Olivia soon discovers that the diggers didn't just reserve their anger for the US forces &- they also took it out on the women they perceived as traitors, the ones who dared to consort with US soldiers.Can Olivia rewrite history to bring justice to the river girl whose life was so brutally taken? But his birth was not legendary. Abandoned on the cold steps of a Houndside orphanage, this small unhoundish pup grew up knowing nothing of his mother and father and everything about loneliness and sorrow. His was a hard-scrabble life on the working-class side of town, where motorbike gangs mingled with milkmen and everything was faded, including dreams. Yet it was here that Lonely first heard the blues, gritty barb-wire blues, leaking from clubs and honkytonk bars. And it was this music that became his lifeline and his destiny. Yet it came at a price. Bullied and misunderstood, Lonely was hounded from town and became a refugee in his own country. Rejected, hunted, he knew both prison bars and freedom's kiss. Some called him a troubadour, others a troublemaker"--Inside cover. This lovely Niece notebook or journal is the best gift from aunt. It contains 122 writing pages of lined paper, size 6x9."
