Growing Up Gangster Oct 04 2021 Powerful...Poignant...Inspiring As a child growing up in South Central Los Angeles, Gregory Marshall was enamored with the fast life. Money, women and cars were the things to have and Greg was determined to get them-by any means necessary. It wasn't long before the innocent youngster had turned into a cold-hearted gangster known around town simply as G Man. His ruthless life of crime made him a legend in South Central LA-and the go-to man for everyone from Tupac Shakur to the notorious Monster Kody. But a drug deal gone bad eventually left him shot and near death...forcing him into the ultimate struggle for survival. Faced with intense rehabilitation and paralysis that had crippled the entire right side of his body, Greg had two choices, give up or get up. He chose the latter. And with the use of only one finger, he wrote his story through gritty, breathtaking, and sometimes brutal details...including his anger at injustices, the pain of

abandonment and one unlikely act of kindness that started him on the path of healing and forgiveness.

The Car Book, 1990 Jul 21 2020 With sales of more than 47,000 copies in 1989, The Car Book has earned its place as the top consumer guide to buying a new car. How to Drift Apr 17 2020 Drifting is the newest, most exciting motorsport we have seen in the United States since the invention of the limited slip differential - it may be the most exhilarating contest of man and machine ever devised! From the winding mountain passes and desolate industrial roads of Japan, this unique sport of sliding a car sideways through a series of corners has become a huge hit in America. Drifting, or dorifto as they call it in Japan, extracts the most exciting aspect auto racing, extreme oversteer, and makes it the focus of an intense and visually intoxicating new motor sport. How to Drift: The Art of Oversteer is a comprehensive guide to both the driving technique and car setup required for drifting. The author defines various precision driving techniques used in drifting and explains them from a racecar driver's point of view. How to Drift illustrates the finer elements of car control required in drifting with technical descriptions, detailed line art and intense photography. This book even includes a budget drift car build-up with detailed suspension, chassis, and engine modifications that will help you turn your economy car into a drift machine— on top of that, there's a chapter detailing the finer aspects of an SR20DET swap!

Popular Science Feb 14 2020 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
