Look for Harlequin Intrigue's May 2017 Box Set 1 of 2, filled with even more edge-of-your seat romantic suspense! Look for 6 compelling new stories every month from Harlequin® Intrigue! Eugenides, still known as a Thief of Eddis, faces palace intrigue and assassins as he strives to prove himself both to the people of Attolia and to his new bride, their queen. "A tale of friendship and betrayal, pragmatism and idealism, infighting and spin, the novel opens on the eve of a crucial vote on an ultra-conservative Supreme Court nominee. Senator Ellen Fischer is handed explosive documents that will surely derail the nomination she opposes - if she takes them to the floor of the Senate the next day. Her key staff members are divided: one urges her to go public, since no nomination could withstand such revelations. Another is more cautious - there are other battles to be fought, and this information cannot be verified before the vote takes place. Making matters more complex, the source of the information is Greg Hunter, a journalist with right-wing credentials. Greg is also Ellen's former lover - and the best friend of her beloved husband, Josh, whose own political career was fatally, and suspiciously, cut short." "Ellen faces an ethical and practical dilemma: Say nothing, and a dangerous judge will take a

seat on the highest court in the land. Speak up, and Senator Fischer's own career may be irreparably jeopardized. In coming to her decision, Ellen is forced to confront truths not just about her present and her future, but also about the mysteries of her past." "From student activism on the streets of Berkeley to intrigue deep in the hideaways under the Capitol, A Time to Run is the story of one woman's unexpected rise to political prominence and the difficult choices that come with it. Barbara Boxer, writing with Mary-Rose Hayes, reveals the inner workings of the corridors of power and creates a memorable portrait of what makes people - and our government - tick."--BOOK JACKET. Achieving a successful and profitable life in spite of a troubled past, doctor Angela Dawson pursues business opportunities in three major cities only to find her efforts compromised by a surge of drug-resistant staph infections, which are investigated by medical examiner newlyweds Laurie Montgomery and Jack Stapleton. 250,000 first printing. MÁS is an Intermediate Spanish program built on the assumption that students learn best when they are fully engaged. Each component of the MÁS experience is designed to spark curiosity and inspire critical thinking, from its unique magazine format to its thought-provoking readings and stunning short film collection. In addition to providing intriguing and timely cultural content and a solid review of structures covered in the first year, MÁS places a strong emphasis on open-ended communication, ensuring that students benefit from a wealth of opportunities for communicative practice, both in class and online. Students who need additional practice with grammar and vocabulary to meet second-year expectations can strengthen their skills using LearnSmart, an adaptive learning tool that gives them the opportunity to focus their study time where they most need it. Through its diverse and lively view of the Spanish-speaking world, MÁS motivates a new generation of students to be inspired to communicate in Spanish. This new, stronger edition of MÁS welcomes multiple new readings, more communicative activities, new visuals, an eBook, as well as multiple resources online through Connect Spanish that address a variety of learning styles and student behaviors. Each feature of MÁS has been carefully selected to introduce important elements of the Spanish-speaking world and encourage exploration of different mediums of authentic content to both inspire and intrigue students' language learning experience. We are excited about the many new learning opportunities we have brought to this edition of MÁS, and we hope that it pushes our students to explore the Spanish-speaking world beyond the classroom, always seeking to learn and do more. The Political Science Student Writer's Manual and Reader's Guide is a practical guide to research, reading, and writing in political science. The Political Science Student Writer's Manual and Reader's Guide, Eighth Edition, is a set of instructions and exercises that sequentially develop citizenship,

academic, and professional skills while providing students with knowledge about a wide range of political and governmental concepts, phenomena, and information sources. It begins by teaching beginning students to engage newspapers and other political media sources critically and analytically. It focuses on the crafts of writing and scholarship by providing the basics of grammar, style, formats and source citation, and then introduces students to a variety of rich information resources including the Congressional Record, Federal Register, and the Library of Congress. Students actively apply their knowledge and skills by corresponding with their representatives and commenting on pending government regulations. Part 1 concludes with campaign management, policy analysis, legislation assessment, and similar exercises that develop student skilled-observation proficiency. Part 2 prepares students to research, read, write, review, and critique political science scholarship. Finally, Part 3 teaches advanced students how to investigate public opinion; analyze domestic and international public policies; author amicus briefs; and participate in the universal community that deliberates the continuing rich tradition of political philosophy. This is the first English translation of a traditional history of the eighteenth- and nineteenth-century Bamana kingdom of Segu, which flourished in an area that was once part of the Mali Empire and which far outlasted its neighbors in resistance to Islam. The story, which is one of Africa's great epic traditions, offers a view of daily life in Bamana Segu. Tayiru Banbera adds to this, providing invaluable information on such diverse topics as military strategy, culinary practices, taxation, law enforcement, and seduction. The Student Activities Manual (SAM) presents additional aural/oral and written review activities that target language functions, grammatical structures, vocabulary, and verb conjugations, as well as culture and literature review and expansion activities. The SAM is comprised three parts: oral review activities (lab manual), written review activities (workbook), and video activities (video manual). The Pour réviser oral and written review activities target vocabulary, language functions, grammar structures, culture, and literature. The Activités orales lab manual activities help the students with listening comprehension. The Activités écrites workbook activities provide written review, expansion, and alternative writing assignments. The video manual provides activities to support the Point de vue companion video. There are also special activities that relate to the Interlude section of the text, ideal for mid-year review. My Language Lab also hosts the online expansion activities for the Pour aller plus loin and Pour agir selections. Helen Hunt Jackson's passionate crusade for Indian rights comes to life in this collection of more than 200 letters, most of which have never been published before. With Valerie Sherer Mathes's helpful notes, the letters reveal the behind-the-scenes drama of Jackson's involvement in Indian reform, which led her to write A Century of Dishonor and her protest novel Ramona. Ralph Waldo Emerson described Jackson as the "greatest American woman poet." These stirring letters will intrigue anyone interested in Indian affairs, nineteenth-century women's studies, or the social history of Victorian America, where Jackson made her mark despite the

restrictions on women. Among her correspondents were Oliver Wendell Holmes, Henry Wadsworth Longfellow, Moncure D. Conway, Henry B. Whipple, Henry L. Dawes, Henry Teller, Carl Schurz, and of course, commissioners of Indian affairs and such prominent editors as Whitelaw Reid, Charles Dudley Warner, and Richard Watson Gilder. The letters are presented in sections on the Ponca and Mission Indian causes, allowing readers to focus on the time period and Indian group of choice. In a greenhouse effect-altered world, the United States and its European allies fight a losing battle against the Arab National Army, only to receive apparent help from enigmatic UFOs With its process-oriented rhetoric, provocative thematic reader, up-to-date research manual, and comprehensive handbook, The Bedford Guide for College Writers gives your students the tools they need to succeed as writers -- all in one book. Each of the book's four main components has been carefully developed to provide an engaging, well-coordinated guide for student writers. This edition's new, more open design and sharper focus on active learning do even more to help students develop transferable skills. The Bedford Guide for College Writers prepares students to be the confident, resourceful, and independent writers they will need to be. A comprehensive reference guide to the design and production of documents. Written as a companion volume to the Commonwealth Style Manual, The Design Manual is an indispensable reference for traditional and digital publishing. Shocked and humiliated by a medical malpractice lawsuit, physician Craig Bowman receives help from his estranged brother-in-law, medical examiner Jack Stapleton, who discovers trouble after exhuming the body of Craig's alleged victim. Congressional staffer Kinnard Flannigan and Kimberly Stewart investigate potentially dangerous side effects of a new psychotropic drug about to be approved by the FDA and find themselves up against a terrifying conspiracy of greed, intrigue, and murder. Lit Guild Main. How Can I Keep from Singing? is the compelling story of how the son of a respectable Puritan family became a consummate performer and American rebel. Updated with new research and interviews, unpublished photographs, and thoughtful comments from Pete Seeger himself, this is an inside history of the man Carl Sandburg called "America's Tuning Fork." In the only biography on Seeger, David Dunaway parts the curtains on his life. Who is this rail-thin, eighty-eight-year-old with the five-string banjo, whose performances have touched millions of people for more than seven decades? Bob Dylan called him a saint. Joan Baez said, "We all owe our careers to him." But Seeger's considerable musical achievements were overshadowed by political controversy when he became perhaps the most blacklisted performer in American history. He was investigated for sedition, harassed by the FBI and the CIA, picketed, and literally stoned by conservative groups. Still, he sang. Today, Seeger remains an icon of conscience and culture, and his classic antiwar songs, sung by Bruce Springsteen and millions of others, live again in the movement against foreign wars. His life holds lessons for surviving repressive times and for turning to music to change the world. "This biography is a beauty. It captures not only the life of the bard but the world of which he sings." -Studs Terkel "A fine

and meticulous biography . . . Dunaway has taken [Seeger's] materials and woven them into a detailed, interesting, and well-written narrative of a most fascinating life." -American Music "An extraordinary tale of an extraordinary man [that] will intrigue not only his legions of followers but everyone interested in one man's battles and victories." -Chicago Sun-Times Gregory Heyworth's *Desiring Bodies* considers the physical body and its relationship to poetic and corporate bodies in the Middle Ages and Renaissance. Beginning in the odd contest between body and form in the first sentence of Ovid's protean *Metamorphoses*, Heyworth identifies these concepts as structuring principles of civic and poetic unity and pursues their consequences as refracted through a series of romances, some typical of the genre, some problematically so. Bodies, in Ovidian romance, are the objects of human desire to possess, to recover, to form, or to violate. Part 1 examines this desire as both a literal and socio-political phenomenon through readings of Marie de France's *Lais*, Chr tien de Troyes' *Clig s* and *Perceval*, and Chaucer's *Canterbury Tales*, texts variously expressing social, economic, and political culture in romance. In part 2, Heyworth is concerned with missing or absent bodies in Petrarch's *Rime sparse*, Shakespeare's *Romeo and Juliet*, and Milton's *Paradise Lost* and the generic rupture they cause in lyric, tragedy, and epic. Throughout, Heyworth draws on social theorists such as Kant, Weber, Simmel, and Elias to explore the connection between social and literary form. The first comparative, diachronic study of romance form in many years, *Desiring Bodies* is a persuasive and important cultural history that demonstrates Ovid's pervasive influence not only on the poetics but on the politics of the medieval and early modern Western tradition. "Desiring Bodies answers the question that might dog Comparative Literature as a discipline, i.e. 'so what?'. In a bravura display of cultural and linguistic range, Heyworth turns his own supple, Ovidian intelligence to Ovidian irruptions from within the civilizing project of romance. Heyworth writes with intense literary inwardness, adroitly turned learning, and pitch-perfect prose." --James Simpson, Harvard University "Gregory Heyworth's *Desiring Bodies: Ovidian Romance and the Cult of Form* is a wide-ranging, impressively learned, first-rate study with a provocative and weighty central argument." --Monika Otter, Dartmouth College "Gregory Heyworth's *Desiring Bodies* is a highly original study. It is also very daring--breathhtakingly so, at times--in its deep engagement with major canonical writers and texts of the Middle Ages and the Renaissance, from twelfth-century Latin comedy to Milton's *Paradise Lost*. His remarkable essay is achieved within a stimulating cultural and artistic exegesis of a single Ovidian line in which Heyworth finds his own large subject--the famous first line of the *Metamorphoses*, in which the poet announces the intention to tell 'of forms changed into new bodies.'" -- John Fleming, Princeton University "Ambitious in its aims, convincing in its arguments, and frequently surprising in its readings, *Desiring Bodies* asks us to reconsider how literary works both respond to and adapt the remains of the literary past. By establishing Ovid as the defining figure of formal metamorphoses across literary history, Heyworth opens new possibilities for imagining literary history as a

history of literary form." --Jennifer Summit, Stanford University When it was first published twenty years ago, *The Bedford Guide for College Writers* brought a lively and innovative new approach to the teaching of writing. Since that time, authors X. J. and Dorothy M. Kennedy have won praise for their friendly tone and their view, apparent on every page of the text, that writing is the "usually surprising, often rewarding art of thinking while working with language." More recently, experienced teacher and writer Marcia F. Muth joined the author team, adding more practical advice to help all students — even those underprepared for college work — become successful academic writers. While retaining the highly praised "Kennedy touch," *The Bedford Guide* continues to evolve to meet classroom needs. The new edition does even more to build essential academic writing skills, with expanded coverage of audience analysis, source-based writing, argumentation and reasoning, and more. This is the story of the Cuban residents of nineteenth-century Key West, Florida, and their struggle to liberate Cuba, as told by Spanish consuls. Stebbins argues that the consuls' correspondence contained in the Key West Collection—one of the very few primary sources on Key West from 1842 to 1897—rewrites the island's history. Drawing on official documents, newspapers, coded messages, and informants' reports, Stebbins taps into a wealth of important and detailed information about the role of Key West and its inhabitants in the ongoing struggle between Spain and its colony Cuba, as well as the United States' role along the sidelines of this broader conflict. Among the documents are confidential reports describing Cuban insurgents' activities and the secretive network they established to communicate with their coconspirators in Cuba and throughout the Caribbean. Discovered in the archives of the Ministerio de Asuntos Exteriores in Madrid, the collection covers three major periods in Key West's history, the first from 1842 to 1867, as the consuls reported on the island's maritime activities as America's southernmost port city and as a major salvaging base for shipwrecks along the dangerous Florida reefs. Beginning with the Ten Years War in 1868, the small island maritime community changed dramatically as thousands of Cubans fled to Key West and found work in thriving cigar factories, transforming the local economy into one of the nation's wealthiest by producing pure Havana Clears through the 1890s. By the mid 1880s, the Cuban émigré colonists controlled the insurgent movement from abroad as they tirelessly plotted the overthrow of the Spanish colonial government in Cuba. All their plans came to a temporary halt when the Great Fire of 1886 destroyed the commercial district. This event marked the beginning of the final period, climaxing with the Spanish-American War in 1898. Accessible reading for the armchair historian, this in-depth view of Key West during some of its most eventful decades—drawing on little-known eyewitness accounts—will appeal not only to historians of Key West and South Florida but to scholars of maritime history, labor relations, and revolutionary studies as well. The origins of baseball are controversial. James A. Vlasich discusses the debates between two men intimately involved in nineteenth-century baseball, Henry Chadwick and Albert G. Spalding. Abner Graves of the Mills Commission claimed that Abner Doubleday

had invented the game and he had done it in Cooperstown, New York. This claim was scrutinized at the time but the myth became etched into baseball history. Through the years, however, some critics have questioned the Mills Commission report. The problem is that the Baseball Hall of Fame is built on this shaky foundation. The lack of diligence on the part of Spalding's self-appointed committee has led to a credibility gap for the baseball shrine that continues a half century after its dedication. Indeed, the story of the building of the Baseball Hall of Fame is filled with intrigue worthy of a political thriller. *The Sociology Student Writer's Manual 7/E* is a practical guide to research, reading, and writing in sociology. *The Sociology Student Writer's Manual and Reader's Guide, Seventh Edition*, is a set of instructions and exercises that sequentially develop citizenship, academic, and professional skills while providing students with knowledge about a wide range of sociological concepts, phenomena, and information sources. Part 1 begins by teaching students to read newspapers and other sociological media sources critically and analytically. It focuses on the crafts of writing and scholarship by providing the basics of grammar, style, formats and source citation, and then introduces students to a variety of rich information resources including the sociological journals and the Library of Congress. Part 2 prepares students to research, read, write, review, and critique sociology scholarship. Finally, Part 3 provides advanced exercises in observing culture, socialization, inequality, and ethnicity and race. In *Murder of a Medici Princess*, Caroline Murphy illuminates the brilliant life and tragic death of Isabella de Medici, one of the brightest stars in the dazzling world of Renaissance Italy, the daughter of Duke Cosimo I, ruler of Florence and Tuscany. Murphy is a superb storyteller, and her fast-paced narrative captures the intrigue, the scandal, the romantic affairs, and the violence that were commonplace in the Florentine court. She brings to life an extraordinary woman, fluent in five languages, a free-spirited patron of the arts, a daredevil, a practical joker, and a passionate lover. Isabella, in fact, conducted numerous affairs, including a ten-year relationship with the cousin of her violent and possessive husband. Her permissive lifestyle, however, came to an end upon the death of her father, who was succeeded by her disapproving older brother Francesco. Considering Isabella's ways to be licentious and a disgrace upon the family, he permitted her increasingly enraged husband to murder her in a remote Medici villa. To tell this dramatic story, Murphy draws on a vast trove of newly discovered and unpublished documents, ranging from Isabella's own letters, to the loose-tongued dispatches of ambassadors to Florence, to contemporary descriptions of the opulent parties and balls, salons and hunts in which Isabella and her associates participated. Murphy resurrects the exciting atmosphere of Renaissance Florence, weaving Isabella's beloved city into her story, evoking the intellectual and artistic community that thrived during her time. Palaces and gardens in the city become places of creativity and intrigue, sites of seduction, and grounds for betrayal. Here then is a narrative of compelling and epic proportions, magnificent and alluring, decadent and ultimately tragic. *The Museum Educator's Manual* addresses the role museum

educators play in today's museums from an experience-based perspective. Seasoned museum educators author each chapter, emphasizing key programs along with case studies that provide successful examples, and demonstrate a practical foundation for the daily operations of a museum education department, no matter how small. The book covers: volunteer and docent management and training; exhibit development; program and event design and implementation; working with families, seniors, and teens; collaborating with schools and other institutions; and funding. This second edition interweaves technology into every aspect of the manual and includes two entirely new chapters, one on Museums - An Educational Resource for Schools and another on Active Learning in Museums. With invaluable checklists, schedules, organizational charts, program examples, and other how-to documents included throughout, *The Museum Educator's Manual* is a 'must have' book for any museum educator. "From the Depression era of the 1930s through the Vietnam War of the 1960s, a generation of "public intellectuals" thrived in America. They were poets, novelists, critics, and commentators who were also friends, rivals, spouses, and lovers. Their personal relationships were as passionate as their writing. In their poems, novels, and essays they debated one another while producing work that was brilliant and often controversial. Among them are such influential writers as Mary McCarthy, Edmund Wilson, Robert Lowell, Elizabeth Hardwick, and Hannah Arendt." "While the pages of *Partisan Review* were a forum for political and intellectual controversy, its offices were a hotbed of gossip, intrigue, back-stabbing, and sex. Possessed of enormous ambition, talent, and appetite, the PR circle was an intense, self-enclosed society where creative energy often gave way to self-destructive impulses, alcoholism, and adultery. For women of talent, beauty, and ambition, this literary circle offered unprecedented professional opportunity but also exacted a terrible emotional price." "Amidst all the turmoil - or perhaps because of it - this brilliant circle continued to produce important work, from McCarthy's scandalous novel *The Group* to Arendt's *Eichmann in Jerusalem*, which caused a firestorm of controversy." "Written with keen insight into both the literature and the personalities behind it, *Partisans* is an illuminating portrait of a time when politics and poetry were all-consuming passions."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved *Intrigue* is a comprehensive and flexible intermediate-level French textbook that develops the four basic communicative skills: reading, writing, speaking, and listening. Its proficiency-oriented methodology focuses on communication, linguistic functions, and interactive exchanges. This innovative mystery-story textbook arouses student curiosity and encourages students to participate actively in understanding the story and related authentic documents, to discuss the content of chapter readings, to write about their opinions and reactions, and even to complete grammar review activities—all of which advance the plot and offer clues to solving the mystery. By offering continuity between readings, student listening recordings, classroom activities, and homework exercises, *Intrigue* draws students

into using the French language in meaningful situations and into learning about the cultures of the French-speaking world. NOTE: This is the standalone book, if you want the book/access card order the ISBN below: 0205942210 / 9780205942213 Intrigue: langue, culture et myst re dans le monde francophone Plus MyFrenchLab with eText (multi-semester) -- Access Card Package, 3/e Package consists of: 0205741320 / 9780205741328 Intrigue: langue, culture et myst re dans le monde francophone 0205978487 / 9780205978489 MyFrenchLab with Pearson eText -- Access Card -- for Intrigue: langue, culture et myst re dans le monde francophone (multi semester access) Special Agent Nanny by Linda O. Johnston released on Aug 25, 2003 is available now for purchase. Until now, the story of Narciso Lopez's daring invasions of Cuba has remained one of the great lost sagas of American history. Wildly famous during the mid-nineteenth century as the leader of a filibuster, a clandestine army, Lopez led the first armed challenge to Spain's long domination over Cuba. While U.S. historians have tended to view Lopez as an agent of pre-Civil War southern expansionism, Tom Chaffin reveals a broader, more complicated picture. Although many southerners did assist Lopez, the web of intrigue that sustained his conspiracy also included New York City, steamship magnates, penny press editors, Cuban industrialists, and northern Democratic urban bosses. Drawn from archives in both the United States and Cuba and enlivened by first-person accounts and reports from federal "special agents" assigned to spy on Lopez, Fatal Glory holds appeal for both scholars and the general reader with an interest in Cuba, U.S. foreign policy, or the U.S. sectional crisis of the 1850s. Rezun's comprehensive history explores the game of rivalry and intrigue between the great powers in Southwest Asia and between the regional powers themselves. He traces the involvement of the Soviet Union, Britain, Germany, and the United States in the game of influence in the region, giving his readers a fascinating account of what happens behind the scenes in diplomatic circles and inside the power struggles between charismatic leaders, foreign powers, and the oppressed citizenry. The volume touches on current concerns such as the international arms trade, fervent nationalism, Iran, Saddam Hussein's Iraq, the rebellion of the Kurds, and movements in Afghanistan and Azerbaijan. Ultimately, the book seeks to explain the causes of war in the region. Set in Havana in 1961, it places Oakes in the middle of a conspiracy with Che Guevara to bring about an era of detente in East/West relations. When Oakes is betrayed in a clever double-cross, he is trapped in Cuba and the stage is set for a dandy adventure. Copyright © Libri GmbH. All rights reserved. This access code card provides students with 24-month access to Intrigue in MyFrenchLab. MyFrenchLab(tm) is a widely adopted, nationally hosted online learning system designed specifically for students in college-level language courses. It brings together-in one convenient, easily navigable site-a wide array of language-learning tools and resources, including an interactive version of the Intrigue Student Activities Manual, an interactive version of the Intrigue student text, and all materials from the Intrigue audio and video programs. The true story of Helene Rubinoff, a Russian refugee in Jazz Age New York who forsook her comfortable life with her impresario husband and his celebrity salons, and her beloved daughter, to follow her lover back to an uncertain fate in 1930s Russia. "Inspired me to ask myself why and to stop postponing the forgotten dreams." —Geneen Roth, #1 New York Times bestselling author of Women Food and God and This Messy Magnificent Life Full of inspirational insights and advice, lifehacks, and real-world examples, Someday is Not a Day in the Week is CEO Sam Horn's motivational guide to help readers get what they want in life today rather than "someday." Are you: • Working, working, working? • Busy taking care of everyone but yourself? • Wondering what to do with the rest of your life? • Planning to do what makes you happy someday when you have more time, money, or freedom? What if someday never happens? As the Buddha said, "The thing is, we think we have time." Sam Horn is a woman on a mission about not waiting for SOMEDAY ... and this is her manifesto. Her dad's dream was to visit all the National Parks when he retired. He worked six to seven days a week for decades. A week into his long-delayed dream, he had a stroke. Sam doesn't want that to happen to you. She took her business on the road for a Year by the Water. During her travels, she asked people, "Do you like your life? Your job? If so, why? If not, why not?" The surprising insights about what makes people happy or unhappy, what they're doing about it (or not), and why...will inspire you to carve out time for what truly matters now, not later. Life is much too precious to postpone. It's time to put yourself in your own story. The good news is, there are "hacks" you can do right now to make your life more of what you want it to be. And you don't have to be selfish, quit your job, or win the lottery to do them. Sam Horn offers actionable, practical advice in short, snappy chapters to show you how to get started on your best life — now. This groundbreaking and extraordinary memoir chronicles the astonishing history of one of the most famous yet unknown regions in the world. Based on his one-year sojourn among the Raramuri/Tarahumara, award-winning journalist Biggers uncovers the remarkable treasures of the Sierra Madre.
