Christian Life The Spirit Catches You and You Fall Down

The cross is an historical event that can bring us to heaven... And a current event bringing heaven to bear on us In *The Power of the Cross*, Tony Evans applies Christ's work to life today. In three parts, he systematically and pastorally explains three aspects of the cross: Its Person: What makes Christ unique, and how He is the center of salvation history Its Purpose: What was accomplished on it, and how it is to be the centerpiece of our lives Its Power: The stability and deliverance it provides in our everyday living We wear crosses around our necks, but do we apply it to our lives? Jesus' work holds incredible power for us. It's time we embrace it, for God's glory and our joy. Read *The Power of the Cross* to find out how. *Walking to the Cross* is 40 days of devotions inviting you to make walking, reflecting, and prayer a part of your daily Lenten practice. In the words of a psalm, every week of *Walking to the Cross* begins a new theme for reflection. You'll also find space to record a "movement goal," or a reasonable physical challenge for yourself. Then each day in Lent offers a passage of Scripture exploring the Old Testament Psalms, prophets, and historical writers or New Testament Gospels and the apostle Paul, along with a reflection and prayer. These tools guide your Lenten journey, setting you on a course toward attaining your goals, both physically and spiritually. These 40 days will: - focus your heart during a meaningful season - inspire you to move bodily as well as spiritually - prepare you in body and spirit for the coming season of resurrection These tools guide your Lenten journey, setting you on a course toward attaining your goals, both physically and spiritually: - weekly reflection themes - space to record movement goals - seasonal Scripture explorations - brief focused prayers - daily diary of devotional thoughts While social norms and political movements are rapidly changing, the truth of the Catholic faith stands firm. In *Cross-*

Examined: Catholic Responses to the World's Questions, readers are equipped to address even the most sensitive topics, from the existence of God to the existence of hell, from women's ordination to Marian devotion, from assisted suicide to transgenderism. In *Cross-Examined*, Fr. Carter Griffin begins each discussion not with Catholic teaching but rather with its most common objections. Articulating these objections serves several purposes. First, it helps Catholics to respect those who do not share their beliefs by identifying intelligent grounds for disagreement. Pointing out objections also helps believers respond more persuasively in discussions with non-Catholic friends. Perhaps most importantly, knowing the common objects instills confidence that the Church is committed to the truth and unafraid to engage with those who dispute her teaching. After identifying principal objections, each discussion continues with a brief summary of relevant Catholic teaching and then responds to each objection in turn. In our shrill age that seems ever less capable of rational discourse, the method used in *Cross-Examined* can offer a way to remain faithful to our beliefs while acknowledging, respecting, and responding to alternative points of view. Profound reflections on the cross that help you to meditate on and marvel at the sacrificial love of Jesus. This book can be used as a devotional, especially during Lent and Easter. These profound reflections on the cross from David Mathis, author of *The Christmas We Didn't Expect*, will help you to meditate on and marvel at Jesus' life, sacrificial death, and spectacular resurrection-enabling you to treasure anew who Jesus is and what he has done. Many of us are so familiar with the Easter story that it becomes easy to miss subtle details and difficult to really enjoy its meaning. This book will help you to pause and marvel at Jesus, whose now-glorified wounds are a sign of his unfailing love and the decisive victory that he has won: "He was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed." (Isaiah 53:5) This book can be used as a devotional. The

chapters on Holy Week make it especially helpful during the Lent season and at Easter. Martin Luther was not only a theologian, a writer, and a preacher, he was a pastoral counselor who longed for peace with God. Now, 500 years after he posted his 95 theses to the door of the Wittenberg Castle church, his teachings on gospel-centered and cross-focused pastoral care can transform our approach to soul care, and teach us that daring faith in Christ alone can change our life today and give us peace forever. In *Counseling Under the Cross*, biblical counselor and noted author Bob Kellemen mines the riches of Luther's letters of spiritual counsel to give readers a new understanding of how Luther engaged in the personal ministry of the gospel. He guides pastors, counselors, lay leaders, and friends toward a deeper understanding of the gospel that will directly impact their personal ministry to others. Through lively vignettes, real-life stories, and direct quotes from Luther, readers will be equipped to apply the gospel to themselves and others, and learn that pastoral care is what every believer does in one-another ministry. As one of the most influential figures in Christian history, Luther was not only the father of the Reformation, he was also the father of "gospel-centered counseling." As sons and daughters in the faith, we have much to learn from him. *Counseling Under the Cross* equips us to apply the gospel richly, relevantly, and robustly to suffering and sin so that we find our hope and help in Christ alone. The religion of Jesus or the religion about Jesus? The cross as Christ's atoning sacrifice or as a courageous, prophetic martyrdom? With a pastoral/prophetic voice and insights derived from a lifetime in parish ministry and theological education, *Meeting Jesus the Christ Again* encourages the reader to rethink these and other hotly disputed issues of Christian faith. Taking a big-picture perspective and seeking common ground, Chesnut points us toward a "neo-classical" faith. "This wise, insightful book invites us to both/and thinking about our faith. With a Christ-centered, cross-centered focus, it shows

how to build faithful bridges across old divides between believers left and right. In an age of intense polarizations, all Christians of good will should be intrigued by the 'conservative progressive' vision offered here." --Richard Rohr, author, *The Divine Dance: The Trinity and Your Transformation*

"Chesnut's personal intellectual and spiritual journey lands in a place our culture and the church desperately need. He calls it a 'Conservative Progressive Faith' that takes seriously the honest questions people have about Christianity and also the rigorous social and political challenges that confront anyone who aspires to follow Jesus Christ in the world. . . . This book is not only fascinating but a sheer delight to read." --John Buchanan, pastor emeritus, The Fourth Presbyterian Church of Chicago

"Although this conciliatory volume covers a lot of ground, it will hold the reader's attention from start to finish. Chesnut's thoughtful, informed, and well-reasoned chapters are the product of a lifetime of active ministry and (refreshingly) self-critical reflection, and they are the perfect antidote to a host of false antitheses that haunt the contemporary Christian landscape. One sincerely hopes that *Meeting Jesus the Christ Again* will win a wide readership." --Dale C. Allison, Jr., Richard J. Dearborn Professor of New Testament, Princeton Theological Seminary

Robert A. Chesnut is pastor emeritus of the East Liberty Presbyterian Church, Pittsburgh, Pennsylvania. The author of *Transforming the Mainline Church: Lessons in Change from Pittsburgh's Cathedral of Hope* (2000), he holds MDiv and PhD degrees from Harvard. Teaches children about the sufferings of Jesus as He, approached death. Full-color illustrations. We live in a culture that's all about self, becoming the best "me" I can be instead of becoming like Jesus. This me-centered message affects every area of our lives--our friendships, our marriages, even our faith--and it breaks each one in different ways. The self-focused life robs our joy, shrinks our souls, and is the reason we never quite break free of insecurity. In this book, Sharon Hodde Miller invites us into a bigger, Jesus-centered vision--one that restores our

freedom and inspires us to live for more. She helps readers - identify the secret source of insecurity - understand how self-focus sabotages seven areas of our lives - learn four practical steps for focusing on God and others - experience freedom from the burden of self-focus Anyone yearning for a purpose bigger than "project me" will cherish this paradigm-shifting message of true fulfillment. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. From the bestselling author of *The Lamb's Supper* comes an illuminating work on the Catholic Eucharist and its link to the Jewish Passover meal. "Read this book. And don't just read it. Pray about it. Reflect on it. And share it with others."—Brant Pitre, author of *The Case for Jesus* In this brilliant book—part memoir, part detective story, and part biblical study—Scott Hahn opens up new vistas on ancient landscapes while shedding light on his own enduring faith journey. *The Fourth Cup* not only tracks the author's gradual conversion along the path of Evangelicalism to the doorsteps of the Catholic faith, but also explores the often obscure and misunderstood rituals of Passover and their importance in foreshadowing salvation in Jesus Christ. Revealing the story of his formative years as an often hot-headed student and earnest seeker in search of answers to great biblical mysteries, Hahn shows how his ardent exploration of the Bible's Old Testament turned up intriguing clues connecting the Last Supper and Christ's death on Calvary. As Hahn tells the story of his discovery of the supreme importance of the Passover in God's plan of

salvation, we too experience often-overlooked relationships between Abel, Abraham, and the Hebrews' liberation from slavery in Egypt. Along the way, Hahn reveals how the traditional fourth cup of wine used in the concluding celebration of Passover explains in astonishing ways Christ's paschal sacrifice. Rooted in Scripture and ingrained with lively history, *The Fourth Cup* delivers a fascinating view of the bridges that span old and new covenants, and celebrates the importance of the Jewish faith in understanding more fully Christ's life, death, and resurrection. The *Stammheim Missal* is one of the most visually dazzling and theologically ambitious works of German Romanesque art. Containing the text recited by the priest and the chants sung by the choir at mass, the manuscript was produced in Lower Saxony around 1160 at Saint Michael's Abbey at Hildesheim, a celebrated abbey in medieval Germany. This informative volume features color illustrations of all the manuscript's major decorations. The author surveys the manuscript, its illuminations, and the circumstances surrounding its creation, then explores the tradition of the illumination of mass books and the representation of Jewish scriptures in Christian art. Teviotdale then considers the iconography of the manuscript's illuminations, identifies and translates many of its numerous Latin inscriptions, and finally considers the missal and its visually sophisticated and religiously complex miniatures as a whole. "Why is it that sports seem to bring out the best and the worst in us?" asks author C. J. Mahaney. "Sports are a gift from God. But as soon as you introduce the human heart, things get complicated." For the Christian athlete, sports are one of the key battlegrounds in which pride and self-glory are regular temptations. If sports are indeed a gift from God, why are playing fields and courts so often arenas for our egos? How are we to enjoy sports in a godly way? Self-described "pastor athlete" C. J. Mahaney looks to Scripture for principles that speak to the role of sports in our lives. This booklet outlines how Christian athletes are to play for the glory of God and model gratitude, humility, and service. With candor and humor,

Mahaney recounts his own story with sports and through illustrations and practical applications exhorts athletes not to waste their sports. The booklet concludes with application questions and an addendum to parents. A great gift for Christian athletes, these booklets are also sold in packs of twelve. The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave *The Cross is More Than a Symbol* John Fischer believes Christians are in danger of forgetting the power and passion of the gospel. Using the powerful image of a 5-foot cross bolted in front of the platform of a small Connecticut church, Fischer explores the centrality of the cross to a Christian's faith for all time, as well as the tragedy of the cross's apparent absence in contemporary Christianity. *Remember Jesus Christ?* Although it seems almost too obvious, the center of our faith is surprisingly easy to forget. Dynamic pastor C.J. Mahaney shows how to overcome our tendency to move on from the gospel of grace. Finding joy in the gospel -- whose promises allow us to escape condemnation whenever it attacks -- helps us avoid the prevalent trap of legalism. With practical suggestions, Mahaney demonstrates the difference between knowing the gospel... and making it the main thing in daily decisions and daily living. *What Are You Centered On?* Sometimes the most important truths are the easiest to forget. It's time to get back to the starting point of the Christian life—the cross of Christ. Jesus' work on your behalf must be the central motivation for your life and faith—the main thing. "Never move on," says C.J. Mahaney, who shows you how to center every day around the cross of Calvary and how to escape the pitfalls of legalism, condemnation, and feelings-driven faith. Tap into the gospel's power and see how a cross centered focus can transform your life today! "To stand at the foot of the cross is to witness the purpose for which God created the world."

The cross is a wonder unfathomable. Time cannot contain its reach. No heart can endure its weight. And yet it is the center of everything. It cannot be passed over. Pastor and author Erwin W. Lutzer believes that the better we grasp what the cross meant to Christ, the better we grasp what it should mean to us. To do this, Lutzer examines Jesus' cries from the cross. Search with him and see how God's love and justice meet. Know the weight of sin and the power of redemption. Look upon Jesus in His weakness, obedience, sorrow, and compassion. Let the scandal of the cross give you pause. The cross deserves our attention. Journey forth into the heart of Jesus, that your own heart may be shaped to His. New York Times bestseller *What is Jesus worth to you?* It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring. Following Sherwood Lingenfelter's successful books on ministering, teaching, and leading cross-culturally (with combined sales of over 200,000 copies), *Teamwork Cross-Culturally* casts a vision for how teams made up of diverse peoples can serve in unity as the body of Christ despite the complicated problems that arise. The book equips leaders to respond to divisive issues so that multinational mission teams can do the work of ministry in ways that honor God. Real-

life examples of teamwork challenges from around the world demonstrate that "in Christ" responses are achievable. Christians worldwide have been blessing themselves with the sign of the cross for centuries. But few who use this simple, familiar gesture know its impact as a powerful prayer. Author Bert Ghezzi shows how this potent prayer engages the Holy Spirit and affirms Christian identity. With insights derived from Scripture, church teachings, and personal experience, Ghezzi encourages people to utilize this powerful sign in their daily life. Drawing on the fascinating history of the sign of the cross, Ghezzi reveals six dynamic truths of the spiritual life that God gives. The Sign of the Cross brings forth an opening to God, renewal of baptism, mark of discipleship, acceptance of suffering, defense against the devil, and victory over self-indulgence. This inspirational book brings to life the blessings of this ancient prayer and guides Christians to a renewed experience of God. In *Religious but Not Religious*, Jungian analyst Jason E. Smith explores the idea, expressed by C.G. Jung, that the religious sense is a natural and vital function of the human psyche. We suffer from its lack. The symbolic forms of religion mediate unconscious and ineffable experiences to the field of consciousness that infuse our lives with meaning and purpose. That is why we cannot be indifferent toward the decline of traditional religious observance so widely discussed today. The great religions house the accumulated spiritual wisdom of humankind, and their loss would be catastrophic to the human soul. As human beings, we hunger for spiritual experience. To be "spiritual but not religious" is one possible response, but it often doesn't go far enough. All too easily it can become a kind of do-it-yourself spirituality, which lacks the capacity to effect the kind of growth and transformation that is the true goal of all the religious traditions. Smith argues that we need to be "religious but not religious." We need an approach to religion that recognizes the essential importance of the individual spiritual adventure while also affirming the value of collective religious tradition. He articulates an

understanding of religion as a participation in the symbolic life as opposed to a mere content of belief. By recovering our personal sensitivity for symbolic experience together with a symbolic understanding of religion, we facilitate a profound encounter with life and with the human condition through which one may be tested, tried, and transformed. A study in the collision between Western medicine and the beliefs of a traditional culture focuses on a hospitalized child of Laotian immigrants whose belief that illness is a spiritual matter comes into conflict with doctors' methods. Everyone worships. But Jesus tells us that God is seeking a particular kind of worshiper. In *True Worshipers*, a seasoned pastor and musician guides readers toward a more engaging, transformative, and biblically faithful understanding of the worship God is seeking. True worship is an activity rooted in the grace of the gospel that affects every area of our lives. And while worship is more than just singing, God's people gathering in his presence to lift their voices in song is an activity that is biblically based, historically rooted, and potentially life-changing. Thoroughly based in Scripture and filled with practical guidance, this book connects Sunday worship to the rest of our lives—helping us live as true worshipers each and every day. Some of the leading voices in evangelical Christianity reaffirm the importance of preaching biblical theology for the health of our churches. Loving, teaching, and rightly dividing the Word of God is every pastor's privilege and responsibility. If a pastor understands what the Word says about God, man, and the curse, about Christ and his substitutionary atonement, and about the call to repentance and sacrifice, he will develop and preach a sound theology. And sound theology is, in the words of J. Ligon Duncan, essential to faithful pastoral ministry. Proclaiming a theology that is centered on Christ's atonement is especially critical, for by this atonement, Christians have been brought from death to life, and by it a church lives or dies. In this penetrating sequel to *Preaching the Cross*, John Piper, R. C. Sproul, John MacArthur, and Thabiti Anyabwile join authors Mark Dever,

Ligon Duncan, C. J. Mahaney, and Albert Mohler in exploring the church's need for faithful proclamation and calling pastors and churches to cross-centered, scripturally saturated thinking. We live in a day where felt-needs are elevated over Biblical theology among many Christians, ministries and churches. The

purpose of this book is to challenge and encourage the serious Christian and the church. Without a correct focus on evangelism and missions, one risks a life of self-deception regarding what real Christian service is. This book does not belabor imprecise terms like "balance" or "moderation" when discussing evangelism and good works - it seeks to be Biblical. When our lives are done, it is the truly Spirit-led obedient believer who will hear: "Well done, good and faithful slave. You were faithful with a few things, I will put you in charge of many things; enter into the joy of your master." (Matthew 25:21). The cross is the perfect, all-sufficient sacrifice by which Christ has removed our guilt and provided for our every need. (2-DVD set) John Stott presents Bible studies based on his book The Cross of Christ on the meaning and purpose of the cross in our lives. These thirteen-session LifeGuide® Bible Study provide the ever-increasing understanding of the cross needed by every believer. The cross is a symbol that is easily recognize and widely accepted as the emblem of Christianity. The sheer beauty of a well-crafted cross invites one to look and enjoy. Its design is well suited for works of art on canvas, in woodwork and jewelry. Many stage plays and Hollywood movies have used the symbol of the cross in its productions. They draw well-meaning folk together and they

drive the vampires away. It is indeed a powerful symbol. The author wishes to tap into the power of the cross in this book. However, he focuses, not on the power that drives away, but on the power that unifies. Many of us have seen the images of our Lord as He hung on the cross. It was a bloody and gory sight. Even more spectacular than the gore, is the beauty of the cross. See the loveliness of an unselfish and loving God. See how He suffered it all to reunite mankind with his creator. There is much for us to learn there. Our lives, families, and our churches would be better off if we endeavored to live Cross-Centered lives. An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students. In this 2006 text, Daniel M. Gurtner examines the meaning of the rending of the veil at the death of Jesus in Matthew 27:51a by considering the functions of the veil in the Old Testament and its symbolism in Second Temple and Rabbinic Judaism. Gurtner incorporates these elements into a compositional exegesis of the rending text in Matthew. He concludes that the rending of the veil is an apocalyptic assertion like the opening of heaven revealing, in part, end-time images drawn from Ezekiel 37. Moreover, when the veil is torn Matthew depicts the cessation of its function, articulating the atoning role of Christ's death which gives access to God not simply in the sense of entering the Holy of Holies (as in Hebrews), but in trademark Matthean Emmanuel Christology: 'God with us'. This underscores the significance of Jesus' atoning death in the first gospel. In "THE CROSS AND ITS SHADOW," the type and the antitype are placed side by side, with the hope that the reader may thus become better acquainted with the Saviour. It is not the intention of the author of this work to attack any error that may have been taught in regard to the service of the sanctuary, or to arouse any controversy, but simply to present the truth in its clearness.
