One hundred years ago, 40 cars lined up for the first Indianapolis 500. We are still waiting to find out who won. The Indy 500 was created to showcase the controversial new sport of automobile racing, which was sweeping the country. Daring young men were driving automobiles at the astonishing speed of 75 miles per hour, testing themselves and their vehicles. With no seat belts, hard helmets or roll bars, the dangers were enormous. When the Indianapolis Motor Speedway opened in 1909, seven people were killed, some of them spectators. Oil-slicked surfaces, clouds of smoke, exploding tires, and flying grit all made driving extremely hazardous, especially with the open-cockpit, windshield-less vehicles. Bookmakers offered bets not only on who might win but who might survive. But this book is about more than a race--it is the story of America at the dawn of the automobile age, a country in love with speed, danger, and spectacle.--From publisher description. The open ocean--that vast expanse of international waters--spreads across three-fourths of the globe. It is a place of storms and danger, both natural and manmade. And at a time when every last patch of land is claimed by one government or another, it is a place that remains radically free. With typically understated lyricism, William Langewiesche explores this ocean world and the enterprises--licit and illicit--that flourish in the privacy afforded by its horizons. But its efficiencies are accompanied by global problems--shipwrecks and pollution, the hard lives and deaths of the crews of the gargantuan ships, and the growth of two pathogens: a modern and sophisticated strain of piracy and its close cousin, the maritime form of the new stateless terrorism. This is the outlaw sea that Langewiesche brings startlingly into view. The ocean is our world, he reminds us, and it is wild. There are few remaining frontiers on our planet. But perhaps the wildest, and least understood, are the world's oceans: too big to police, and under no clear international authority, these immense regions of treacherous water play host to rampant criminality and exploitation. Traffickers and smugglers, pirates and mercenaries, wreck thieves and repo men, vigilante conservationists and elusive poachers, seabound abortion providers, clandestine oil-dumpers, shackled slaves and cast-adrift stowaways—drawing on five years of perilous and intrepid reporting, often hundreds of miles from shore, Ian Urbina introduces us to the inhabitants of this hidden world. Through their stories of astonishing courage and brutality, survival and tragedy, he uncovers a globe-spanning network of crime and exploitation that emanates from the fishing, oil, and shipping industries, and on which the world's economies rely. Both a gripping adventure story and a stunning exposé, this unique work of reportage brings fully into view for the first time the disturbing reality of a floating world that connects us all, a place where anyone can do anything because no one is watching. Dani is on a school trip to the zoo, and the teacher tells the children how to stay safe and not get lost. But Dani gets separated from the others. Suddenly another class is rushing up the path—and at the back of the noisy crowd is someone she recognizes: Ella! The good friends are so happy to be together again and Ella wants to play. What should Dani do? Follow her best friend in the whole world or do as the teacher said? The first, of course! From the bestselling author of *Fear and Loathing in Las Vegas*, the legendary Hunter S. Thompson's second volume of the "Gonzo Papers" is back. *Generation of Swine* collects hundreds of columns from the infamous journalist's 1980s tenure at the *San Francisco Examiner*. Here, against a backdrop of late-night tattoo sessions and soldier-of-fortune trade shows, Dr. Thompson is at his apocalyptic best—covering emblematic events such as the 1987-88 presidential campaign, with Vice President George Bush, Sr., fighting for his life against Republican competitors like Alexander Haig, Pat Buchanan, and Pat Robertson; detailing the GOP's obsession with drugs and drug abuse; while at the same time capturing momentous social phenomena as they occurred, like the rise of cable, satellite TV, and CNN—24 hours of mainline news. Showcasing his inimitable talent for social and political analysis, *Generation of Swine* is vintage Thompson—eerily prescient, incisive, and enduring. To Rory Yates being a Texas Ranger is about justice, but all of that changes when he is brought to a small southern town to help uncover the mysteries behind a local woman's death—only to discover corruption and lies. Texas Ranger Rory Yates is not keen for hero status. But it's unavoidable once his girlfriend, country singer Willow Dawes, writes a song about his bravery. Rory escapes his newfound fame when he's sent to the remote West Texas town of Rio Lobo, a municipality with two stoplights. And now, according to the Chief of Police, it has one too many Texas Rangers. Rio Lobo Detective Ariana Delgado is the one who requested Rory, and the only person who believes a local councilwoman's seemingly accidental death is a murder. Then Rory begins to uncover a tangle of small-town secrets, favors, and lies as crooked as Texas law is straight. To get to the truth before more people die, Rory is forced to take liberties with the investigation. The next ballad of Rory Yates may not be about a hero, but rather an outlaw song. Emerson Hough was an American author best known for writing western stories and historical novels. Emerson Hough (1857-1923) was an American author best known for writing western stories and historical novels. Career Hough was born in Newton, Iowa on June 28, 1857. He was in Newton High School's first graduating class of three in 1875. He graduated from the University of Iowa with a bachelor's degree in philosophy in 1880 and later studied law and was admitted to the bar in 1882. His first article, "Far

From *The Madding Crowd*," was published in *Forest and Stream* in 1882. He moved to White Oaks, New Mexico, practiced law there, and wrote for the White Oaks newspaper *Golden Era* for a year and a half, returning to Iowa when his mother was ill. He later wrote *Story of the Outlaw, A Study of the Western Desperado*, which included profiles of Billy the Kid and Pat Garrett. Hough moved to New Mexico after Garrett shot Billy the Kid, and he became a friend of Garrett. He wrote for various newspapers in Des Moines, Iowa, Sandusky, Ohio, Chicago, Illinois, St. Louis, Missouri, and Wichita, Kansas. In 1889 he got a position as western editor of *Forest and Stream*, editing the "Chicago and the West" column. He was hired by George Bird Grinnell, the owner of *Field and Stream*, who founded the Audubon Society in 1886 which, along with Theodore Roosevelt's Boone and Crockett Club, was a leader in the conservation movement. Hough was also a conservationist. One of his projects for *Forest and Stream* was to survey Yellowstone National Park in midwinter 1893, with a guide and 2 soldiers from the nearby fort of the same name. There were supposed to be more than 500 buffalo there, but their count barely reached 100. Due to Hough's report, eastern newspapers took up the cause against poaching, and in May 1894 the U.S. Congress passed a law making poaching of game in national parks a punishable offense. Later, he and other *Saturday Evening Post* writers wrote a letter for Stephen Mather and George Horace Latimer to sign, advocating the creation of a national park system. The National Park Service was created in 1916. In addition, he was a co-founder of the Izaak Walton League, an organization of outdoorsmen, in 1922. He wrote the "Out-of-Doors" column for the *Saturday Evening Post* and these columns later appeared in book form..... Johnny Maverick has come up with an idea to win a fundraising contest for the Howling Timberwolves hockey team. It seems fun, until a girl visits Howling—and starts to win challenges against Johnny. Kwon) adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West. In the year of our Lord 1894, I became an outlaw. The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows. "For a century Butch Cassidy has been the subject of legends about his life and death, spawning a small industry of mythmakers and a major Hollywood film. Charles Leerhsen sorts out fact from fiction to find the real Butch Cassidy, who is far more complicated and fascinating than legend has it"-- In the tradition of Bernard Cornwell and Ben Kane, Outlaw is a rousing historical novel that mixes legend with fact to bring to life the time, the lives and the struggles of late 12th century England. As the Henry II struggles with his rebellious children and the conflict between the Saxon nobility and the Norman conquerors continues on as bloody as ever, there is a figure that has remained firmly fixed in the imagination of generations - Robin Hood, an outlaw and a renegade nobility determined to bring down the men who took his land, his family, and his position. A tough, bloodthirsty warrior, Robin is more feared than any man in the county. And he becomes a mentor for Alan; with his fellow outlaws, Robin teaches Alan how to fight - and how to win. But Robin is a ruthless man - and although he is Alan's protector, if Alan displeases him, he could also just as easily become his murderer...From bloody battles to riotous feast days to marauding packs of wolves, Outlaw is a gripping, action-packed historical thriller that delves deep into the fascinating legend of Robin Hood. From the king of "Gonzo" journalism and bestselling author who brought you Fear and Loathing in Las Vegas comes another astonishing volume of letters by Hunter S. Thompson. Brazen, incisive, and outrageous as ever, this second volume of Thompson's private correspondence is the highly anticipated follow-up to The Proud Highway. When that first book of letters appeared in 1997, Time pronounced it "deliriously entertaining"; Rolling

Stone called it "brilliant beyond description"; and The New York Times celebrated its "wicked humor and bracing political conviction." Spanning the years between 1968 and 1976, these never-before-published letters show Thompson building his legend: running for sheriff in Aspen, Colorado; creating the seminal road book *Fear and Loathing in Las Vegas*; twisting political reporting to new heights for *Rolling Stone*; and making sense of it all in the landmark *Fear and Loathing on the Campaign Trail '72*. To read Thompson's dispatches from these years—addressed to the author's friends, enemies, editors, and creditors, and such notables as Jimmy Carter, Tom Wolfe, and Kurt Vonnegut—is to read a raw, revolutionary eyewitness account of one of the most exciting and pivotal eras in American history.
