Part Three: Jessica wanted to believe Nathan was a changed man. The lust filled promises he made in bed are no match for the reality that she's now holding in the palm of her hand. Sex drives men like Nathan Moore. She suspected it, then experienced it and now there's absolutely no denying it. She knows what the right thing to do is. He knows that he's never met anyone like her. Jessica struggles to forget him as Nathan's desire for her consumes him. His compulsive need to possess her pushes him in ways that will change them both forever. Just how far is Nathan Moore willing to go to have the one woman he claims he can't live without? "A book to rival TWILIGHT and VAMPIRE DIARIES, and one that will have you wanting to keep reading until the very last page! If you are into adventure, love and vampires this book is the one for you!" --Vampirebooksite.com (regarding Turned) OBSESSED is Book #12—and the final book—of the bestselling series THE VAMPIRE JOURNALS, which begins with TURNED (Book #1)--a free download with over 900 five star

reviews! In *OBSESSED*, 16 year old Scarlet Paine races to save her true love, Sage, before he is killed at the hand of the Immortalists. Alienated from her friends and family—and with only one night left before Sage is wiped out—Scarlet is forced to choose whether to sacrifice it all for him. Caitlin and Caleb race desperately to save their daughter, still determined to find a way to cure Scarlet and to end vampirism for all time. Their quest leads them to one shocking secret after the next as they seek to find the ancient, lost vampire city, hidden deep beneath the Sphinx in Egypt. What they find may just change the destiny of the vampire race for all time. Yet it may still be too late. The Immortalist nation is intent on killing Scarlet and Sage, while Kyle, too, is on a murderous rampage, turning Vivian and the entire high school into his own vampire army, set on destroying the town. In *OBSESSED*, the shocking finale of the 12 book series *THE VAMPIRE JOURNALS*, Scarlet and Caitlin will be left with a monumental choice—one that will change the world forever. Will Scarlet make the ultimate sacrifice to save Sage’s life? Will Caitlin give up everything to save her daughter? Will they both risk everything for love? “Morgan Rice proves herself again to be an extremely talented storyteller...This would appeal to a wide range of audiences, including younger fans of the vampire/fantasy genre. It ended with an unexpected cliffhanger that leaves you shocked.” –The Romance Reviews (regarding *Loved*) This

is not just a love story, it's an obsession... This combined edition of The Obsessed Novella Series includes the following five standalone stories: FOREVER HIM ONLY HIM NEEDING HIM LOVING HER TEMPTING HIM Note: All books in the Obsessed series are standalone novellas. It is intended for audiences over 18 years of age. Her plea was simple: help me. But in my world, nothing is free, and I know exactly what I want. Her body is currency, a trade of flesh for favor and nothing more. At least that's what I tell myself. Every kiss, every touch pulls me deeper under her spell. I won't rest until she's mine. 'With the call of 'Hey, you guys! Let's get to work,' women and men shoulder drills and picks, board cranes and cement mixers, and set their equipment bulldozing and steamrolling across vibrant page spreads. Barton generates the excitement of road and building construction for young sidewalk engineers.' —BL. 1988 Fanfare Honor List (The Horn Book) Notable 1987 Children's Trade Books in Social Studies (NCSS/CBC) Outstanding Science Trade Books for Children 1987 (NSTA/CBC) 1987 Children's Books (NY Public Library) Pretty Obsessed is an out-for-you romance, with a dirty-talking, obsessive rockstar who falls for a cinnamon roll writer. This is book one in The Pretty Broken series. All books follow a different couple. Living in Los Angeles in the early 1970s, real-estate dealer Stephen Friedman becomes hungry for answers after he discovers a deceased woman's

papers that indicate she owned a priceless religious relic, and that she may have been his mother. A Good Morning America Buzz Pick, and A Most Anticipated Book of 2022 by BuzzFeed, The Millions, Goodreads, Bustle, BookRiot, and The Nerd Daily "If you've ever felt tempted to 'keep tabs on' a partner's ex on Instagram and then found yourself down a rabbit hole of their vacation posts from three years ago, this debut novel—which follows a 24-year-old New Yorker named Naomi who becomes obsessed with her boyfriend's former girlfriend—is for you."—Vogue, "Best New Beach Reads" Twenty-four-year-old New York bookseller Naomi Ackerman is desperate to write a novel, but struggles to find a story to tell. When, after countless disastrous dates, she meets Caleb—a perfectly nice guy with a Welsh accent and a unique patience for all her quirks—she thinks she's finally stumbled onto a time-honored subject: love. Then Caleb's ex-girlfriend, Rosemary, enters the scene. Upon learning that Rosemary is not safely tucked away in Caleb's homeland overseas, but in fact lives in New York and also works in the literary world, Naomi is threatened and intrigued in equal measure. If they both fell for the same man, what else might they have in common? The more Naomi learns about Rosemary, the more her curiosity consumes her. Before she knows it, her casual Instagram stalking morphs into a friendship under false pretenses—and becomes the subject of her nascent novel. As her

lies and half-truths spiral out of control, and fact and fiction become increasingly difficult to untangle, Naomi must decide what—and who—she’s willing to sacrifice to write the perfect ending. A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act “normal,” the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-

compulsive disorder. This brave memoir tracks Allison's descent and ultimately hopeful climb out of the depths. This Open Access biography chronicles the life and achievements of the Norwegian engineer and physicist Rolf Widerøe. Readers who meet him in the pages of this book will wonder why he isn't better known. The first of Widerøe's many pioneering contributions in the field of accelerator physics was the betatron. He later went on to build the first radiation therapy machine, an advance that would eventually revolutionize cancer treatment. Hospitals worldwide installed his machine, and today's modern radiation treatment equipment is based on his inventions. Widerøe's story also includes a fair share of drama, particularly during World War II when both Germans and the Allies vied for his collaboration. Widerøe held leading positions in multinational industry groups and was one of the consultants for building the world's largest nuclear laboratory, CERN, in Switzerland. He gained over 200 patents, received several honorary doctorates and a number of international awards. The author, a professional writer and maker of TV documentaries, has gained access to hitherto restricted archives in several countries, which provided a wealth of new material and insights, in particular in relation to the war years. She tells here a gripping and illuminating story. All she wanted was to dance...Kaia Benson had it all. She had friends, a great boyfriend and best of all, she was living her dream as a dancer. But that

all comes crashing down the moment He laid eyes on her. All he wanted was her...Blaise Lundgaard lived a charmed life. With plenty of money and women at his disposal, he could have anything and anyone he wanted. But when a lovely dancer comes twirling into his life, he's determined to have her. Willing to lie, cheat and blackmail to get what he wants, Blaise commences a relentless pursuit that leaves Kaia breathless. But in the end, will he only end up hurting himself?
