In *The Ultimate Gift*, Jason Stevens learns to appreciate the value of his life, while in *The Ultimate Life*, he learns the value of love. Now, in the touching conclusion to the trilogy, Jason learns that life's journey is all about traveling well--not about the destination. In *The Ultimate Journey*, readers will discover the secrets of a successful life, including - money helps pay for the trip, but should never be a destination - friends make the journey worthwhile - laughter lightens the load of any rough or rocky uphill road - time may be allotted in small or large portions but the moment is what counts - and so much more Do you know how to make your life a success? *The Ultimate Journey* packs a powerful message for all ages. A profound follow-up to the bestselling book and major motion picture, *The Ultimate Gift*. When Jason Stevens found out he had to jump through hoops to get an unnamed inheritance from his billionaire grandfather, he was not amused. By the time he'd finished learning the lessons, he'd become a different man. Ready to tackle the duties of running a multibillion-dollar trust, he is once again derailed, this time by his pugnacious family. Not content with their cattle ranches and oil fields, his aunts, uncles, and even his parents are determined to see every last dime entrusted to their own self-serving pockets. With none of the reluctance he initially showed for the gift, he eagerly accepts the challenge and pushes himself to prove, not only to his family and the court but also to the world, that with determination and the simple tenets of the gift,

anyone can lead the ultimate life. New York Times Bestseller "The ultimate behind-the-scenes account." —Washington Post "The definitive history of the landmark TV show." —USA Today

Regular cold-water immersion can improve your physical health and emotional well-being. Whether you are an elite athlete, a bio-hacker, a health and fitness enthusiast, or someone who is trying to reboot your immune system, cold water might be the missing piece to enhance your results. However, if you live in a warm climate, what options do you have? Cold showers are a good place to start, but do not provide consistent temperatures year-round, and most people find them to be uncomfortable at best. Buying and hauling ice gets expensive and takes a lot of time. Cryotherapy chambers are inconvenient and expensive. Commercially built cold plunges can cost several thousand - or tens of thousands - of dollars. So, what is a great solution for the average person? Convert a chest freezer into a cold plunge! However, chest freezers are not meant to hold water. Creating a personal cold plunge from a chest freezer is fraught with potential problems and missteps. If you don't set it up correctly, you can damage or break your chest freezer, waste hundreds of dollars and countless hours of time, or worse, injure yourself. After two years of research and modifications and helping more than 1,500 people from 72 countries in a private online group, John Richter has created a guide book that helps you convert a chest freezer into a cold plunge while avoiding costly mistakes and frustration. The Ultimate Chest Freezer Cold Plunge DIY Guide helps you: - Select the best

chest freezer - Design options for various budgets - Prevent rust and other damage- Choose equipment for easy use and maintenance- Keep your water clean- with or without chemicals- Be safe- Set the optimal temperature- Create a cold-water practice- Find the best training- Avoid costly mistakes- And much more Each chapter is easy to read and offers step-by-step directions. The book includes a buyer's guide, setup checklist, and a FAQ that answers more than 50 questions. This book is a must-have for professional athletes, students of the Wim Hof Method, followers of Dr. Jack Kruse, and anyone else who wants to take the benefits of cold training to the next level. A celebration of this colourful seven-piece phenomenon from Korea, exploring in detail the group's origins, members and super rise to success. This is an up to date guide to the best children's books around, from classics to titles published up to the end of 2003.
