Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series. The perfect resource for any setting where infusion therapy skills are required! Its popular, self-paced approach makes it ideal for classroom and clinical settings as it progresses from the basics to advanced techniques while incorporating theory into clinical application. Designed for use by undergraduates on social policy, social work and sociology courses and by students on vocational training courses (including postgraduate), this textbook covers all the main topics of social policy. The discipline of dental public health (or more broadly, Community Oral Health) is required by the General Dental Council to be taught in every UK dental school. There is also now an established specialty of Dental Public Health within the National Health Service, as well as an option to take Dental Public Health for the 2nd part of the Fellowship of Dental Surgeons. "Assessment with the WAIS-IV is designed as both a teaching text and a reference source for students and professionals. The text provides an in-depth analysis of a major instrument useful for the cognitive assessment of older adolescents and adults."--Preface.
