There are many and varied coat types and there is a vast difference between the time it takes to groom a Doberman and an Old

English Sheepdog, a Siamese and a Persian cat. This book provides much needed guidance for groomers, breeders and owners. It will be invaluable for those taking the City and Guilds 775 Grooming exam and animal care students of all levels. Step by step grooming/clipping techniques are described for the more popular breeds of dog and cat and in each case the technique is illustrated with photographic sequences. The book also includes allied subjects such as skin care, commonly found skin parasites and basic first aid and handling. This Basset Hound Care Manual, is a unique, insightful and authoritative care guide, written by a dog lover - for the dog lover. The book itself has also been contributed to, by pet care experts and veterinarians. This is certainly a must have addition for your book shelf. The Basset Hound is a strong breed and one of the most intelligent and curious dogs out there. With such an interesting persona, and wonderful genetics, the Basset Hound will truly capture your heart. This is an easy-to-read, and in-depth text which you will thoroughly enjoy. It contains a wealth of interesting facts and reliable information, along with detailed advice for current or soon-to-be owners. Written by an expert dog whisperer and dog owner, the American Foxhound Complete Owner's Manual has the answers you may need when researching this large and friendly fox hunting hound dog. Learn about this very high energy purebred and find out whether or not this sweet-natured and independent hunter will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the American Foxhound's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a American Foxhound, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog

All the essentials for the young outdoorsman Originally published in 1865,

The Complete Manual for Young Sportsmen is every young man (or young woman's) guide to everything outdoors. This new edition of the classic handbook provides instructions, tips, and facts about everything from hunting to fishing to animal's habits. With new updated illustrations and step-by-step instructions, every person young and old can learn to be an outdoorsman. Learn how to handle and shoot a gun or rifle with ease so that you hit every shot you make. Learn the best ways to hunt deer, fowl, and multiple other varieties of animals. The secrets of animal's habits and habitats are now yours to utilize. The Complete Manual for Young Sportsmen will even teach you the ways of hunting with dogs! In addition, not only will you learn about hunting, but also about fishing in rivers, lakes, even sea fishing. Learn the best ways to handle a fishing rod and never lose your catch again. With this updated version of The Complete Manual for Young Sportsmen, you can impress friends and family with your outdoor skills in no time. Manual of Trauma Management in the Dog and Cat provides quick access to clinically relevant information on stabilizing, diagnosing, and managing the trauma patient. The book uses an outline format to provide fast access to essential information, focusing on practical advice and techniques for treating traumatic injuries. Manual of Trauma Management in the Dog and Cat is an ideal handbook for quickly and confidently managing this common presenting complaint. Beginning with a concise summary of the global assessment of traumatized patients, the heart of the book is devoted to guidance on managing specific types of trauma following definitive diagnosis. Manual of Trauma Management in the Dog and Cat is a valuable quick-reference guide to treating canine and feline trauma patients for general practitioners and emergency specialists alike.
