FROM NEW YORK TIMES BESTSELLING AUTHOR DR. JASON FUNG: The landmark book that is helping thousands of people lose weight for good. Harness the power of intermittent fasting for lasting weight loss Understand the science of weight gain, obesity, and insulin resistance Enjoy an easy and delicious low carb, high fat diet Ditch calorie counting, yo-yo diets, and excessive exercise for good Everything you believe about how to lose weight is wrong. Weight gain and obesity are driven by hormones—in everyone—and only by understanding the effects of the hormones insulin and insulin resistance can we achieve lasting weight loss. In this highly readable and provocative book, Dr. Jason Fung, long considered the founder of intermittent fasting, sets out an original theory of obesity and weight gain. He shares five basic steps to controlling your insulin for better health. And he explains how to use intermittent fasting to break the cycle of insulin resistance and reach a healthy weight—for good. When you've tried practically every diet and have struggled for years to reach and maintain a healthy weight, what do you do next? If you're Heather and Terry Dubrow, MD, you create your own diet based on cutting-edge and Nobel-prize winning science that promises not just unprecedented metabolic control, but also an internal cellular rejuvenation with powerful antiaging effects. Then, after creating a diet that can transform your life from the inside out, you want to help as many people as possible look and feel their best, so you write a book about it! In The Dubrow Diet, Orange County's favorite reality TV couple share the diet and exercise plan they created to end their own decades-long yo-yo dieting and flip on what they call the "ageless switch." The central concept is called interval eating, a practice based on research showing that when you eat is perhaps the most important factor in weight loss and weight control. With interval eating, the Dubrows will introduce you to a simple eating schedule that can help you: ? reprogram your cells to go after stored fat for fuel. ? lower insulin and normalize blood sugar. ? fight off chronic inflammation linked to almost every major disease. ? activate a process known as autophagy, your cells' self-cleaning process and an antiaging game changer. ? increase your energy. ? finally reach your goal weight. ? rejuvenate your skin and overall appearance. So, what are you waiting for? You have more power than you realize over the hormones that regulate your weight and the molecular factors that determine how you age. It's time to take advantage of this power with a diet that is not only doable but also sustainable and even fun! The Dubrows wouldn't have it any other way. NEW YORK TIMES BESTSELLER Zero Belly Diet is the revolutionary new plan to turn off your fat genes and help keep you lean for life! Nutrition expert David Zinczenko—the New York Times bestselling author of the Abs Diet series, Eat This, Not That! series, and Eat It to Beat It!—has spent his entire career learning about belly fat—where it comes from and what it does to us. And what he knows is this: There is no greater threat to you and your family—to your health, your happiness, even your financial future. Yes, you can: Change your destiny. Overcome your fat genes. Strip away belly fat and finally attain the lean, strong, healthy body you've always wanted. With Zero Belly Diet, David Zinczenko reveals explosive new research that explains the mystery of why some of us stay thin, and why some can't lose weight no matter how hard we try. He explains how some foods turn our fat genes on—causing seemingly irreversible weight gain—and uncovers the nine essential power foods that act directly on those switches, turning them to "off" and allowing for easy, rapid, and sustainable weight loss. And he shows how these foods help heal your digestive system, keeping those gene switches turned off and setting you up for a lifetime of leanness. Other diets can help you lose weight, but only the Zero Belly diet attacks fat on a genetic level, placing a bull's-eye on the fat cells that matter most: visceral fat, the type of fat ensconced in your belly. These fat cells act like an invading army, increasing inflammation and putting you at risk for diabetes, Alzheimer's, arthritis, heart disease, and cancer. Visceral fat can also alter your hormone levels, erode muscle tissue, increase your chances of depression, and destroy your sex drive. But you can turn the odds in your favor. Zero Belly Diet shows you how to deactivate your fat genes, rev up your metabolism, banish bloat, and balance your digestive health, allowing you to easily build lean, strong stomach muscle and strip away unwanted belly fat without sacrificing calories or spending hours at the gym. The result: weight loss that is easier, faster, more lasting, and more delicious than you'd ever imagine. You'll be stunned and inspired by the results of an amazing 500-person test panel—men and women who lost weight quickly, and with ease, following the Zero Belly diet. In just the first 14 days: Bob McMicken, 51, lost 16.3 pounds Kyle Cambridge, 28, lost 15 pounds Martha Chesler, 54, lost 11 pounds Matt Brunner, 43, lost 14 pounds Zero Belly Diet features a week-by-week menu plan, fifty tasty recipes, and a handy shopping list that leads to a minimum of cooking and plenty of feasting. Best of all, Zero Belly Diet offers something more: freedom. Freedom from bloating, freedom from food deprivation, freedom from weight loss fads, freedom from stress. So say goodbye to your paunch and hello to a happier, healthier you! Millions of Americans have lost tens of millions of unwanted pounds with the simple restaurant and supermarket swaps in Eat This, Not That! Now, the team behind the bestselling series turns its nutritional savvy to the best place in the world for you to strip away extra pounds, take control of your health, and put money back in your own pocket: your own kitchen. Did you know the average dinner from a chain restaurant costs nearly \$35 a person and contains more than 1,200 calories? That's hard on your wallet and your waistline, and few people understand this better than David Zinczenko and Matt Goulding. Their response: Learn to cook all your favorite restaurant food at home—and watch the pounds disappear! Make no mistake—this is no rice-and-tofu cookbook. The genius of Cook This, Not That! is that it teaches you how to save hundreds—sometimes thousands—of calories by recreating America's most popular restaurant dishes, including Outback Steakhouse's Roasted Filet with Port Wine Sauce, Uno Chicago Grill's Individual Deep Dish Pizza, and Chili's Fire Grilled Chicken Fajita. Other priceless advice includes: • The 37 Ways to Cook a Chicken Breast, A Dozen 10-Minute Pasta Sauces, The Ultimate Sandwich Matrix, and other on-the-go cooking tips • Scorecards that allow you to easily compare the nutritional quality of the carbohydrates, fats, and proteins in every meal you eat • The truth about how seemingly healthy foods, such as wheat bread, salmon, and low-fat snacks, may be secretly sabotaging your health The internationally renowned, clinically tested, revolutionary diet program to lose weight, fight disease, and live a longer, healthier life. Can what you eat determine how long, and how well, you live? The clinically proven answer is yes, and The Longevity Diet is easier to follow than you'd think. The culmination of 25 years of research on ageing, nutrition, and disease across the globe, this unique combination of an everyday diet and fasting-mimicking diet (FMD) to be done only 3-4 times per year lays out a simple solution to living to a healthy old age through nutrition. FMD does away with the misery and starvation most of us experience while fasting and helps you reap all the beneficial health effects of a restrictive diet while avoiding the negative stressors, like low energy and sleeplessness. Valter Longo, Director of the Longevity Institute at USC and the Program on Longevity and Cancer at IFOM in Milan, developed THE FMD after making a series of remarkable discoveries in mice and humans indicating that specific diets can activate stem cells and promote regeneration and rejuvenation in multiple organs to reduce the risk for diabetes, cancer, Alzheimer's and heart disease. Longo's simple pescatarian daily eating plan and the periodic, fasting-mimicking techniques can both yield impressive results. Low in proteins and sugars and rich in healthy fats and plant-based foods, The Longevity Diet is clinically proven to help you: Lose weight and reduce abdominal fat Make simple changes which can extend the healthy lifespan Prevent age-related muscle and bone loss Build your resistance to diabetes, cardiovascular disease, Alzheimer's and cancer Longo's healthy, life span-extending plan is based on an easy-to-adopt pescatarian plan along with the fasting-mimicking diet 4 times a year, and just 5 days at a time. The Longevity Diet is the key to living a longer, healthier, and more fulfilled life. Lose weight easily with Dr. Katz's groundbreaking approach to appetite control. Dr. David Katz's Flavor-Full Diet shows you how to fill up to complete satisfaction on fewer calories, calm the appetite center, and drop up to 16 pounds in just 6 weeks while eating delicious and nutritious food suitable for the whole family. With a Mediterranean-inspired 6-week meal plan, more than 100 delicious, simple, family-friendly recipes, and hundreds of insights available nowhere else, the Flavor-Full Diet will lead to weight control and better health, and to food you love that loves you back. The #1 New York Times bestseller by the 6-time Super Bowl champion The first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom Brady—the 6-time Super Bowl champion who is still reaching unimaginable heights of excellence at 42 years old—a gorgeously illustrated and deeply practical "athlete's bible" that reveals Brady's revolutionary approach to sustained peak performance for athletes of all kinds and all ages. In this new edition of The TB12 Method, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013 with Alex Guerrero—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady's own training regimen, The TB12 Method provides step-by-step guidance on how develop and maintain one's own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance and do what they love, better and for longer. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, The TB12 Method gives you a better way to train and get results with Tom Brady himself as living proof. Lose belly fat first in just 14 days with this fun and easy cookbook from Jorge Cruise, bestselling author of The 3-Hour Diet™! Jorge Cruise has empowered thousands of busy Americans to take control of their weight and live happier and healthier lives. His bestselling books 8 Minutes in the Morning®, The 3-Hour Diet™, and The 12-Second Sequence™ have helped even the busiest people get slim—without deprivation, counting calories, or giving up carbs—and keep the pounds off for good. Now, with The 3-Hour Diet™ Cookbook, he offers all-new, time-friendly recipes that make following The 3-Hour Diet™ even easier. Filled with delicious recipes the whole family will love—from a Turkey, Bacon, and Egg Wrap to Fresh Tomato and Mozzarella Pizza to Chicken Teriyaki—this cookbook gives you more than 200 options for breakfast, lunch, dinner, and snacks. Nearly all the recipes can be made in less than ten minutes of cooking time and are portioned to fit the diet exactly. With motivational success stories from real people, beautiful full-color photographs, and Jorge's trademark easy-to-follow instructions, The 3-Hour Diet™ Cookbook is an essential tool for anyone who wants to get slim, fit, and healthy—and stay that way—for a long time to come. Losing weight has never been easier! Explains how to lose up to twenty pounds and create the washboard abdomen that every man wants, offering a meal plan, a workout program with a focus on lower-body exercises, twelve "superfoods," and a simple maintenance plan. Entrepreneur Jesse Itzler chronicles his month of living and extreme fitness training with a Navy SEAL in the New York Times and #1 LA Times bestseller LIVING WITH A SEAL, now with two bonus chapters. Entrepreneur Jesse Itzler will try almost anything. His life is about being bold and risky. So when Jesse felt himself drifting on autopilot, he hired a rather unconventional trainer to live with him for a month—an accomplished Navy SEAL widely considered to be "the toughest man on the planet"! LIVING WITH A SEAL is like a buddy movie if it starred the Fresh Prince of Bel-Air...and Rambo. Jesse is about as easy-going as you can get. SEAL is...not. Jesse and SEAL's escapades soon produce a great friendship, and Jesse gains much more than muscle. At turns hilarious and inspiring, LIVING WITH A SEAL ultimately shows you the benefits of stepping out of your comfort zone. Do diets leave you hungry and unsatisfied? Are you tired of searching for a diet that works? The 8-Hour Diet ...in 30 minutes is the essential guide to rapidly understanding the revolutionary weight loss method outlined in David Zinczenko and Peter Moore's best-selling book, The 8-Hour Diet: Watch the Pounds Disappear Without Watching What You Eat. Learn the key ideas behind The 8-Hour Diet and get on a path to weight loss in a fraction of the time: • Lose weight and boost your human growth hormone while eating whatever you desire, and as much as you want. • Understand the groundbreaking science behind The 8-Hour Diet, and why it is more important when you eat rather than what you eat. • Discover how to turn any diet—Paleo, Atkins, or DASH—into the 8-Hour Diet. In The 8-Hour Diet, best-selling author and editor-in-chief of Men's Health magazine David Zinczenko teams up with best-selling health author Peter Moore to offer dieters a sustainable solution to weight loss. Tapping into the research of leading experts on health and wellness, the authors of The 8-Hour Diet have devised a diet plan that works on the cellular level and is based on restricting when a person eats rather than what a person eats. While conventional weight-loss programs generally involve food restriction and a strict daily regimen, The 8-Hour Diet posits that by making simple changes in daily eating patterns, you can train your body to operate more efficiently, burn fat, and even age more slowly. 30 Minute Health Series Designed for those whose desire to improve their health exceeds the time they have available, 30 Minute Health Series enable readers to quickly digest the important ideas behind critically acclaimed health books. TORCH FAT, LOOK YOUNGER, AND START LOSING YOUR BELLY—IN JUST 14 DAYS! NBC News health and wellness contributor David Zinczenko, the #1 New York Times bestselling author of Zero Sugar Diet, Zero Belly Diet, the Abs Diet series, and the Eat This, Not That! series, discloses why some of us stay thin and some of us lose weight with ease—and reveals

the secret to how you can stay lean for life. The answer lies within your metabolism, the body's crucial, energy-burning engine that for so many of us is revving at less than half speed. With the help of this book, you can quickly and easily turn your metabolism into a fat-melting machine. The Super Metabolism Diet features daily menus, handy shopping guides, a vast trove of amazing (though optional) workouts, and tons of delicious recipes—all designed to get your metabolism firing hotter than ever before! So say goodbye to bloat, harsh dieting, weight-loss fads, and even stress. Say bye-bye to belly fat and hello to a new and improved you. The Super Metabolism Diet is built on five core pillars (captured in a handy acronym) to ensure that your body burns more energy and stores less fat: Super Proteins, Super Carbs, and Super Fats Upping Your Energy Expenditure Power Snacks Essential Calories, Vitamins, and Minerals Relaxing and Recharging As Zinczenko reports: If you're heavier than you want to be or moving sluggishly through your days, you don't need to cut your favorite foods from your diet. You just need to up your intake of core proteins that will build more energy-burning muscle, consume the healthiest fats that help increase satiety and speed nutrients throughout your body, and reach for plenty of good-for-you carbs—yes, carbs!—that provide essential fiber. The result will be a stronger, leaner, happier you. And you'll be stunned at how good you look and feel in no time at all. "You'll see results almost immediately, never be hungry, and watch the weight keep coming off!"—Michele Promaulayko, editor in chief of Cosmopolitan and former editor in chief of Women's Health Drink This Not That! by David Zinczenko with Matt Goulding The fastest way to lose weight isn't on the treadmill. And it's not by counting calories, either. Believe it or not, the easiest, fastest, and longest lasting way to lose weight doesn't even involve watching your food intake: It's all about watching what you drink. See, if you're like the average American, today you will drink about 450 calories. That's a quarter of the calories you're supposed to eat in an entire day—and then, of course, you'll eat plenty of calories, too! But now there's Drink This, Not That!, the breakthrough new book from the editors of Eat This, Not That! New research reveals that it's not just our food that's making America fat—it's the beverages we wash it all down with. But you can strip away calories and fat—up to 23 pounds this year alone—simply by changing your choices of drinks (and still eating all your favorite foods)! Did you know: \*One bottle of Sunkist orange drink has more sugar than four packs of Reese's Peanut Butter Cups \*A large Grape Expectations II Smoothie from Smoothie King has more sugar than 13 Twinkies! \*If you turn your large latte into a large cappuccino, you could lose more than 9 pounds this year! \*A White Chocolate Mocha from Starbucks has more than 20 times as many calories as their regular coffee! With this illustrated guide to hundreds of drink options—and eye-opening nutrition secrets for fast and permanent weight loss—you'll make the smartest choices for you and your family, every time. Additional features in Drink This, Not That! include: • The 20 Worst Drinks in America • The Truth About Bottled Water • The Truth About High Fructose Corn Syrup • The Anatomy of America's Most Popular Beverages • Energy Drinks: Energy or Enemy? • The Ultimate Smoothie Selector • And more! Indulge smarter with the no-diet weight loss solution. The bestselling phenomenon that shows you how to eat healthier with simple food swaps—whether you're dining in or out—is now expanded and completely updated. Did you know that if you're watching your waistline, a McDonald's Big Mac is better than a Five Guys Cheeseburger? Or that the health promise of the Cheesecake Factory's Grilled Chicken and Avocado Club is dubious? Or that when shopping for condiments, the real winner is Kraft mayo with olive oil instead of Hellman's "Real?" Reading ingredient labels and scrutinizing descriptions on menus is hard work, but with side-by-side calorie and nutrition comparisons and full-color photos on every page, Eat This, Not That! makes it easy! Diet guru Dave Zinczenko goes aisle-by-aisle through every major American staple—from frozen foods, cereals, and sodas, to the dairy cases, international foods, and the produce aisle—as well as every chain and fast food restaurant in the country to pick the winners and losers. You'll find more than 1,250 slimming and often surprising swaps, a helpful list of the "worst foods in America" by category, plus testimonials from real people who lost weight simply by consulting Zinczenko's easy-to-follow advice. Now the book that changed the way Americans choose meal ingredients, food brands, and menu options is completely updated—and it'll help satisfy both the appetite and diet goals of even the hungriest reader! The author of the New York Times bestselling Genius Foods offers a lifestyle program for resetting your brain and body to their "factory settings"—to help fight fatigue, anxiety, and depression and to optimize cognitive health for a longer and healthier life. The human body was honed under conditions that no longer exist. The modern world has changed dramatically since our days as hunter gatherers, and it has caused widespread anxiety, stress, and disease, leaving our brains in despair. But science proves that the body and brain can be healed with the intervention of lifestyle protocols that help us to regain our cognitive birthright. In The Genius Life, Lugavere expands the Genius Foods plan, which focused on nutrition and how it affects brain health, and expands it to encompass a full lifestyle protocol. We know now that the health of our brains—including our cognitive function and emotional wellness—depend on the health of our gut, endocrine, cardiac and nervous systems as there is a constant feedback loop between all systems. Drawing on globe-spanning research into circadian biology, psychology, dementia prevention, cognitive optimization, and exercise physiology, The Genius Life shows how to integrate healthy choices in all aspects of our daily routines: eating, exercising, sleeping, detoxing, and more to create a healthy foundation for optimal cognitive health and performance. Among Max's groundbreaking findings, you will discover: · A trick that gives you the equivalent of a "marathon" workout, in 10 minutes · How to get the benefits of an extra 1-2 servings of veggies daily without eating them · The hidden chemicals in your home that could be making you fat and sick · How to boost melatonin levels by up to 58% for deeper sleep without supplements The book features an achievable prescriptive 21-day plan for Genius Living that includes daily workouts, meal plans, and meal prep tips, and accompanied with helpful suggestions for healthy swaps and snacks Leading Harvard Medical School expert and "obesity warrior" (Time magazine) Dr. David Ludwig rewrites the rules on weight loss, diet, and health in this guide to retraining your cells and reclaiming your health for life. Forget everything you've been taught about dieting. In Always Hungry?, renowned endocrinologist Dr. David Ludwig explains why traditional diets don't work and presents a radical new plan to help you lose weight without hunger, improve your health, and feel great. For over two decades, Dr. Ludwig has been at the forefront of research into weight control. His groundbreaking studies show that overeating doesn't make you fat; the process of getting fat makes you overeat. That's because fat cells play a key role in determining how much weight you gain or lose. Low-fat diets work against you by triggering fat cells to hoard more calories for themselves, leaving too few for the rest of the body. This "hungry fat" sets off a dangerous chain reaction that leaves you feeling ravenous as your metabolism slows down. Cutting calories only makes the situation worse by creating a battle between mind and metabolism that we're destined to lose. You gain more weight even as you struggle to eat less food. Always Hungry? turns dieting on its head with a three-phase program that ignores calories and targets fat cells directly. The recipes and meal plan include luscious high-fat foods (like nuts and nut butters, full-fat dairy, avocados, and dark chocolate), savory proteins, and natural carbohydrates. The result? Fat cells release their excess calories, and you lose weight - and inches - without battling cravings and constant hunger. This is dieting without deprivation. Forget calories. Forget cravings. Forget dieting. Always hungry? reveals a liberating new way to tame hunger and lose weight for good. Eat your way to better health with this New York Times bestseller on food's ability to help the body heal itself from cancer, dementia, and dozens of other avoidable diseases. Forget everything you think you know about your body and food, and discover the new science of how the body heals itself. Learn how to identify the strategies and dosages for using food to transform your resilience and health in Eat to Beat Disease. We have radically underestimated our body's power to transform and restore our health. Pioneering physician scientist, Dr. William Li, empowers readers by showing them the evidence behind over 200 health-boosting foods that can starve cancer, reduce your risk of dementia, and beat dozens of avoidable diseases. Eat to Beat Disease isn't about what foods to avoid, but rather is a life-changing guide to the hundreds of healing foods to add to your meals that support the body's defense systems, including: Plums Cinnamon Jasmine tea Red wine and beer Black Beans San Marzano tomatoes Olive oil Pacific oysters Cheeses like Jarlsberg, Camembert and cheddar Sourdough bread The book's plan shows you how to integrate the foods you already love into any diet or health plan to activate your body's health defense systems-Angiogenesis, Regeneration, Microbiome, DNA Protection, and Immunity-to fight cancer, diabetes, cardiovascular, neurodegenerative autoimmune diseases, and other debilitating conditions. Both informative and practical, Eat to Beat Disease explains the science of healing and prevention, the strategies for using food to actively transform health, and points the science of wellbeing and disease prevention in an exhilarating new direction. Following the amazing success of his New York Times bestseller 8 Minutes in the Morning, America's #1 online weight loss specialist Jorge Cruise is back with a revolutionary diet book that keeps with his trademark hassle-free, time-friendly approach. It's a fact: the low-carb craze is everywhere. Although low-carb diets produce short term weight loss, the results are not sustainable. Dietitians, fitness experts, and medical publications are slowly awakening to the fact that the low-carb diet isn't the answer to weight loss nor a solution to the obesity epidemic. Jorge Cruise's The 3-Hour Diet reveals that timing is the revolutionary weight loss element that has been kept secret until now. By eating small, balanced meals every three hours you reset your body's metabolism and achieve amazing results. Eating every three hours turns off your "starvation protection mechanism" ensuring that fat is released and fat-burning muscle preserved. So get ready to lose 2 pounds each week! All with no calorie counting, no starvation, and no deprivation. Bottom line, timing will sculpt your body slim. With his now trademark easy-to-follow instructions, accessibility, and client success stories, Jorge Cruise's The 3-Hour Diet is a fluid combination of proven success and categorical innovation. Weight loss has never been easier! o For overweight people disillusioned with the low-carb craze and other fad diets that don't work or are even unhealthy. Also aimed at people with busy schedules looking to lose weight quickly and effectively, utilizing a dietary approach instead of committing to a workout regimen. o 8 Minutes in the Morning has sold 1.8K through BookScan. o The dark side of low-carb diets is only just beginning to rear its ugly head, and this book has the potential to be at the forefront of the low-carb backlash. In this book readers will find: o Why low-carb and other fad diets make you fat, and why timing is the key to sustained weight loss. o The Cruise Down Plate approach to eating that supports lean muscle development by eating your favourite foods (including candy and carbs) with no banned items and no calorie-counting. Includes frozen foods and fast food options! o How to prevent emotional eating. o A 28-Day Planner designed to promote organization and accountability for the dieter. o An all-new meal and recipe guide, that is both delicious and healthy. The health benefits of intermittent fasting (IF) are now indisputable. Already proven to be an excellent way to control your weight, thereby reducing the risks of obesity-related illnesses, recent studies have also shown that it can lower cholesterol levels, reduce blood pressure, protect against heart disease and improve glucose control. Jaime Chambers is a practising dietitian with a clinic full of patients looking for advice on how to manage their weight. As a recent convert to part-day IF, she now prescribes this method as a matter of course, as it's by far the easiest and most effective tool for healthy weight control that she's seen. This book provides everything you need to know about part-day IF (16:8) and full-day IF (5:2) plus 40 delicious, nutritionally replete recipes. You can tailor the program to suit your lifestyle and individual health profile, and choose which elements suit you best. There are meal plans to help you incorporate fasting into your week, plus real-life success stories that will inspire you to give it a go. This is a specially formatted fixed layout ebook that retains the look and feel of the print book. A NEW YORK TIMES BESTSELLER "Brilliant and enthralling." —The Wall Street Journal A paradigm-shifting book from an acclaimed Harvard Medical School scientist and one of Time's most influential people. It's a seemingly undeniable truth that aging is inevitable. But what if everything we've been taught to believe about aging is wrong? What if we could choose our lifespan? In this groundbreaking book, Dr. David Sinclair, leading world authority on genetics and longevity, reveals a bold new theory for why we age. As he writes: "Aging is a disease, and that disease is treatable." This eye-opening and provocative work takes us to the frontlines of research that is pushing the boundaries on our perceived scientific limitations, revealing incredible breakthroughs—many from Dr. David Sinclair's own lab at Harvard—that demonstrate how we can slow down, or even reverse, aging. The key is activating newly discovered vitality genes, the descendants of an ancient genetic survival circuit that is both the cause of aging and the key to reversing it. Recent experiments in genetic reprogramming suggest that in the near future we may not just be able to feel younger, but actually become younger. Through a page-turning narrative, Dr. Sinclair invites you into the process of scientific discovery and reveals the emerging technologies and simple lifestyle changes—such as intermittent fasting, cold exposure, exercising with the right intensity, and eating less meat—that have been shown to help us live younger and healthier for longer. At once a roadmap for taking charge of our own health destiny and a bold new vision for the future of humankind, Lifespan will forever change the way we think about why we age and what we can do about it. Shares hundreds of exercise options for increasing metabolism, burning fat, and building muscle, in a workout reference that focuses on abdominal and large-muscle groups and outlines a thrice-weekly speed-interval routine for faster results. 125,000 first printing. In The 8-Hour Diet, a New York Times bestseller in hardcover, authors David Zinczenko and Peter Moore present a paradigm-shifting plan that allows readers to eat anything they want, as much as they want—and still strip away 20, 40, 60 pounds, or more. Stunning new research shows readers can lose remarkable amounts of weight eating as much as they want of any food they want—as long as they eat within a set 8-hour time period. Zinczenko and Moore demonstrate how simply observing this timed-eating strategy just 3 days a week will reset a dieter's metabolism so that he or she can enter fat-burning mode first thing in the morning—and stay there all day long. And by focusing on 8 critical, nutrient-rich Powerfoods, readers will not only lose weight, but also protect themselves from Alzheimer's, heart disease, even the common cold. In the book, readers will find motivating strategies, delicious recipes, and an 8-minute workout routine to maximize calorie burn. The 8-Hour Diet promises to strip away unwanted pounds and give readers the focus and willpower they need to reach all of their goals for weight loss and life. New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him "The Fittest (Real) Man in America." In Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential. NEW YORK TIMES BESTSELLER • Lose up to 16 Pounds in 14 Days with Zero Belly Smoothies! Watch the pounds disappear—with the press of a button! away stubborn fat, from your belly first. • Put an end to bloating and discomfort. • Detox from unhealthy foods so you enjoy all-day energy. • Turn off your fat storage genes and make long-term weight loss effortless. • Look and feel younger and healthier than ever! Our society is metabolically damaged and this is causing us to be sick, fatigued and overweight. Our bodies should be powerful fat burners that create plenty of energy to keep us going all day long. Unfortunately, most people are settling for so much less than their best. The answer to this comes down to an ancient healing strategy that optimizes nutrient timing to balance hormones and burn fat for fuel. This strategy cost nothing, is available to all and is quite simple to begin using. Fasting is the most ancient, inexpensive and most powerful healing strategy known to mankind. All of our ancient ancestors practiced fasting in one way or the other and many great sages and cultures revered fasting for its physical, mental, emotional and spiritual benefits. In this book, Dr David Jockers and Michael Dugan take you on a journey to help you understand the history and practical use for fasting to improve your life and health. You will discover the science behind how fasting improves insulin sensitivity, hormone optimization, fat burning, stem cells and cellular healing. You will learn about how fasting holds promise for the prevention and treatment of autoimmune conditions, cancer, digestive disorders and neurodegenerative pathologies. This book will go over all the various research and practical applications for daily intermittent fasting, partial fasting and extended fasting strategies. You will also learn how to troubleshoot challenges you may encounter on a fasting regimen. This book is designed to help inspire and empower you to embrace a fasting lifestyle while enjoying tasty and healthy foods at the proper time to improve your metabolic flexibility and energy efficiency so you can burn fat for fuel and have all day energy. 6" x 9" format

The author of the best-selling *Reverse Heart Disease Now* shares a daily mini-fast plan strategically designed to promote weight loss, heal metabolisms and lower insulin levels and blood pressure, providing a two-week sample meal plan and advice on safe exercise habits. Break the rules, not the fast with world-renowned biohacker and Bulletproof Coffee founder Dave Asprey, author of *The Bulletproof Diet*, *Head Strong*, and other New York Times bestsellers. For more than a decade, Bulletproof founder Dave Asprey has shared his unique point of view and expertise to help fans become the best versions of themselves. From living longer to getting smarter, maximizing performance to practicing mindfulness, Dave's followers look to him for his take on the most effective techniques to become healthier and more powerful than most doctors think is possible. Asprey has been fasting for years, long before it gained widespread popularity, and if you're a fan of Bulletproof coffee and *The Bulletproof Diet*, you have been enjoying some of the benefits of Intermittent Fasting too. In *Fast This Way*, Dave asks readers to forget everything they think they know about the ancient practice and takes them on a journey through cutting-edge science to examine the ways novice fasters and Intermittent Fasting loyalists can up-end their relationship with food and upgrade their fasting game beyond calorie restriction. What IF eating the right foods at the right time can actually enhance your fast? What IF how you work out and sleep could trick your body into thinking you are fasting? What IF it were easy to skip a meal, or two, or three? What IF fasting is different for women, can be personalized to your genes, and can impact your mental health? What IF all fasts could be created equal? *Fast This Way* is a compelling read through the latest thinking on fasting and gives readers the manual and toolkit to make the most of their fasts and their personal biology.

**NEW YORK TIMES BESTSELLER** • Lose up to a pound a day and curb your craving for sweets with delicious recipes and simple, science-based food swaps from David Zinczenko, NBC's health and wellness contributor and bestselling author of *Zero Belly Diet*, *Zero Belly Smoothies*, and *Eat This, Not That!* With *Zero Sugar Diet*, #1 New York Times bestselling author David Zinczenko continues his twenty-year mission to help Americans live their happiest and healthiest lives, uncovering revolutionary new research that explains why you can't lose weight—and shows that it's not your fault! The true culprit is sugar—specifically added sugars—which food manufacturers sneak into almost everything we eat, from bread to cold cuts to yogurt, peanut butter, pizza, and even "health" foods. Until now, there's been no way to tell how much added sugar you're eating—or how to avoid it without sacrifice. But with the simple steps in *Zero Sugar Diet*, you'll be able to eat all your favorite foods and strip away unnecessary sugars—losing weight at a rate of up to one pound per day, while still enjoying the sweeter things in life. By replacing empty calories with essential ones—swapping in whole foods and fiber and swapping out added sugars—you'll conquer your cravings and prevent the blood sugar surge that leads to some of the worst health scourges in America today, including abdominal fat, diabetes, heart disease, cancer, liver disease, fatigue, and tooth decay. And all it takes is 14 days. You'll be stunned by the reported results: Lisa Gardner, 49, lost 10 pounds Tara Anderson, 42, lost 10 pounds David Menkhaus, 62, lost 15 pounds Ricky Casados, 56, lost 12 pounds You, too, can melt away belly fat, boost your energy levels and metabolism, and take control of your health and your life, armed with a comprehensive grocery list of fresh produce, proteins, whole grains, and even prepared meals, accompanied by two weeks' worth of fiber-rich breakfast, lunch, dinner, and snack recipes and real-life results from successful *Zero Sugar* dieters. The fat-burning formula for long-term weight loss and optimal health is at your fingertips. Join in the crusade and say goodbye to added sugars—and goodbye to your belly—with *Zero Sugar Diet!* Praise for *Zero Sugar Diet* "Zero Sugar Diet targets an easily identifiable enemy, comparing excess sugar in our diet to a deadly virus. . . . Well, that got my attention."—*The New York Times Book Review* "A user-friendly guide [that provides] a wealth of helpful information and tools for those wishing to limit added sugars in their diet."—*Library Journal* "This plan is informative and entertaining (e.g., a chart converts common meals to their equivalent in donuts; 'an open letter from your pancreas') and will help readers rein in cravings and become savvy monitors of added sugar consumption."—*Publishers Weekly* In survey after survey, men and women say that a flat abdomen is the ultimate symbol of sex appeal. And in study after study, researchers found that getting a firm belly is the single most significant step anyone can take to stay healthy for life. Now available in paperback, *The Abs Diet for Women* shows the most effective way to a flat belly, a firm body, and a much better life. Packed with information developed exclusively for women, the book includes: -information on how the Abs Diet can prevent joint pain, improve female sexual response, and give a woman the flat belly she craves in just six weeks -Abs Diet adaptations to tailor the diet to each woman's individual needs -psychological strategies for dealing with obstacles and changing moods -3 weeks' worth of all-new meal plans -tips on managing menopausal symptoms without hormone replacement therapy -new and super-effective moves that incorporate yoga and Pilates to strenghten the core, stretch the body, and relieve stress—plus a postpartum workout to help moms lose the baby weight Easy to follow and more satisfying than a great-fitting pair of jeans, *The Abs Diet for Women* is the most effective way for a woman to change her health, her size, and her body for good. Based on *Zero Belly Diet*, the revolutionary bestselling weight-loss plan from NBC News health and wellness contributor David Zinczenko, creator of *Eat This, Not That!*, *Zero Belly Cookbook* is a groundbreaking collection of recipes that will teach anyone how to cook beautifully, lose weight fast, and get healthier in just minutes a day. SEE THE DELICIOUS DIFFERENCE IN JUST FOURTEEN DAYS! Strip away up to 16 pounds in two weeks with the weight-loss power of gourmet superfoods. Ever since the arrival of David Zinczenko's bestselling *Zero Belly Diet*—with its proven formula to rev up metabolism, melt away fat, and turn off the genes that cause weight gain—fans have been clamoring for more scrumptious, waist-slimming recipes to add to their weekly menus. Zinczenko answers the call in *Zero Belly Cookbook*—a collection of more than 150 quick, simple, restaurant-quality meals that will improve how you eat, feel, and live. • Metabolism-boosting breakfasts: Set your metabolism racing with the all-day fat-burning protein power of Spinach and Onion Strata and the superfood-packed Apple Pie Muffins. • Flat-belly lunches: Quell hunger with low-calorie, belly-flattening takes on such indulgent favorites as Turkey Meatball Heroes with Onion and Peppers. • Fat-melting dinners: Celebrate easy, automatic weight loss in gourmet style with Green Tea Poached Salmon with Bok Choy or Steak Frites with Arugula Chimichurri and Asparagus. • Slimming snacks: Nibble your way slim with Spicy Popcorn, Fresh Figs and Ricotta, and Avocado with Crab Salad. • Healthy, decadent desserts: Cap off a day of perfect eating with Raspberry Poached Pears, Black Forest Cookies, or Watermelon Wedges with Whipped Cream, Walnuts, and Mint. Including tasty dishes from such celebrated chefs as Jason Lawless, Susan Feniger, Chris Jaeckle, and Anita Lo, these tantalizing, easy-to-prepare recipes are specifically designed to target the fat that matters most to your health: belly fat. Regardless of your health history, your lifestyle, or even your genes, *Zero Belly Cookbook* will give you the power to flatten your belly, heal your body, soothe your soul, and live better than ever. Australian and New Zealand edition **THE NO. 1 BESTSELLER IN AUSTRALIA AND THE UK BASED ON THE LATEST GROUNDBREAKING SCIENCE THE ULTIMATE GUIDE FROM THE CREATOR OF THE 5:2 – HOW TO COMBINE RAPID WEIGHT LOSS AND INTERMITTENT FASTING FOR LONG-TERM GOOD HEALTH AN EXCITING NEW PROGRAMME BUILT AROUND A MORE MANAGEABLE 800-CALORIE FAST DAY** Six years ago, Dr Michael Mosley started a health revolution with *The 5.2 Fast Diet*, telling the world about the incredible power of intermittent fasting. In this book he brings together all the latest science (including a new approach: Time Restricted Eating) to create an easy-to-follow programme. Recent studies have shown that 800 calories is the magic number when it comes to successful dieting – it's an amount high enough to be manageable but low enough to speed weight loss and trigger a range of desirable metabolic changes. Depending on your goals, you can choose how intensively you want to do the programme: how many 800-calorie days to include each week, and how to adjust these as you progress. Along with delicious, low-carb recipes and menu plans by Dr Clare Bailey, *The Fast 800* offers a flexible way to help you lose weight, improve mood and reduce blood pressure, inflammation and blood sugars. Take your future health into your own hands. 'I lost 16kg in the first 8 weeks and then another 6kg. I've never been healthier.' Denise, 51 In his mid-twenties, Dave Asprey was a successful Silicon Valley multimillionaire. He also weighed 300 pounds, despite the fact that he was doing what doctors recommended: eating 1,800 calories a day and working out 90 minutes a day, six times a week. When his excess fat started causing brain fog and food cravings sapped his energy and willpower, Asprey turned to the same hacking techniques that made his fortune to "hack" his own biology, investing more than \$300,000 and 15 years to uncover what was hindering his energy, performance, appearance, and happiness. From private brain EEG facilities to remote monasteries in Tibet, through radioactive brain scans, blood chemistry work, nervous system testing, and more, he explored traditional and alternative technologies to reach his physical and mental prime. The result? The Bulletproof Diet, an anti-inflammatory program for hunger-free, rapid weight loss and peak performance. The Bulletproof Diet will challenge—and change—the way you think about weight loss and wellness. You will skip breakfast, stop counting calories, eat high levels of healthy saturated fat, work out and sleep less, and add smart supplements. In doing so, you'll gain energy, build lean muscle, and watch the pounds melt off. By ditching traditional "diet" thinking, Asprey went from being overweight and sick in his twenties to maintaining a 100-pound weight loss, increasing his IQ, and feeling better than ever in his forties. The Bulletproof Diet is your blueprint to a better life. How intermittent fasting can enhance resilience, improve mental and physical performance, and protect against aging and disease. Most of us eat three meals a day with a smattering of snacks because we think that's the normal, healthy way to eat. This book shows why that's not the case. The human body and brain evolved to function well in environments where food could be obtained only intermittently. When we look at the eating patterns of our distant ancestors, we can see that an intermittent fasting eating pattern is normal—and eating three meals a day is not. In *The Intermittent Fasting Revolution*, prominent neuroscientist Mark Mattson shows that intermittent fasting is not only normal but also good for us; it can enhance our ability to cope with stress by making cells more resilient. It also improves mental and physical performance and protects against aging and disease. Intermittent fasting is not the latest fad diet; it doesn't dictate food choice or quantity. It doesn't make money for the pharmaceutical, processed food, or health care industries. Intermittent fasting is an eating pattern that includes frequent periods of time with little or negligible amounts of food. It is often accompanied by weight loss, but, Mattson says, studies show that its remarkable beneficial effects cannot be accounted for by weight loss alone. Mattson—whose pioneering research uncovered the ways that the brain responds to fasting and exercise—explains how thriving while fasting became an evolutionary adaptation. He describes the specific ways that intermittent fasting slows aging; reduces the risk of diseases, including obesity, Alzheimer's, and diabetes; and improves both brain and body performance. He also offers practical advice on adopting an intermittent fasting eating pattern as well as information for parents and physicians. Are you ready to start a new healthy way of life? Learn how a simple dietary change can help you lose weight, boost your immune system and achieve your best form. Everyone seems to look for the fastest way to lose weight these days. A multitude of offers from the areas of nutrition, health and nutritional supplements, physical fitness and various training workshops flood the entire health and fitness market. All of this creates costs and hassle for you and is often not as effective as these marketers promised in their glamorous ads. However, there is a permanent solution that many resort to today. While not exempted from cynical opinions, it's a lot better than the options that are available in the market. For one, it doesn't require any extra effort to do it, and it doesn't pocket as it does when preparing for a new diet or signing up for a physical fitness program. The popularity of intermittent fasting is gaining momentum in the market today when people get tired of numerous diets that may seem easy to make at first glance, but usually don't work well in the long run. This book is designed to provide you with an effective alternative solution to your weight problem. This book will continue to educate you on the basics of intermittent fasting and how it turns out to be the coolest, fastest, and easiest way to lose weight while building lean muscle for men and women. This book will give you all there is to know about Intermittent Fasting (IF). Moreover, you will also learn how to perform the 16/8 IF diet properly to achieve your best form and healthiest status. In "Intermittent Fasting 16/8", you will discover: Introduction to Intermittent Fasting Step-By-Step guide to Intermittent Fasting 16/8 Tips and hacks to success of Intermittent Fasting 16/8 How to get motivated How to choose foods 14 days Intermittent Fasting recipes And much, much more! It gives you helpful techniques about how to go about doing the fast. It also gives you practical tips about what to do before and after going on a dry fast. It helps you appreciate that doing the right pre-fast and post-fast things is critical to making a successful dry fast. If you want to eat the same foods you've always enjoyed, permanently lose some extra weight and wear dresses you always want to wear, then you'll love Asuka Young's guide to intermittent fasting. Get body and health you desire and deserve! The remarkable, amusing and inspiring adventures of a Canadian couple who make a year-long attempt to eat foods grown and produced within a 100-mile radius of their apartment. When Alisa Smith and James MacKinnon learned that the average ingredient in a North American meal travels 1,500 miles from farm to plate, they decided to launch a simple experiment to reconnect with the people and places that produced what they ate. For one year, they would only consume food that came from within a 100-mile radius of their Vancouver apartment. The 100-Mile Diet was born. The couple's discoveries sometimes shook their resolve. It would be a year without sugar, Cheerios, olive oil, rice, Pizza Pops, beer, and much, much more. Yet local eating has turned out to be a life lesson in pleasures that are always close at hand. They met the revolutionary farmers and modern-day hunter-gatherers who are changing the way we think about food. They got personal with issues ranging from global economics to biodiversity. They called on the wisdom of grandmothers, and immersed themselves in the seasons. They discovered a host of new flavours, from gooseberry wine to sunchokes to turnip sandwiches, foods that they never would have guessed were on their doorstep. The 100-Mile Diet struck a deeper chord than anyone could have predicted, attracting media and grassroots interest that spanned the globe. **The 100-Mile Diet: A Year of Local Eating** tells the full story, from the insights to the

kitchen disasters, as the authors transform from megamart shoppers to self-sufficient urban pioneers. The 100-Mile Diet is a pathway home for anybody, anywhere. Call me naive, but I never knew that flour would be struck from our 100-Mile Diet. Wheat products are just so ubiquitous, “the staff of life,” that I had hazily imagined the stuff must be grown everywhere. But of course: I had never seen a field of wheat anywhere close to Vancouver, and my mental images of late-afternoon light falling on golden fields of grain were all from my childhood on the Canadian prairies. What I was able to find was Anita’s Organic Grain & Flour Mill, about 60 miles up the Fraser River valley. I called, and learned that Anita’s nearest grain suppliers were at least 800 miles away by road. She sounded sorry for me. Would it be a year until I tasted a pie? —From The 100-Mile Diet From acclaimed author Dr. Jason Fung, a revolutionary guide to reversing diabetes. Dr. Jason Fung forever changed the way we think about obesity with his best-selling book, The Obesity Code. Now he has set out to do the same for type 2 diabetes. Today, most doctors, dietitians, and even diabetes specialists consider type 2 diabetes to be a chronic and progressive disease—a life sentence with no possibility of parole. But the truth, as Dr. Fung reveals in this paradigm-shifting book, is that type 2 diabetes is reversible. Writing with clear, persuasive language, he explains why conventional treatments that rely on insulin or other blood-glucose-lowering drugs can actually exacerbate the problem, leading to significant weight gain and even heart disease. The only way to treat type 2 diabetes effectively, he argues, is proper dieting and intermittent fasting—not medication. Dr. Jason Fung forever changed the way we think about obesity with his best-selling book, The Obesity Code. Now he has set out to do the same for type 2 diabetes. Today, most doctors, dietitians, and even diabetes specialists consider type 2 diabetes to be a chronic and progressive disease—a life sentence with no possibility of parole. But the truth, as Dr. Fung reveals in this paradigm-shifting book, is that type 2 diabetes is reversible. Writing with clear, persuasive language, he explains why conventional treatments that rely on insulin or other blood-glucose-lowering drugs can actually exacerbate the problem, leading to significant weight gain and even heart disease. The only way to treat type 2 diabetes effectively, he argues, is proper dieting and intermittent fasting—not medication. As seen in the New York Times and on Good Morning America-now updated by the author. Imagine a diet that’s as easy as "a spoonful of sugar" (or extra-light olive oil) twice a day. A diet that actually reduces appetite and cravings. A diet that’s based on a wealth of scientific findings but is simple enough for anyone to stick to. A diet with results that amaze almost everyone who tries it. Psychology professor Seth Roberts asks a simple question most weight-loss experts haven’t thought to tackle: What makes people hungry? Based on a new understanding of how the human body regulates hunger, The Shangri-La Diet presents a strikingly simple and surprisingly effective way to lose weight-without giving up favorite foods. Simple and counterintuitive, this extraordinary new diet is changing the way the world thinks about weight loss-one success story at a time. #1 NEW YORK TIMES BESTSELLER • The game-changing author of Tribe of Mentors teaches you how to reach your peak physical potential with minimum effort. “A practical crash course in how to reinvent yourself.”—Kevin Kelly, Wired Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. The 4-Hour Body is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It’s the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it’s all here, and it all works. You will learn (in less than 30 minutes each): • How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails • How to prevent fat gain while bingeing over the weekend or the holidays • How to sleep 2 hours per day and feel fully rested • How to produce 15-minute female orgasms • How to triple testosterone and double sperm count • How to go from running 5 kilometers to 50 kilometers in 12 weeks • How to reverse “permanent” injuries • How to pay for a beach vacation with one hospital visit And that's just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don't need better genetics or more exercise. You need immediate results that compel you to continue. That's exactly what The 4-Hour Body delivers. Colin O’Brady’s awe-inspiring, New York Times bestselling memoir recounting his recovery from a tragic accident and his record-setting 932-mile solo crossing of Antarctica is a “jaw-dropping tale of passion and perseverance” (Angela Duckworth, New York Times bestselling author of Grit). Prior to December 2018, no individual had ever crossed the landmass of Antarctica alone, without support and completely human powered. Yet, Colin O’Brady was determined to do just that, even if, ten years earlier, there was doubt that he’d ever walk again normally. From the depths of a tragic accident, he fought his way back. In a quest to unlock his potential and discover what was possible, he went on to set three mountaineering world records before turning to this historic Antarctic challenge. O’Brady’s pursuit of a goal that had eluded many others was made even more intense by a head-to-head battle that emerged with British polar explorer Captain Louis Rudd—also striving to be “the first.” Enduring Antarctica’s sub-zero temperatures and pulling a sled that initially weighed 375 pounds—in complete isolation and through a succession of whiteouts, storms, and a series of near disasters—O’Brady persevered. Alone with his thoughts for nearly two months in the vastness of the frozen continent—gripped by fear and doubt—he reflected on his past, seeking courage and inspiration in the relationships and experiences that had shaped his life. “Incredibly engaging and well-written” (The Wall Street Journal)—and set against the backdrop of some of the most extreme environments on earth, from Mt. Everest to Antarctica—this is “an unforgettable memoir of perseverance, survival, daring to dream big, and showing the world how to make the impossible possible” (Booklist, starred review). 'David Higgins is a legend. He put me in my best physical shape and he educated me on stretching, strengthening and nutrition!' Margot Robbie 'When I met David, I was broken, physically. He patiently and caringly put me together again. His combinations of strength, Pilates, stretching and active release ... are nothing short of spectacular.' Samuel L. Jackson 'Working with DH is always fantastic because of his expertise as a fully qualified trainer, personal fitness and in-depth knowledge of nutrition.' Rebecca Ferguson David Higgins's Hollywood-tested Hollywood Body Plan will transform your everyday movement and treat the aches and pains that have built up over years of sedentary living. Once you have regained control of your body, you can live without stiffness and pain and exercise without fear of injury. RESET your body with David's 21-day workout. Just 21 minutes a day. Correct poor posture and body imbalance. The first part of David's plan will strengthen your core, activate your glutes, improve lower back movement and hip flexibility as well as pull back your shoulders and neck. Take 21 minutes a day for 21 days to put yourself back on the right path physically. Combined with David's 21-day food plan, you will soon find yourself moving with confidence, exercising without pain - and losing weight and feeling great! TRANSFORM your body The second part of David's plan is a transformational workout - a more dynamic, higher intensity exercise plan, 5 days a week. Get leaner, stronger and more toned as you follow this exercise and food programme. FOREVER FIX your body David's self-care programme is the third part of the plan and will help you treat muscle soreness, neck pain or backache and keep you on track for life. David's Hollywood Body Plan is a unique and corrective approach to exercise and diet, based on his belief that until you undo all the dysfunctional movement that you have developed over the years, all the exercise and diets you try will only be short-term fixes. This book will truly reset, transform and forever fix your body for life.

When people should go to the ebook stores, search commencement by shop, shelf by shelf, it is essentially problematic. This is why we offer the books compilations in this website. It will very ease you to see guide **The 8 Hour Diet David Zinczenko** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections.
