HuffPost 20 Best Business Books of 2017 ? Learn communication skills secrets from one of the most successful TED Talks stars of all time Transform your communication skills: Have you ever felt like you're talking, but nobody is listening? Renowned five time TED Talks speaker and author Julian Treasure reveals how to speak so that people listen – and how to listen so that people feel heard. As this leading sound expert demonstrates via interviews with world-class speakers, professional performers and CEOs atop their field, the secret lies in developing simple habits that can transform our communication skills, the quality of our relationships and our impact in the world. Effective speaking, listening, and understanding skills: How to be Heard includes never-before-seen exercises to develop your communication skills that are as effective at home as in the boardroom or conference call. Julian Treasure offers an inspiring vision for a sonorous world of effective speaking, listening and understanding. Communication skills secrets and tips discussed in How to be Heard include: • Sound affects us all: How to make it work for you and improve your wellbeing, effectiveness and happiness. Why listening matters. How listening and speaking affect one another. • The seven deadly sins of speaking and listening: And how to avoid them; the four cornerstones of powerful speaking and listening. • How to listen and why we don't: Your listening filters, and how to use them. Five simple exercises to achieve conscious listening. Tips from great listeners. Inner listening. • Your voice: The instrument we all play, and how to play it beautifully. The power of your vocal toolbox and how to build your speaking power; tricks of great speakers; simple exercises and practices to develop your voice. • Saying what you mean: How to plan and structure content so you always hit the bullseye. Clean language. Secrets of rhetoric; great speeches unpacked; exercises and methods to achieve clarity, precision and impact. Five danger words to avoid. • Stagecraft: How to deliver a great talk. Practice, preparation, tools and aids, common mistakes and how to avoid them, stage presence - how to act and talk like a top professional speaker and win over any audience. The five most common errors and how to avoid them. Mosaic One: A Listening /Speaking Skills Book, 3/e, teaches learning strategies and language functions, while maintaining a strong focus on both listening and speaking. Each chapter teaches one learning strategy and one language function within the context of the chapter theme. Ideal for intermediate to high-intermediate students. LEAP 4 - Listening and Speaking (CEFR Level C1) is a task-based textbook for students preparing for college or university studies in English. It encourages students to apply critical-thinking skills as they engage in academic listening and speaking tasks across a range of disciplines. Entirely authentic listening and speaking texts, including video lectures, prepare students for the college classroom, while thought-provoking content challenges them to reflect on contemporary global issues. Featuring text-based vocabulary and skills practice and a variety of structured speaking assignments, LEAP 4 - Listening and Speaking offers students the skills they need to thrive in the English academic world. Interesting and academic listening texts Three authentic listening texts per chapter (two audio excerpts and one video excerpt) from a variety of genres including debates, interviews, lectures, podcasts and speeches, mostly Canadian sources, prepare students for the lectures and presentations they will encounter in academic courses. Varied and challenging activities Focus on Listening sections provide opportunities to learn listening skills and strategies, accompanied by well-structured and challenging activities to help students improve their ability to deal with university-level lectures and presentations. Linear and guided speaking tasks Warm-Up and Final Assignments integrate a process approach, as well as a genre approach, to guide students in preparing various types of presentations. Focus on Speaking activities develop more specific speaking skills, which students reinvest in the assignments. Academic vocabulary development Key words and vocabulary from the Academic Word List are highlighted in two Vocabulary Build sections in every chapter, giving students ample opportunity to expand their vocabulary. My eLab includes: Vocabulary review exercises Additional focuses: skills practice based on material from the book New content in four sections related in theme to the four chapter pairs in the book a new listening text comprehension questions vocabulary questions Vocabulary lists by chapter and AWL master list Audio and video clips for textbook listenings Introduction to reading. How reading comprehension works -- Building an effective reading curriculum: guiding principles -- Reading: instructional activities and assessment options -- Introduction to writing. Writing in a second language -- Building a writing curriculum and developing strategic writers -- Writing: instructional activities, feedback, and assessment options -- Introduction to listening. How listening comprehension works -- Building a listening curriculum -- Listening: instructional activities and assessment options -- Introduction to speaking. What's so special about speaking? -- Building an effective speaking curriculum: guiding principles -- Speaking: instructional activities and assessment options -- Language skill development and eap: a reflection on seven key themes Trio Listening and Speaking is a three-level course that helps beginner English students develop their listening and speaking skills through step-by-step instruction. Using a framework based on principles of teaching and learning, this guide for teachers and teacher trainees provides a wealth of suggestions for helping learners at all levels of proficiency develop their listening and speaking skills and fluency. By following these suggestions, which are organized around four strands – meaning-focused input, meaning-focused output, language-focused learning, and fluency development – teachers will be able to design and present a balanced program for their students. Teaching ESL/EFL Listening and Speaking, and its companion text, Teaching ESL/EFL Reading and Writing, are similar in format and the kinds of topics covered, but do not need to be used together. Drawing on research and theory in applied linguistics, their focus is strongly hands-on, featuring easily applied principles, a large number of useful teaching techniques, and guidelines for testing and monitoring. All Certificate, Diploma, Masters and Doctoral courses for teachers of English as a second or foreign language include a teaching methods component. The texts are designed for and have been field tested in such programs. Q: Skills for Success, Second Edition is a six-level paired skills series that helps students to think critically and succeed academically. With new note-taking skills, an extended writing syllabus and authentic video in every unit, Q: Skills for Success Second Edition equips students for academic success better than ever. This Student Book helps students to measure their progress, with clearly stated unit objectives that motivate students to achieve their language learning goals. And the online content, seamlessly integrated into the Student Book, allows teachers to truly implement blended learning into the classroom. This book focuses on the skills relevant to CAE Papers 4 and 5. Suitable for shorter courses, this split edition consists of 5 units, and includes full front and back matter, as well as access codes to the complete ten unit online workbook. A paired skills series uses a sustained content approach to teach skills necessary for taking academic courses in English. Academic Encounters Level 3 Teacher's Manual Reading and Writing Life in Society will contain general teaching guidelines for the course, tasks by task teaching suggestions, answers for all tasks, and chapter quizzes and quiz answers. This book presents the features - Task-based exercises developing essential skills; Grammar focus, providing training in aspects of grammar encountered; 16 thematic units for each component Exam know-how - exam tips, hints and approaches; Recorded interviews with real First Certificate candidates to develop speaking skills; providing training in receptive and productive grammar; 7 complete Paper 5 speaking practice exams and four complete Paper 4 listening practice exams. Paired skills course focusing on critical thinking, academic skills, and language students need most. Prism is a five-level (A1 to C1), American English paired-skills course (Reading/Writing and Listening/Speaking), created for students who need to develop a range of academic skills. This Level 1 (A2) Listening and Speaking Teacher's Manual contains teaching suggestions, video scripts, the student's book answer key, and unit quizzes with answer keys. Engage Literacy Oral Language Big Books were created to help students develop their use of language. The format is great for small groups, centers and the included interactive white board component allows students to use existing technology in your classroom or lab setting. The Oral Language Big Books are great for ELL/ESL students and provide students with opportunities for vocabulary development, sentence structure skills, expression as well as questioning and answering skills. The Oxford Skills World: Listening with Speaking Student Book / Workbook has six topics, and each topic has two units. There are clear learning goals on every page, each topic follows the same structure, and on-the-page characters Olly and Molly keep young learners active and engaged with the material. Advanced Level NorthStar is an innovative five-level, integrated-skills series for learners of English as a Second Language or English as a Foreign Language. The series is divided into two strands: listening/speaking and reading/writing. There are four books in each strand, taking students from Basic to Advanced. The two books at each level explore different aspects of the same contemporary themes such as the effect of food on mood, experimental punishments for juvenile offenders, the role of cars in modern life, privacy in the workplace, and alternative medicine. The parallel books in each strand are linked by grammar and vocabulary as well, providing the opportunity to recycle and reinforce the language while the content remains fresh and exciting. Providing children with opportunities to talk about their learning enables teachers to hear what children are thinking. Talking with one another allows children to question, elaborate, and reflect on a range of ideas. Classroom talk can be motivating and involving, and helps children to think and learn. And yet it is difficult to organise such talk in a classroom. Children unaware of the importance of talk for learning may think of talk as 'just chat' – and learning falls away as they slip into social talk. This book provides teachers with strategies and resources to enable whole classes to work together through the medium of talk. Creating a Speaking and Listening Classroom provides timely professional development for teachers. Based on a theoretical approach underpinned by classroom research, this book offers classroom-tested strategies for engaging children in their own learning. Such strategies involve the direct teaching of speaking and listening. Activities in the book can ensure that children know how and why to support one another's learning in whole-class and group work. The approach enables teachers to ensure that personalised learning programs are based on what children

already think and know. The suggested strategies for teaching speaking and listening can enable children to use one another's minds as a rich resource. This stimulating book will be of interest to professionals in primary education, literacy co-ordinators, and trainee primary teachers. Speaking Naturally is for intermediate and high intermediate ESL/EFL students who are interested in using English in social interaction. Each unit contains: " Presentation of language functions (thanking, agreeing, disagreeing, inviting, etc.) in both formal and informal situations" Informative readings on the cultural rules students need to know in real-life situations" Exercises and role plays for pairs and small groups, to encourage interaction" Short recorded dialogues, which expose students to a range of American accents and levels of formality. Speaking Naturally can be used as a classroom text, as a supplementary text, and for self-study. Q: Skills for Success, Second Edition is a six-level paired skills series that helps students to think critically and succeed academically. With new note-taking skills, an extended writing syllabus and authentic video in every unit, Q Second Edition equips students for academic success better than ever. Q Second Edition helps students to measure their progress, with clearly stated unit objectives that motivate students to achieve their language learning goals. And the online content, seamlessly integrated into the Student Book, allows teachers to truly implement blended learning into the classroom. Q: Skills for Success, Second Edition is a six-level paired skills series that helps students to think critically and succeed academically. With new note-taking skills, an extended writing syllabus and authentic video in every unit, Q Second Edition equips students for academic success better than ever. Q Second Edition helps students to measure their progress, with clearly stated unit objectives that motivate students to achieve their language learning goals. And the online content, seamlessly integrated into the Student Book, allows teachers to truly implement blended learning into the classroom. Pathways, Second Edition, is a global, five-level academic English program. Carefully-guided lessons develop the language skills, critical thinking, and learning strategies required for academic success. Using authentic and relevant content from National Geographic, including video, charts, and other infographics, Pathways prepares students to work effectively and confidently in an academic environment. Have Your Say 2 Listening and Speaking Skills and Practice is organized into eight theme-based chapters which cover a wide variety of interesting topics. The specific communicative goals in each chapter are achieved through diverse interactive communicative activities that emphasize the interdependence of listening, speaking, and pronunciation skills. Frequent collaboration in pairs and small groups motivates learners and provides them with the means for developing language proficiency and confidence in their ability to communicate. A four-level skills series for adults and young adults Learners can develop the skills they need to use English confidently wherever they are - at home, at work, travelling, studying or just in social situations with English-speaking friends. This edition comes without answers. Written for practicing and trainee English and Drama specialists, this text clarifies what constitutes useful knowledge about spoken English and how pupils aged 11-16 can develop their skills in speaking and listening through the use of drama. Pathways is available in split editions that is suitable for shorter courses. Each split edition consists of 5 units, and includes full front and back matter, as well as access codes to the complete ten unit online workbook. Targeting Listening and Speaking provides short and focused activities to help lower-proficiency ESL/EFL students improve their listening and speaking skills. It includes practice in both mastering the larger message and key words/phrases and specific words and sounds to assist students in developing better speaking and comprehension skills. Each unit has a general theme -- such as food, animals and pets, free time and hobbies, and travel -- around which all exercises are designed. The final unit consists of four listening tests that can be used to monitor progress. Each unit includes: dictation practice using dialogues listening skill development speaking practice listening to simple conversations sound practice with minimal pairs listening to simple lectures more speaking and discussion practice. Quizzes are available on the companion website. The audio material is available either on CD or cassette (there are 4 components for each). A comprehensive overview of important contemporary issues in the field of reading research from the mid 1980s to mid 1990s, this well-received volume offers readers an examination of literacy through a variety of lenses--some permitting microscopic views and others panoramic views. A veritable "who's who" of specialists in the field, chapter authors cover current methodology, as well as cumulative research-based knowledge. Because it deals with society and literacy, the first section provides the broadest possible view of literacy. The second section defines the range of activities culturally determined to be a part of the enterprise known as literacy. The third focuses on the processes that individuals engage in when they perform the act of reading. The fourth section visits the environment in which the knowledge that comprises literacy is passed on from one generation to the next. The last section, an epilogue to the whole enterprise of reading research, provides apt philosophical reflection. Talk is the medium through which children learn; and yet children may not realise why their contributions to classroom talk are so important. This book provides teachers with resources for developing children's understanding of speaking and listening, and their skills in using talk for learning. The Essential Speaking and Listening will: help children to become more aware of how talk is valuable for learning raise their awareness of how and why to listen attentively and to speak with confidence encourage dialogue and promote effective group discussion integrate speaking and listening into all curriculum areas help every child make the most of learning opportunities in whole class and group work contexts The inclusive and accessible activities are designed to increase children's engagement and motivation and help raise their achievement. Children will be guided to make the links between speaking, listening, thinking and learning and through the activities they will also be learning important skills for future life. Teachers, education students and teacher educators will find a tried-and-tested approach that makes a difference to children's understanding of talk and how to use it to learn. This guide for teachers and teacher trainees provides a wealth of suggestions for helping learners at all levels of proficiency develop their listening and speaking skills and fluency, using a framework based on principles of teaching and learning. By following these suggestions, which are organised around four strands—meaning-focused input, meaning-focused output, language-focused learning, and fluency development—teachers will be able to design and present a balanced programme for their students. Updated with cutting-edge research and theory, the second edition of Teaching ESL/EFL Listening and Speaking retains its hands-on focus and engaging format, and features new activities and information on emerging topics, including: Two new chapters on Extensive Listening and Teaching Using a Course Book Expanded coverage of key topics, including assessment, pronunciation, and using the internet to develop listening and speaking skills Easy-to-implement tasks and suggestions for further reading in every chapter More tools for preservice teachers and teacher trainers, such as a sample unit, a "survival syllabus", and topic prompts The second edition of this bestselling book is an essential text for all Certificate, Diploma, Masters, and Doctoral courses for teachers of English as a second or foreign language. Develop listening and speaking skills and acquire the Academic Word List. Inside Listening and Speaking is a five-level academic listening and speaking course that develops students' skills and teaches key academic vocabulary from the Academic Word List. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Chapters in the Quest Listening and Speaking books follow a consistent 5-part chapter structure that builds in difficulty and blends listening and speaking skills within the context of a particular academic area. Part One introduces the chapter topic with a short reading, discussion questions, and a journal writing activity. Part Two, Everyday English, features practice in listening to conventional English. These lively conversations and interviews appear on video as well as audio cassette, and feature a group of college students in a variety of different situations. Part Three, The Mechanics of Listening and Speaking, contains contextualized practice in areas such as stress and intonation, pronunciation, and language functions. Part Four, Broadcast English, features authentic radio pieces from well known sources such as NPR, Christian Science Monitor, and Marketplace. Part Five, Academic English, features authentic college lectures. As students listen, they gain valuable practice in note-taking skills. Literacy stations should be more than just busy work. Simply Stations: Listening and Speaking shows how to ensure that kids are purposefully and effectively practicing comprehension, deeper thinking, vocabulary, and communication skills every day. Here's everything you need to plan, teach, and refresh the Listening and Speaking station year-round, including... Step-by-step instructions for launching and maintaining the station; Whole-group lesson plans, based on key literacy standards, to introduce and support partner work; Printable teacher and student tools; On-the-spot assessment ideas and troubleshooting tips; Lists of grade-level specific materials; and Countless real-classroom photos so you see the possibilities first-hand. Previous edition: 2009, written by Wharton, Jennifer. Written by two experienced speech language therapists, who have worked extensively alongside mainstream teachers, this book provides activities that are both teacher and child friendly. It contains a collection of graded games and activities designed to foster the speaking, listening and understanding skills of children aged from 5 to 7. The activities are divided into two main areas: Understanding Spoken Language: Following Instructions; Getting the Main Idea; Thinking Skills; Developing Vocabulary; Understanding Inference. Using Spoken Language: Narrating; Describing; Explaining; Predicting; Playing with Words. Each activity has a clear aim, simple instructions, and requires minimal equipment. Activities may be carried out by teachers, classroom assistants or volunteers. Incorporates user-friendly opportunities for assessment, target setting and evaluation. Includes photocopiable material to support the activities. "Many of the activities can be used by speech language therapists, and the book can be used as an effective part of a speech and language programme. Promotes the skills outlined in Speaking and Listening in the English National Curriculum Key Stage One. Erik Palmer presents an approach to teaching long-neglected but essential language arts that is aligned with the Common Core but focused on preparing K-12 students in all subject areas for 21st century communication inside and beyond the classroom.
