Breaking the Bread of the Word Feb 02 2021 The ministry of the Word in its various forms, with particular attention to the ministry of teaching Scripture, is the subject of this book. Its basic thesis is that ministerial principles have not been given as much attention as textual study of the Bible in the preparation of ministers of the Word. It therefore sets out these general principles of ministry, considering the nature of the Word incarnate in the text and the condition of its recipients, and the implications for effective ministry. The need for planning and evaluation of ministry also explored. Part Two takes up the question of teaching as ministry, what to teach, and how good teachers have gone about teaching the biblical Word, the aid of resources and up-to-date instructional media. Bibliographies suggest further reading, and practical exercises for ministry bridge the gap between principle and practice.

The Dictionary of Obscure Sorrows Jan 01 2021 NEW YORK TIMES BESTSELLER "It's undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book. " —The Washington Post A truly original book in every sense of the word, *The Dictionary of Obscure Sorrows* poetically defines emotions that we all feel but don't have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: "sonder." Or maybe you've watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That's called "lachesism." Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced. That's "anemoia." If you've never heard of these terms before, that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion. *The Dictionary of Obscure Sorrows* "creates beautiful new words that we need but do not yet have," says John

Green, bestselling author of *The Fault in Our Stars*. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from “astrophe,” the longing to explore beyond the planet Earth, to “zenosyne,” the sense that time keeps getting faster. *The Dictionary of Obscure Sorrows* is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere.

How the Word Is Passed May 05 2021 This compelling “important and timely” (Drew Faust, *Harvard Magazine*) #1 New York Times bestseller examines the legacy of slavery in America—and how both history and memory continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be. Winner of the National Book Critics Circle Award for Nonfiction Winner of the Stowe Prize Winner of 2022 Hillman Prize for Book Journalism A New York Times 10 Best Books of 2021

Feasting on the Word Jun 06 2021

Take Back the Word - A Queer Reading of the Bible Oct 18 2019 Mitman demonstrates how the structure common to the worship of most denominations is rooted in the Scriptures themselves . . . He raises essential questions . . . about broad themes and even housekeeping chores that each worshiping community should consider for the sake of faithful praise.

Empires of the Word Apr 16 2022 Nicholas Ostler's *Empires of the Word* is the first history of the world's great tongues, gloriously celebrating the wonder of words that binds communities together and makes possible both the living of a common history and the telling of it. From the uncanny resilience of Chinese through twenty centuries of invasions to the engaging self-regard of Greek and to the struggles that gave birth to the languages of modern Europe, these epic achievements and more are brilliantly explored, as are the fascinating failures of once “universal” languages. A splendid, authoritative, and remarkable work, it demonstrates how the language history of the world eloquently reveals the real character of our planet's diverse peoples and prepares us for a linguistic future full of

surprises.

The King James Bible Word Book Nov 11 2021 English has changed dramatically since the introduction of the King James Bible. The original words often fail to make sense but the beauty of the poetic style reaffirms your love for the King James Bible. This Book will help you make sense of the often archaic language. A delightful and authoritative guide, this source book illuminates the 1611 text for the 1990's readers. Fascinating, brief articles explain over 800 terms of the KJV that have either fallen into disuse or have taken on a dramatically different meaning. Includes a comprehensive index of over 2600 entries.

Feasting in a Famine of the Word Sep 09 2021 The Lord warns of a "famine . . . of hearing the word of the Lord" (Amos 8:11). Has this warning come to pass in our day? There is no shortage of preachers, but how often do they miss the mark in actually delivering the word of God to their hearers, leaving them hungry? The authors of these essays seek to equip preachers with resources to offer their hearers a rich feast from the word of the Lord. Writing from a Lutheran perspective, contributors from across the globe provide a fresh approach to preaching. These authors represent seasoned pastors and professors as well as young scholars. All are actively preaching and teaching God's word on a regular basis. This book covers a wide range of topics relating to preaching--from the scriptural background and hermeneutical issues to historical examples of notable preachers, and also practical guides to crafting and delivering a sermon. These essays will assist preachers in proclaiming God's word in a manner that provides a feast for those living in a famine-stricken world.

In Awe of Thy Word Aug 08 2021 Understand the mystery and history of the King James Bible, letter by letter. This guide is two books in one and one of a kind. Discover what translators and past generations knew, that is, how to find the meaning of each Bible word, inside the English Bible itself. See how God-set alphabet building-blocks build a word's meaning, letter by letter, automatically. This book is the first and only documented history of the words of the Holy Bible. Journey around the world and see that only the King James Bible matches the pure scriptures preserved to "all generations" and "to all nations." Watch in horror as the destroyer, through the NIV, TNIV, NKJV, NASB, HCSB, and ESV, silence the utterances of the Holy Ghost.

Women of the Word Sep 21 2022 We all know it's important to study God's Word. But sometimes it's hard to know where to start. What's more, a lack of time, emotionally driven approaches, and past frustrations can erode our resolve to keep growing in our knowledge of Scripture. How can we, as Christian women, keep our focus and sustain our passion when reading the Bible? Offering a clear and concise plan to help women go deeper in their study of Scripture, this book will equip you to engage God's Word in a way that trains your mind and transforms your heart.

The Word in the World Sep 28 2020 The evangelical publishing community has been growing for more than two hundred years. Candy Gunther Brown explores the roots of this far-flung conglomeration of writers, publishers, and readers, from the founding of the Methodist Book Concern in 1789 to the 1880 publication of the runaway best-seller Ben-Hur.

Evolution of the Word Jul 07 2021 By presenting the New Testament books in the order they were written, bestselling Bible scholar Marcus Borg reveals how spiritually and politically radical the early Jesus movement began and how it slowly became domesticated. Evolution of the Word is an incredible value: not only are readers getting a deeply insightful new book from the author of Speaking Christian and Jesus, but also the full-text of the New Testament—and one of the only Bibles organized in chronological order and including explanatory annotations that give readers a more informed understanding of the Scripture that is so close to their hearts and

lives.

One Good Word a Day Dec 12 2021 If you were to pick one word for the year, what would it be? Invite . . . Abide . . . Balance . . . Simplify . . . ? Every January, many of us proclaim our word for the year, choosing something inspiring that will help us set our intention for the coming months. But what would happen if rather than choosing one word for an entire year (because let's face it, some of us forget by March), we focused on one good word each day--one thought-provoking, spiritually relevant, and encouraging word that reveals the many lovely and delightful truths of who Jesus is in our lives? One Good Word a Day, by the creators of the online community, The Ruth Experience, offers simple, but deeply spiritual meditations that will help readers linger on one word each day so they can identify and reflect on how Jesus as the Word influences their daily lives. Jesus is more than one word. He offers us abundance, hope, peace, kindness, courage, mercy, and so much more. One Good Word a Day reminds readers that in Christ, we find all we need to live encouraged and uplifted every day.

Word by Word Jan 25 2023 "We think of English as a fortress to be defended, but a better analogy is to think of English as a child. We love and nurture it into being, and once it gains gross motor skills, it starts going exactly where we don't want it to go: it heads right for the goddamned electrical sockets." With wit and irreverence, lexicographer Kory Stamper cracks open the obsessive world of dictionary writing, from the agonizing decisions about what to define and how to do it to the knotty questions of ever-changing word usage. Filled with fun facts—for example, the first documented usage of "OMG" was in a letter to Winston Churchill—and Stamper's own stories from the linguistic front lines (including how she became America's foremost "irregardless" apologist, despite loathing the word), Word by Word is an endlessly entertaining look at the wonderful complexities and eccentricities of the English language.

Children's Writer's Word Book May 17 2022 Provides writing samples and lists of vocabulary for each grade, one through six, and synonyms of various reading levels for hundreds of words

The Word It Book Nov 23 2022 The assignment: Graphically interpret a single word. The rule: Do it in a five-inch by five-inch square. The results: A visual smorgasbord of inspiration. A dynamic exercise in creativity, The Word It Book works on three levels: as a collection of stimulating challenges, a compendium of contemporary design, and a look behind the creative process of successful designers. Each month Bryony Gomez-Palacio and Armin Vit, founders of the design blog Speak Up, put forth a different word such as "saturated," "tease," "rebel," "public," "empty," or "pleasure." Designers everywhere are challenged to interpret the word in a single graphic that's witty, observant, wise, serious or humorous. The best of the best are compiled here. You can use these visual interpretations from top designers to rev up your own creativity, and then try the exercises for yourself. If you're a designer, wordsmith, or simply someone who likes to approach things from a different angle, take a look inside and start to create your own meanings.

The Wonder of the Word Aug 20 2022 Everything you need to know about Scripture The Wonder of the Word gives you a complete survey of the Bible and shows you how Scripture produces power in someone's life. It is the second book in the Kingdom Pastor's Library from Tony Evans and will reinvigorate your love for Scripture. Dr. Evans explores the nature and benefits of God's Word, as well as how to sow and grow the seed. It will also cover important topic such as: The revelation of Scripture The inspiration of Scripture The illumination of Scripture The interpretation of Scripture The canonicity of Scripture Learn the essentials of Scripture from the gifted, veteran pastor, Tony Evans. The Kingdom Pastor's Library is a series of books that brings you a concise, complete pastoral philosophy

and training from Tony Evans. Faithful. Powerful. Practical. Become a Kingdom Pastor today.

The Word Dec 24 2022 This landmark dictionary proves that English words can be traced back to the universal, original language, Biblical Hebrew. Genesis II supports a 'Mother Tongue' thesis, and the Bible also claims that Adam named the animals. This may seem difficult to accept, but then why do the translations of the following animals' names: Skunk, Gopher, Giraffe and Horse actually have corresponding meanings in Biblical Hebrew, such as: Stinker, Digger, Neck and Plower? The book features overwhelming data suggesting that the roots of all human words are universal, and that words have related synonyms and antonyms that must have been intelligently designed (perhaps by the designer of life himself!) The current hypothesis that language evolved from grunting ape-men may seem like the flat earth theory after reading this book. The 22,000 English-Hebrew links provide surprising evidence, and open new worlds of understanding, once we consider that all of these similar words could not be coincidences.

The Authority of the Word Jan 21 2020 This book examines scriptural authority and its textual and visual instruments, asking how words and images interacted to represent and by representing to constitute authority, both sacred and secular, in Northern Europe between 1400 and 1700.

Discovering the Riches of the Word Nov 18 2019 The contributions to Discovering the Riches of the Word. Religious Reading in Late Medieval and Early Modern Europe explore new approaches to the study of religious reading in a long term (from the thirteenth to the seventeenth century) and geographically broad perspective.

John: The Word Made Flesh May 25 2020 Jesus Christ: In Whom the Deity and the fullness of God is revealed in Person, Body, and Essence. The Word became Flesh and dwelt among men. The vibrant, glowing descriptions of Jesus' Deity, life, and ministry among the human race have endeared this gospel to hearts of Christians for centuries. Indeed, it is the gospel that is generally recommended as the new convert's first assignment. Within its pages are unparalleled revelations of an eternal God Who entered human history in the person of Jesus Christ to reconcile the world of lost humanity to fellowship with him. Nowhere else in the New Testament is the Good News made so simple and clear.

A Theological Word Book of the Bible Mar 15 2022 This is a book which every minister worth his salt theologically ought to have; it will do his preaching more good than many volumes of ready-made sermons.' (A. M. Hunter in *The Expository Times*) 'A book by scholars for the intelligent layman and the working minister or lay preacher. All these will find here, readily available, help towards the better understanding of the text of the Bible.' (T. W. Manson in *The Manchester Guardian*) 'It is a rash undertaking to forecast the probable future of books. But this one will probably take its place with Peake's Commentary and the Hasting's Dictionaries as an indispensable tool for preachers.' (Methodist Recorder)

The Ministry of the Word, Vol. 26, No. 03 Jun 25 2020 This issue of *The Ministry of the Word* contains the first eight of the sixteen messages given during the fall 2021 term of the full-time training in Anaheim, California. The general subject of this series of messages is "Chapters Five through Eight of Romans--the Kernel of the Bible." These first eight messages and the subsequent eight messages (published in an upcoming issue) will focus on Romans 5 and 6. This general subject will then be continued in the messages of the spring 2022 term and will focus on Romans 7 and 8. The life and death form two contrasting lines in chapters 5 through 8, showing that man is at the center of a triangular situation between God and Satan, that is, between life and death. The tree of life and the tree of knowledge

(the tree of death) issue in two lines--the line of life and the line of death--that run through the entire Bible and consummate in the book of Revelation. The line of life begins with the tree of life in Genesis 2 and issues in the New Jerusalem in Revelation 22 as the city of the water of life with the tree of life, the light of life, and the glory of life. Similarly, the line of death begins with the tree of the knowledge of good and evil in Genesis 2 and ends with the lake of fire in Revelation 20. The kernel of the Bible is that Christ has been revealed into us as life and that we live, have our being, and exist by Christ as the divine life. God put us into Christ with the desire that we would be transformed and conformed to the image of His Son so that we might be thoroughly one with Christ. In this way we are built up together as the living Body of Christ to contain and express Christ for the Father's glory and for our glorification in Christ. Romans 5 reveals that the result of our justification is the full enjoyment of God in Christ as our life.

The Word of the Speechless Feb 20 2020 Available in English for the first time, a collection of deeply humane stories depicting marginalized populations by one of the greatest South American writers of the 20th century. The Peruvian writer Julio Ramón Ribeyro is one of the masters of the short story and a major contributor to the great flourishing of Latin American literature that followed the Second World War. In a letter to an editor, Ribeyro said about his stories, "in most of [them] those who are deprived of words in life find expression—the marginalized, the forgotten, those condemned to an existence without harmony and without voice. I have restored to them the breath they've been denied, and I've allowed them to modulate their own longings, outbursts, and distress." This is work of deep humanity, imbued with a disorienting lyricism that is Ribeyro's alone. *The Word of the Speechless*, edited and translated by Katherine Silver, introduces readers to an indispensable and unforgettable voice of Latin American fiction.

The Word Is Near You Apr 23 2020 Beginning with the desires of our hearts and ending with the priesthood of all believers, this series of meditations traces a path through some central concerns of the Reformation. Along this path, the authors, all faculty at Wycliffe College, engage with biblical passages which were important at that time and remain just as vital today in working out what it means to be a Christian, what it means to be the people of God. It seems appropriate, given the central place Scripture had for the reformers, that we should follow their lead in looking to the Bible in the context of the life of the church. While some church communities enthusiastically proclaim their Reformation roots, others look askance at particular reformers and seek to distance themselves from the whole of the Reformation. Yet the Reformation is not an era we in the West can simply ignore; it is bred in our bones, runs through our veins, and shapes our life together in myriad ways. These meditations are not simply historical explorations or an exercise in documenting past events. Rather, the authors grapple with questions which we continue to struggle with today--questions of faith and grace, sin and salvation, work and worship. These meditations will provoke discussion and broaden our theological understanding while guiding us into a deeper understanding of the faith.

What in the Word? Jul 19 2022 Presents a humorous look at the English language, including information on word and phrase origins, slang, style, usage, punctuation, and pronunciation.

John (ESV Edition) Jul 27 2020 About John While each of the Gospels presents Christ with a distinct emphasis, the Gospel of John focuses on his greatness—as the timeless Creator-God of the universe, as the Word made flesh, as the gracious lover of our souls, and as the only way to the Father. Instead of detailing the facts and events of Jesus' earthly life, as the other Gospel writers did, John concentrates on the meaning of his words and the message of his works, clearly presenting him as the long-awaited Messiah with one

mission in mind: to do the work of the Father who sent him. Follow along with pastor Kent Hughes in this engaging commentary as he leads you through this magnificent book of the Bible. His careful exposition and wise application will guide you to a richer understanding of not only God's greatness, but of his great goodness to us all. Part of the Preaching the Word series.

Lessons in Joy Mar 23 2020 What keeps you from living joyfully every day? Perhaps you've been plagued by too many troubles, or your faith in the Lord's plan for your life has faltered. If joy doesn't describe your life, then it's time to rediscover it. *Lessons in Joy* presents a comprehensive, uplifting Bible study of the word joy and its true meanings. In this nine-week course, Jana Greer explores the different expressions of joy and demonstrates how to apply them to your life. She examines Old and New Testament uses of joy and similar terms and then reveals the various aspects of this fruit of the Spirit. Each of the nine weeks covers a different theme incorporating various Hebrew and Greek words for joy. Weeks one and two discuss the joy in salvation. Weeks three, four, and five explore aspects of joy through the themes of forgiveness, life, and faith. Weeks six and seven develop the idea of joy in relationships, which culminates in the themes of fullness of joy and God's joy in weeks eight and nine. Most importantly, every week will provide an opportunity to study and take joy in different attributes of God. As you study the various aspects of joy and look at who God has revealed Himself to be, you will begin to display abiding joy. What are you waiting for? It's time to experience the awesome power of true joy!

The Ways of the Word Dec 20 2019 In *The Ways of the Word*, Garrett Stewart steps aside from theory to focus on the sheer pleasure of attentive reading and the excitement of recognizing the play of syllables and words upon which the best literary writing is founded. Emerging out of teaching creative writing and a broader effort to convene writers and critics, Stewart's "episodes in verbal attention" track the means to meaning through the byways of literary wording. Through close engagement with literary passages and poetic instances whose imaginative demands are their own reward, Stewart gathers exhibits from dozens of authors: from Dickinson, Dickens, and DeLillo to Whitman, Woolf, and Colson Whitehead. In the process, idiom, tense, etymology, and other elements of expressive language and its phonetic wordplay are estranged and heard anew. *The Ways of the Word* fluidly and intuitively reveals a verbal alchemy that is as riveting as it is elusive and mysterious.

The Voice, the Word, the Books Feb 26 2023 Jews, Christians, and Muslims all believe that their Scriptures preserve God's words to humanity, and that those words were spoken uniquely to them. In *The Voice, the Word, the Books*, F. E. Peters leads readers on an extraordinary journey through centuries of written tradition to uncover the human fingerprints on the Hebrew Bible, the New Testament, and the Quran, sacred texts that have enriched millions of lives. Bringing the latest Biblical and Quranic scholarship to a general audience, Peters explains how these three powerfully influential books passed from God's mouth, so to speak, to become the Scriptures that we possess today. He reveals new insights into their origins, contents, canonization, and the important roles they have played in the lives of their communities. He explores how they evolved through time from oral to written texts, who composed them and who wrote them, as well as the theological commonalities and points of disagreement among their adherents. Writing in the comparative style for which he is renowned, Peters charts the transmission of faith from the spoken word to the printed page, from the revelations on Sinai and Mount Hira to Mamluk ateliers in Cairo and Gutenberg's press in Mainz. Peters is an acknowledged expert who has written extensively on these three great world religions, each of them an inheritor of the faith of Abraham. Published in conjunction with an exhibit at the British Library, this illustrated book includes beautiful images of the rare editions on exhibit and constitutes Peters's most ambitious and

illuminating examination yet of the sacred texts that so inform civilization both East and West.

The Power of the Word Feb 14 2022 What kind of power does scripture exercise? In *The Power of the Word* Elisabeth Schussler Fiorenza, the premier scholar of feminist biblical interpretation and early Christian history, explores this difficult hermeneutical question. Because Christian scriptures were formulated in the context of Roman imperial power, they have functioned-and still do so-in the service of empire, legitimating colonialist expansion, racist exploitation, and heterosexist discrimination. Schussler Fiorenza calls for a critical feminist decolonizing reading, capable of identifying both the destructive powers of empire and the radical democratic visions of justice and well being that are inscribed in the scriptural text. *The Power of the Word* makes a timely contribution not only to traditional fields such as Pauline and Apocalypse studies, but also to the developing intersection of feminist and postcolonial biblical studies and the study of empire. Book jacket.

Feasting on the Gospels--Luke, Volume 1 Jan 13 2022 "Feasting on the Gospels is a new series that follows up on the success of the Feasting of the Word series to provide another trusted preaching resource, this time on the most preached-on books in the Bible, the four Gospels." -- Inside cover

Engaging the Word Oct 30 2020 Most Christians are unaware of the doctrinal debates taking place within the religious academic community. When they are aware of these discussions, they may consider them irrelevant or even harmful to Christian practice. Jaime Clark- Soles invites seminarians, seminary faculty, and church leaders to find common ground by considering the various debates, the reasons they persist, the implications of each, and how they pertain to Christian identity and faith within the larger contemporary culture. Includes study questions.

Random House Webster's Unabridged Dictionary Nov 30 2020 Provides entries for over 315,000 words and phrases, and includes a list of new words.

Germs Apr 04 2021 In the wake of the anthrax letters following the attacks on the World Trade Center, Americans have begun to grapple with two difficult truths: that there is no terrorist threat more horrifying -- and less understood -- than germ warfare, and that it would take very little to mount a devastating attack on American soil. In *Germs*, three veteran reporters draw on top sources inside and outside the U.S. government to lay bare Washington's secret strategies for combating this deadly threat. Featuring an inside look at how germ warfare has been waged throughout history and what form its future might take (and in whose hands), *Germs* reads like a gripping detective story told by fascinating key figures: American and Soviet medical specialists who once made germ weapons but now fight their spread, FBI agents who track Islamic radicals, the Iraqis who built Saddam Hussein's secret arsenal, spies who travel the world collecting lethal microbes, and scientists who see ominous developments on the horizon. With clear scientific explanations and harrowing insights, *Germs* is a masterfully written -- and timely -- work of investigative journalism.

Creature of the Word Mar 03 2021 The Reformers viewed the gospel as not merely one thing among many in the life of a church but rather the means by which the church exists. When the gospel is rightly declared and applied to God's people, the church becomes "a creature of the Word." She understands, embraces, and lives out the reality of Christ's birth, life, death, and resurrection in more than her doctrinal statement. The gospel impacts all the church is and does. *Creature of the Word* lays out this concept in full, first examining the rich, scripture-based beauty of a Jesus-centered church, then clearly providing practical steps toward forming a Jesus-centered church.

Authors Matt Chandler, Eric Geiger, and Josh Patterson write what will become a center- ing discussion piece for those whose goal is to be part of a church that has its theology, culture, and practice completely saturated in the gospel.

The Oxford English Dictionary Aug 28 2020

The Weighty Word Book Jun 18 2022 "[The Weighty Word Book] will appeal to kids who want to sound as smart as they are. It offers a clever, funny way to introduce new words into the vocabulary. . . . There's one word for every letter of the alphabet--wait until you see what they do with dogmatic, juxtapose and zealot."--The Gazette (Colorado Springs, Colorado) "Each of these twenty-six short stories takes an elaborate, circuitous path that leads to a 'weighty' one-word punch line. . . . It's a creative and humorous approach to vocabulary building, and a natural lead in to having students create their own tall tales with multisyllabic conclusions."--School Library Journal

The Visual Word Oct 22 2022 The New Testament shouldn't be complicated. So why are we often confused? Every Christian wants to love the Bible. But let's face it: we sometimes get lost in all the names, places, and doctrines that we find in its pages. Who wrote this epistle? Which book is about justification? Joy? Jesus? Aren't they all about him? The New Testament contains complex ideas and multiple genres. Keeping it straight can be hard to do. Wouldn't it be nice if somebody who understands the big picture would put it together for us in one place? Biblical scholar and seminary professor Patrick Schreiner draws from his years of experience as a teacher to offer a simple and memorable way of understanding Scripture. And he doesn't do it by throwing big words at you. The contours of the New Testament and its underlying structure are depicted in visual format along with Schreiner's clear explanations. In The Visual Word, the Bible comes alive because you can see it pictured before your eyes. By taking a graphic approach, you'll notice connections you've never seen before. Gain insights you've missed all these years. And discover an overall pattern that makes each separate piece fall perfectly into place. Don't settle for mere summaries of the New Testament. Let Schreiner's concise words and crisp images work together to help you encounter the Living Word in a fresh way.

Portraits of the Word Oct 10 2021 This inspiring book expresses the freshness and authority of Scripture through calligraphy and offers powerfully rendered verses from Genesis to Revelation combined with wise and practical insights and prayers.
