My Sisters Telegraphic Aug 07 2021 "This study also explores the surprising parallels between the telegraphy of the nineteenth century and the work of women in technical fields today. The telegrapher's work, like that of the modern computer programmer, involved translating written language into machine-readable code. And anticipating the Internet by over one hundred years, telegraphers often experienced the gender-neutral aspect of the "cyberspace" they inhabited."--BOOK JACKET.

Columbia Business School Jul 06 2021 Featuring interviews with topflight scholars discussing their work and that of their colleagues, this retrospective of the first hundred years of Columbia Business School recounts the role of the preeminent institution in transforming education, industry, and global

society. From its early years as the birthplace of value investing to its seminal influence on Warren Buffett and Benjamin Graham, the school has been a profound incubator of ideas and talent, determining the direction of American business. In ten chapters, each representing a single subject of the school's research, senior faculty members recount the collaborative efforts and innovative approaches that led to revolutionary business methods in fields like finance, economics, and accounting. They describe the pioneering work that helped create new quantitative and stochastic tools to enhance corporate decision making, and they revisit the groundbreaking twentieth-century marketing and management paradigms that continue to affect the fundamentals of global business. The volume profiles several prominent centers and programs that have helped the school adapt to recent advancements in international business, entrepreneurship, and social enterprise. Columbia Business School has long offered its diverse students access to the best leaders and thinkers in the industry. This book not only reflects on these relationships but also imagines what might be accomplished in the next hundred years.

Marco Polo Didn't Go There Mar 02 2021 Marco Polo Didn't Go There is a collection of rollicking travel tales from a young writer USA Today has called "Jack Kerouac for the Internet Age." For the past ten years, Rolf Potts has taken his keen postmodern travel sensibility into the far fringes of five continents for such prestigious publications as National Geographic Traveler, Salon.com, and The New York Times Magazine. This book documents his boldest, funniest, and most revealing journeys—from getting stranded without water in the Libyan desert, to crashing the set of a Leonardo DiCaprio movie in Thailand, to learning the secrets of Tantric sex in a dubious Indian ashram. Marco Polo Didn't Go There is more than just an entertaining journey into fascinating corners of the world. The book is a unique window into travel writing, with each chapter containing a "commentary track"—endnotes that reveal the ragged edges behind the experience and creation of each tale. Offbeat and insightful, this book is an engrossing read for students of travel writing as well as armchair wanderers.

Ask a Manager May 16 2022 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Circular No. A-11 Feb 19 2020 The June 2019 OMB Circular No. A-11 provides guidance on preparing the FY 2021 Budget and instructions on budget execution. Released in June 2019, it's printed in two volumes. This is Volume I. Your budget submission to OMB should build on the President's commitment to advance the vision of a Federal Government that spends taxpayer dollars more efficiently and effectively and to provide necessary services in support of key National priorities while reducing deficits. OMB looks forward to working closely with you in the coming months to develop a budget request that supports the President's vision. Most of the changes in this update are technical revisions and clarifications, and the policy requirements are largely unchanged. The summary of changes to the Circular highlights the changes made since last year. This Circular supersedes all previous versions. VOLUME I Part 1-General Information Part 2-Preparation and Submission of Budget Estimates Part 3-Selected Actions Following Transmittal of The Budget Part 4-Instructions on Budget Execution VOLUME II Part 5-Federal Credit Part 6-The Federal Performance Framework for Improving Program and Service Delivery Part 7-Appendices

Why buy a book you can download for free? We print the paperback book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the bound paperback from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these paperbacks as a service so you don't have to. The books are compact, tightly-bound paperback, full-size (8 1/2 by 11 inches), with large text and glossy covers. 4th Watch Publishing Co. is a HUBZONE SDVOSB. <https://usgovpub.com>

The Origin and Evolution of New Businesses Oct 09 2021 What is this mysterious activity we call entrepreneurship? Does success require special traits and skills or just luck? Can large companies follow their example? What role does venture capital play? In a field dominated by anecdote and folklore, this landmark study integrates more than ten years of intensive research and modern theories of business and economics. The result is a comprehensive framework for understanding entrepreneurship that provides new and penetrating insights. Examining hundreds of successful ventures, the author finds that the typical business has humble, improvised origins. Well-planned start-ups, backed by substantial venture capital, are exceptional. Entrepreneurs like Bill Gates and Sam Walton initially pursue small, uncertain opportunities, without much capital, market research, or breakthrough technologies. Coping with ambiguity and surprises, face-to-face selling, and making do with second-tier employees is more important than foresight, deal-making, or recruiting top-notch teams. Transforming improvised start-ups into noteworthy enterprises requires a radical shift, from "opportunistic adaptation" in niche markets to the pursuit of ambitious strategies. This requires traits such as ambition and risk-taking that are initially unimportant. Mature corporations have to pursue entrepreneurial activity in a much more disciplined way. Companies like Intel and Merck focus their resources on large-scale initiatives that scrappy entrepreneurs cannot undertake. Their success requires carefully chosen bets, meticulous planning, and the smooth coordination of many employees rather than the talents of a driven few. This clearly and concisely written book is essential for anyone who wants to start a business, for the entrepreneur or executive who wants to grow a company, and for the scholar who wants to understand this crucial economic activity.

Reaching the Marginalized Sep 08 2021 Children at risk of marginalization in education are found in all societies. At first glance, The lives of these children may appear poles apart. The daily experiences of slum dwellers in Kenya, ethnic minority children in Viet Nam and a Roma child in Hungary are very different. What they have in common are missed opportunities to develop their potential, realize their hopes and build a better future through education. A decade has passed since world leaders adopted the Education for All goals. While progress has been made, millions of children are still missing out on their right to education. Reaching the marginalized identifies some of the root causes of disadvantage, both within education and beyond, and provides examples of targeted policies and practices that successfully combat exclusion. Set against the backdrop of the global economic crisis, The Report calls for a renewed financing commitment by aid donors and recipient governments alike to meet the Education for All goals by 2015. This is the eighth edition of the annual EFA Global Monitoring Report. The Report includes statistical indicators on all levels of education in more than 200 countries and territories.

Hattie Kavanaugh went to work restoring homes for Kavanaugh & Son Restorations at eighteen, married the boss's son at twenty, and became a widow at twenty-five. Now, she's passionate about her work, but that's the only passion in her life. "Never love something that can't love you back," is advice her father-in-law gives her, but Hattie doesn't follow it and falls head-over-heels for a money pit of a house. She's determined to make it work, but disaster after disaster occurs, and Hattie's dream might cost Kavanaugh & Son their livelihood. Hattie needs money, and fast. When a slick Hollywood producer shows up in her hometown of Savannah, Georgia, she gets a once-in-a-lifetime opportunity: star in a beach house renovation reality show called The Homewreckers, cast against a male lead who may be a love interest, or may be the ultimate antagonist. Soon, there's more at stake than bad pipes and dry rot: during the demolition, evidence comes to light that points to the mysterious disappearance of a young wife and mother years before. With a burned out detective investigating the case, an arsonist on the loose, two men playing with her emotions, and layers upon layers of vintage wallpaper causing havoc, it's a question of who will flip, who will flop, and if Hattie will ever get her happily-ever-after.

Davis-Bacon Construction Wage Determinations May 24 2020 Your Ad Here Feb 01 2021 2015 Susanne K. Langer Award for Outstanding Scholarship, Media Ecology Association 2013 Book of the Year, Visual Communication Division, National Communication Association Amidst the profound upheavals in technology, economics, and culture that mark the contemporary moment, marketing strategies have multiplied, as brand messages creep ever deeper into our private lives. In *Your Ad Here*, an engaging and timely new book, Michael Serazio investigates the rise of "guerrilla marketing" as a way of understanding increasingly covert and interactive flows of commercial persuasion. Digging through a decade of trade press coverage and interviewing dozens of agency CEOs, brand managers, and creative directors, Serazio illuminates a diverse and fascinating set of campaign examples: from the America's Army video game to Pabst Blue Ribbon's "hipster hijack," from buzz agent bloggers and tweeters to *The Dark Knight's* "Why

So Serious?" social labyrinth. Blending rigorous analysis with eye-opening reporting and lively prose, Your Ad Here reveals the changing ways that commercial culture is produced today. Serazio goes behind-the-scenes with symbolic creators to appreciate the professional logic informing their work, while giving readers a glimpse into this new breed of "hidden persuaders" optimized for 21st-century media content, social patterns, and digital platforms. Ultimately, this new form of marketing adds up to a subtle, sophisticated orchestration of consumer conduct and heralds a world of advertising that pretends to have nothing to sell.

In Every Mirror She's Black Jan 20 2020 A Good Morning America Buzz Pick! As seen in Vulture, Essence, Good Morning America, The Independent, Goodreads, PureWow, and many more! "A sexy, surprising, searing debut about love, loss, desire, and the many dimensions of Black womanhood."—Deesha Philyaw, 2020 National Book Award Finalist & award-winning author of The Secret Lives of Church Ladies An arresting debut for anyone looking for insight into what it means to be a Black woman in the world. Three Black women are linked in unexpected ways to the same influential white man in Stockholm as they build their new lives in the

most open society run by the most private people. Successful marketing executive Kemi Adeyemi is lured from the U.S. to Sweden by Jonny von Lundin, CEO of the nation's largest marketing firm, to help fix a PR fiasco involving a racially tone-deaf campaign. A killer at work but a failure in love, Kemi's move is a last-ditch effort to reclaim her social life. A chance meeting with Jonny in business class en route to the U.S. propels former model-turned-flight-attendant Brittany-Rae Johnson into a life of wealth, luxury, and privilege—a life she's not sure she wants—as the object of his unhealthy obsession. And refugee Muna Saheed, who lost her entire family, finds a job cleaning the toilets at Jonny's office as she works to establish her residency in Sweden and, more importantly, seeks connection and a place she can call home. Told through the perspectives of each of the three women, *In Every Mirror She's Black* is a fast-paced, richly nuanced yet accessible contemporary novel that touches on important social issues of racism, classism, fetishization, and tokenism, and what it means to be a Black woman navigating a white-dominated society. Praise for *In Every Mirror She's Black*: "In Every Mirror She's Black is a wise and complicated exploration of the lives of three Black women in America and Sweden. Lola Akinmade Åkerström offers a sharply written story with messy, deeply moving characters, raising brutal questions and steering clear of easy answers. A book that will stick with you long after you've turned the last page." —Taylor Jenkins Reid, *New York Times* bestselling author of *Daisy Jones & The Six* and *Malibu Rising* "In Every Mirror She's Black highlights the struggles of three women fighting to assimilate into a society that ignores their worth. These characters will pull at your heartstrings. Lola writes with a contemporary flair, highlighting the layered subtleties of the Black woman's plight. *In Every Mirror She's Black* will stay with readers for a long time." —Nicole Dennis-Benn, author of bestselling novels *Here Comes the Sun* and *Patsy* "In her debut novel, Lola Akinmade Akerstrom has given us a story that is at once enjoyable and disturbing as it explores the painful price millions of women around the world pay for walking around with black skin." —Imbolo Mbue, *New York Times* bestselling author of *Behold the Dreamers*
